Reception

Prior to the assembling of the Grand Lodge a special meeting was held in the Opera House, at which the sisters of the Rebekah Assembly with their friends were present, where the following addresses of welcome were presented, each of which was most happily responded to by the Grand Master, Bro. Henry White.

His Worship the Mayor, J. W. Johnson, Esq., read the following address of welcome on behalf of the citizens and Corporation of the City of Belleville :-

To the Grand Lodge of the Independent Order of Oddfellows assembled in the City of Belleville :

GENTLEMEN,-It is my pleasing duty, as well as my privelege, to welcome, on behalf of the citizens, the Grand Lodge of the Independent Order of Oddfellows to the City of Belleville. When it became known that you had chosen our city for your annual meeting the determination was formed, not only by the members of the Order, but by the citizens generally, to extend a hearty greeting to the delegates ; so I am here to-day for the purpose of conveying to you that greeting, and of assuring you of our welcome.

Belleville has only recently gone into the convention business, but the success she has already achieved has been phenomenal. The beauty and general attractiveness of the city, the charms of the Bay of Quinte, and the generous hospitality of the citizens have had the effect upon delegates in attendance at previous conventions of not only keeping them here during the full period allotted to official duties, but of causing them to linger beyond it.

Your Order in this city, I am glad to assure you, occupies a large place in the esteem of the community. Its principles command that. It enjoys, moreover, the respect and confidence of our people because of the manner in which the lodges and the individuals who compose them carry out those principles. The zeal and devotion which characterize the members of the Order in their ministrations to their sick and afflicted brethren constantly call forth gratitude and admiration ; while the financial success achieved by the lodges proves that consibilities are entrusted to men of skill and ability.

This is the second time the City of the Bay has been honored as the place of your meeting. I am convinced that you will find your surroundings so congenial,

pleasant and attractive that our citizens will have the pleasure of seeing you in our midst very frequently in the future. I now extend to you the freedom of the city.

J. W. JOHNSON,

Belleville, August 11, 1897.

RECEPTION.

The Grand Master made the following reply :

Mr. Mayor :--.

On behalf of this Grand Lodge, it is my exceedingly pleasant duty to thank you for the address of welcome you have presented in the name of the Citizens of your fair city. When we were invited last year to accept your hospitality, all sorts of inducements were held out to us to select Belleville as our place of meeting for 1897. We were told of your hospitality, of your ardent desire that we should visit you. The convenient and beautiful location of the city was impressed upon us, and, generally, the desirability of our coming was so temptingly displayed that we were at last persuaded to accept the invitation, and as a result, our meeting here to-day. I may say, too, Mr. Mayor, that if the hospitality we have already received is a criterion of what we are yet to experience, we shall certainly go away with earnest expressions of regret at leaving, and with sincere appreciation of the kindness of your citizens, as well as of the beauty and facilities of your city. But, sir, in addition to the attractions held out to us, we have also to remember that we are to-day meeting on ground hallowed by the memory of those who have left on the pages of the history of our fair province a record for bravery, loyalty and determination that has never been excelled, and seldom equalled. Yes, sir,

"Your fathers loved the brave old flag They brought across the seas To wave o'er their New England homes, The symbol of the free. And when their kinsmen cast aside That emblem held so dear, They rallied round their country's flag And brought it safely here."

Here, sir, to the shores of the Bay of Quinte; here, sir, to the Counties of Hastings and Prince Edward. Their reverence for the grand old flag of England, their loyalty to the glorious land they had left beyond the mighty Atlantic impelled them to dare

> "The stormy sea, the wilderness, Hardship and weary toil, That they might see their children stand British on British soil."

And here, sir, on the site of this fair city of Belleville, they found that soil, and here to-day their children stand as British as their forefathers with hearts as loyal to their flag, as true to their sovereign as ever beat in the bosoms of United Empire Loyalists.

It is exceedingly gratifying to us, Mr. Mayor, to listen to your words of commendation regarding the work being done by the lodges of our Order located here. Sir, this is but an instance of what is being done by the Independent Order of Oddiellows throughout the length and breadth of this continent, in Australia, Europe, and in the Islands of the Sea. From the storm-beaten abores of the New England coast to the rippling wavelets of the Golden Gate, from

t

the spice-laden breezes of the Mexican Gulf, almost to the eternal snows of the Arctic circle, in every city and town and village Oddfellowship has a habitation and a name—a name for high principles and lofty purposes, a habitation wherein a great work in the cause of humanity is being carried on. No man, sir, can be an Oddfellow in spirit and in truth unless he is grateful to his Creator, faithful to his country and fraternal to his fellow man. We war against vice in all its forms, Friendship towards man prompts the contest, the gentle influences of Love supply the weapon, Truth consecrates the effort and leads to victory. Animated by such principles, striving for such results, achieving such victories, no wonder we find our work appreciated, not only in Belleville, but throughout the civilized world.

Again I thank you or your kindly address and hearty greeting, and in the name of this Grand Lodge I accept them in the same friendly spirit they are tendered. In conclusion, Mr. Mayor, permit me to express the hope that if we evade the regulations of your Board of Health, elude the vigilance of your Medical Health Officer, and escape the clutches of your Chief of Police, we may, at our departure, receive a clean Bill of Health and not a "Passport" for our transportation from the shores of the Bay of Quinte to the sand bar in Toronto harbor.

Sir, I thank you.

Bro. W. B. Northup, Ex-M.P., on behalf of the Order in Belleville, presented the following address of welcome :

Grand Master, Officers, and Members of the Grand Lodge of the I.O.O.F. of Ontario:

The members of the I.O.O.F. in Belleville bid you, Grand Master, and the Grand Lodge cordial welcome to the City of Belleville and the shores of the historic Bay of Quinte. We beg to assure you that we appreciate highly the so enjoyable as to leave pleasant memories in the minds of all. We are glad that the Grand Lodge meets here in a year remarkable for the fact that we have celebrated the Diamond Jubilee of that "Queenly woman and Womanly Queen," Victoria, our beloved Monarch, of whom it has been truly said :

"Her Court was pure, her life serene, God gave her peace, her land repose ; A thousand claims to reverence close In her as Mother, Wife, and Queen."

While her loyal and faithful subjects in all parts of that mighty Empire on which the sun never sets have rejoiced in the goodness of that kindly Providence which has permitted our Gracious Soverign to enjoy the longest reign in the histopy of the Nation, we, as members of the I.O.O.F., remember that the year of Her Majesty's birth (1819) witnessed also the institution of our beloved Order, which has so grandly fulfilled the highest and loftiest expectations of its founders in becoming the greatest and best fraternal and benevolent society, the links of whose chain stretch around the universe, binding the vast multitude who compose its membership in the celestial bonds of "Friendship, Love, and Truth."

RECEPTION.

Who can tell the number of homes where the influence of Oddfellowship has been felt for good? The distressed have been relieved; the tired members of the family have been reinvigorated by sweet repose while during the silent watches of the night brother Oddfellows have ministered to the sick with uncmitting care; and when the dark shadows of death crossed the threshold of the home and a loved one was taken, even into the profound darkness of such deep grief has the beauteous light of Oddfellowship penetrated, so that both by words and deeds consolation and deep sympathy have been extended to the bereaved, that kindly Providence which has, through the medium of brotherly love, brought to view the silver lining in the darkest cloud.

In this connection it would ill become us in-greeting you, Grand Master, and the Officers and Members of this Grand Lodge, did we not make feeling reference to the great loss the Order has sustained in the death of Bro. William Badenach, Grand Treasurer. How we shall miss his kindly face and

" Long for a touch of a vanished hand And the sound of a voice that is still."

No Oddfellow that knew the late Grand Treasurer will sign the roll this year without a feeling of sadness that he who for many years carefully guarded the financial interests committed to his charge has joined the silent majority. As we mourn the early demise of one who, was so truly an Oddfellow, as well as a widely-known and highly-respected citizen of the Capital of this Province, can we not claim to be one of those

"Who speak their feelings as it is, And weep the fulness from the mind ; It will be hard, they say, to find Another service such as this,"

And now, Grand Master, we know that the time of the Grand Lodge is precious and that others will claim a portion of it. Once more, welcome in the name of the Oddfellows of Belleville. We trust the efforts of the brethren to make your visit pleasant will be eminently successful; that business in the best interests of the Order may be transacted with satisfaction to all concerned; that the links of the chain which bind us together in the sacred ties of "Friendship, Love, and Truth" may hold us with still firzer grip, and that when life's work is done we may each and all be found in possession of that P.W. which shall give an entrance to the Grand Lodge on High where the Grand Master of all dwells in the glory that excelleth.

The Grand Master, Bro. Henry White, made a most eloquent and appropriate reply.

After these addresses and replies, the Grand Master said that the Grand Lodge would at once proceed to business, when, after mutual congratulations, the visitors retired.

GRAND MASTER'S REPORT.

To the Grand Lodge of Ontario, I.O.O F .:

GRAND OFFICERS, REPRESENTATIVES AND BRETHREN.—Another year in the history of our Great Order in Ontario has passed away, and it is my pleasant duty to-day to welcome you to our annual convocation in this good city of Belleville. To the older representatives I extend my hearty congratulations on their return to aid us with their experience in our deliberations; and to those who are with us this year for the first time I would convey an earnest and brotherly greeting, and cordially invite their assistance and co-operation in the important business to be transacted at this Grand Lodge meeting.

I.-CONDITION OF THE ORDER.

Although the year just closed has not been in any sense a record year, it is with a sense of peculiar satisfaction that I am able to report a continued advance in our numbers and usefulness. Whilst the number of new lodges instituted has not been large, nor the numerical increase in our membership as marked as in some previous years, yet, a perusal of the carefully-prepared tables and extremely valuable statistics to be presented to you by our Grand Secretary will reveal a gratifying condition of affairs within our borders.

Financially, this great organization has made distinct and satisfactory progress, and its record for noble principles faithfully held, lofty duties unfailingly carried out, and monetary obligations honorably discharged, never stood higher before the world than to-day. We have therefore much cause for thankfulness that our Order has passed comparatively unharmed through a period of pronounced financial depression, and has more than held its own in the face of severe competition.

II.-NEW LODGES.

Three new lodges have been instituted during the year in desirable locations and under favorable circumstances. I have no doubt as to the success of each, and from information before me, feel no hesitation in asking that Charters be granted them. Careful inquiries were made before dispensations were granted, and personal investigation in each case confirmed the advices received. The new lodges and their locations are as follows:

1. Liberty Lodge, No. 323, at the town of Berlin, county of Waterloo, instituted October 6th, 1896.

2. Ontario Lodge, No. 324, at the Village of Pickering, County of Ontario, instituted December 4th, 1896.

3. Southampton Lodge, No. 325, at the Town of Southampton, County of Bruce, instituted May 16th, 1897.

These lodges have been placed in the following Districts: Liberty, No. 323, in Royal City District, No. 17; Ontario, No. 324, in Ontario District, No. 30; Southampton, No. 325, in Walkerton District, No. 25.

III.-RESUSCITATED LODGES.

In addition to the above named new lodges, Britannia Lodge No. 198 was resuscitated at the village of Drayton, in the County of Wellington, on the 5th January, 1897. This lodge though ostensibly a resuscitation is practically a new lodge, being located some five miles from the meeting place of the old lodge. It has been placed in Harriston District, No. 22:

IV .- REBEKAH DEGREE LODGES.

The following additions have been made during the year in this branch of the Order : -*

Our Sisters Lodge, No. 7, Point Edward, resuscitated October 15th, 1896, by the Secretary of the Rebekah Assembly.

Viola Lodge, No. 53, Toronto, instituted December 6th, 1896, by the President of the Assembly.

Queen Lodge, No. 54, Hespeler, instituted April 3rd, 1897, by Mrs. W. Bascom, Galt.

Ruth Lodge, No. 2, Stratford, resuscitated April 29th, 1897, by the President of the Assembly.

Woodslee Lodge, No. 55, South Woodslee, resuscitated May 12th, 1897, by Mrs. Edgar, Windsor, D.D.G.M.

Ruby Lodge, No. 56, Mount Forest, instituted June 15th, 1897, by Mrs. Watson, Harriston.

I have the honour to ask that Charters be granted to these several lodges.

V.-CHARTER RECLAIMED.

It is to be regretted that Alliston Lodge No. 171, located at Alliston in Georgian Bay District, No. 26, has discontinued working, and surrendered its Charter and assets. These assets will be further reported on by your Grand Secretary, and there seems to be a reasonable hope that the lodge may be resuscitated at no very distant date. Lack of interest and removal of members from the neighbourhood seem to have been potent causes in the discontinuance of our work in Alliston.

VI.-OFFICIAL VISITS.

Whilst its has been impossible for me to accept all the invitations kindly extended to me to visit lodges and take part in ceremonies connected with the Order, I have endeavored, as far as was practicable, to comply with the wishes of my brethren in this regard. At the same time I recognize the fact that in some cases my inability to be present in response to invitations may have caused some feeling of disappointment. My experience, in common with my predecessors, has been that it seems almost impossible for a Grand Master to entirely fill the duties of the office in this respect ; and to those lodges and members whose wishes I have not been able to comply with, I have to apologize and assure them that any failure to meet their desires has been caused in every case by reasons other than indifference or neglect on my part. Wherever I have been able to go throughout the jurisdiction I have experienced that unfailing courtesy, consideration and kindness so characteristic of Oddfellowship, and I desire in this connection to express my warm gratitude and hearty thanks to the many brethren I have met during my official visitations.

On Tuesday, September 15th, 1896, it was my pleasant experience to pay my first official visit to Durham Lodge, No. 78. As this is the lodge I have the honour to belong to, it is needless for me to say how much I appreciated the opportunity. I was accompanied by our esteemed Grand Secretary, who, at considerable personal trouble, came to Port Hope specially for the occasion. Brethren were present from Millbrook, Cobourg, Lindsay and Smith's Falls, and a very pleasant evening was spent. Not the least pleasant feature of the evening, to myself at least, was the presentation by my brethren of a very valuable silver tea service and address. The Initiatory Degree was put on, and I had the pleasure of delivering an address on the work of the Order. After the meeting we enjoyed the hospitality of the lodge, and I am glad to say that Durham Lodge, No. 78, is still holding up the principles and practices of Oddfellowship in an exceedingly satisfactory manner.

On Tuesday, October, 6th, 1896, accompanied by our Grand Secretary, I instituted Liberty Lodge, No. 323, in the thriving town of Berlin. Members were present from Guelph, Preston, Waterloo, and Bowmanville, and the Degree team of Progress Lodge, No. 158, Guelph, performed the work in a highly creditable manner. Although this is the second lodge in Berlin, it started with every prospect of success, and I am glad to be able to report that these prospects have been realized.

On Thursday, November 5th, 1896, on the invitation of Lindsay Lodge, No. 100, I visited Lindsay, and was received in a most

enthusiastic manner by the members of the lodge and the adjoining districts. An-open meeting was held in the opera house, where addresses were delivered by Past Grand Master Hoyle and myself, after which a competition took place between the Degree teams of Lindsay Lodge and Otonabee Lodge, No. 13. The competition, wherein Past Grand Masters Hoyle and Bell, with myself, acted as judges, resulted in favour of Otonabee Lodge, and, at its co clusion, an adjournment was made to a sumptuous banquer. On this occasion special trains were run from Cannington and Peterboro', and it was estimated that over four hundred members of the Order were present. As one of the enterpising and successful lodges of the Order, Lindsay Lodge, No. 100, occupies a prominent position and is doing good work.

On Tuesday, December 1st, 1896, I paid an entirely unexpected visit to Wilton Lodge, No. 242, meeting in the Central Hall at Toronto. My visit being without any previous notice, the attendance was only fair, but this lodge appears to be in good condition, and I was accorded a hearty reception. I was accompanied by the Grand Secretary, Past Grand Master Oliver, and District Deputy Grand Master Dack, and had the opportunity of speaking on matters of interest to the membership, supplemented by addresses from the above-named distinguished brethren.

On the same evening, I delivered an opening address at a Fancy Fair, gottor ap by Olive Branch Lodge of the Rebekah Degree, in aids one Orphans and Oddfellows' Home. The hall was very handsomely decorated, and the ladies having the function in charge deserve the greatest credit for their efforts to promote the establishment of the proposed Home. It was a matter of regret, however, that on the occasion of the opening only a limited attendance of the membership of the subordinate lodges was in evidence. A number of the leading members of the Order were, however, present, and I have reason to believe the Fair was successful, though possibly not to the extent it should have been.

On Friday December 4th, accompanied by Grand Secretary King, Past Grand Patriarch Blackeby, Grand Warden Farewell and District Deputy Grand Master Butler, I instituted Ontario Lodge, No. 324, at the village of Pickering in the county of Ontario. The Degree team of Phœnix Lodge, Oshawa, were present and conferred the necessary work in a very efficient way. Members were present from Oshawa, Whitby, Bowmanville, Whitevale and Smith's Falls. The lodge was inaugurated auspiciously, and I am glad to report satisfactory progress made since the institution.

On Tuesday, January 5th, it was my pleasant duty to be present at the resuscitation of Britannia Lodge, No. 198, at the village of Drayton. There were present Grand Secretary King, P.G.P. Black-

eby, Special Deputy Powley, and a number of outside brethren. The work was finely put on (though under some disadvantage on account of room and lack of space) by the excellent team of Gordon Lodge, Palmerston, and the resuscitated lodge commenced its new career in good shape. I have pleasure in saying that by latest accounts, Britannia Lodge is doing good work.

On Tuesday, January 12th, I made an official visit to Eastern Star Lodge, No. 72, Whitby. The primary object of my visit was happily achieved and a settlement of the difficulty between Brother A. R. Rowland and the lodge has since been arrived at. This matter was referred to me at the last session of Grand Lodge, and Brother Rowland has been reinstated in membership as directed by the Sovereign Grand Lodge, taking out a withdrawal card immediately afterwards. I found Eastern Star Lodge labouring under many disadvantages, but still looking forward to better days, and I feel sure the elevation of our present Grand Warden to the higher offices of the Order will tend to increase the energy and enthusiasm of the lodge to which he belongs and where he is so highly honoured and esteemed.

On Thursday, January 14th, at the request of Minto Lodge, -Harriston, I dedicated their new hall. A very fine building has been erected, and accommodation in every-way fitted for successful lodge work has been provided. During the day and evening I delivered two addresses, these being supplemented by our Grand Secretary. Minto Lodge presents every appearance of thrift and energy despite bygone, but very unfortunate difficulties and losses.

Friday, January 29th, found me at Hamilton, on the invitation of Crescent Lodge, No. 104. A large gathering of members of the Hamilton District was in attendance, and a pleasant and profitable evening enjoyed. I had an opportunity of renewing many old friendships, and delivered an address on topics of general interest to a responsive audience. The courtesy and hospitality extended to me was unlimited, and my visit was very enjoyable.

On Monday, March 8th, I visited Smith's Falls and was met by breihren from Merrickville, Perth, Mountain, Chesterville and other places, some of whom had come long distances and under great personal inconvenience. The Initiatory Degree was exemplified in good style by the lodge team, and a pleasant meeting terminated in a banquet, attended by about one hundred and fifty persons, including many of the leading citizens of the town. Smith's Falls Lodge is making good progress, and with its young and energetic membership is a source of strength to the Order in Eastern Ontario.

On Tuesday, March oth, I had the pleasure of meeting many of the brethren at Almonte, the occasion being a staff competition between Coila and At-the-Well Rebekah Lodges, wherein I had

been requested to act as judge. Members were present from Renfrew and other places in the vicinity, and I took advantage of the opportunity thus afforded of addressing them on our work, past and prospective.

On Monday, April 5th, by invitation of Otonabee Lodge, No. 13, I visited Peterboro' for a Degree competition between Lindsay and Otonabee lodges. Many brethren were present from the surrounding Districts, and the proceedings were of great interest. Past Grand Masters Hoyle and Bell were both present, and a pleasant evening was enjoyed. Peterboro' is justly styled "An Oddfellows' Town," and the local members of the Order are quite in line with the advanced lodges of the Province.

On Wednesday, April 14th, I attended the anniversary entertainment of Kingston Lodge, No. 59, at Kingston. A large audience evidenced its appreciation of the hospitality so liberally extended, and the entertainment was of a high order. I gave an address suitable to the occasion, and experienced many courtesies at the hands of the Kingston brethren.

On Wednesday, May 12th, I dedicated a new hall at South Woodslee, and was accompanied on the occasion by many members of the Order from Kingsville, Leamington, Windsor, and adjacent places. My thanks are especially due to Bro. Ryall, of Leamington, for valuable assistance cheerfully rendered and much appreciated. After the dedication, a Rebekah Degree Lodge was instituted by Mrs. Edgar, the D.D.G.M. of Windsor, and the Degree Staff of Naomi Lodge, and in the evening the Degree team of Ridgetown conferred the work on some local candidates.

The next evening. May 13th, in Windsor, I visited Frontier Lodge. This lodge is in good working condition, and my visit was very satisfactory. I endeavored to enlist the sympathies of the members present in various matters of interest to the jurisdiction, and, after adjournment, those present enjoyed the hospitality of the ladies of Naomi Lodge.

On the invitation of the Oddfellows' Hall Committee, Toronto, I attended an entertainment given on Thursday, June 10th, the occasion being the re-opening of their Lodge Rooms after extensive repairs and improvements. A varied and delightful programme was provided, interspersed with speeches from prominent members of the Order, amongst whom Bro. the Honorable G. W. Ross occupied an honoured place. The attendance was large and very appreciative, and the Committee are to be congratulated on the success achieved as well as on the beautiful rooms they have provided for the use of the membership in their city.

On Tuesday, July 13th, I paid a visit to Millbrook Lodge, No. 308, and met with a hearty reception. Athough one of the younger

on ad lodges, all the tokens of rapid progress are present, and, considering the size of the field it has to work in, the increasing membership is very significant of zeal and enthusiasm. Many young men are identified with this lodge, and all signs point to a very successful career and large membership.

On Wednesday, July 14th, I visited Cobourg Lodge, No. 136, and found it still going forward. Although the membership has somewhat decreased, much enthusiasm exists, and with the stalwart Oddfellows who largely compose the lodge there is no fear of any serious or lasting set back to the work of Oddfellowship in Cobourg.

• On Tuesday, July 27th, at the request of the brethren of St. Mary's Lodge, No. 36, I visited them. Owing to placing their funds in a large building and local depression in values, this old, and once wealthy-lodge, finds itself in a critical condition with heavy liabilities and unrealizable assets. I have reason to believe, however, that some way may be found to relieve the strain upon the lodge, and I suggested certain methods and proceedings which may tend in this direction. It is by no means a pleasant experience to see a once prosperous lodge in the condition prevailing with No. 36.

On Wednesday, July 28th, I witnessed the exemplification of the Initiatory and First Degrees by the regular officers of Avon Lodge, No. 41, Stratford. The work was put on with fine effect and clearly showed the ability and intelligence prevailing in this old and influential lodge. During the evening I addressed those present on matters likely to engage the attention of Grand Lodge, and after adjournment a large company were generously entertained.

On Monday, August 2nd, I completed my round of official visits by taking part with Durham Lodge, No. 78, Port Hope, in the services of their annual Decoration Day.

VII. DECISIONS.

1. A lodge can grant relief from its General Fund to the widow of a brother who died in bad standing or arrears, such grant being reasonable in amount, and the widow's condition such as to call for succour at the hands of the Order.

2. (a) It is not legal to fake money from the General Fund for the purpose of buying band instruments, or for paying bandmaster's salary, or for procuring uniforms for bandsmen.

(b) A Contingent Fund, originated and maintained by five per cent. of dues cannot be used for the above purposes, these not being "necessary and proper obligations which every lodge must incur."

3. The date from which it would be legal for a lodge to appropriate five per cent. of its dues to a Contingent Fund would be the

date upon which the by-law for such purpose was finally passed by the lodge.

4. A lodge by-law appropriating rents received from a building owned by such lodge, or earned by sub-letting a leased lodge-room, to a Contingent Fund is improper except in the cases where the building so owned was built or purchased out of a Contingent Fund or the original rent is paid out of such fund.

5. The legislation of Grand Lodge being paramount within its jurisdiction, is above the local regulations of subordinate lodges, and must of necessity prevail in the event of a conflict of laws.

6. It is illegal to expend the funds of a lodge for livery hire incurred in a friendly visit of the degree team of the lodge to another for the purpose of conferring degrees. The fact that the main object of the visit was alleged to be "the instilling of some enthusiasm into the lodge, it having been losing ground for some time before," does not affect the illegality of the expenditure.

7. A member of the Order can change his business to bartending if he so choose, the law as to the admission of bar-tenders and professional gamblers having no application to such a case.

8. There is no such thing in our Order as expulsion for non-payment of dues.

9. A lodge cannot lower its Initiation and Degree Fees by the subterfuge of charging the regular rate and giving its note to the candidate for an amount by way of rebate.

10. A lodge is not justified in refunding part of the Initiation Fee of a clergyman joining its membership, and none of the funds of the lodge whether "General" or "Contingent" can be applied for such purpose.

11. A by-law is improper which provides that a lodge shall have power to "withhold or refuse payment to a widow who has been living apart from her husband under circumstances which in the opinion of the lodge disentitle her to widow's benefits."

12. A lodge holding memorial ("Decoration") services may expend a reasonable amount of its funds to defray the necessary expenses, but within the limits laid down in clause 353, Sovereign Grand Lodge Digest (White), 1895, page 132.

13. The decision of Grand Master Oliver, page 5,805, Grand Lodge Report (approved by Grand Lodge, page 5,897. Report of 1894) that payment under a lodge by-law of a benefit to a brother to aid in the funeral expenses of a deceased wife was illegal did not have the affect of annulfing an existing by-law so providing. The Grand Lodge having since legalized payments to be made thereunder

it would be regular to pay such benefit without any action being taken by the lodge on the by-law.

14. A District Committee has no power to "fix" a uniform rate of dues within its bounds, neither can this Grand Lodge confer such power.

15. Under the existing law a bar-tender holding a withdrawal card from another jurisdiction cannot be admitted to membership by deposit of card in one of our lodges.

A number of other questions were submitted, but as they could be easily answered by reference to the digests or published decisions of my predecessors, confirmed by this Grand body, I have not deemed it necessary to further report them. I have also been called on in some instances to interpret lodge by-laws, and as I know of no appeals against my decisions thereupon I conclude these have been accepted as final and satisfactory by the lodges and individuals concerned.

VIII.-APPEALS.

Two cases in the nature of appeals to this Grand Lodge have been submitted to me for presentation :

1. Appeal-J. T. Johns against Ottawa Lodge, No. 224.

2. Appeal-Webbwood Lodge, No. 319, against Carleton Lodge, No. 240.

Some other matters were brought before me for presentation to you, but the papers being irregular were returned for rectification to the parties sending them and have not been sent back as yet.

IX.-HER MAJESTY'S JUBILEE.

As you are all aware the twenty-second day of June of this year was set apart for the fitting celebration of the Sixtieth Anniversary of Her Most Gracious Majesty's accession to the Throne. Amidst the almost numberless expressions of congratulation that were being forwarded to Her Majesty, I felt that it was very desirable something of the kind should be conveyed on behalf of the foremost Fraternal Benefit Society in this great Province. After consultation with our Grand Secretary and other leading members of our Organization, it was decided that although the Grand Lodge had not considered the matter at its last session, some action to express our loyalty and gratjude should be taken, and accordingly the following message was transmitted to our Gracious Queen on the evening of June 21st :

" May it please your Majesty,"

"The Independent Order of Oddfellows of your Province of Ontario, respectfully beg to lay at the foot of your Throne the loyal

Grand Master.

I trust the action taken as above indicated will meet with your approval and endorsement.

X .--- IN MEMORIAM.

On Saturday, February 20th, I was very painfully surprised to receive word of the death of our esteemed and honoured Grand Treasurer, William Badenach. I had learned some short time before of his desire to be relieved of the cares of his office by reason of serious illness, but had no anticipation that death was near. It needs no words of mine to eulogize our late Brother's personality or character. To know him was to love him, and the trusted position he occupied for so many years in our Grand Lodge proclaims more than words how high he stood in the estimation of the Order in Ontario. The members of this Grand Lodge who knew him personally, will long revere his memory and hold him in loving recollection, and to those who may not have had personal acquaintance with our deceased brother, I can only say that as an Oddfellow, as an officer of this Grand Body, as a citizen and as a man, Brother Badenach was alike distinguished for courtesy and kindness, honour and integrity. Accompanied by Deputy Grand Master Young, Grand Warden Farewell, Grand Secretary King and Grand Representatives Jolliffe and Hoyle, I attended the funeral, Tuesday, February 23rd, when the loving hands of his brethren consigned to the grave all that was mortal of one much beloved and deeply regretted. As a token of our esteem and regard a floral offering was procured and forwarded to the obsequies, on behalf of this Grand Lodge, and I deemed it my duty to prepare a letter of condolence to the sorrowing widow and bereaved family of our late brother. This was appropriately engrossed and sent to Mrs. Badenach, and a copy thereof, with her reply, will be found in the appendix to this report. Your endorsation of the action thus taken in your behalf is now asked.

As required by our Constitution I caused a meeting of the remaining elective Grand Lodge officers and Grand Representatives to be summoned for the purpose of choosing a successor to Brother Badenach to serve as Grand Treasurer until the next annual session of Grand Lodge. The meeting was held on the evening of February 23rd, and, by adjournment, on the morning of February 24th, all

those entitled to be present being in attendance. As a result of the deliberations Past Grand W. J. McCormack, of Toronto, was chosen as interim Grand Treasurer, and was forthwith installed. Brother McCormack is a brother of the highest standing and has brought to the duties of the office, the experience, energy and integrity of a successful business man. As the Secretary of the Toronto Relief Board, our new treasurer is widely known throughout the jurisdiction, and in the discharge of the duties of that very onerous position he has gained an enviable reputation for zeal and activity in the practical carrying out of those fundamental principles of Oddfellowship, the relief of distress and the visitation of the sick. I ask your approbation of the choice made of Brother McCormack by the Executive as interim Grand Treasurer.

XII.-GRAND LODGE AUDIT.

The death of our late Grand Treasurer and the appointment of his successor rendered it necessary that an interim special audit of the Grand Lodge books should take place in February last. Such audit was accordingly made and the books, statements, etc., were duly passed upon by the Grand Auditors. It then became a question whether the regular midsummer audit for Grand Lodge should go on, but having no express authority to dispense with this audit, I directed it should be made as usual, and the Grand Auditors' report thereupon will be submitted to you. I ask for your approval of this action.

XIII,-BANK ACCOUNT.

The By-laws of Grand Lodge direct that "The Grand Treasurer shall receive and take charge of the moneys of the Grand Lodge, investing or depositing the same as directed by the Grand Lodge." As far as I have been able to ascertain no directions have ever been given by Grand Lodge in this regard. I therefore bring the matter before you in order that directions may be so given. Our present esteemed Grand Treasurer, after advisement with the Grand Secretary and myself, has the funds deposited in the name of the Grand Lodge of Ontario I.O.O.F., payable on his official cheque as Grand Treasurer. This arrangement works quite satisfactorily, and safely guards the interests of Grand Lodge. It will be for you to say if it shall be continued, or what change, if any, shall be made.

XIV.—COMMITTEES.

The following committees were appointed during recess as provided by our regulations and directed by Grand Lodge :

On Laws of Subordinates :- Bros. W. A. Rawlings, St. Catharines; D. Robertson, St. Catharines; J. H. Magill, Port Hope.

GRAND LODGE OF DNTARIO.

On General Purposes :--Bros. W. F. Mountain, Toronto; W. Badenach, Grand Treasurer and J. B. King, Grand Secretary. On the death of Bro. Badenach, his successor as Grand Treasurer, Bro. W. J. McCormack, was appointed to fill the vacancy on this committee.

Advisory Committee on Oddfellows' Relief Association :-Bros. W. S. Given, Millbrook; J. T. Osborne, Belleville; and John E. Ryan, Prescott.

Committee on Dues and Benefits :- Bros. R. Meek, Kingston; Cl. T. Campbell, Past Grand Sire, London; W. J. Vale, Toronto; F. Smoke, Paris; and W. Warnock, Aylmer.

On Transfer of Membership:-Bros. R. N. Sheppard, Toronto; W. Amor, Hamilton; A. B. McIntyre, Lindsay; H. Aylesworth, Deseronto; D. C. Watson, Orillia.

Grand Auditor :- Bro. A. C. Stewart, London.

As the duties assigned to a Special Committee under Report No. 38, page 6390, Journal, 1896, were of very similar character to those assigned to a committee under Recommendation 5, Report No. 5, page 6330, same journal. I deemed it desirable to refer all these duties to one committee, that on "Dues and Benefits." named above, thereby saving some expense and avoiding a multiplicity of reports.

XV.-DISPENSATION.

On December 7th, 1896, I issued a Dispensation to Dresden Lodge, No. 124, whose effects had been destroyed by fire on the morning of the 3rd. I would suggest that a new Charter be given without cost, and that an order be made accordingly.

XVI .--- SPECIAL COMMITTEES' REPORTS.

Reports of the Special Committees on Home, on Dues and Benefits, and on Transfer of Membership, have been carefully prepared and will be presented to you in due course. These reports are of an exhaustive character, and merit, as I know they will receive, careful consideration at your hands. Desirable reforms are suggested and valuable information given, and I trust no question of time or expediency will be raised to prevent definite action on the important matters dealt with therein.

XVII .--- GRAND LODGE CARDS.

Grand Lodge Cards in accordance with the usages of the Order have been granted on proper applications made, conforming to the regulations governing such cases. A list of these will appear in the report of the Grand Secretary.

XVIII.-PROCLAMATIONS.

In compliance with the instructions of the Sovereign Grand Lodge, through the Grand Sire, proclamations directing the fitting celebration of the 78th Anniversary of the Order, and the proper observance of Decoration Day, were issued to all the lodges. It is gratifying to note that each year the celebration of these occasions becomes more general, and there are now comparatively few lodges not recognizing these distinctive anniversaries of our affiliation.

XIX .--- CORRESPONDENCE.

An extensive correspondence has occupied a great deal of my time during the year, and I have endeavored to promptly answer all letters received. If, by any chance, some have been overlooked, I beg to express my regret therefor. A number of questions have been submitted to me directly that should have gone to the District Deputy Grand Masters of the various districts. These I have referred back, suggesting their being sent to the proper officer, with the result, in many cases, of their being so sent and satisfactorily disposed of. If the regulations of our Order governing such matters were more generally known and complied with, much correspondence would be saved and quicker results arrived at.

XX.-LITIGATION.

Never before, perhaps, in the history of Oddfellowship in Ontario, has it been involved in so many law suits as during the year that has elapsed since our last Grand Lodge Meeting. At that Session the cases of Gillard v. Sydenham Valley Lodge, and Dale v. Weston Lodge, were before the Courts, and I was instructed to retain the services of Mr. G. F. Shepley, Q.C., to argue these on behalf of Grand Lodge. The instructions were carried out, and measures taken to have the cases properly presented, not only in the Court of first instance, but on appeal. The judgments given in both these cases have gone against the interested lodges ; against Sydenham Valley Lodge on appeal to the Divisional Court, and against Weston Lodge in the High Court and Court of Appeal. Another action of Kraft v. Nith Lodge was also brought in the County Court of Perth on similar grounds, and with a like result. I am advised that in addition to the fees paid Mr. Shepley in the first two mentioned cases, applications will be made to this Grand Lodge for further assistance in the payment of the costs incurred, and also by Nith Lodge for the like aid. All the papers will be submitted to you for consideration.

XXI. BAKER *v.* FOREST CITY LODGE. PARKHOUSE *v.* DOMINION LODGE.

Leave having been given to these brothers to appeal to the Sovereign Grand Lodge, they each took action thereon, with the result that the appeal in each case was dismissed. Actions were thereupon brought in the Civil Courts against the above lodges, and on trial being had in London, before Mr. Chancellor Boyd, judgments were given in favor of the defendant lodges. This has established the right of lodges to reduce their benefits whilst members are in receipt of the same. Both cases, I am informed, are in appeal, with what result remains to be seen. On the authority of the Advisory Board I instructed Mr. Shepley to argue both these cases, and I ask for your approval of the action taken.

XXII .--- ADVISORY BOARD,

During the year two meetings of this Board have been held, the first on October 21st, 1896, the second on February 23rd, 1897. My reason for summoning these was to obtain advice on matters connected with the pending litigation in the Order, and to decide what steps should be taken in the interests of all parties concerned. I gratefully acknowledge the valuable counsel and assistance-rendered under peculiarly trying circumstances, and ask your endorsement of my action with regard to these meetings. As an instance of the work done, in accordance with the decisions of the Board, I would call attention to the valuable supplementary By-Laws promulgated for adoption by the lodges defining "good standing," etc. These By-Laws and the accompanying circular will be found in the appendix hereto attached.

XXIII.-VISIT TO BALTIMORE, MD.

By desire of counsel and on the authority of a resolution of the Advisory Board, I proceeded to Baltimore on October 30th, 1896, for the purpose of obtaining needed evidence as to the official minutes and journals of the Sovereign Grand Lodge. This was required for use in the case of Dale v. Weston Lodge in the Courts, and the counsel engaged advised that such evidence was extremely important. My hurried journey, only occupying four days, was quite successful in its results. I succeeded in obtaining personal knowledge of the facts required, and, in addition, obtained some very valuable information, which is now on file in the Grand Secretary's office, and Clears up some important difficulties in connection with Sovereign Grand Lodge law. My personal thanks are due Brother J. Frank Grant, Grand Secretary of the Sovereign Grand Lodge, for courtesy and kindness in facilitating the object of my visit. Your confirmation of the action taken herein is also asked.

XXIV.-JOURNAL OF 1896.

Many changes having from time to time been made in the Constitution and By-Laws of our Grand Lodge, and in the Constitution of Subordinate Lodges working under its jurisdiction, I deemed it desirable that these as amended to date should be included in the Journal of 1896. My reason for so doing was that I was convinced a large number of our members were not at all well informed as to many amendments of an important character that had been made since the last publication of our local regulations. I trust the action taken will meet with your approbation, as I am satisfied the information given by the publication far more than counterbalances in value the extra expense incurred. The expense of printing our annual proceedings has grown to be of very serious moment, and I am happy to be able to report to you that the matter has had earnest consideration. You will be glad to know that tenders have been accepted this year, which will reduce the expense quite considerably.

XXV .--- OFFICIAL ORGAN.

This matter will be brought before you on the report laid over from last year. A circular has been issued by our Grand Secretary calling attention to the subject, and it is desirable you should give it your consideration. It would seem that, with a membership of twenty-three thousand men, a newspaper, edited, printed, and published as a private enterprise, should receive patronage sufficient to ensure fair, if not handsome, profits to its proprietors. Whether this be the case or not I am not in a position to say, so far as relates to the present Dominion Odd Fellow. It does appear desirable, however, that a paper devoted to Oddfellows' news and the distinctive features of the Organization should be in the hands of every member. Whether that shall remain, as at present, a matter of private enterprise, or whether the Grand Lodge shall pay the subscription necessary to place a paper in the hands of each individual member, will be for you to decide. An increase in the capitation tax for this purpose seems undesirable, in view of the existing financial stringency, whilst the supervision of the publication of the paper is a task that demands serious thought before entering upon the undertaking. Personally I am in favor of the publication remaining a private enterprise, to be supported by voluntary subscription, believing, as I do; that a paper properly conducted on the lines adopted by modern journalistic enterprise would receive a hearty support throughout the jurisdiction.

XXVI.-UNAUTHORIZED CIRCULARS.

It has been brought to my notice that, in several instances, circulars to the lodges in the jurisdiction have been issued by individual

lodges, and in at least one instance, by a District Committee. This has been done without any official authorization, and, indeed, without any notice to the Executive Head of the Jurisdiction of any intention of so doing. The circulars referred to relate to questions of importance pending in the Order, and particularly to questions likely to engage the attention of this Grand Lodge. Whilst recognizing the right of our membership to fully and freely discuss these matters in their own lodges and districts, I am not sure it is desirable for lodges to advocate their views by means of circular communications to other lodges. The powers of the Executive, with regard to this peculiar way of enlisting support for individual, or lodge, or district views on a particular matter do not appear, in this jurisdiction, to be very clearly, if at all, defined, and I bring the matter before you with an earnest request for your consideration whether it is not advisable to make it imperative that no circular, on any subject whatever, should be issued to the subordinate lodges or members without the permission of the Grand Lodge, or, in the interim, of the Grand Master, being first had and obtained. It may be that the communications I have referred to are not of such a character as to call for serious objection, but it is easy to conceive circulars being issued that might cause disaffection and trouble in our ranks through misunderstanding and misstatement on the part of those sending them broadcast through the jurisdiction. In this connection I may also mention that my attention was called to an unauthorized circular issued by Delta Lodge, No. 265, asking pecuniary aid from our lodges towards the erection of a hall. Acting within my powers, in this regard, I at once wrote the offending lodge to recall the circulars and forthwith return any monetary donations received in response to it. After some correspondence, I did not deem it desirable to alter my decision, and I have reason to believe my directions have been carried out, although no communication from the lodge to this effect has reached me. It will be for the Grand Lodge to satisfy itself on this point.

XXVII.-OFFICIAL RECEIPTS.

In deference to the often expressed desire for a Receipt that should be *prima facie* evidence of good standing in the Order, and facilitate travelling without the taking out of a visiting card, the' Sovereign Grand Lodge took action at its last session. The result was the authorizing the form of a receipt for dues, etc. to be recognized as evidence of good standing when the holder desires to make visitation in another jurisdiction, such form of receipt to be universal throughout all the jurisdictions on this continent, and to be used as the only and legal receipt for dues, assessments, fees, etc., by all lodges. The Sovereign Grand Lodge also gave directions as to the requirements and regulations necessary to be furnished and obeyed

in connection with such receipts, and directed their being issued through the subordinate grand bodies to the membership. In common with others, this jurisdiction fully approved of such a receipt and anxiously awaited the first issue. As soon, however, as it was known that the price had been fixed at such a figure as would necessitate the sale to the subordinate lodges at 3 cents per receipt, it was felt that the cost was altogether too much and, as compared with the old form of receipt, was the imposition of a heavy burden on the lodges altogether out of proportion to the advantage incidental thereto. As to the new form being declared to be the only and legal receipt for dues, etc., it is somewhat doubtful how the declaration would work in connection with the civil law of our Province, and as stated in another part of this report, the time has undoubtedly arrived, when our internal regulations must not be allowed to deviate from the strict line of the civil law under which we live. In addition, the law of Ontario peremptorily requires that the words "Assessment System" should be printed on our documents, and these words do not appear on the form approved and issued. Under these circumstances I bring the subject before you, and trust you will take such action as will justify your Grand Representatives in working to secure some desirable changes. These changes might well be :-

First.-A very considerable reduction in the price so as to enable

the new form to be supplied at no higher price than prevailed heretofore.

Second.—Authority to Ontario to print the necessary form in our own Province from plates to be supplied, if thought necessary, by the Sovereign Grand Lodge.

Third.—The removing of the limitation as to these being the only and legal receipt by all lodges.

Fourth.—The authorization of the words, "Assessment System" being embodied in the form used in Ontario.

It is an easy matter of computation that if these are the only receipts to be issued to practically twenty-five thousand members, and assuming that each will require an average of three redeipts in a year, a comparatively low estimate, then the cost, in this Province alone, for receipts would be to the subordinate lodges, encampments, etc., two thousand two hundred and fifty dollars, the primary cost to the Grand Lodge, being eighteen hundred and seventy-five dollars, exclusive of freight, etc. Pending consideration by you and possible action at the next meeting of Sovereign Grand Lodge, no stock of these receipts is on hand, and only a sufficient quantity has from time to time been procured to meet the immediate demand.

XXVIII.-HONORARY AND NON-BENEFICIAL MEMBERSHIP.

Whilst our Order wisely discourages so-called "Honorary Membership" in its lodges, and absolutely forbids such, yet it provides, subject to local legislation and under special safe-guards, for a "nonbeneficial membership"; and I would draw the attention of this Grand Lodge to the question, whether it is not advisable that a provision authorizing such membership should be embodied in our laws. Where a member has, been in affiliation for five years, has been further dropped for non-payment of dues, and has reached the age of fifty years, if he desires to reunite himself with this great brotherhood, it would seem desirable some provision should be made to meet his case. It frequently happens that a member by reason of poverty becomes suspended for arrearages, and after being out for some time finds it impossible to get back into our ranks on account of age, no matter how well he may then be able to pay for re-instatement. He believes in the institution, desires the social and fraternal sympathy peculiar thereto, seeks no pecuniary benefit and yet is unable to enter a lodge door. An enactment in our laws to provide for such cases, would, I think, meet the wishes of many of our suspended members, and would not be open to the objections so forcibly urged against what is known as "Honorary Membership."

XXIX .--- AGED ODDFELLOWS.

Legislation of the Sovereign Grand Lodge enabling Grand Jurisdictions in their discretion to create, maintain and dispense an Aged Oddfellows' Fund, was instituted at the last session of that body. Some provision of this character, to be supplemented by proper safe-guards, has been long and urgently needed and in no jurisdiction more than this. Where a member is over fifty years of age and has been affiliated with our institution for twenty-five years or over and his lodge has for any reason surrendered its Charter, he is surely entitled to the benefit of his membership in some way or other, and not be forced to lose, through possibly no fault of his own, the consideration he should be entitled to at the hands of his brethren generally. To meet this injustice the Sovereign Grand Body has legislated as above indicated, and I beg to call your attention to the same and ask for your consideration, and if deemed desirable, your action thereupon.

XXX.-LODGE PHYSICIANS.

By the action of the Sovereign Grand Lodge at its last session it has been declared contrary to the law of the Order for subordinate lodges to pay out of their funds to a physician hired by the year, unless authorized by the Constitutions laid down by Grand Lodges

i

n

for their subordinates. This decision affecting, as it does, a very large number of lodges in our jurisdiction, is very far-reaching and serious in its possible effects on our membership. It is very difficult to say what might be the ultimate effect of abolishing these officers, and it is for this Grand Lodge to take such action as they may be advised in the premises. I would strongly recommend, in view of our present position, that an amendment to the Constitution of our subordinates be introduced, giving the necessary powers for the appointment of lodge physicians : and I so recommend despite the doubts that have been expressed as to our powers in this regard.

XXXI.-GRAND LODGE SOLICITOR.

As one result of the litigation into which the Order has been brought during the past year, the need of a standing solicitor has been only too apparent. 'It is quite clear, in the light of our past experience, that our internal laws and regulations must be brought into strict accord with the Civil Law as it prevails in this Province. Further, questions of a legal character are constantly arising, not only in Grand Lodge affairs, but in the daily working of the Subordinate Lodges-questions requiring that knowledge only possessed by a professional man, and which cannot be answered or advised upon by a layman. The experience of the past year has shown what a very heavy cost has been entailed by the employment of special counsel, and it is extremely difficult to find counsel with a thorough knowledge of our peculiar laws as bearing upon the civil jurisprudence of the Provincial Courts. Under these circumstances I would urge upon Grand Lodge the importance of appointing a legal gentleman as standing solicitor to the Order. If such were done, the lodges would have much greater confidence in submitting their legal difficulties to the Grand Lodge Solicitor as such, and the Grand Lodge and its Special Committee on Laws of Subordinates, could avail themselves of the special and professional knowledge such an officer would undoubtedly make it his business to acquire. The appointment need not entail any heavy salary being paid, or indeed any salary at all. What occurs to my mind is that this Grand Lodge should make an appointment authorizing the general retainer of the appointee by a small retaining fee to be paid each year. That the solicitor should then be paid by the Grand Lodge for work done for that body and its committees at ordinary rates, and subordinate lodges who might, and doubtless would, avail themselves of his services should individually pay at like rates for services rendered. If such an arrangement were sanctioned, and could be made, its advantages would soon be realized in the speedy and satisfactory manner that legal questions so frequently arising in the Order would be disposed of. Your earnest consideration of this matter I respect-

fully urge, realizing, as I do, the necessity of something being done to remedy a difficulty we are at present laboring under.

XXXII.-A SUGGESTION.

It is to be regretted that although our Order, as a whole, has made and is making marked progress, there are within our borders quite a number of lodges in a stagnant condition. Some are barely keeping alive, others are in what may he called a comatose condition, and again others are practically dead. It would be an invidious task were I to particularize the lodges I refer to ; they are only too apparent from a perusal of the returns. Under these circumstances some action should be taken or method devised looking towards a specific dealing with such cases. It is entirely out of the power of your Grand Master or Grand Secretary to deal with them, as in the case of the first named officer the cares of his own business preclude his devoting the necessary time, whilst the Grand Secretary's duties confine him within the immediate sphere of his own office. Yet something must be done if these lodges are to be put in active working condition and preserved as subordinates in our organization. Oddfellowship has boasted itself, and justly so, that its propagation and extension has resulted from the personal work of its individual members and the inherent merits of its principles and practices. As a consequence no officers in the nature of paid organizers have ever, as far as I know, existed within our bounds. That this may continue to be a distinguishing mark of our affiliation is most devoutly to be wished. Still, as distinguished from such officers as these, there should be some agent whose duties should be to look after our weak lodges, and by strenuous and well-directed efforts keep them in line with the everadvancing forces of our organization. If a man could be found who would be capable of instructing in the floor work, who to a knowledge of lodge book-keeping and the internal government of our Order could join the advantages of personal magnetism and earnest zeal, such a man might well be appointed as a permanent officer in our society. No one has a greater desire than I to keep down expenses consistent with a due regard for efficient working, but I cannot help thinking the expense incurred by an appointment such as above indicated would be far more than made up for by the increased revenues to this body that would be produced by the reviving of the weaker lodges and the strengthening of already existing membership. During my term of office I have to a limited extent experimented in this way with results eminently satisfactory, and in our returns will be found evidence of new life in some lodges that were reported as being nearly if not quite dead. It is not my intention to unduly urge this matter upon you, but simply to call

your attention to the existing facts and invite your consideration of a state of affairs that seems to call for prompt action of a disastrous conclusion in the cases of a number of lodges.

XXXIII.-LODGE INVESTMENTS.

With some few exceptions, the investments made by our lodges in real estate, buildings, etc., have proved singularly unprofitable. In many instances large amounts have been sunk in speculations of this nature, and, in some cases, absolute ruin has been the result. The need of some check on dealings of lodges in this respect seems quite apparent, and a regulation requiring all proposed investments of the above nature to be first submitted to the Grand Lodge, or Executive in the interim, would seem to be desirable.

XXXIV.-ODDFELLOWS' RELIEF ASSOCIATION.

In my official capacity I attended the Annual Meeting of this Association held in Kingston, on Wednesday, July 21st. It is satisfactory to know that this valuable auxiliary of Oddfellowship in Canada is in a most prosperous condition, and doing an incalculable amount of good amongst our members. In these days, when so many fraternal societies couple with their benefits a scheme of mutual ipsurance, the want of such would be severely felt in our organization were it not for the Relief Association. Under a careful management, conducted on sound business principles, and in a highly satisfactory financial condition, the Association merits, and should receive, the support of every eligible member in our ranks.

XXXV.-THANKS.

I desire to convey my warmest thanks to the Brothers with whom I have been brought in contact during the year. I have experienced the utmost kindness at their hands, and it would be an invidious task for me to attempt to place in this report any attempt at an adequate expression of my appreciation of their courtesy and consideration. Our Grand Secretary has been ever zealous in promoting the best interests of the order he loves so well, and to him I am indebted in a very special manner for counsel and support. That he may be long spared to carry on his life work in this great Order is my fervent hope—a hope I have reason to know is cherished by every Oddfellow in Ontario. I would also express my appreciation of services rendered by Brother Jos. Powley, P.G., who has done important work in organizing new lodges and reviving some old ones that were in a very bad condition. t

GRAND LODGE OF ONTARIO.

XXXVI.-CONCLUSION.

And now, my brethren, I am about to surrender into other hands the trust committed to my keeping a year ago. I have faithfully and honestly tried to do what in me lay for the advancement of the best interest of the Order we all love so much. If I have failed in any respect, such failure has arisen from lack of ability, certainly not from want of inclination. The friends made and the experience gained during my term of office as your Grand Master will be ever amongst the most valuable acquisitions of my life. But the pleasantest memory of all will'be that through your kindness and confidence I have been enabled to do something towards the higher uplifting of the banner emblazoned with the three golden links of Oddfellowship and towards the wider promulgation of the principles of "Friend-ship, Love, and Truth."

Grand Officers, Representatives, and Brethren,

To MKS. WILLIAM SADENACH. DRAR MADAM,—On behalf and in the name of the Grand Lodge of Ontario of the Independent Order of Oddfellows, we desire to convey to you an expres-sion of earnest sympathy and sincere condolence with yourself and family in your sorrowfal bereavement. To our Order generally the death of our late brother comes in the nature of a personal bereavement, so high did he stand in the esteem of the membership that when the mournful intelligence of his death was known it was feit that the loss was not only of an officer high in our councils, but of a brother, who, by his charming courtesy, genial disposition and thorough integrity, had merited, received and retained the loving affection of the Oddfellows

of Ontario. For twenty-two years Brother Badenach conducted the financial of Ohtario. For twenty-two years isrother Badenach conducted the financial affairs of our Grand Lodge with the greatest success and in the enjoyment of the perfect confidence of the Order, and his death leaves a conspicuous vacancy in our ranks; one which it will be hard for his successor to fill. To yourself and family the loss is irreparable, but we trust your deep sorrow and affliction may to some extent at least be mitigated by the knowledge that you and yours have the heartfelt sympathy of every member of our Organization. That you may be sustained in your grief by the Almighty Hand of Him who doeth all things well, and who is the Husband of the Widow and Father of the Fatherless is our earnest confidence and trust. We remain,

DEAR SIR,-

J. B. KING, Eso.,

Kindly convey to the Grand Master and Grand Lodge of Ontario, I.O.O.F., my thanks for their words of condolence so feelingly expressed and so beautifully as torth in the illuminated address that they were so good as to send me. Coming as it does from friends who were very closely allied with my late husband for so many years, I will always treasure this memento. Thanking, you for your kind sympathy.

GRAND LODGE OF ONTARIO, I.O.O.F.

Office of the Grand Master, Port Hope, November 5th, 1896.

To the Subordinate Lodges of the Independent Order of Oddfellows in the Province of Ontario :

BROTHERS, -- I regret very much to have to advise you that in the matter of an appeal in the case of Gillard v. Sydenham Valley Lodge, No. 120, I.O.O.F., the High Court of Justice of this Province has rendered a decision of great importance to every Subordinate Lodge in the jurisdiction and quite opposed to the law of the Order as heretofore interpreted.

The judgment turns very largely on the meaning attached to the words "in good standing," which appear in the By-laws of most, if not all, of our lodges. There appears also to be little doubt, unless the local By-laws are drawn so as to expressly cover the point, that the widow or personal representatives can claim benefits on the death of a brother who, although in arrears at the time his last sickness began, has had his dues paid up prior to his death. The hitherto ac-cepted interpretation by the Soverfun Grand Lodge and by the Grand Lodge of Ontario of the words "in good standing" has, as no doubt you are aware, been that in such eases no claim can be made for benefits of any kind. This interpre-tation has not however, nervailed with the court in the case in question. tation has not, however, prevailed with the court in the case in question.

In view of the serious effect of the decision upon our lodges, I deemed it my duty to summon a meeting of the Grand Lodge Advisory Board, which met at

Toronto, on Wednesday, October 21st. As a result of the deliberations then held, I have had a group of explanatory By-laws prepared by Mr. G. F. Shepley, Q.C., who represented the Grand Lodge in the above appeal. A copy of these By-laws is enclosed herewith, and on the authority, and at the request, of the Advisory Board, I earnestly recommend that each lodge do adopt the same as a provisional measure pending action being taken by the Grand Lodge at its next session. The blank left in the first line of proposed By-law (a) should be filled in with "three months' dues," or "six months' dues," as the existing By-laws require. Where your existing By-laws require dues to be paid in advance a mem-ber would become "indebted," within the meaning of the enclosed By-laws, from the day on which the existing By-laws require such payment in advance to be the day on which the existing By-laws require such payment in advance to be

GRAND SECRETARY'S REPORT.

BELLEVILLE, AUGUST 11TH, 1897.

To the Grand Master, Officers and Representatives :-

After twenty years of pilgrimage throughout the different sections of our fair province the Grand Lodge has returned to this "City of the Bay" to hold its forty-third session. Not a few of those who were present at the session of 1877 and enjoyed the hospitality of the brethren here are again here to have "history repeat itself," no doubt. Not a few have passed the borderland and entered into their rest, the memory of their heroic service in our cause still lingers sweetly and fresh in our minds.

The past twenty years have been eventful years to Oddfellowship. The record of each one has added fresh laurels to its noble worth, and have bound its membership closer together in the strong bonds of our fraternity, so that at the present time no Fraternal Order stands higher in the esteem of its members, nor has a greater hold on the public sympathy than has this Order which we all hold so dear.

When we assembled here in 1877, our register had a membership of 12,172. During the previous year 1,015 sick brothers received \$12,082.45, the total relief of the year being \$22,080.84 and total funds \$246,734.70. To day our roster has 22,825 members. During 1896, 3,113 members were sick, receiving \$49,999.66—total relief, \$82,430.75, and total funds \$925,773.94; a truly noble record of advance for such a short period; it should fill the heart of every Oddfellow in Ontario with pride and satisfaction, and confirm and increase, if it need be, his faith in the future of the Order.

The several duties imposed on your Grand Secretary by resolution or by legal enactment have received prompt attention.

Clause 1. As promptly as possible after the close of the last session the minutes of the session held at Sarniawere compiled, printed and issued, as directed by the report of the Finance Committee. The work was done by the publishers of the *Dominion Odd Fellow* and was in every respect a most creditable journal.

As soon as the Journal of Proceedings of the Sovereign Grand Lodge for 1896 was received, a copy was sent to each Lodge, Grand Officer and District Deputy Grand Master; and to the Secretary of the Rebekah Assembly a copy was sent for each Rebekah Lodge. The journal reflects the greatest credit on its compiler Bro. J. Frank Grant, the Secretary of the Sovereign Grand Lodge.

Clause 3. As directed by resolution the usual stationery was sent to each District Deputy Grand Master with a copy of White's New Digest and a copy of the Ontario Digest, all enclosed in a neat case and marked the "Property of the Grand Lodge." Instructions were sent to each District Deputy Grand Master that the case and contents must be handed over to his successor when duly commissioned as such. Later on a Digest, etc., was sent to each elective Grand Officer by virtue of an order passed by the Executive Committee.

A copy of the Photogravure of the Past Grand Masters was duly sent to each Past Grand Master and to the family of each deceased Past Grand Master, and with one or two exceptions, they were kindly acknowledged.

Clause 4. Arrangements have been made with the several railroad companies whereby each officer, representative and lady accompanying them, will receive a free return ticket on the certificate plan. Full information was duly sent to each lodge. Owing to the fact that the Ontario and Richelieu Navigation Company's steamers do not touch at Belleville on their eastern passage, arrangements could not be advantageously made with that Company this year.

Clause 5. The usual exchange of Journals with other jurisdictions has been made. These Journals are placed on the book-case shelves in the Grand Secretary's office and have been very useful to the visitors during the year.

Clause 6. A badge to be used by the Officers and Representatives, instead of regalia, has been provided.

Clause 7. The Annual Report of this Grand Lodge to the Ontario Government Insurance Department was duly made. As this Annual Report has to be certified to by the Grand Master and Grand Secretary as being a true and perfect record of the work of the Lodge, it will at once be apparent that the greatest care must be exercised by Lodge Secretaries in making out their semi-annual re-

JOURNAL OF THE

turns, as it is from these returns that the Report to the Insurance Department is compiled. When the auditors of a lodge sign the return, they should do so with a full understanding of the importance of their signatures. It means far more than that they have checked over the office books; it means that they have examined and audited every item of receipt and expenditure and that the items contained in the return are legal, and were legally made.

Clause 8. The designs for emblems, to be used exclusively by our Order, approved by this Grand Lodge and, subsequently, by the Sovereign Grand Lodge, have been adopted and used by many lodges, though not as generally as they should be. A number of electros were procured, and have been sold as other supplies. It is to be hoped that they will come into general use, as they are neat and distinctive.

Clause 9. As has been my custom, approved by the Grand Lodge, I have prepared, and herewith present to the Grand Lodge, tables of sickness, mortality, etc., with all the averages for the past year. They have been carefully prepared, and will be found interesting especially to those who have an interest in the statistics of the Order. The averages fully bear out all that has been said in the past in regard to increase of sickness and mortality as age advances. Lodges should be warned in time by these facts that the law of averages is as true as any law in existence. While prosperity may attend for a time any lodge that is in a sense indifferent to that law, yet the day of reckoning will come as surely as the lodge exists. Well will it be for all lodges which have accepted the warnings and legislated accordingly.

Clause 10. Early in the year your Grand Secretary prepared a table of mileage to Belleville, and notified each subordinate lodge of the number of miles from his lodge to Belleville, and requested that he be at once notified of any errors that might be found, and, further, that unless notice of errors was at once received, the mileage would be thus computed, and the report to Grand Lodge made accordingly. But few errors were reported, and the necessary corrections were made. The report, as made out, is herewith submitted for the Committee on Mileage and Per Diem. The Grand Treasurer, Bro. W. J. McCormack, having decided that he would pay Mileage and Per Diem by honoring cheques drawn on him by the Chairman of the Committee on Mileage and Per Diem, instead of paying in the old way, a cheque book has been prepared and filled out, and will be in the hands of the Chairman, from whom officers and represuce pron func Bro. worl of t succ nece

sentatives may procure their cheques after the Report has been adopted by the Grand Lodge.

Clause 11. As directed, 20,000 copies of the little booklet, "What is Oddfellowship?" "Why Should I Become a Member?" were printed, and a supply sent to each lodge, and to others who would use them. From information received, I am satisfied this booklet has fully repaid the cost of its issue. A number of copies are still on hand, and will be sent to lodges and district deputies from time to time.

Clause 12. We shall miss from the present meeting the familiar face and form of our late esteemed and dearly loved Grand Treasurer, Bro. Wm. Badenach, a brother who for over twenty years had been a prominent officer of this Grand Lodge; one who had endeared himself to all with whom he came in contact by his genial manners and kindly disposition. Those present who met him for the last time at Sarnia, in August last, while noticing that he was not in his usual robust form, little thought that ere another session came he would have gone over to join the silent majority. But on February 20th he passed away, and was laid at rest by his brethren ; his lodge, Laurel No. 110, conducting the funeral ceremonies of the Order, the Grand Master and all the other elective Grand Officers being present. By direction of the Grand Master, a photograph of our late Grand Treasurer was procured, to be hung up in the Grand Lodge Offices. This picture will be hung up in our present meeting room that all who are present may see the familiar face and form so dearly loved by his brethren.

Clause 13. At the meeting of the Executive called to elect a successor to our late Grand Treasurer the choice fell on Bro. W. J. McCormack, a Past Grand of Covenant Lodge No. 52, who was promply installed by the Grand Master and at once received the funds of the Grand Lodge and entered upon the duties of his office. Bro. McCormack has for many years been closely identified with the work of the Order, having faithfully served on the Relief Committee of the Toronto District. Bro. McCormack will make a worthy successor to our lamented Brother Badenach, as he has every necessary qualification for the position.

Clause 14. But four lodges have taken advantage of the Insurance Act of 1892 and become incorporated during the past year. Those lodges were :

Clause 15. There are a number of thriving villages and small towns in Ontario in which good lodges could be instituted and maintained by a slight effort in that behalf. Whilst it is not at all desirable to have an organizer, as the word usually implies, yet it would be well if greater powers were given to the Grand Master in appointing a special deputy to visit and remain for a week or more in these places, and after he has got a lodge at work to open the books and, so far as he can, to coach its officers in their work, and not encourage the idea so often indulged in, that all interest in the lodge ceased when it is instituted. True, it is not too well to encourage a lodge to depend on others for what it can do for itself, but every lodge should receive the fostering care of the Grand Lodge in its early life, and in every possible way be taught that it is part of a great, noble brotherhood, and as such it has a work to perform in the community in which it exists, which can only be done by a strict adherence to sound business principles and to the precepts laid down as the groundwork of Oddfellowship, and by a firm resolve on the part of officers and members alike to be true men, and to be daily living examples of what Oddfellowship demands its members to be.

Clause 16. Your Grand Secretary has not carried out the instructions contained in the Resolution by Representative Jos. Oliver, P.G.M., amending the report of the Committee on State of the Order : Journal 1896 p. 6398: "To have the Constitution of Subordinates printed for sale to lodges," for the reason that the expenses attending the Suits at Law, in which the Grand Lodge was employing Counsel, were likely to entail a large expenditure of funds, and further that it was possible that important changes would have to be made in the Constitution of Subordinates, as the result of the suits referred to. The delay seems to have been justified as, no doubt, some changes will now be required if a repetition of the unpleasant and unprofitable law suits is to be avoided.

Clause 17. Carefully considering the able report of the Special Committee on Dues and Benefits, it is manifestly plain that the time has arrived (if not in some cases past,—though I hope not) for the Grand Lodge to take prompt and decisive action in this important matter of dues and benefits.

It is not enough that the Grand Lodge takes measures for the institution of new lodges, and for general interests of the older lodges, it should and it must as well provide suitable laws by which all are to be governed if their permanency would be assured.

The large and increasing rate of sickness and death in the older lodges, warns every thinking member that the amount of benefits of all kinds has too long been made more largely out of generous sympathy, than from the fact of the ability of the lodge to meet and continue to meet these growing demands. While the object in joining our Order may not and should not be for what benefits one may get from it, at the same time the benefits to be derived from membership in the Order form a very important factor in deciding the average man to join it. Therefore, there should be no doubt as to the soundness and solvency of the beneficial system, so that confidence may be felt by every member, that as others have received their benefits, his will be forthcoming when required.

A number of our older lodges have lately experienced the fact that they cannot continue to pay the large sum they have been paying on the death of a member, and have every assurance that their funds will hold out till the last obligation is met—and there is no doubt but to a greater extent than is generally known this doubtless is the cause of many of the suspensions for non-payment of dues.

The payment on the decease of a brother of any sum, unless the lodge collects the proper cost for such insurance, should, and really must be discontinued if disaster is to be averted.

In view of all this, it appears evident that now is the time to make a change. There should be absolute uniformity as to fees and dues paid into each lodge, and in the amount of benefits to be paid by each lodge for sick or funeral benefits, All insurance at death should be left to the Relief Association, except that a central or consolidated fund controlled by the Grand Lodge should be provided. The cost of this to each member can now readily be ascertained, and, from this fund all brothers who have been continually sick for more than a year should be paid, and also a sum not to exceed two hundred dollars, to be paid on the death of every member. This would put beyond peradventure, on the failure of a lodge, the possibility of a brother being deprived of his benefits at a time when he most needs them, and when the individual lodge finds the payment of continuous sick benefits a heavy, if not an impossible burden. The many, we are taught, are stronger than the few, so, therefore, all lodges joining hands, could, with positive safety, promise to pay continuous sick benefits, and not be compelled, when a

brother has lost his health and becomes a confirmed invalid, to reduce his benefits to the pittance of one dollara week. That amount is truly better than none, and more particularly when with it is carried the sympathy of his brethren, but a more substantial sum might and can as well as not be provided for. It is a question worth very careful consideration whether or not it is now the time to change our present system entirely, and begin paying a small amount of benefits for the earlier weeks' sickness and increasing it as the sickness continues, up to a given maximum amount.

If, as it is said, the Sovereign Lodge laws will not permit the adoption by a provincial jurisdiction of laws to enable lodges to do as here suggested, then it is high time that that body should better consult its own and the Order's interests by making legislation by which it can be done,

In Canada we are governed by Federal and Provincial Laws, which must be obeyed, even though those of the Sovereign Grand Lodge should have to be disregarded to an extent. It would be far better that this jurisdiction be given greater liberty in making its financial laws, than that a single law of the parent body should of necessity have to be lightly dealt with.

In order that this subject of the payment of continual sick benefits over a year and a sum at the death of a member, say one hundred dollars, out of a consolidated fund, may be fully considered, I have ascertained that it would require but one dollar and a-half from each member to form such a fund, viz.:--

During the year 1896 there were 173 deaths in Ontario. To have paid in each case 100 would have required 34,600 or about 1.500per member of the whole membership to pay this benefit, and provide a fund for its continuance, and to have paid each of the forty-seven brothers who were sick the whole year 3.000 per week, would have required 7,332, or about thirty-two cents per member. But on paying over this sum to the central fund each lodge would be relieved of its individual liability for extended sickness and widows' benefits. As the ages of the chronic sick and those who have died will, in all probability, be above the average, the relief of individual lodge responsibility will be corresponding to the additional security the consolidated fund, will provide.

The demand is frequently made for a larger amount to be paid to the widow or dependent relative on the death of a brother, but, it, has been as often met with the fact that, on the present dues, no lodge can hope to continue to pay even the amounts now promised. This suggestion is made partly with a view to restore the harmony

which was disturbed by the abolition of the widows' annuities, though in the main to provide a safe system by which the benefactions of our Order can best be maintained.

Clause 18. The total expenditure of the Order in Ontario in all its departments for Sick Benefits, Relief of Widows and Orphans, Funeral Benefits, Death Indemnity and Special Relief since 1856, and including the year ending 31st December, 1896—forty years, aggregates the magnificent sum of \$1,855,216.81, and is made up as follows:

| Paid by Subordinate Lodges, Sick Benefits, | |
|---|--------------|
| Kellef, etc | 1,131,286.82 |
| Paid by Subordinate Encampments Oddfellows' Relief Association, Death Claims | 45,219.99 |
| paid Oddfellows' Relief Association, Disability | 578,437.00 |
| Claims Mutual Aid Association, London, Death | 94,000.00 |
| Claims paid | 816.00 |
| Death Claims paid | 5.457.00 |

\$1,855,216.81

While all of this vast sum is not purely the expenditure of the lodges, yet it is all paid out as the results of the grand work of Oddfellowship. The greater portion of the amount has gone direct to relieve the distress sickness has caused, and the balance has enabled many a widowed mother to keep her little family around her until they could be educated and thus enabled the more successfully to fight the daily battle of life.

Clause 19. The adoption of the Official Receipt of the Sovereign Grand Lodge was hailed with every evidence of satisfaction at first, but when the price fixed by the committee to which it was relegated was announced, evidences of satisfaction were less apparent. And when later, the Grand Sire decided that the legislation which adopted the Receipt must be taken as it read, viz. : "To be used as the only legal receipt for dues, fees, etc.," then dissatisfaction became loud and strong, though with accustomed loyalty to the powers that be 19,400 have been ordered and paid for at this exorbitant price. When the price has been fixed at a reasonable figure, as undoubtedly it will be, in simple justice, we should get a rebate for the difference.

1

The Grand Lodge of Ontario is supplying as good a receipt in books of 500, far better bound, and as neatly printed, for \$1.25, and notwithstanding the words, "only legal receipt," etc., it is well known in law and in fact that any receipt is valid, no matter on what or with what it may be written. Therefore, our receipt at onequarter of a cent each is as good and as legal as the one for which three cents had to be paid, and just as safe to be used as a visiting card. At that price-a quarter of a cent each-the Sovereign Grand Lodge, if it decides to make the receipt universal, as it is to be hoped it will, will receive a greater profit than it did from the sale of the Visiting Card, and at the same time a universal system of free inter-visitation will be encouraged. The Insurance Act of Ontario now requires that all receipts, etc., shall have the words "Assessment System" printed plainly on them. When the new receipts were issued lodges were notified that the stamps "Assessment System," which was sent to them, must be used on each receipt, but if we are compelled to get our receipts from the Sovereign Grand Lodge they must be supplied us in conformity with our Provincial laws.

Clause 20. It appears that Clause 12 of the Constitution of the Grand Lodge was not regularly adopted and inasmuch as it is best to avoid any possibility of trouble that might arise, I hereby give the required notice to amend the said Clause so that it shall read as follows:—

Strike out Section 12 and insert the following :--

Section 12. The Elective Grand Officers and Grand Representatives shall constitute an Advisory Board, who shall meet on the summons of the Grand Master or the Acting Grand Master, and whose duty it shall be to render assistance and advice to the Grand Master or the Acting Grand Master on all matters that he may deem it necessary to submit to their notice during the recess of the Grand Lodge. It shall also be the duty of the Advisory board, and they shall have the power to decide any matter that may be left to their decision by the Grand Master or by the Acting Grand Master during such recess and their decision in all cases shall be binding until reversed by the Grand Lodge.

Also that Grand Lodge By-law No. 7 be amended as follows, viz.:---After the word "by" in the second line, insert "the remaining members": the by-law then to read :---

By-law 7. Should charges be preferred during the recess against any Elective Officer of the Grand Lodge, they shall be investigated by the remaining members of the Advisory Board, without unnecessary delay; and should the charges be sustained, the officers so charged may be suspended, pending a report to the next ensuing Session of the Grand Lodge.

Also that Grand Lodge By-law No. 25 be amended by inserting the

word "and" before the word "during" in the second line : the Bylaw then to read as follows :---

By-Law 25. The Deputy Grand Master shall act as the assistant of the Grand Master and during the absence of the Grand Master from this jurisdiction, or when he may be under charges duly preferred ; or during the incapacity of the Grand Master arising from illness, or any other cause, the Deputy Grand Master shall be invested with all his powers. In the event of the desth, resignation or removal from office of the Grand Master, the Deputy Grand Master shall become Grand Master, until the next regular session of the Grand Lodge thereafter, and he shall be entitled to the honors of the office for that term.

Also amend Clause ro, Constitution of Subordinates, by correcting what is evidently a clerical error, namely, by substituting the word "and" for the word "or" in the second line of said Clause : the Clause then to read :---

Clause 10.—No person shall be admitted to honorary membership in this Lodge, nor hold membership in this and any other Subordinate Lodge in this Order at the same time.

It is quite evident that Clause No. 50, Constitution of Subordinate Lodges, is a dead letter and, so far as the writer knows, has never been enforced, nor is it likely to be. Its retention in the Constitution is the main cause of the refusal of the Insurance Department to permit the words "Assessment System" to be taken from the literature of the Order. Therefore I would respectfully suggest that Clause 56, Constitution of Subordinates, be stricken out and the remaining Clauses re-numbered.

Clause 21. Justice has prevailed, and the demand made by our Grand Representatives that Canada should get its supplies, which of necessity must be procured from the Sovereign Grand Lodge, at the same prices as are paid by State Jurisdictions; in other words, that the Sovereign Grand Lodge should prepay all duties, has been acceded to. Hitherto Ontario has paid the same prices as were paid by State Jurisdictions, and paid in addition the customs duty as well. This is now happily and equitably adjusted.

It will be well for the Grand Lodge to instruct that the price list of supplies be now re-arranged.

Clause 22. The cost of postage and express may seem to be a very large item, but in this sum is included express charges prepaid on all Journals of Proceedings, our own, and those of the Sovereign Grand Lodge, supplies, etc., sent from the Grand Secretary's office. The rate by express, if prepaid, being the same as by book post, and the safety of delivery much better.

Clause 23. Very many complaints have been made by lodges in having to purchase new rituals-the instructions being mandatory that new rituals must be procured by each lodge. With their accustomed loyalty to the powers that be, every lodge in Ontario, save sixteen, have returned their old rituals, and have received the new ones. This has caused a great amount of extra labor in the Grand Secretary's office, necessitating extra help for a month or more, and increased the correspondence not a little. Nearly every order from a lodge was accompanied with questions as to the necessity of the new issue, and demurs against it, all of which had to be satisfied in the best possible way. Some injustice was of necessity done to those lodges which within a year had bought rituals, paying therefor the regular price. As they were but a few, it would be well if the Grand Lodge would consider such cases, and direct a refund to be made to them.

Clause 24. At the last session of the Grand Lodge, the report of the special committee on *The Dominion Odd Fellow* was laid on the table till the present year, and a resolution in regard thereto was adopted as follows:

"Resolved, that the report be laid on the table until the next session of this Grand Lodge, and that in the meantime the sense of the members of the subordinate lodges be taken as to the advisability of the proposed action."

Considering this resolution as an instruction to the Grand Secretary, and without consulting the Grand Master, I asked for tenders for supplying each member of the Order in Ontario with a copy of *The Dominion Odd Fellow*. On receipt of these tenders, a circular was issued to the subordinate lodges, giving the facts elicited by the tenders and asking that lodges instruct their representatives in the matter.

For years it has been the privilege of your Grand Secretary to speak a word of praise and encouragement for *The Dominion Odd Fellow*, which, had its publishers been encouraged, would have been a power for good to the Order, and I hope and trust it will yet be.

I would repeat a paragraph from the circular above referred to, which illustrates my sentiments in regard to a paper entirely devoted to the Order, viz.:

"Every Oddfellow, conversant with the progressive methods of the age, must admit that the press is the most potent factor for building up the religious, political and benevolent institutions of our complete civilization, and its extended application to the interests of the

Independent Order of Odd Fellows will not only result in enlarging the sphere of the Order's influence in the Province of Ontario but will also act as a stimulus to our sister Provincial Grand Lodges to emulate our example."

Several brothers who are publishers, have asked the privilege of giving an estimate for supplying a paper, and their request granted. All the tenders, etc., are herewith presented.

Clause 25. There are several lodges whose returns are in anything but a satisfactory shape. These lodges have but few members, very small funds, and it is a question whether or not they should be merged into some other lodge or closed up and their members allowed to join some live, active lodge. Some of the lodges referred to are not a credit to their members, their locality, or the Order. It would be well if a special effort is made to awaken these lodges and get them into their old-time working order. It is worth the effort and expenses, provided, of course, it be not too great, to save a lodge, and in the case of each of the lodges referred to, it is possible that a well-directed effort would save them to still continue on doing a noble work for humanity.

Clause 26. The beautiful *souvenirs* have been written out and sent to all lodges which have sent in their completed list of members who have received the third degree. There are still enough blanks on hand to supply all new members admitted during the current year.

Clause 27. On the 23rd March, 1897, I received from Bro. Joseph Powley, Special Deputy of the Grand Master, the Charter and effects of Alliston Lodge, No. 171. The lodge was reported as having gone into a rapid decline, and Bro. Powley visited Alliston in the hope of assisting it and infusing new life into the brothers who were still in the village. But in this he was unsuccessful, and finally packed up and shipped to Toronto the Charter and effects With his report, he handed over the sum of of the Lodge. \$50.83, surplus in cash, after deducting his necessary expenses for closing of the Lodge. A full inventory of the effects surrendered is on file, in which is included a fine organ, a complete outfit of regalia in excellent condition, an elegant office-desk, Bible, etc. The wonder is that a lodge so thoroughly equipped should surrender its charter without a herculean effort to retain it. The items of expenditure in the closing financial statement of the Lodge might well be investigated by the Finance Committee of the Grand Lodge.

Clause 28. All new By-laws and amendments to By-laws that have been received have been sent to the Chairman of the Committee on By-laws as soon as received. The labors of that committee have been very great during the past year, partly owing to the adoption of the new By-laws issued by the Grand Master. No fewer than 250 reports have been made on By-laws submitted during the past year.

The duties laid down for the guidance of this committee in Grand Lodge By-law 42, it appears to your Grand Secretary, are neither as full nor as explicit as they should be. All that the committee can do is to carefully read over the amendments proposed, and if they do not in fact contravene the Constitution the committee has no option but to approve, no matter how extravagant some of the By-laws may be.

The powers of this committee, which is possibly the most important one we have, should be enlarged. Had this committee been empowered in the past to either refuse to report on certain By-laws or to recommend changes, which in their judgment and experience were unwise if not entirely wrong, much of the legislation of the past might have been avoided. This matter is worthy the careful consideration of the Grand Lodge.

Clause 29. The several Special Committees and members of the Executive Committee which have held meetings as required during the year have been paid mileage, as ordered by the Commitige-on Finance, and approved by the Grand Lodge, viz.: at the same rate of mileage and per diem as was paid to representatives who attended the previous meeting of the Grand Lodge. Inasmuch as these committees have had to purchase the regular return fare tickets—instead of getting a return ticket free as Representatives get—each member has been out of pocket by his attending to the duties imposed on him by the Grand Lodge. This is certainly not the desire of the Grand Lodge, and the question should be reported on by the Finance Committee at this session.

Clause 30. The financial statement of receipts and expenditures, balance sheet of supplies bought, sold, and on hand, with all particulars of the financial transactions for the year ending 31st December, 1896, with supplemental statements of receipts and expenditure to July 31st, 1897, are herewith submitted as audited and reported on by your auditors.

Clause 31. The resolutions adopted at the last session and

ordered to be sent to Brothers Jno. Donogh, P.G.M., and Joseph Oliver, P.G.M., were duly sent and their receipt acknowledged.

Clause 32. The Annual Statistical Report of the Rebekah branch is herewith submitted : The report of the past half year's work has not been received, but I understand it has been of a satisfactory character. The Report will, no doubt, be laid before the Grand Lodge by the esteemed Secretary, Sister Waddell. Sister Mrs. Laura E. Ryan, has had quite a busy year, and is to be congratulated on her year's work as President of this grand Auxiliary to the Order's work.

Clause 33. The following letter was received from Bro. R. Meek, the worthy Secretary of the Oddfellows' Relief Association. The report referred to accompanied the letter, and is herewith presented :---

Grand Secretary, I.O.O.F., Toronto, Ont.

Dear Sir and Bro., -Enclosed herewith please find copy of the report of the annual meeting of the Oddfellows' Relief Association, held in Kingston, on July 21st, and giving the statistics up to June 30th, 1897. Will you be good enough to present this report to the Grand Lodge at its forthcoming session, so that it may be referred to a committee in the usual way. It will be noticed that the year has been one of the most satisfactory in the history of the Association, the financial exhibit being especially gratifying.

I am Dear Sir and Brother,

Fraternally yours,

Nos. 121, 157, 158, 159 and 160 were each eight karat gold. No. 72 was a duplicate of one issued and lost by Bro. Ringland.

Oddfellowship was brought into existence by the revered Father Wildey, to meet the needs of his time by providing temporary relief to its unfortunate members, evidently with no thought or intent that it should ever make sickness a luxury or death a rising from poverty to affluence. Inaugurated April 26th, 1819, almost a month before the birth of our beloved Queen, it has grown in gigantic strides, only exceeded by those of the Empire to which we are so proud to belong, and whose noble Queen, Victoria, who has ruled so wisely and well these sixty years, has celebrated her wonderful Jubilee—its history

has proved the wisdom of its founders, who, as has so justly been said, " builded far better than they knew."

It is not in the millions of dollars which have been freely spent in the various objects of benefits, relief and charity, that its greatest good is to be reckoned, far more by the influence its teachings have excited for good on the minds and hearts of its members and through them on the world at large, as is clearly shown by the higher fraternity which to-day exists in the world, and is everywhere asserting itself and in which the share of Oddfellowship is no uncertain quantity, inasnuch as it is the pioneer benevolent order of the age.

Wherever a lodge has carried sunshine and comfort into the home of a brother distressed by sickness or bereavement, or has been the means of restoring to manhood some erring, wandering hrother, there the value of our fellowship is known, and those who can testify to these facts are by no means a few.

It is to be fervently hoped that these noble first principles, will in no sense give way to the lower ones, which seem to be taking hold of the people to a great extent, and which if persisted in, will surely end in disaster and disgrace, that is to make the Order an aggregation of lodges, each so independent that it may make promises of large present benefits for very small present payments, only to be awakened after a few years of seeming prosperity, to find its inflow of new life at an end, its membership grown old, its calls frequent, its treasury fast being depleted, the end near.

In closing this my Thirty-First Annual Report I say with great gratification that all of the business and social relations of the year have been of the most cordial and kindly character. To the Grand Master Brother Henry White, your Grand Secretary has been under many obligations which are most kindly appreciated. The year indeed has been a busy one, and in the hope that the grand principles of Oddfellowship will continue to grow, until their influence shall be the guiding principles of every life, this report is

The amount in the hands of the Grand Treasurer on the 15th day of February being five thousand six hundred and sixty-one 57 dollars (\$5661.57).

It will be observed that the seceipts on account of per capita tax whow but \$5556.00. This is occasioned from the fact that the books are now promptly closed on the 31st of December, and as the returns of the term are not received for some weeks thereafter are consequently not included. This, however, will correct itself in future reports. The amount received for capita tax to date of audit being \$5353.50, so that the balance instead of \$6628.35 is actually \$1272.83.

They find that this amount of expenditure over the income is accounted for for the following reasons :--Mileage and per diem an increase of some \$1300; expenses consequent on the removal of Grand Secretary's Office—furniture and fittings—\$387; digests granted to D.D.G.M.'s and officers, \$65; printing pamphlets, \$107, otherwise the expenditure has been about as formerly.

There being in contemplation a change in the office of Grand Treasurer, your auditors are of the opinion that the law regarding the duties of the office and manner in which the funds of the order should be dealt with should be amended to read somewhat as follows :-

"The Grand Treasurer shall receive all moneys of the Grand Lodge and deposit the same in the ----- Bank in the name of the Grand Lodge of Ontario I.O.O.F., and all accounts shall be payable by cheque drawn on such Bank, signed by the Grand Master and Grand Secretary and countersigned by the Grand Treasurer." "In case of sickness, death or resignation, or unavoidable absence the Deputy Grand Master shall be authorized to sign such cheques instead of the Grand Master. He shall keep the accounts etc., etc." All of which is respectfully submitted.

CHAS. PACKERT, A. C. STEWART, Auditors.

Toronto, Feb. 20th, 1897.

REPORT OF AUDITORS.

HALF YEAR ENDING 30TH JULY, 1897.

To the Grand Lodge of Ontario, I.O.O.F. :

The undersigned in accordance with the requirements of the By-Laws of Grand Lodge have made an audit of the Books of the Grand Secretary, and examined the several accounts and vouchers and made a trial balance of the accounts to the 28th of July, last, which we found to be correct.

We have also examined the books and vouchers of the Grand Treasurer, to the same date, and also found them correct.

The amount received by the present Grand Treas-

| Receipts since that time | \$ 5,661.57 6.735.09 |
|---------------------------------------|-------------------------|
| Total Orders paid since last audit | \$12,396.66 |

Leaving a balance in hands of Grand Treasurer of. \$ 9,041.28

Upon examination of the Ledger, we find that the returns of the lodges were mide in fairly good time considering the difficulties of having the various returns audited promptly by the local audit committees.

We may call attention to the fact that the Grand Lodge returns to the Insurance Department of the Ontario Government have to be made for the year ending 31st December, and these returns must be verified by the report of the Auditors of Grand Lodge accounts.

It will therefore be necessary, to meet the requirements of the Insurance Department, that an audit be made before the 1st of March for that Department, and according to Cl. 37. Grand Lodge By-laws, an audit must be made prior to the session of Grand Lodge in each year. Therefore, unless otherwise directed by Grand Lodge, there must be two audits in each year.

Respectfully submitted in F. L. and T.,

A. C. STEWART, CHAS. PACKERT, Auditor

Whereupon the Grand Master declared Bro. W. J. McCormack duly elected Grand Treasurer for the coming year.

There not being an election of Grand Representative by vote of the lodges, the Grand Lodge proceeded to elect a Grand Representative.

The scrutineers reported that no candidate had received a majority of the votes cast on the first ballot.

On the second ballot, the scrutineers reported that Bro. Thos. Woodyatt, P.G.M., had received a majority of the votes cast.

DEAR SIR AND BROTHER .-

I desire to make application herewith for the usual annual recognition of this Association by your Grand Lodge.

The Advisory Committee whose members were present at our annual meet-ing, will no doubt deal with the work of the last year in a special report. But it will not be out of place for me to say that the last year, financially, was one of the best in the history of the Association. The surplus for the year was \$31,834.46, and the total surplus over all liabilities was \$121,005.76. The Reserve Fund

and the total surpus over an inconners was \$121,005,70. The reserve Fund was increased from \$82,750 to \$105,000, an increase during the year of \$22,250. The Association fully appreciates the cordial relations which exist between it and the several Grand bodies, and it hopes they will long continue. It trusts, by devotion to the objects before it, to merit the further confidence and support of the Order.

Kindly refer the accompanying reports to the Advisory Committee, or any Committee on insurance which the Grand Master may appoint.

Believe me, dear sir and brother,

Yours fraternally,

R. MEEK, Secretary.

The following letters from the Rebekah Assembly were referred to the Committee on Rebekah Degree :

At the Rebekh Assembly held here, the following resolution was carried. That the Grand Lodge be requested to refund the sum of $\$_{21.25}$, that being the amount of loss to this Assembly in exchanging the old Rituals for new ones. Also that the Charter Fee of the seven new Lodges this year be returned, viz.: $\$_{35.00}$.

Fraternally submitted,

LAURA E. RYAN, President.

MAGGIE WADDELL, Secretary.

The following was read and referred to the Judiciary Committee :

BELLEVILLE, ONT., Aug. 12th, 1897.

To the Grand Master and Grand Loige, 1.0.0.F. :-

A brother of the Order, without exhausting his remedies in the Order, places a large claim (about \$450.00) for sick benefits, in a solicitor's hands for suit and pays him a relainer. The matter is afterwards compromised by payment of less than half the claim, such compromise being entered into by the Lodge to avoid scandal or criticism injurious to the Order. The Lodge afterwards entertains a charge laid against the brother, for conduct unbecoming an Oddfellow, and breach of contract and obligation, and the charge being proven and not denied, the brother is expelled.

Question :-- 1. Is the charge one in which expulsion would be sustained as being discretionary with the local Lodge.

2. Is it settled law that a brother so excelled, has no status in a Civil Court on the question of reinstatement, that the dustion of membership and dismissal is solely with the Lodge and the Courts of the society.

3. Has a brother any legal right of action in a Civil Court, on a question of either suspension or expulsion ? or is the Lodge Courts the final and only resort ?

These questions are of considerable import and should be decided clearly for the benefit of all local Lodges.

Trusting to have the above questions disposed of.

I remain, yours fraternally,

A. E. BAKER,

Representative Balmoral Lodge 280.

The following questions by Rep. Layton Pidd, of Wildey Lodge, No. 153, were referred to the Judiciary Committee :

Report No. 5.—Bro. Cl. T. Campbell, P.G. Sire, from the Special Committee on Oddfellows' Home, presented the following Report, as printed, and which was, on his motion, considered seriatim.

LONDON, August 10th, 1897.

To the Grand Lodge of Ontario Independent Order of Oddfellows:

Your Committee appointed to obtain information and to suggest methods for the establishment of the Oddfellows' Home, unanimously voted by this Grand Lodge at its last session, have to report that last winter (after consultation with the Committee of the Grand Encampment, Bros. Dawson and Blackeby, and the Committee of the Rebekah Assembly, Sisters Ryan and Lee) we sent a circular of enquiry to the lodges. The information gained by this circular was not as complete as we desired—the secretaries of many of the lodges not having answered. So far as replies have been received, however, there is sufficient evidence to show that

THE SENTIMENT OF THE JURISDICTION

is decidedly in favor of the establishment of a Home for Aged and Indigent Members of the Order, and for Orphan Children and Widows of Deceased Members. Replies were received from 87

expressed no opinion, one favored a Home for Aged Oddfellows lodges, of which number only 5 were opposed to the scheme; three alone, leaving the remaining 78 in favor of a Home for Aged Oddfellows, Orphans and Widows. From many other localities information has been received showing a hearty concurrence in lodges from which we have had no official communication. Many lodges have passed very strong resolutions of support, accompanied by donations; and have also expressed their willingness to contribute in any way that might be deemed necessary. Especially enthusiastic has been the Rebekah Department, as we learn from the officers of the Assembly. Its treasurer now holds some \$300 contributed by its subordinates; many are actively engaged in securing aid; and we are assured that every Rebekah lodge may be expected to undertake the furnishing of a room as soon as required.

BENEFICIARIES.

Three of the lodges report to us six aged members who might become inmates of a Home. As to children : 33 lodges report 127 children of deceased members, under 13 years of age, known to the officers; of these 104 are reported as being cared for by relatives, 7 by strangers, 1 is in a public charity, and 15 are unaccounted for. Some of those cared for by relatives are in receipt of public charity. In addition, your committee have received unofficial information of several other aged and indigent Oddfellows, of a number of widows; and of several orphan children who are in public charities or are being cared for by strangers. Imperfect, therefore, as is the information received, there is abundant evidence to show that in Ontario we have a number of aged Oddfellows who are in need of a home; and that there are many orphan children who have to depend on strangers for support. We need have no doubt that were a home established it would soon be supplied with inmates.

OTHER JURISDICTIONS.

To show the character of the work that should be undertaken, and the methods of operation, we give a brief synopsis of the record of other jurisdictions. This is not complete, but comprises the main features of such information as we have obtained:

Arkansas (4,300 members).—Preparing for a Home by assessing subordinate lodges 50 cents per capita, and Rebekah lodges 25 cents, for five years.

California (30,500 members).--20 acres of land and buildings; value, \$45,000; erected by donations; maintained by a per capita

Connecticut (15,000 members)-47 acres and buildings ; \$47,-000 received by donations from lodges and individuals.

Idaho (1,600 members).—60 acres, value 10,000; a building for aged Oddfellows and Orphans now being erected by a per capita tax and donations.

Illinois (51,000 members).—Home for Orphans, 40 acres and buildings, value \$77,000; established by voluntary effort; supported by donations and an appropriation from Grand Lodge, each year, as required—in 1896, \$15,000; managed by Grand Lodge through a Board of Directors. The same jurisdiction is now providing a Home for aged members.

Massachusetts (50,000 members).—60 acres and buildings, valued at \$100,000; erected by voluntary efforts sustained by a per capita of 50 cents; governed by eleven trustees, elected by Grand Lodge.

Minnesota (15,000 members).—No property yet; has a fund of \$15,000, to which it is adding by the sale of life membership certificates to lodges for \$25, and to individuals for \$15, and also a per capita of 10 cents.

Missouri (26,000 members).—Two hundred and forty-one acres and buildings, worth \$50,000. The members pay a per capita tax of 20 cents for maintenance, and 10 cents towards payment of debt on property; governed by a board of eleven, elected by Grand Lodge.

New Hampshire (12,500 members).—Thirteen acres and buildings, value \$10,000; supported by donations and an appropriation from Grand Lodge, as required.

New York (72,500 members).—In this jurisdiction there are four Homes, with 114 acres of land, valued at \$150,000. The Homes appear to be all controlled and operated by association of lodges and members.

New Jersey (24,500 members).—Property valued at \$28,000, controlled and supported by an association of lodges, each lodge paying 52 cents per capita yearly.

North Carolina (4,300 members).—Twenty acres of land and property, valued at \$22,000; supported by a per capita tax of 70 cents.

Ohio (62,000 members).—Rossmoyne Home for Aged Oddfellows has 20 acres, with buildings, valued at \$10,000; supported by a 1897

Oregon (6,000 members).—A Home for Aged Oddfellows, Widows and Orphans; in 1895 valued at \$13,500, but establishment not then complete.

Pennsylvanla (107,000 members).—Orphans' Home at Philadelphia, value \$44,000, with \$8,000 liabilities; supported by a per capita of 25 cents. Home for Aged Oddfellows managed by an association of lodges, each of which pays 52 cents per capita. There is another Home for Widows and Orphans at Alleghany, valued at \$16,000.

Tennessee (5,000 members).—Site selected ; property valued at \$20,000, of which the citizens contributed \$16,000. The membership pay a per capita of 20 cents.

Texas (9,000 members).—Two hundred and eighty-six acres and buildings, value \$27,000; established by donations of individuals and lodges, and a Grand Lodge appropriation, maintained by a per capita of 50 cents.

Vermont (5,000 members).—Fourteen acres and building, worth $\$2_{7,000}$, the donation of a private individual not a member of the Order; at last accounts not yet in operation, but to be sustained by a per capita as may be required.

Wisconsin (17,000 members).—Property valued at \$20,000; first tried to sustain it by voluntary effort, but now by a per capita of 25 cents; governed by a board of nine, elected by Grand Lodge.

There are other jurisdictions engaged in the work, the particulars of which have not been received.

RESULTS OF EXPERIENCE.

From a review of the reports of the different Homes, as well as from personal communication with those engaged in their management, we find that the results of their experience may be summarized to the following effect:

That, even in small jurisdictions, as soon as a Home is in operation, the need for it is shown by the many applications for admission.

That, unless in very large jurisdictions, a Home should be for

all classes of beneficiaries, and under one management; but that the building occupied by children should be as separate as possible from that occupied by adults.

That, except where some generous individual or some enterprising locality, provides a building and site, the fund for the establishment as well as the management of the Home should be raised by a per capita tax on the entire membership.

That the site should be sufficiently large to allow the cultivation of fruit or vegetables, so that there would be not only an abundant supply for the use of the inmates, but a revenue from the sale of surplus produce.

THE PROPOSED HOME.

Estimating our own wants and our abilities, as well as judging from the experience of others, we are of opinion that the only just and proper basis for the establishment of a Home is that of a per capita payment by the lodges. Ten cents per member each six months for five years would approximate \$25,000. This should be sufficient to purchase a site and erect suitable buildings. The work could, of course, be commenced without waiting for the whole amount. In two years' time the fund would be large enough to begin operations. It might, indeed, be commenced sooner, for it is reasonable to expect that offers will be made to donate a site. Already the membership in at least three localities have this matter under consideration, though no definite offers have been made. When the time comes to make the selection, however, a plot should be procured large enough to provide in whole or in part for the maintenance of the inmates. There should be two buildings, one for adults and the other for children, but sufficiently near to allow for convenience of management by one staff of officials and employees.

The control of the Home should be vested in a Board of Directors, principally chosen by the Grand Lodge, but with provision for a just representation from the Grand Encampment and the Rebekah Assembly, in order to secure and retain the active co-operation of these bodies.

MAINTENANCE.

"What is likely to be the annual cost of maintaining a Home?" The answer will, of course, depend on the size of the Home, and the number of inmates. The cost per inmate varies greatly in the different Homes now operated, but an approximate idea may be gained from the experience of similar institutions in the Province.

It may be assumed that an annual per capita of twenty cents would be sufficient for purposes of maintenance, even if there were no other sources of revenue. But the produce of, the farm should materially reduce the expense, and the institution might, under favorable circumstances, become self-supporting. It might also be a question for future consideration whether a small charge for board might not be made, payable by the party sending an inmate to the Home.

RESOLUTIONS.

The following resolutions are submitted for adoption :

1. That the Ontario Oddfellows' Home shall be for the aged and indigent members of the Order, and the orphan children and widows of deceased members.

6. That the annual meeting of the Board shall be held during the annual session of the Grand Lodge, and special meetings may be held at the call of the chairman, or on the requisition of two-thirds of the members.

7. That no money in the Oddfellows' Home Fund shall be expended for the travelling or personal expenses of the members of the Board until the Home is established, but the bodies appointing delegates to the Board shall assume responsibility for such expenses.

8. That the Board of Directors shall have power to receive offers for a site for the Home, but not to accept any offer or to proceed with the erection of any buildings until the Home Fund has reached $s_{0,000}$, unless with the approval of the Grand Lodge, or, during its recess, of its Advisory Board.

9. That the Board of Directors shall have power to make such By-laws for its government, not inconsistent with these resolutions, as it may see fit.

DONATIONS FOR THE HOME.

At last session of Grand Lodge a number of the members subscribed certain sums for a Home Fund, the condition being that

the amounts were not due until the Grand Lodge was ready to build or purchase, and that then the subscribers should have the option of paying only half the amount, and the balance in a year following. No effort has since been made to canvass for subscriptions, but a number of individuals and lodges have notified the Committee of their willingness to contribute on the same terms. Resolution No. 1 (page 6567) was considered and adopted.

The question being on the adoption of Resolution No. 2, the following, moved by Bro. W. H. Hoyle, Grand Representative, and seconded by Rep. J. T. Hornibrook, P.G.M., was adopted :

Resourced,—That Resolution No. 2 of the Committee's Report be referred back to the Committee, with instructions to amend the same upon the following lines, viz., that all reference to a capitation tax be eliminated therefrom, and an annual appropriation from the Grand Lodge funds be substituted therefor.

Resolutions 3, 4, 5, 6, 7 were each severally adopted.

The question being to adopt Resolution No. 8, the Committee accepted the suggestion to strike out of lines 3 and 4 the words, "until the Home Fund has reached \$10,000," and the resolution as so amended was adopted.

Resolution No. 9 was considered and adopted.

Report No. 6.—Rep. R. N. Sheppard, from the Special Committee on "Transfer of Membership," presented the following Report as printed and laid before the lodges, which was considered and adopted:

To the Grand Lodge of Ontario Independent Order of Oddfellows :

The Special Committee appointed by the Grand Master, in accordance with resolution of last session, "to formulate a scheme whereby members may transfer from one lodge to another without the present burdensome expense," beg to report as follows:

In view of the fact that this matter will be sent to each lodge in the jurisdiction for consideration, and that in many cases representatives to the next session of Grand Lodge will come there decided as to what action they will take, it seemed proper for your Committee at this time to give not only their recommendations, but also some of the ideas that were in their minds, leading them to make such recommendations.

Clause 11 of the Constitution of Subordinates aims at making the normal condition of the membership one where each member belongs to the lodge nearest to his residence. Our legislators have thus recognized the fact that a brother is more likely to take an interest in the order and retain his membership when he is an active member of a lodge in his particular locality than when he occupies the position of visitor only.

Therefore, by making it easier to transfer from one lodge to another in case of a change of residence, we will not only prevent many from dropping out, but will add to our stock of enthusiasm and greatly increase the general efficiency of our organization.

Let no member harbor what will probably turn out to be needless fears as to the effect in his immediate neighborhood. The

interests of the Order are paramount, and what is so generally conceded to be a need in our Order must be supplied.

In a great many lodges, if not in all, an effort is made to partially meet the difficulty by admitting members who join by deposit of card on payment of fifty per cent. of the initiation fee. Of course a member who joins in this way is as great a charge upon the lodge as an initiate, but it must be remembered that there is a constant levelling up going on, through the fact that a lodge not only receives members by card, but also loses members by their taking out cards to deposit in other lodges.

Your Committee not only commend this practice and suggest its general adoption, but have taken it into consideration in making their recommendations.

When a member first joins a lodge the general or total liabilities of the Order are increased, because he is promised benefits in case of sickness or death. When he removes from one lodge to another he becomes no greater charge upon the Order than before. Why then should he have to go so deeply into his pocket at such a time? The liability on his account having been merely transferred, why should there not be funds transferred to balance that liability? In holding that such would be simple justice we feel we are on solid ground.

The Sovereign Grand Lodge has held that the funds of Subordinates are trust funds. Every lodge that promises to pay anything on the death of a member must be constantly accumulating funds on account of each particular member. When one member withdraws and joins another lodge, would it not be carrying out the idea of a trust better to pay over to the other lodge the amount required to give him the same prominence that he had before, than to keep the money held in trust for him and compel him to buy these promises over again? Surely what is so akin to justice must be in the neighborhood of law.

The Sovereign Grand Lodge has also conceded that it is the proper thing when a number of members leave a lodge to start a new one that a donation should be given the new lodge. If quite proper when a lot of members leave a lodge and carry their liability into another lodge, why not do the same thing in the proper proportion when one member leaves his lodge and joins another? We think the different subordinate lodges and the representatives to the Grand Lodge will be forced to come to the same conclusion as the Committee, that we have hardly done justice to the members who have left their mother lodge to advance the interests of the Order in some other locality. Nor have we acted wisely by that larger body, who not finding it congenial to their active natures to

be drones in the hive of Oddfellowship, and not feeling able to pay their way into a new lodge every time necessity compelled a change of residence, have gradually lagged behind in their dues, and have finally dropped their membership altogether.

Your Committee therefore recommend that the Constitution of Subordinates be amended by adding thereto, under the head of "Disbursements," such clauses as shall provide that in the case of a member who shall change his place of residence, or who, on account of the starting of a new lodge, shall find himself nearer to some other lodge in the jurisdiction other than the one he is a member of, and who, having been granted a withdrawal card, shall apply for admission and be accepted in the lodge nearest to his residence, he shall be entitled to have paid, by the lodge he withdraws from, on account of the balance of his admission fee (that is his admission fee less the proposition fee of \$2.00 already paid by him) or on account of this balance of his admission fee and his dues, an amount to be determined as follows :

- I. When the lodge from which the member withdraws is working under a system of graded initiation fees, the amount shall be one-half of that fee at the age of the member at the time of his withdrawal, less the sum of \$2.00.
- 2. When the lodge from which he withdraws is working under a system of level initiation fees at all ages, and dues graded, the amount shall be one-half of this general admission fee, with fifteen per cent. of this half added for each year the brother has held membership in the lodge, less, also, the sum of \$2.00.

It will be observed that in all cases the member will pay the proposition fee, which accompanies his application, out of his own pocket. This, your Committee thought, would not be too great a tax, and might be looked upon as evidence of the brother's interest in the matter.

Were all the lodges in Ontario working under the same scale of fees and dues this \$2.00 would be all that would be paid by the brother in any case provided for by this report, and while the Committee are of the opinion that something nearer uniformity is both desirable and practicable, they have for the present to consider things as they find them, and would therefore call attention to the following points in regard to the working out of the scheme where so many different rates are in force.

(a) A brother transferring to a lodge with a graded scale of dues may find that after his admission fee is paid there is ah amount left over out of what he is allowed. This is W apply t time w Grand such p Ir importa welfare will do weak, destroy

properly placed to the credit of his dues, and will tend to compensate him for having to pay, increased annual dues in the future.

- (b) A brother who joins the Order at an advanced age, transferring from a lodge with graded dues to one with level dues, may find he has to pay a good deal in addition to the amount allowed. This he is compensated for by having his dues reduced for the future.
- (c) In some cases it may happen that a brother will pay considerable in addition to the \$2.00 and over and above the amount 'allowed, to get into a lodge where his benefits are no greater, perhaps less, than before. This will be on account of the charges of one or both of the lodges not being in accord with the benefits promised. It has to be assumed that when one lodge charges more than another, it gives its members something for the difference.

We have not seen fit to recommend that this legislation shall apply to members joining lodges outside of Ontario, but at the same time would call the attention of our representatives to the Sovereign Grand Lodge to the advantages to be derived from making some such provisions mutually applicable to all jurisdictions.

In concluding this report, we can only say that we realize the importance of the matter in hand and its bearing on the future welfare of our Brotherhood, and trust that those who criticize it will do so with the idea of strengthening where it may be thought weak, of correcting where thought wrong, but with no idea of destroying the report and leaving things as they are.

The Grand Master then referred the Report as adopted to the Judiciary Committee, to report if the legislation asked for was in the power of the Grand Lodge.

The hour of six o'clock having arrived, the Grand Lodge adjourned to meet again at 7.45.

EVENING SESSION.

August 11th, 1897.

The Grand Lodge reassembled at 7.45, and was opened in regular form.

Grand Master Bro. Henry White in the chair.

On motion of Reps. W. Amor and Joseph Oliver, P.G.M., the calling of the roll and reading the minutes of the afternoon session were dispensed with.

Rep. C. C. Lyman, seconded by Rep. B. F. Richardson, moved the adoption of the following :

Resolved,—That the mileage and per diem to be paid Grand Lodge Officers, Representatives and others entitled to secure mileage and per diem at this session of the Grand Lodge be at the rate of five cents per mile one way, by the nearest travelled route, and $\frac{3}{2}$ per diem for time in attendance at the session as per the roll of the Grand Lodge.

Rep. W. H. Blight and W. Sutton moved to amend the resolution by striking out "(5c.) five cents" and inserting "(4c.) four cents" and to add to the resolution the words, " and the one cent per mile to be donated the Home Fund," which was not agreed to.

The resolution of Rep. C. C. Lyman was adopted.

Report No. 7.—Bro. Robert Meek, from the Special Committee on Dues and Benefits, presented the Report of that Committee as printed and distributed, a copy of which had been sent to each subordinate lodge, and stated that the report had been changed slightly since it was printed and distributed. The changes are shown by italics :

KINGSTON, August 11th, 1897.

To the Grand Lodge of Ontario Independent Order of Oddfellows :

At the meeting of the Grand Lodge last year the Special Committee on Widows' Annuities, in its report, urged that a Special Committee be appointed to consider during the recess what would be a proper scale of fees and benefits for the Order. This scale, it suggested, should be founded upon the experience of similar Canadian Societies, and be accompanied by such tables as would assure to the

Lodges "the means of carrying out their undertakings as to the payment of benefits."

This matter (Report No. 5, pp. 6320), and the recommendation of Special Committee No. 10, session of last year, embracing report No. 38, and also dealing with dues and benefits, were referred to the Special Committee now reporting.

A MEETING IN TORONTO.

The Committee held a meeting in the Grand Secretary's office on May 6th. At the outset it was felt that the Grand Lodge had seen and admitted the force of the arguments presented by last year's Committees in support of uniform dues and benefits.

The financial transactions set forth in report No. 6 led to but one conclusion, namely, that the lodges of this Order, for their own good and welfare must avoid all competition in the way of benefits, or even the appearance of competition; that everywhere, in all parts of the jurisdiction, the same amount in dues should be collected and the same amount in benefits be expended by them; and that always the obligations of the Lodges, voluntarily assumed, should be in perfect keeping with their ability to meet them safely.

A PROPOSITION IS MADE.

A member of the Committee submitted the following for discussion :

"The necessity of the Grand Lodge having control of the funeral benefits of the Order in Ontario must be apparent to any one that has studied the constant changing of the Lodge by-laws to meet the natural increase of deaths in the subordinate lodges. Owing to the small number of members that compose each lodge it is impossible, even under the best and most careful management, to meet the amounts promised at the death of members if there is no co-operation and the lodges remain financially independent of each other. The truth of the principle of co-operation, in the case of death benefits, has long been acknowledged by those who have had the important part of friendly society work under observation; and we are of opinion that lodges must either increase their contributions very materially or reduce the funeral benefits. One case that has been looked into forcibly illustrates the necessity of co-operation and uniformity in death benefits. In a society of 7,000 members the assessments for deaths in 1889 amounted to 73c. per member, yet there were no less than six lodges without a single death during that year, and in the group one lodge lost no less than six members by death, and had it been forced to meet the liability itself the assessment would have been \$3.97 per member. If the death bene6576

fits were paid by the Grand Lodge it would help the lodges to meet the ever increasing sickness that the members must experience as the lodges grow older, and which of itself will be found sufficiently burdensome without having to meet the funeral benefits now promised by many of our lodges. There are many ways by which the funeral benefits could be paid by the Grand Lodge, but we consider the equitable one would be to raise the amount by per capita tax on the subordinate lodges sufficient to meet the death rate that experience has shown to be absolutely necessary. The death or funeral benefit should be uniform throughout the jurisdiction, and every member of the Order would then be on an equal footing, and would know just what those that were dependent upon them would receive at his death."

THE LAW OF THE ORDER.

It was urged in addition that the Grand Lodge, in registering with the Department of Insurance on behalf of the subordinate lodges, became indirectly responsible for any failure on their part to meet their liabilities. But the law on this point is quite clear. The Digest of 1895 (section 470) declares that "a state Grand Body has no right to appropriate money from its funds raised by an assessment upon its Subordinates, for the relief and support of a member in one of these Subordinates." In 1892 the Sovereign Grand Lodge disposed of other phases of the subject. It asserted (1) "that it was not legal for a Grand Lodge to assume payment of sick benefits, taxing the Subordinate Lodges to provide a fund for this purpose"; (2) that it was not legal to form a sick benefit fund "to which such of its Subordinate Lodges as may be willing, could contribute such sums as the Grand Lodge named, and out of which sick benefits should be paid to the members of such contributing lodges only," and (3) "that under the laws and polity of the Order, as at present existent and operative, Subordinate Lodges are charged with a duty of providing and dispensing benefits to their members entitled to the same, and this duty cannot be assumed or transferred to Subordinate Grand Bodies."

This puts the question of the Grand Lodge's control of subordinate lodge funds outside the present discussion. The only thing the Grand Lodge can do, all that the Committee of last year advised and that the Committee of this year supports, is to urge that there shall be uniformity in the dues and benefits of these lodges.

THE HISTORY OF THIS AGITATION.

The Committee has not been called upon to go outside of the Order for the experience which enables it to frame a safe and suitable schedule of rates. The history of this agitation for a revised

1897

tariff (of the subjec should a mei Lodge that d be of Grand subor of du what a sick an fits, in educat tables the Or sickne ties of

tariff of fees in the Order is full and comprehensive. The records of the Sovereign Grand Lodge and of this Grand Lodge upon this subject are, indeed, most satisfactory.

As long ago as 1852 there was debate as to what the lodges should do about their income and expenditure. Bro. Dr. Campbell, a member of this Committee, in a report to the Sovereign Grand Lodge in 1882, traced the steps which had been taken anterior to that date, and gave information and advice which were calculated to be of great service to the Order. Then it was resolved that the Grand Lødges should ascertain the financial condition of their subordinates, and "define for them, within certain limits, the rates of dues and benefits." Recommendations were also made as to what amount should be collected from the members and paid out in sick and funeral benefits. But the Committee on Dues and Benefits, in 1885, found that little advancement, had been made in the education of the fraternity in its financial affairs, and again it supplied tables showing how sickness had increased among the members of the Order as they advanced in years, and that with this increase in sickness there was a certain and corresponding increase in the liabilities of the Order.

SEEKING ACTUARIAL CALCULATIONS.

The wisdom, aye the necessity, of doing something looking towards a uniform tariff was practically admitted by the Grand Lodge last year in its approval of the reports of two Special Committees, and by the appointment of this Committee. But the Committee desired to proceed most cautiously, and to collect evidence showing the need of a better rating in Ontario, from the experience of its lodges, and so it directed the Grand Secretary to procure the following :

(a) Actuarial estimate of the Lodges as to solvency, based upon returns made to the Grand Lodge, omitting therefrom regalia, paraphernalia, furniture and unenumerated assets.

(b) An opinion as to the Campbell table of rates, as to whether it is sufficient to meet prospective liabilities of lodges, in view of the experience above referred to.

(c) An examination of the English experience (in the custody of Bro. Vale), in order to ascertain how it affects Canadian experience, and if so to what extent.

These actuarial calculations were committed to Mr. Chadwick, Toronto, and he is still at work upon them. As the report cannot be delayed, they will have to be submitted to the Grand Lodge in the form of an appendix to this report.

AUGUST

RECOMMENDATIONS OF THE COMMITTEE.

Meanwhile, without the actuarial statement, and regarding it as supplemental to the information on which the report is founded, the Committee recommends :

I. That a graded plan of assessments be approved—graded according to age at the time of *joining* the Lodge—on the ground that it is the safest and most equitable.

2. That the Grand Lodge endorse the Campbell table of rates, as under, and take such steps within its power as will secure the enforcement of these rates uniformly in this Grand Jurisdiction :

Rep. Franklin Smoke moved the adoption of the report as now submitted.

By consent, Bro. W. J. Vale, P.G., a member of the Committee, addressed the Grand Lodge, and submitted the Tables that had been prepared by the Actuary, Bro. Chadwick, on the understanding that they were to be kept as confidential until ordered to be made public by the Grand Lodge.

The following, moved by Rep. W. Amor, seconded by Rep. W. H. Lowe, was adopted :

Resolved,—That in view of the fact that the report of the Special Committee on Dues, and Benefits has been altered since being submitted to the subordinate lodges, the 'report be laid over till next session of the Grand Lodge, and the' report as now before the Grand Lodge be printed and sent to the several lodges, embracing also in the report an actuarial estimate of the amount of benefits that could safely be paid on an annual contribution of six dollars per member.

The following, moved by Bro. W. H. Hoyle, Grand Rep., seconded by Bro. Cl. T. Campbell, P.G. Sire, was adopted :

Resolved, --- That Report No. 56, as it appears on page 6404, Journal of Proceedings of 1896, re Dominion Odd Fellow be now considered.

The Report being under consideration, Bro. W. H. Hoyle, Grand Rep., seconded by Rep. J. Lucas, moved the adoption of the Report.

Bro. W. H. Hoyle made explanation in regard to a Circular issued by the Grand Secretary in regard to this report which was accepted by the Grand Lodge.

Rep. Jno. Welsh, seconded by Rep. W. J. Norfolk, moved the indefinite postponement of the further consideration of the report, which was agreed to.

Report No. 10.—Rep. Robert Meek, from Special Committee No. 1, made the following report, which was considered and adopted :

To the Grand Lodge of Ontario, I.O.O.F .:

Your Committee (Special No. 1) beg to report upon the matters referred to it by the Grand body.

I. Clause IX. of the Grand Master's Report. Your Committee commend the thoughtfulness of the Grand Master and those with whom he conferred, in sending to Her Majesty the Queen a message of congratulation on the sixtieth anniversary of her accession to the throne, and in most felicitous terms. It was an occasion worthy of the inspiration it suggested, and it conveyed to Her Majesty the sentiments of an Order, the loyalty of whose twenty-five thousand members need not be emphasized. The message of the Grand Master, expressing thankfulness for the Queen's long and beneficent reign, is herewith given the heartiest endorsement of this Grand Lodge.

2. Clause XXXI. of the Grand Master's Report re a Grand Lodge solicitor. Your Committee has very carefully considered the grounds on which a standing solicitor for the Order are urged: (a) That he would be instrumental in bringing the laws and regulations of the lodges into accord with the civil law as it prevails in the province; (b) That he would be a valuable official with whom to consult on legal questions constantly arising in the Grand and subordinate lodges; and (c) That if not less expensive, the service would be more efficient, acceptable and satisfactory.

Your Committee is not called upon to advance any argument in favor of having identified with the Grand Lodge one who is a competent authority on legal matters, and one who, because of the permanency of his office, will see the necessity of making himself familiar with the law and its interpretations as they affect the Order.

A mucicipal council sometimes retains a solicitos (by the regular payment of a small sun), who, in view of possible cases, and of the certainty that he will have to handle them in the public interests, as corporation counsel, will keep in close touch with municipal law and its changes, and so become an expert in this line of business. The engagement of a solicitor by a council under such circumstances-and your Committee had one case of this kind under review-is decidedly to its advantage.

A fraternal society known to your Committee, having had the service of a solicitor in a case requiring much reading and research, has since found it profitable to consult him again and again, because it was felt that, on account of his special study, he was the better qualified to wisely direct and guide it.

So it seems to your Committee that the Grand Master was justified in suggesting that a legal adviser be retained—one that will be warranted in reading the law as it concerns the fraternal societies, and so becoming a specialist in in regard thereto.

Your Committee recommend :

6582

(1) That the Executive of this Grand Lodge, with the experience of the last year before it, be empowered to name a legal gentleman, and an O ldfellow, as solicitor of the Grand Lodge, the retainer to be a sum of, say \$50

(2) That this solicitor be required to give his opinion on such legal questions, as may be submitted to him through the Grand Secretary and approved by the Grand Master. The Committee is assured that the assistance of such a solicitor at such a time, in such a connection, will prevent the litigation that begins so easily and ends so costly.

(3) That this solicitor be required, also, to act in conjunction with the Committee on Subordinate Laws and Amendments, and that all doubtful points be reviewed by him. The sounder the by-laws, and the freer from defects, the less danger of lawsuits arising therefrom.

(4) That a full and explicit report of the year's references, and the cost of them, be made to the next meeting of the Grand Lodge, so that it may be fully informed before proceeding to take further and definite action upon the matter.

Your Committee is persuaded that the experiment will be satisfactory, and that it will lead to such an arrangement as will yield the Grand Lodge, in legal matters, a more efficient and economical service

All of which is respectfully submitted.

R. MEEK.

Beport No. 11.—Rep. Joseph Oliver, P.G.M., from the * Committee on State of the Order, made the following report, which was adopted :

To the Grand Lodge of Ontario, 1.0.0.F .:

Your Committee on State of the Order, to whom was referred clauses one and two of the Grand Master's Report, beg leave to report as follows :

Your Committee heartily concur in the remarks made by the Grand Master in regard to the improved financial condition of the Order as the results of the labor of the past year. While the net increase in membership has not been as large as we would have liked to have seen, still, when we take into consideration the very serious and long-continued depression which our province has passed through during the past four years, we think our Order has done nobly in not only holding its own, but every year gaining in membership, increasing its capital, and also in public favor, until we find that now outsiders are asking how can they become members of our organization, instead of our having to solicit for members, as we have had to do in the past. We therefore feel that, as the clouds of depression are now passing away from our beloved Dominion. that the star of Oddfellowship will continue to shine brighter and brighter, until, in every city, town and village throughout Ontario, the banner of Oddfellowship will be

Report No. 12 .- Rep. Joseph Oliver, P.G.M., from the same Committee, made the following report, which was adopted :

To the Grand Lodge of Ontario, I.O.O.F .:

Report No. 17.-Rep. F. Bisset, from the same Committee made the following report, which was adopted :--- *

To the Grand Lodge of Ontario, 1.0.0.F. :

Report No. 18 .- Rep. A. H. Blackeby, from the Committee on Finance, made the following report, which was adopted : To the Grand Lodge of Ontario, I.O.O.F. :

Your Finance Committee have had under consideration paragraphs 20 and 21 of the Grand Master's Report. This refers to the extensive and expensive liti-gation which various subordinate lodges have been involved in during the year. These lodges are asking re-payment of the costs incurred, on the ground that the laws under which they were working were sanctioned by this Grand Lodge, and were interpreted, in some cases, by the Chief Executive of this Grand body in favor of the contention of the lodge.

1897

Your committee are not of one mind on this subject. Morally we are agreed the Grand Lodge is responsible. As to its legal responsibility there is room for argument, and we are not unanimous.

Your committee have decided to report that in view of the undoubted moral responsibility of this Grand Lodge the Advisory Board should, on receiving properly authenticated accounts, pay the costs involved in the cases of Gillard v. Sydenham Valley Lodge, Dale v. Weston Lodge, and Kraft v. Nith Lodge, to the extent of fifty per cent. of the same.

We have not full statements of the accounts before us, but believe the amount involved will be about \$1,100

In the case of the suits against Forest City and Dominion Lodges, as the points involved are still in litigation, your committee decided to make no recommendation at this session.

Resolved,-That the foregoing be adopted.

Respectfully submitted.

A. H. BLACKEBY.

Report No. 20 .- Bro. W. A. Rawlings, from the Committee on Laws of Subordinates, presented the following Report with their authorities for correction, which was adopted.

To the Grand Lodge of Ontario, 1.0. O.F. :

Your Committee on Law of Subordinates appointed to examine the Constitution, By-Laws and Amendments thereto, of Subordinate Lodges, submit the following report :-

All the By-Laws and Amendments submitted during the past year have been carefully examined, and appended hereto will be found a full statement of the corrections and recommendations made in each case, and also the authorities for same

During the past year there have been two hundred and forty-four reports,

and a duplicate copy of each sent through the Grand Secretary to each Lodge. This is more than double the number reported on in any previous year, and has involved a large amount of labor and considerable correspondence.

Your committee find that about two-thirds of the Lodges have adopted the By-Laws recommended by the Advisory Board of this Grand Lodge.

And, as it was not compulsory on the part of the Lodges to adopt said By-Laws, it shows that a large majority appreciated the efforts of the Grand Lodge to protect their interests and prevent litigation that might involve the Lodges in

Troible and expense. It is possible with such a large amount of work some few points may have been overlooked, but it any they are few and of a minor nature. All our reports have been based on the Constitution, Laws and discussions of

the Order, and we believe have been generally acceptable to the Lodges.

Your Committee move the adoption of the report.

All of which is fraternally submitted,

W. A. RAWLINGS. D. ROBERTSON. J. H. MAGILL.

Report No. 22 .- Bro. W. F. Mountain, from the Committee on General Purposes, submitted the following report, as printed, which was adopted :---

To the Grand Lodge of Ontario, I.O.O.F .:

Toronto, August 11, 1897.

Your Committee on General Purposes beg to submit the following as their report of transactions had during the past year :

The Committee has had six regular meetings, and as many conferences, when business required their attention.

At the meeting held on September 10, 1896, there were present Bros. W. F.

Mountain, Wm. Badenach, Grand Treasurer, J. B. King, Grand Secretary. The Secretary reported that the Grand Master had appointed Bros. W. F. Mountain and Wm. Badenach, Grand Treasurer, as members of the Committee on General Purposes. Bro. W. F. Mountain was re-elected Chairman for the year.

It was ordered, in accordance with the recommendation of this Committee, approved by the Grand Lodge, that the minutes of the last annual session be printed and issued as speedily as possible, the work being done by the Dominion Odd Fellow Publishing Co.

It was ordered that the tender of The Dominion Odd Fellow for printing 500 copies of the photogravures of Past Grand Masters be accepted. These photogravures are printed on very fine paper and offered for sale to lodges and mem-bers as provided for by the report of the Finance Committee, as found on page

bers as provided to by the teport of that but a comparatively few of these valu-36357, Journal, 1896. Your Committee regret to report that but a comparatively few of these valu-able mementos of the past have been sold. A number are still on hand and will be supplied on application to the Grand Secretary.

By consent of the Grand Master, the Constitution, etc., of the Grand Lodge and of the subordinate lodges were directed to be printed in the Journal of Fro-ceedings, and on account of the many changes that have been made since the last issue of the Constitution, it was further ordered that 400 extra copies of the same be printed, and a copy sent to each lodge and District Deputy, which was done.

The Sovereign Grand Lodge, having approved of the designs, copyrighted and submitted by this jurisdiction, for emblems, to be used by this Order only, your Colmitte had a number of electros made. Many lodges have purchased, and are using these electros on their literature and letter headings with excellent effect.

In this connection, your Committee had a sample gold pin of suitable size,

to be worn by members, made, and which has been greatly admired by all who have seen it. Your Committee fully believe that it would be to the advan-tage and interest of the Order if the wearing of said pin or emblem by members was encouraged more than it is, and believe that their sale as supplies could be made profitable, and, at the same time, supply lodges and members with a fine gold pin at a price very reasonable indeed, being made in large quantities. Whether one of these pins should be presented to each member at cost, could well be considered by the Grand Lodge, but your committee would urge the general use of the emblem pins. All supplies required for the Grand Lodge have been let by tender. In order

All supplies required for the Grand Lodge have been let by tender. In order to facilitate the more prompt issue of the Journal of Proceedings of this year tenders were asked for printing the Reports of Special Committees and of the Officers of the Grand Lodge, as well as the printing of the minutes of the session of Grand Lodge for 1897. The tenders were all based on 170 pages of reports and 470 pages in Journal, 1,100 copies. Six tenders were received, viz. :-

| No. 1, | Reports | \$204 672 | 00 |
|--------|------------------------------------|--------------|----|

| 3, | ** | 925 | 00 |
| 4, | | 1,078 | 00 |
| 5, 6, | | 1,124 806 | |

With the approval of the Grand Master, No. 1 was accepted, and the work will be pushed forward as fast as possible, and it is hoped that the Journal of this year will be issued within two weeks of the reception of the Reports of the Representatives to the Sovereign Grand Lodge. The new Receipt Books adopted by the Sovereign Grand Lodge were not fully endorsed by this Committee on account of their size and immoderate price, and the Secretary was directed to purchase only as many as were ordered and paid for by subordinate lodges.

and the bound in the bound of t instructed to urge their continuance, with such improvements as to size and price

instructed to urge their continuance, with such improvements as to size and price as the experience of the past few months will have warranted. The death of our greatly respected Grand Treasurer, Bro. W. Badenach, caused a vacancy in this Committee, which was filled by the appointment by the Grand Master of the present Grand Treasurer, Bro. W. J. McCormack. Owing to the surrender of charter of Alliston Lodge, No. 171, a lot of furniture, regalia etc., was received by the Grand Secretary for which his present offices offered no place for storing. As the goods had to be stored it was decided to rent a room in the same building in which our offices are situated, so that intending purchasers could see them. Your Committee tried to get cheaper store room but were unsuccessful. The room has been rented for a year as to be and which this may seem a high forume for a store room, yet the rent of our offices and while this may seem a high figure for a store room, yet the rent of our offices

including this is less than we paid for years for our old uncomfortable rooms, rents having been greatly reduced of late.

Your Committee are of the opinion that the law which forbids the sale of the effects of a defunct lödge for five years should be changed and the limit fixed at one year; the cost of storage, loss in value of regalia, etc., risk of moths des-troying it, renders this a necessity which we trust will receive attention at this session

Whilst the Grand Master endorsed the act of your Committee, in renting this store room for a year, he strongly urged that a cheaper room be secured, but this your Committee could not do. Your approval of this act is asked for.

For several years it was found difficult to obtain the quantity of suitable ribbon required for the badges ordered by the Grand Lodge to be prepared for officers and representatives. To overcome this difficulty your Committee ordered

through a wholesale firm 400 yards of ribbon-enough for about three years. The design for the badge having been approved by the Grand Lodge, your Committee had a brass plate made, from which the present supply has been printed, and which will last for a like purpose for many years, the cost of the badges this year has been thus greatly reduced.

Your Committee would recommend that besides the portrait of the present Grand Master, those of Past Grand Masters, S. G. Dolson (1860) and H. C. Bingham (1862), be inserted in the Journal of Proceedings of 1897.

All of which is fraternally submitted.

W. F. MOUNTAIN. W. J. McCORMACK. J. B. KING.

Is it settled law that a brother so expelled, has no status in a Civil Court on the question of ministatement, that the question of membership and dismissal is solely with the Lodge and the Courts of the society? 3. Has a brother any legal right of action in a Civil Court, on a question of either suspension or expulsion? or is the Lodge Courts the final and only resort?") GRAND LODGE OF ONTARIO.

đ

Report No. 46.—Rep. G. M. Aylesworth, from the same Committee, made the following report, which was considered *seriatim*:

To the Grand Lodge of Ontario, I.O.O.F. :

Your Committee on Legislation, to whom was referred Clauses 17, 18, 20 and 28 of the Grand Secretary's Report, beg to report thereon as follows :

 That your Representatives to the Sovereign Grand Lodge be instructed to procure the passing by that body of legislation empowering the Grand Lodge of Ontario to enact laws which will effectuate the scheme for relief of Subordinate Lodges, formulated by the Grand Secretary in said Clauses 17 and 18.

2. That Clause 20 of the said Report be adopted, and the action of the Grand Secretary approved accordingly.

3. Your Committee recommends that Clause 50 of the Constitution of Subordinate Lodges be stricken out.

4. Your Committee cannot endorse the recommendations of the Grand Secretary contained in Clause 28 of his Report, and in consequence recommend that the said clause be not adopted.

Your Committee move the adoption of this report.

Fraternally submitted,

O. L. LEWIS.

Clause one (1) was adopted.

Clause two (2) was adopted.

Clause three (3) was declared lost.

Clause four (4) was adopted.

The report as amended was adopted.

Twelve o'clock, the hour of adjournment having arrived, the Deputy Grand Master declared the Grand Lodge adjourned.

AFTERNOON SESSION.

BELLEVILLE, Aug. 13th, 1897.

The Grand Lodge re-assembled pursuant to adjournment, at two o'clock, and was opened in regular form. Prayer by the Grand Chaplain. All the Grand Officers, and a majority of Representatives

On motion, calling the roll, and reading the minutes of the previous meeting were dispensed with.

The exemplification of the secret or unwritten work being the first order of business for this afternoon session the Grand Lodge resolved itself into secret session.

Rev. Bro. T. W. Joliffe, Grand Representative, being indisposed, the Grand Secretary and Grand Representative Bro. W. H. Hoyle, P.G.M., exemplified the work of the Initiatory, Three Subordinate Lodge Degrees, Past Official, and Grand Lodge Degree.

After some time spent in secret session the Grand Lodge resumed · its regular work.

Report No. 47.-Rep. W. Collins, from the Finance Committee, made the following report.

To the Grand Lodge of Ontario, 1.0.0.F. :

Your Committee on Finance beg leave to report as follows on certain of the matters referred to them

The action of the Grand Master in directing a special audit of the Treasurer's books prior to the new incumbent assuming charge was doubtless dictated by that wise caution looked for in business circles, and merits commendation.

by that wise caution looked for in business circles, and merits commendation. We approve also of the taking of the regular midsummer audit. 2. In regard to future audits your Committee are of opnion that no useful end would be served in multiplying these investigations. The Grand Lodge has adopted the plan of closing its fiscal year with the 31st of December, and we believe that one audit made between that date and March 1st, would meet all the requirements of the Provincial law, as well as of this Grand body. 3. Paragraph 13, Grand Master's Report, and the concluding paragraph of the Auditor's.Report of February 2nd. This relates to the care of the funds of this Grand body, and the mode of checking them out. The present Grand Treasurer has opened out an account in the Imperial Bank to the credit of the Grand Lodge of Ontario, L.O.O.F., W. J. McCormack, Grand Treasurer. This

was done after consultation with the Grand Master and Grand Secretary. The plan pursued is, we believe, for the Grand Secretary to pay over forthwith to the Grand Treasurer all monies received by him on account of this Grand Lodge, the Grand Treasurer paying orders drawn on him by the Grand Master and Grand Secretary by official cheque. This method of the care of the funds meets with the approval of your Committee, who can only suggest that in the event of any change in the personnel of the Grand Treasurer, either by death or removal from office, the Grand Master should officially notify the bank of the change, and the name of the person thereafter authorized to check out the funds. The Grand Treasurer will doubles endeavor to arrange with the bank as favorable terms as can possibly be got in regard to the interest on the daily or weekly balances.

4. The plan adopted by the Grand Secretary of forwarding copies of Journals and Proceedings, etc., by express meets with the approval of your Committee, who recommend a continuance of the same, so long as the charges for carriage do not exceed book-post rates.

We note with considerable satisfaction the action of the Sovereign Grand Lodge in reducing the cost of the supplies furnished to this jurisdiction by the amount of the customs duty, and recommend that the Committee on General Purposes prepare a revised list of the supplies furnished to Subordinate Lodges, in accordance with the reduced prices thus rendered possible.

Resolved,-That the foregoing be adopted.

Respectfully submitted,

· W. COLLINS.

The question being on the adoption of the report, Rep. Wm. Sutton, moved to amend as follows:

Resolved,—That all monies drawn by cheque from the bank be countersigned by the Grand Secretary.

Which was not agreed to.

The question recurring on the adoption of the report, it was adopted.

Report No. 48.—Rep. W. S. Given, from the Committee on Appeals, presented the following report, which was adopted :

IN THE APPEAL OF

BRO. H. W. STEVENS

v.

VICTORIA LODGE, NO. 64, AND DISTRICT NO. 9.

To the Grand Lodge of Ontario, 1.0.0.F .:

Your Committee on appeals beg to submit the following report :--

The circumstances as submitted to your Committee by the appellant, Brother Stevenson, are as follows :

On February 23rd, 1897, Brother Stevenson handed into the Lodge a Doctor's Certificate that he, brother Stevenson, had been ill from January 27th to February 9th, 1897, two weeks, and the brother claimed benefits for such period.

The N. G. ruled that brother Stevenson was not entitled to such benefits because of his being in arrears under By-law 34 of the lodge. Brother Stevenson had paid his dues on the 22nd of January, one week prior

to the commencement of his illness, but such dues were due and payable on

By law No. 34, above referred to, makes the dues payable quarterly in advance, on the first regular meeting night of the first month in each quarter, and if any part of the said dues remain unpaid after the close of the said meeting the brother will be considered thirteen weeks in arrears for dues.

By law No. 52 of said lodge, provides as follows : No brother who shall be indebted to this lodge to the amount of one quarter's dues shall be entitled to any of the benefits of this lodge until one month after such arrears shall be paid in full. If indebted to the lodge for two quarter's dues, not until two months after payment of same ; if indebted for three quarter's dues, not unit the months after payment of same, and, if indebted for four quarter's dues, not until four months after payment of same. Brother Stevenson appealed to the District Committee against the ruling of

the N. G., and said Committee sustained the ruling of the N. G.

Your Committee are of opinion that the ruling of the N. G. and the decision of the District Committee should be sustained, and the appeal to this Grand

Resolved, that the foregoing be adopted. All of which is respectfully submitted.

W. S. GIVEN.

Report No. 49.-Rep. F. R. Blewett, from the same Committee, presented the following report :--

To the Grand Lodge of Ontario, I.O.O.F .:

Without expressing any opinion on the hierts of any of the said appears, we hereby recommend that all of the said cases be referred to the District Committee of Ottawa District, No. 39, for adjudication in the first instance. We beg to be relieved for the present session from further consideration of the matter.

Resolved, that the foregoing be adopted.

The Report was considered and adopted.

All of which is respectfully submitted.

Report No. 61.— Rep. W. S. Given, from the Committee on Oddfellows' Relief Association, made the following report which was adopted :

To the Grand Lodge of Ontario, I.O.O.F.:

The Advisory Committee on the Odd Fellows' Relief A sociation of Canada, beg leave to submit to this Grand Lodge the following report :

The Annual Meeting of the Association was held in the Odd Fellows' hall, City of Kingston, on Wednesday, July 21st, 1897.

The presence of a large number of members of the Association and the interest taken in its welfare and prosperity was a most pleasing incident of the meeting, proving, as it undoubtedly did, that the good offices of the Association are becoming more and more appreciated by the fraternity at large.

Every expenditure was closely enquired into and proposed changes carefully scrutinized and intelligently discussed.

While the most fraternal and harmonious feeling pervaded the transaction of the business, no discussion was withheld by the membership, or discouraged by the Directorate, that made for the advancement of the Association, and its more general acceptance by the whole brotherhood.

Considering the stringency of the times the substantial increase in membership (557 for the year) is most gratifying and especially the low death rate of 5.83, the lowest it has been for the last five years, deserves special mention.

During the year, the magnificent sum of \$65,500 has been paid out by the Association to relieve the widows and orphans of deceased members and hesides \$22,250 have been added to the reserve funds, thus guaranteeing the stability of the Association to the policy-holders.

We note and regret the fact that not half of the membership of the Order in Ontario have made use of the excellent opportunities offered by the Relief Association for life insurance and trust that as its merits become more widely known and its stability recognized the entire membership of the Order may be counted among its supporters.

The funds of the Association being carefully husbanded and soundly invested, we look forward with satisfaction and expectancy to the progress and prosperity of the Association as the years come and go, believing that with the same activity

AUGUST

and aggressiveness maintained in the future that has characterized the past the Oddfellows' Relief Association cannot but be of untold worth to the individual membership and healthful stimulus to the whole Brotherhood.

All of which is respectfully submitted.

Report No. 62.—Bro. J. E. Farewell, D.G.M., from the Special Committee on Widows' Annuities, presented the following report, which was considered and adopted :

To the Grand Lodge of Ontorio, 1.0.0.F.:

Your Special Committee on Widows' Annuities, appointed by the Grand Master in accordance with Report No. 5, adopted at the last session of the Grand Lodge, beg leave to present the following report :

The duties of the Committee were to endeavor to secure some legislation from the Parliament of Ontario on the lines indicated in the said Report No. 5.

The Committee met at Toronto on the 24th February last, and after careful consideration, drafted three amendments to The Insurance Corporations Act, as follows:

No. 1. The Registrar of Friendly Societies for Ontario shall have exclusive jurisdiction to enquire into and finally determine the claim now existing of any widow against a lodge or branch of any Friendly Society registered under The Insurance Corporations Act, 1892, or the amendments thereto, for an annuity or any claim in the nature of an annuity.

The application to the said Registrar shall be by petition and the matter shall be disposed of without formal pleadings. The costs shall be in the discretion of the said Registrar and shall not be greater than those of a similar proceeding in a County Court.

No. 2. When lodge or branch by laws provide for power from time to time to amend their rules or by laws, all changes made in the rules or by laws of lodges or branches as to the payment of benefits to widows or members shall be valid whether made during the life or after the death of a member.

No. 3. In any action for widows' or other benefits commenced in a Division or County Court, the same shall be removed upon the *ex parte* applica ion of the defendants into the High Court of Justice upon the filing with the Kegistrar or local Registrar of the High Court affidavits setting out that it is possible that the total claims of the plaintiff including subsequent claims may amount to a sum beyond the jurisdiction of the Court in which the action is brought.

No. 3 was drafted as an alternative to No. 1, in case that No. 1 should not be thought desirable.

Extended interviews were then had with the Hon. J. M. Gibson, who was the member of the Government having the Insurance Act in charge, and also with Dr. J. Howard Hunter, the Registrar of Friendly Societies under the Act, in which the matter was fully discussed, and the views of the Committee upon the matters covered or affected by these proposed amendments duly set forth. Copies of the said Report No. 5 were furnished to the Government ; and subsequent correspondence was also had.

The amendment No. 2 was considered to be in the nature of a statement of the existing law as established by judicial decisions both in England and Ontario, and confirmed by the recent cases of Baker vs. Forest City Lodge and Parkhouse vs. Dominion Lodge, reported in the Ontario Reports, vol. 28, page 238,

GRAND LODGE OF ONTARIO.

The amendment No. 1 was in some respects objectionable to the authorities, but the principle of amendment No. 5 was approved by the Government.

The result of the labors of your Committee appears in the passage of the fol-lowing Statutory Amendment, which is now the law of the Province in The Ontario Insurance Act of 1897, 60 Vict., chapter 36, section 146, sub-section 3.

" In any action commenced in a Division or County Court for any insurance or benefit alleged to be payable to the assured or any beneficiary, assigned, representative or guardian, when the insurance or benefit claimed is in the nature of an annuity or other periodical or recurring payment, so that the present or capitalized value of the insurance or benefit amounts or may amount to a sum beyond the jurisdiction of the court in which the action is brought, the defendant may file with the Registrar or Local Registrar of the High Court an affidavit setting out such facts, and thereafter upon the application of the defendant the action shall be removable into the High Court of Justice."

This amendment will relieve the lodges that have hitherto been sued for small quarterly instalments, and it will doubless prove to be a complete bar to the attempted collection of widows' annuities by tegal proceedings where such widows are not entitled to succeed.

All which is respectfully submitted.

J. E. FAREWELL, HY. ROBERTSON, S. SPRINGER.

Reps. W. H. Blight and W. T. Murphy, of Laurel Lodge, No. 110, presented the following :

To the Grand Lodge of Ontario, 1.0.0.F .:

It is with feelings of sadness that your Representatives have to announce to the Grand Lodge the death of its late Treasurer, Bro. William Badenach, a member of Laurel Lodge, No. 110, and of Toronto Encampment, No. 8, of the

Your Representatives feel that the records of this session would be incomplete indeed without special reference to the loss the Order at large has sustained by the death of one who for many years has occupied so prominent a place in the Grand Lodge, and whose kindly acts and genial disposition had so endeared him to all with whom he came in contact. That his absence from our present council, the first time in 25 years, 21 of which he served as Grand Treasurer, makes us all feel that whilst the Order has lost a devoted member, each member has lost a loved friend and brother, and the beautiful words of the poet express the feelings of every Oddfellow :

"Had He ask'd us, well we know We should cry, 'Oh spare this blow !' Yes, with streaming tears should pray, 'Lord, we love him, let him stay.'"

For in him was found a friend even more true when adversity and misfortune made the call than when all was bright and fair.

To be the call than when all was bright and fair. Bro. Badenach has for nigh 40 years been one of the best known citizens of Toronto, as a business man, as a society man, as a modent participator in many of the manly sports; in every one of which that he engaged in he made himself se familiar with all its details as to be an authority. Bro. Badenach joined Covenant Lodge, No. 52, 10.0.F., on the 31st January, 1871, and in 1873 withdrew to start Laurel Lodge, No. 110, of which he was the first-N.G., and in which he has ever since remained a highly respected

bset of rio, use member, and no lodge ever had a warmer friend or a more wise counsellor than he ever was.

He was a Past Chief Patriarch of Toronto Encampment, No. 8, I.O.O.F.,

In August, 1875, Bro. Badenach was elected by the Executive of the Grand Lodge of Ontario as Grand Treasurer, in the stead of the late Bro. George Irwin, of Windsor, who was killed in a railway collision near London; and, as an evidence of his personal and official popularity, he was annually re-elected by acclamation. He still held the office when death relieved him of its responsi-

When the Grand Lodge met in Sarnia, in 1896, Bro. Badenach, though not appearing as robust in health as was his wonit, was present, and discharged his duties in that pleasant manner which had always characterized him; and many a brother will sadly miss his genial smile and kindly greeting when they annually

re-assemble at Grand Lodge meetings, Shortly after the last session of Grand Lodge Bro. Badenach complained of not feeling well, but not a thought was had by him or his family that his illness was to be a fatal one ; but such it proved to be, and in a few short months his life's work was done, and all that remains on earth of our respected brother is the sweet memory of his warm friendship, his kindly acts, his deep sympathy with every case of distress which came to his notice, and his, ever ready ear to the calls for help with money and advice, and they will long be sweet memories to many.

" Friend after friend departs, Who has not lost a friend? There is no union here of hearts, That has not here an end."

The installation of officers was proceeded with.

Past Grand Masters W. H. Cole and W. H. Hoyle, by request of the chair, presented Bro. J. A. Young, Grand Master elect, who was duly obligated and installed Grand Master for the ensuing year.

Bro. Henry White thereupon took his seat as Junior Past Grand Master.

The Grand Master, Bro. J. A. Young, then installed the remaining Grand Officers.

Past Grand Master Rev. T. W. Jolliffe and Rep. A. L. Geen, by request of the Grand Master, presented Bro. J. E. Farewell, Deputy Grand Master elect, who was obligated and installed Deputy Grand Master.

Past Grand Masters Thos. Woodyatt and Henry White by request of the Grand Master, presented Bro. Jas. McLurg, M.D., Grand Warden elect, who was obligated and duly installed Grand Warden.

Past Grand Master Rev. Bro. T. W. Jolliffe and Bro. J. McFarlane, Grand Chaplain, by request of the Grand Master, presented

Minutes of the Seventh Annual Session

OF THE

REBEKAH ASSEMBLY OF ONTARIO

INDEPENDENT ORDER OF ODDFELLOWS.

SESSION OF 1897.

BELLEVILLE AUG. 10, 1807.

The Seventh Annual Session of the Rebekah Assembly of Ontario convened in the Oddfellows' Hall, Belleville, this day, at 9 o'clock a.m., all the Officers and Representatives being present. Sister Laura E. Ryan, President, in the chair.

His Worship, Bro. J. W. Johnson, Esq., Mayor of Belleville, read the following address of welcome :

To the Assembly of the Daughters of Rebekah.

靐

Ladies,-The pleasing duty falls to my lot of welcoming the Assembly of the Daughters of Rebekah to the city of Belleville. I speak the sentiments of all our

Daughters of Rebekah to the city of Belleville. I speak the sentiments of all our people when I say that we deem it an honor to have you in our midst. You are affiliated with an Order which is practising the high Christian duty and obligation of bearing one another's burdens. For about a quarter of a century the noble principles of Oddfellowship have been actively exercised in our community. Those in sickness have received attendance and sympathy; the helping hand has been held out to those in poverty and distress, causing joy and hope to take the place of misery and despair; and the last hours of many a brother have been comforted by the presence of his fellows and, with the assur-ance that those near and dear to him would be guided and helped after he has gone. The men who practise such virtues have reason to respect themselves, and the community that is benefited by them would fail in its duty did it not feel

grateful and give expression to its gratitude. Your own special and self-imposed duty—that of caring for the orphans—is among the noblest possible to humanity. While your work merits and commands admiration and thankfulness, it must bring to your own hearts that satisfaction which follows unselfish interests in and care for those unable to care for themselves.

REBEKAH ASSEMBLY OF ONTARIO.

Belleville is now only second to Toronto as a convention city. Its citizens believe that it is in itself and with its surroundings the most charming and attractive place of residence in our fair Dominion. We are always pleased to have visitors, as they invariably leave the "City of the Bay" in harmony with our have visitors, as they invariably leave the bity of the bay in the they in the theory of the bay in the theory of the bay in the theory of the bay in the bay in the bay in the bay is a strong desire to return. You are welcome now, and I do not doubt that your experience of the city, as well as that of the members of Grand Lodge, will be so pleasant and agreeable that, although your place of meeting may not be permanently fixed in Belleville, it will be the place most frequently visited in the future, when an equally hearty welcome will await you.

Our worthy President, Sister Laura E. Ryan, replied as follows :

J. W. Johnson, Esq., Mayor of Belleville :

DEAR SIR,-On behalf of the Rebekah Assembly of Ontario, I desire to thank you for the cordial welcome you have extended to us. If you deem it an honor to have the Grand Lodge of the Independent Order of Oddfellows, of which we have the honor to be a branch, meet in your fair city, we, in return, deem it a pleasure to accept your kind invitation and feel assured that we are

The principles of Oddfellowship are but the innate principles of woman's nature, and it was soon discovered that she was even better qualified to assist in carrying out the noble principles of our beloved Order-to visit the sick, relieve the distressed and educate the orphan-than man, and that it was more congenial

A careful study of the principles of our Order will lift the thoughts and purposes of men and women to a level where all can unite their energies for the good of their fellow creatures ; will elevate them into a realm far above all petty disputes and animosities, a realm where all mankind needs to come.

We as members of the Rebekah Degree, have pledged ourselves to labor We, as members of the Rebekah Degree, have pledged ourselves to labor

uuder the banner of Friendship, Love and Truth.

The great object in which this great Sisterhood seems most earnest in its labors is the providing of homes for the orphan children. / Oddfellowship fights no selfash battles; its struggles are all for the welfare of others. Here within its mystic temples day by day it lovingly cares for, feeds, clothes and educates its helpless orphan children, sweet, bright, interesting boys and girls; here by its magic power it is constantly changing the darkness of despair into bright, beautiful, tinted rays of hope, and transforming sorrow and adversity into joy and prosperity.

Thanking you again for your hearty welcome, and trusting that the friend-ships here made and renewed will expand into greater channels for the bettering of the world, I remain,

Yours faithfully.

Belleville, August 10th, 1897.

LAURA E. RYAN,

President Rebekah Assembly.

Bro. L. B. Cooper, Chairman of General Committee, read the following address of welcome in behalf of the Independent Order of Oddfellows of Belleville :

To the President, Officers and Members of the Rebekah Assembly :

DEAR SISTERS, -- The Oddfellows of Belleville welcome you most heartily to the fair "City of the Bay," and trust that your stay among us may prove

pleasurable to you all. We recognize the value and importance of the work you are doing, which not only tends to the growth of Oddfellowship, but exhibits the more tender phase thereof. Taking as your example some of the noble, women whose deeds of love are recorded in Holy Scripture, we believe you are also striving to act in the Spirit of Him "who though he was rich yet for our sakes he became poor", to whom the sick, the needy and the friendless never appealed in vain. We, of the Brotherhood, do our part as best we can in carrying out the sublime teaching of Oddfellowship, but gladly yield the palm to the fair Daughters of Rebekah, whose presence in a sick room is so invaluable. You remember the words of Scott :

"O, Woman in our hours of ease, Uncertain, coy, and hard to please, And variable as the shade By the light quivering aspen made : When pain and anguish wring the brow A ministering Angel thou."

We subscribe to the latter sentiment especially, and believe that the institu-tion of the Rebekah Degree has been of incalculable benefit to the Order. We trust that continued prosperity may be enjoyed by you, that your members may increase and your work become more widely known and appreciated. Discouragements and difficulties you may, doubtless, meet with at times, but let it cheer you to know that the Great Master of all, who dwelleth on high, recognized woman's work and worth, and that you may each gain His blessed approval, "She hath done what she could."

> "Not she with am'rous kiss her Saviour stung, Not she denied Him with unholy tongue, She, while Apostles shrank, could dangers brave. Last at His Cross and earliest at His grave."

With best wishes for the Daughters of Rebekah and that your visit may be both pleasant and profitable.

We are on behalf of the I.O.O.F., of Bellville,

Fraternally,

L. B. COOPER.

Chairman General Committee.

The President, Sister Laura E. Ryan, acknowledged the address in happy terms :

Bro. L. B. Cooper, Chairman :

It affords me very great pleasure, on behalf of the Rebekah Assembly of Ontario, to accept the cordial invitation you have extended to us.

We are delighted with your fair " City of the Bay," and will endeavor to see as

much of it as possible during our stay among you. There is one thing I regret, and that is that, while you recognize the value of our branch of the Order, you have not a lodge of Rebekahs in your midjat. I trust that the day is not far distant when you will see the necessity of joining hands with the Sisters in the noble work of caring for those in distress

The rapid growth in membership and usefulness of our Order during the last ten years is doubtless largely due to the impetus given by the zeal and enthusiasm with which the Rebekahs entered upon the performance of their duties. In addition to its social aims and objects, its great work now is to aid in the estab-lishment and maintenance of homes for aged Oddfellows, widows and orphans, to visit the sick, relieve the distressed and in every way to assist subordinate and to

sister Rebekah Lodges in kindly ministrations to the families of Oddfellows who are in trouble and want.

The new law allows women to join us upon her own character and herown individual merit, and in doing so passed upon women the highest compliment that could be paid to her sex. No other fraternal society on earth has as yet so highly complimented women. The enlistment of women in this great work has proven itself to have been a happy thought, and while Schuyler Colfax himself doubless never dreamed of the great blessings that would flow to our race from it, he is, neverthess, and always will be entitled to the honor of being the author of the Rebekah Degree.

I trust that it will be found in the future, as has been demonstrated in the past, that the Rebekahs will willingly perform whatever their hands find to do, and that they will as time grows apace work more assiduously for the protection and the relief of the destitute and needy, and that the obstacles that appeared as mountains in the past will melt away in the future under the flow of their enthusiasm and the weight of their constancy and devotion.

"There are three words that sweetly blend To bless the lives of youth, They form a chain that has no end, They're Friendship, Love and Truth. They form a chain whose every link Is free from base alloy; A stream where whosever drinks Will find refreshing joy. They build an altar where each day Love's offering is renewed; And peace illumes with genial ray Life's darkned solitude."

With best wishes to the brothers, hoping they may soon be all Rebekahs.

Fraternally yours,

LAURA E. RYAN,

President Rebekah Assembly.

The President, Sister Laura E. Ryan, then called the Assembly to order.

The Opening Ode was sung, and prayer offered by the Chaplain, Sister Agnes Berry, when the Assembly was declared duly opened for business.

The President then appointed the following Committee on Credentials: Sisters M. Waddell, Assembly Secretary; Mrs. Alma Brill and Miss Minnie Lennox.

Sister M. Waddell, from Committee on Credentials, made the following report which was adopted :

BELLEVILLE, August 10, 1897.

1897

To the Officers and Members of the Rebekah Assembly of Ontario :

DEAR SISTERS AND BROTHERS :- Another year has passed since we met together, and we assemble here in this beautiful "City of the Bay " to legislate for Let us give thanks to The Supreme Ruler of the universe, and ask that His

blessing may be upon all our deliberations.

I extend to you all a hearty welcome. Words cannot express my thanks for the honor you conferred upon me in electing me to the position of President. I have endeavored faithfully to perform the duties to the best of my ability.

It is a great pleasure to meet the familiar faces of those who have met with us in past years, and also all delegates, especially those who are here for the first time

We have assembled here from all parts in Ontario to review the work of the ast year and to devise the best methods for promoting the welfare of our Order.

May Friendship, Love and Truth prevail ! This being the Jubilee of Odd/ellowship, as well as of our gracious Queen, I trust that the members of the Rebekah Branch will put forth every effort to assist in the establishment of an Oddfellows' and Orphans' Home in Ontario. In no other way could we celebrate it that would be more in keeping with the teachings of the Order.

1. I am pleased to report that, notwithstanding the depression throughout the country and the number of suspensions, we still show a slight increase in membership. It is a matter for serious reflection as to what can be done to avoid membership. At is a matter tor serious renection as to what can be done to avoid suspensions. I judge from the correspondence I have received that want of benefits seem to be the greatest cause why so many brothers allow themselves to drop out. If they would only stay with us, it would encourage us in the great work. We certainly do not receive the support from them as a body to which we are entitled. The subject is one which should engage the serious attention of the Assembly. the Assembly,

The membership is reported to be 3,000.

It is much to be regretted that the reports of lodges are so slow in being sent to Sister Waddell, leaving, in many instances, only a day or two for the officers to prepare their reports. A fine should certainly be imposed upon the delinquent secretary. I trust the representatives will impress upon their lodges the necessity for promptness in this matter.

REBEKAH ASSEMBLY OF ONTARIO.

The following Lodges have been instituted during my official years, namely :-

Several places have been considering the advisability of starting lodges, but as yet have not done so. Among these places are Belleville, Morrisburg, Owen Sound, Petrolia, Strathroy and Smith's Falls.

Immediately after the last session of Grand Lodge, Grand Master White issued the commissions to the D. D.G.M's., with which he also enclosed a circular request mem to report to the President. Out of 38 deputies I have only well reports from six. I consider that any member of the Order receiving these honors should at least, if only out of courtesy, comply with the instructions they receive.

I would recommend that in future the deputies report to the Assembly in place of the reports which the delegates usually bring.

2. I received a communication from Past Grand Sire Campbell, Nov. 18, 1896, asking if I would act with Grand Lodge Home Committee. I decided that it would be in the best interests of the Rebekah Branch to have someone act with me, so I accordingly appointed Past President Sister Elizabeth Lee, who will report on what has been done.

3. Sister Waddell informs me that \$117.00 has been received during the year for the Home Fund, making a total of \$344.16. The fund, although small, is a start in the right direction, and I feel sure that when the sisters see that a home has been secured, there is not a Rebekah Lodge but would furnish a room and assist the brothers in the noble work of caring for the distressed. I received Subordinate Lodges' fund. I at once issued a circular asking them to keep the Rebekah Fund separate and forward it to the secretary of the Assembly.

In due course of time I appointed the following committees :

Committee on Laws : Bro. Brockbank, Chairman ; Sisters Waddell, St. Thomas ; M. A. Pearce ; Seels, Toronto ; E. Lee, Kingston.

Printing and Supplies : Sisters Waddell, St. Thomas ; Luscombe, Sarnia ; Dodson, Chatham.

4. In October I issued a circular to the lodges, asking them to be diligent and prompt in all matters pertaining to the Rebekah Branch, I trust good results have followed it.

In December the lodges received a circular from Grand Secretary King, stating that new Rituals and official receipts would be ready in January, and that it was a mandate from the Sovereign Grand Lodge and as such must be obeyed. I regret to state that great dissatisfaction was caused when the new Rituals had been perused, they being the old ones re-arranged, and so re-arranged as to destroy the beauty and diminish the strength. The official receipt is one which I understand Grand Lodge intends taking action on. I would recommend that this Assembly protest against such a tax being placed upon them. It is detrimental to our branch of the Order, and as such we should ask to have the law rescinded.

5. At the last session of Sovereign Grand Lodge a universal sign of recognition was adopted whereby a sister may be recognized by a brother irrespective of his being in possession of the Rebekah Degree. I wrote Grand Master White asking when it would be communicated to the different lodges. He replied that if had not been brought to his official notice. In reply to numerous enquiries as to when we would receive it, I stated that it would be given at this session of the Assembly.

6. It is with deep regret that I have to record the death of Bro. W. Badenach, Grand Treasurgr, which sad event took place on February 20th. There is no brother who will be missed among the Rebekahs more than he will. He was ever ready to assist either in business or pleasure. His faithful, devoted service of 20 years as Grand Treasurer have endeared him to all who attended the sessions of Grand Lodge. I was present at the funeral, representing the Rebekahs of Ontario.

7. Nov. 23rd, I wired the State Assembly of Illinois the following message : "The Rehekahs of Ontario wish to convey through me to you their heartfelt sympathy in your sad bereavement--the death of your Chaplain."

Fraternally Yours.

LAURA E. RYAN, President.

The Chaplain was attending to the opening devotional exercises, and had just repeated the words "Our Father" when the Angel of Death called her home. I regret to report the death of Sister Elder, D.D.G.M., which sad event took place before she had returned home from the Assembly.

8. I desire to thank the Assembly officers for the kind words of sympathy expressed to Brother Ryan and myself in our bereavement, the loss of his mother.

I visited officially Colfax Lodge of Sarnia. Owing to their not being any funds placed at the disposal of the President, my visits were confined to the Toronto Lodges. There were a number of instances where I think it would have been to the best interests of the Order had I visited in my official capacity.

Owing to the resignation of Sister Annie Short, Outside Guardian, I appointed Sister E. Hardy.

9. I have endeavored promptly to answer all questions submitted to me according to laws and constitution laid down for our government, and when in doubt have submitted them to Grand Master White, to whom I am greatly indebted for his promptness in giving advice and counsel; also to Grand Secretary King for courtesies extended.

Owing to there not being a Rebekah Lodge at Belleville, I invited Aberdeen Lodge of Deseronton, to hold a special meeting to exemplify the beautiful work, it being to the interests of the Order that every facility should be offered to induce

representatives to Grand Lodge to take the degrees, with the end in view of instituting Rebekah Lodges in their localities.

I am pleased to bear testimony to the zeal and energy of our Secretary, Sister Waddell, with whom my relations during the year have been pleasant and agreeable.

In conclusion I return the sacred trust you entrusted me with. It has been to me a labor of love, and I ask for my successor in office that you extend to her the same loyal support you have extended to me; and to-day as we wear the pink and green, emblematic of steadfast friendship and eternal love, may we keep ever upward and onward with our banner of Friendship, Love and Truth.

Fraternally yours,

LAURA E. RYAN, President.

Sister Maggie Waddell, Assembly Secretary, then read her Annual Report, which, on motion, was referred to the Committee on Distribution.

REPORT OF THE SECRETARY.

BELLVILLE, August 10th, 1897.

To the Rebekah Assembly, I.O.O.F .:

Again we meet at the close of another year. Still spurred by the never failing desire for progress and success.

The Assemblies' prosperity is my constant thought ; toward this end all my efforts are lent, and judging from the rapid progress made during the past seven years that I have had the honor to be your Secretary, others are similarly interested.

And the very fact that we are holding our seventh annual Assembly, with so large a representation as I witness before me, is the strongest evidence, the best indication that we are right, that we are gaining rapidly in numbers, in enthusi-asm and importance, and let us hope, in well doing.

asm and importance, and let us hope, in well doing. My first work on returning home from Sarnia, was to complete the minutes of our last session ready for printing. As soon as compiled, I sent them to Bro. J. B. King, Grand Secretary, to have them printed in Grand Lodge Journal, as ordered by Grand Lodge, with an order for 150 copies for distribution. On November 13th, I received a letter from Bro. King stating that by some unac-countable accident the 150 extra copies were not run off, and he had not noticed the mistake until too late to correct, the type having been distributed, and that it would cost too much to re-set. So he kindly sent me a copy of the bound Journal for each heffer and officer, which I sent out as soon as received. for each lodge and officer, which I sent out as soon as received.

I have had many applications from sister secretaries for a copy of the pro-ceedings of the Ontario Assembly, and no one regrets it more than I, that we are unable to supply them. I am pleased to be able to state that we have added seven loiges this year,

namely :

1. Violet Lodge, No. 52, Otterville, instituted July 24th, 1896, by Mrs. Maggie Waddell, Secretary of Assembly, assisted by the staff of Rose Lodge, Woodstock.

Our Sisters, No. 7, Point Edward, resuscitated October 15th, 1896, by Mrs-Maggie Waddell, Secretary of Assembly, assisted by the staff of Colfax Lodger Sarnia.

Viola Lodge, No. 53, Toronto, instituted December 17th, 1896, by Mrs.

Ruth Lodge, No. 2, Stratford, resuscitated April 29th, 1897, by Mrs Laura E. Ryan, President of Assembly, assisted by Mrs. Maggie Waddell, Secretary of Assembly.

Woodslee Lodge, No. 55, Woodslee, instituted May 12th, 1897, by Sister L. M. Edgar, assisted by the staff of Naomi Lodge, Windsor.

Ruby Lodge, No. 56, Mount Forest, instituted June 15th, 1897, by Mrs. Florence Watson, assisted by staff of Florence Lodge, Harriston.

2. The correspondence of the office grows greater each year, and through this medium I have come to feel almost as strong a personal interest in each lodge in the jurisdiction as though I held membership in all. One of the brightest memories in connection with the labors of this office is its close communications, with the rank and file of our membership.

One letter, perhaps, brings discouraging news, or perplexing questions from another, while the next brings joyful tidings of progress in another lodge. Each is welcome, and I have always endeavored to be willing and ready to weep with those who mourn as to rejoice with those who are glad.

I have written and sent out about twelve hundred letters, cards and circulars. I have also spent a great deal of time writing up the "Rebekah History", for the Fraternity Publishing Company, a book that no doubt the most of you have in your homes ere this.

But many more, in fact a large majority, have as yet done nothing. This, however, cannot be attributed to selfishness or a lack of interest, but rather the

want of well organized efforts. The Committee appointed to solicit funds from the Grand Lodge will report at their session. The President also appointed herself and Sister Lee, Past President, to meet with this Committee, and no doubt they will give us a favor-

able report, and give us every detail in order to give all delegates a thorough understanding of what is wanted of their respective lodges. Brothers and Sisters, this is a great and noble work, and one that should demand our most earnest and united efforts. If the Rebekah Lodge were to take hold of this work as all Pabelab hours have been been been able don't be demand our most earnest and united enorts. If the Kebekah Lodge were to take hold of this work as only Rebekah knows how to work, the day is not far off when the Oddfellows' Home will be a material and substantial fact. My dear Sisters do well what your hands find to do, and by helping the Brothers to build that which already has an assured existence, the Oddfellows' Home, we will be fulfilling the greatest commandment of our Law. And I hope that every rep-resentative here to-day may shine as stars in the broad sky of Oddfellowship, and grow mights with the flying years: that when the history of Oddfellowship. grow mighty with the flying years, that when the history of Oddfellowship is again written, the work and name of Woman, will shine therein, showing the great good their labor and influence have accomplished for mankind.

6. The decisions by the Grand Sire affecting Rebekah Lodges :

Under Section 33 of code for Rebekah Lodges do the said laws, found in sections 726 and 727 of Digest, apply to Rebekah Lodges?

Answer. Sections 726 and 727 of Digest apply to applicants for re-instate-ment into Rebekah Lodges as well as they do to Subordinate Lodges.

Section 33 of Rebekah Code especially states that all the laws, rules and regulations of the Sovereign Grand Lodge now in force or that may hereafter be adopted for subordinate grand jurisdiction : or that in any way affect the rights of individual members, are made to apply, where applicable, in all their force, to County, Provincial, State and Territorial jurisdictions of the Degree of

Therefore, no specific provision is made in the code for re-instatement. The general law as found in the section of the Digest referred to, certainly governs.

What regalia should a Brother of the Rebekah Degree wear in Question. a Rebekah Lodge. ?

Answer. Where the Rebekah Code, Section 25, states that Brothers should wear the regalia that they are entitled to wear in the Subordinate Lodge, that it must be construed to refer to those Brothers who do not hold office in the lodge

Section 25, Rebekah Code, specifies what the regalia shall be for Rebekah Lodges : Section 1218, Digest of 1895, states that an encampment member may wear his encampment regalia when sitting in his own lodge, unless he is a lodge officer, in which case he must wear the regalia of his office. Hence, when any one is elected to office in a Rebekah Lodge, male or female, they must wear the regalia provided by law for such office.

Question. Has the Grand Lodge, under the Rebekah Code, any authority to authorize the existence of any other Rebekah grand body than the Assembly?

Answer. No.

Question. Under Section 24, Rebekah Code, revised in 1896, can we require lodges to vote, yes or no?

Answer. Section 24, Rebekah Code, as amended, provides that votes in all other cases, excepting such as are specially stated, shall be by ballot : shall be viva voce, which means that the fote may be yea or nay, yes or no.

How Installing Officers should be addressed

Grand Sire Underwood decided that the D.D.G.M's., when installing, should be addressed as Grand Master. The new Ritual says that they shall be addressed by their own proper title, which is, District Deputy Grand Master, which is the law. The Ritual says, in the Rebekah Lodge, the Installing Officer shall be addressed as Special Deputy Grand Master : Which governs?

Answer. The Ritual governs.

7. The revising of the Rebekah Ritual does not meet with favor from the lodges : some of the lodges refuse to use them.

It is full of errors, typographical and grammatical, and the words used in the charge of the fourth banner are inappropriate and out of place.

The Committee having charge of the Rebekah Ritual were too hasty and committed a grave error. They tell us that there is no radical change. It may not be a radical change to take the smooth, elegant diction of our former lecture and puncture it as mercilessly as though it were the pneumatic tire on the wheel of your worst enemy, letting it fall fait by the wayside. It may not be a radical change to so far forget the laws governing the use of personal pronouns and their relation to their antecedents as to get poor old

Abraham, Elijah, Isaac and Rebekah so mixed up that it would necessitate the assistance of a thorough Bible student to ascertain which is which.

It may not be a radical change to take our former banner charges, well written, correct in grammatical construction, conveying beautiful and helpful thoughts, and renew just enough words here and there, to entirely destroy the meaning of the whole. And our beautiful Moon and Stars are changed, sochanged that even their best friends will fail to recognize them.

And our poor, gentle, harmless innocent dove is so muddled and befogged in her wanderings that no one can tell whether it is the dove or Rebekah, or some one else that goes forth with the messages of peace across the broad waters.

It may not be a radical change to combine in one line of thought and attribute to the same object, the ideas of self dependence and utter helplessness. To unite the lily, the oak and vine, the spirit, the temple, and a score of other things, into one emblem without defining any clear lesson to be derived from either item

Into one emblem without defining any clear lesson to be derived from either item. It has been written, "behold the lilies; they toil not, neither do they spin ": But we are inclined to think that the lilies on our fourth banner will spoil or wear a crown of thorns for those who placed them there.

The general feeling of the Rebekaha at the present time is, from the Revision Committee, good Lord deliver us: They have not improved the language of our lamented Brother Colfax. And in honor to his memory, let the Assembly use every honorable means to get back our old Ritual. It certainly is enough to grieve the hearts of thousands of intelligent, thinking Sisters. The official receipts do not meet with favor on account of the expense. It is

The official receipts do not meet with favor on account of the expense. It is the general feeling that if these receipts could be got at about one cent., instead of three, it would be a great benefit. Only a few of the lodges have used them, waiting to see if something cannot be done at this meeting to get the price reduced.

8. After careful study of the work of all existing Assemblies, I feel a justifiable pride in the fact, that Ontario has as good, if not the best financial system of any. By it, we are able to bring to our yearly gatherings, representatives, not only of our large strong lodges, as is the case in many jurisdictions, but also from our weakest and the very ones who most need the encouragement and enthusiasm to be gained from such meetings.

But there is one matter that demands your attention. It is a question that I have spent more thought on than any other in connection with the work, and I contest that I have not reached a satisfactory solution.

What are we going to do with our new lodges? At our last meeting, we had representatives from six new lodges; this year we have as many more, which will have to be represented by P.N.G's, from some other lodge.

While we are always glad to have our Sisters with us, yet I doubt whether their attendance at our Assembly is worth, to the new lodges, the money expended.

Would it not be of more value to have an extra visit from the President or some of the officers soon after their organization? I can assure you that my experience has taught me that new lodges need our especial attention; as much of their success depends upon their first year's existence.

of their success depends you their first year's existence. Now the question is, can they be best helped by official visits, or by representation in this body? If the latter, then it seems to me that we should ask for such legislation as would entitle the first N.G. to represent them. I think they would receive more benefit, and carry more good home to their lodge than a P.N.G. of some other lodges

RECOMMENDATIONS.

9, Whereas: As the Constitution of the Assembly does not provide for Past Presidents of the Convention to be members of the Assembly, the same as Past

Presidents of the Assembly, I feel it is an injustice to the Past Presidents of the Convention not to be allowed the same privileges accorded Past Presidents of the Assembly. They laid the corner stone for the Assembly, and we do not want them deprived of the honors they so justly earned.

Therefore, I would recommend that the Constitution be changed to read, Past Presidents of the Convention and of the Assembly.

I would also recommend that all honorable means be used to ask the representatives to the Sovereign Grand Lodge to restore to the Rebekah Lodge the right to pay sick and funeral benefits, as this seems to be the one reason that our membership does not increase more rapidly.

10. I have been asked by some of the lodges, to see if I could trace back to where Oddfellowship derived its name.

This, I have endeavored to do. And I have now in my possession a verbatim copy of the origin of the name, Oddfellow, which reads thus :

SOCIETY OF ODDFELLOWS

Constituted on February 5th, being an odd day of an odd year, that year having twenty-nine days in the month mentioned. The year being 1557, these being odd numbers. This Charter was given under these conditions that there shall not

be any person admitted except in such as can make themselves merry by singing, joking or otherwise tending to the amusement of the society, it being a free meeting for laughing, jesting, etc.

Given under our hands and seals at Harwick, Scotland, on the 7th day of May, 1557.

Delivered to the Knights of the Round Table.

JAMES GRAHAM, SECRETARY.

The above is a verbatim copy of a parchment record contained in a sealed glass bottle in the Public Museum at Harwick, Scotland. Copied from the original by Gilbert J. Jackson, of Centralia, Wisconsin, in the summer of 1892 Said copy being now in possession of J. W. Cochran, Esq., of Centralia, Wisconsin.

This copy was made by the Rev. W. J. Fisher, Grand Chaplain of the Grand Lodge, I.O.O.F., of Wisconsin, for

GEN. J. P. ELLACOTT.

Historian and Antiquarian,

I would like to refer to Her Majesty's Diamond Jubilee, and that this is to be a year of history. The birth of Queen Victoria and that of the I.O.O.F. be a year of history. The birth of Queen Victoria and that of the 1.0.0.F. took place in the same year. And while Her Majesty grows weaker, our Order grows stronger; and may the Rebekahs follow the example of her purity, her "example as a mother, and as a wife. As a monarch, her reign is unparalleled in the achievement of history. And now in conclusion: This being the close of my seventh year as your Secretary, I have brought the picture of our first Convention to show to the new Representitives and encourage them. I now take this opportunity of expressing my thanks to the officers and delegates for their kindness many times; and also to Grand Master White and to Grand Secretary King, and especially to our worthy President, who has proved herselt to all a friend and helper. The President called on P.G.M., John Gibson, for a few remarks, which was responded to in his usual good style, giving the officers and members every encouragement in their good work.

The following invitation was, on motion, accepted :

To Delegates and others attending the Rebekah Assembly, 1.0.0.F. :

DEAR SISTERS, - The Ontario Institution for the Deaf and Dumb is situated just outside the city limits, and there is a good sidewalk all the way to it. If you have an hour or two to spare during the sittings of the Assembly you are cordially invited to visit us. The pupils are away at present for their vacation, but I would like you to see where two hundred and seventy of the deaf and dumb boys and girls of Ontario are educated, so that when you go to your homes you may take with you some knowledge of what is being done for them and perhaps be enabled to carry good news to some anxious father or mother who has a deaf child. Wishing you a happy time in Belleville,

Yours faithfully, R. MATHISON,

To the Rebekah Assembly of Ontario, 1.0.0.F .:

Your Committee on Mileage and Per Diem, beg to report that the mileage paid to the officers and representatives amounts to about \$563.00. We recom-mend that the per diem be placed at \$2.00 per day, one and a half days session. Your Committee therefore recommend that the Finance Committee be

directed to place the sum of \$563.00, or as much thereof as may be required to pay mileage and per diem at the present session.

Sister Edith Reynolds, from the Committee on Finance, made the following report, which was adopted :

To the Rebekah Assembly of Ontario, I.O.O.F. :

Your Finance Committee beg leave to report as follows :

1. That we have examined the books of the Secretary and Treasurer and find them correct, with the proper receipts and vouchers; the Treasurer having a balance in the general fund of \$23.09. 2. We recommend that the Grand Lodge be asked to refund the Assembly the sum of \$21.25, the amount of loss to us on the seventeen old Rituals on our

hands when the change was made to the new ones; the Rituals having cost us

hands when the change was made to the new ones; the Rituals having cost us $$2.25 \, \text{each}$, and we were only allowed \$1.00 each for them. 3. We would recommend that all funds be paid by the Secretary to the Treas-urer and that all accounts be paid by the Treasurer herself. At present it is cus-tomary at times for the Secretary to pay bills and give the Treasurer credit for the same, but this tends to confusion in their accounts. 4. We recommend that the Secretary be paid the sum of \$100 for her services for the coming year, the same to be paid whenever she may choose to draw it.

APPENDIX

Sister Mrs. Mary Brown, from the Committee on Correspondence, made the following report, which was adopted :

To the Rebekah Assembly of Ontario, I.O.O.F. :

Your Committee on Correspondence beg leave to report that we have examined the correspondence of the Secretary, and find the same carefully kept We also find that the business correspondence is assuming and in good order. very large proportions, involving much labor on the Secretary each year. In many cases we are not able to say as to how the correspondence has been replied to as no record is in evidence. We would recommend that copies of all letters issued by the President or Secretary be placed on fyle, or in a letter book, for future reference.

The correspondence of the D.D.G.M's., have been sent in a majority of cases to the Secretary of the Assembly instead of to the President, we would draw the attention of these officers to the fact, and would advise in the future that the Secretary would, relieve herself of the burden of answering such correspondence by either returning it to the writer or forwarding it to the President, to whom it properly belongs.

All of which is respectfully submitted,

MARY BROWN, MARY KENNEDY, EILEEN L. HULL, JANE MCCALLUM, RACHEL MAHONY.

Sister Elizabeth Lee, from the special Committee on Home, presented the following report, which was adopted :

To the Rebekah Assembly of Ontario, I.O.O.F.:

SISTERS,-Your Committee appointed for the purpose of co-operating with similar Committees from the Grand Lodge of Ontario and the Grand Encampment of Ontario, in the work of establishing a home for aged Oddfellows and the orphan children of deceased members of the Order, beg leave to report as follows :

The joint Committee met in the office of the Grand Secretary, Toronto, on

May 6th, all the members being present, as under: From the Grand Lodge, Cl. T. Campbell, Past Grand Sire, J. J. Manning and A. W. Cameron. From the Grand Encampment, A. H. Blackeby and M. D. Dawson. From the Rebekah Assembly, Laura E. Ryan and Elizabeth Lee. The Chairman, Bro. Cl. T. Campbell, P.G.S., laid before the Committee the

result of the appeal which had been made to lodges and individuals for funds for the establishment of a home. From the statement it appeared the donations so far had amounted to \$3,000, this amount not including the sum at present in the hands of the Treasurer of this Assembly.

Considerable discussion was had as to the advisability of continuing the voluntary contribution plan. It was pointed out that in nearly all jurisdictions where a successful home was in existence, it has either been started or was being maintained by fixed assessments on the membership. It was also shown that it was necessary, in order to make the home a permanent success, to secure the active assistance of the whole and not a populon of the membership of this juris-diction. The Committee decided to ask the Grand Lodge to levy upon the Subordinate Lodges an assessment of ten cents per capita every six months, for a

period of five years, commencing with December 31st, 1897. It is believed that this will, in five years, produce \$25,000, amply sufficient to secure the home we have so long been looking forward to.

Ixxxix.

A Board of Directors would be needed and it was decided to recommend that this Board be comprised of eleven members, made up as follows : the Grand Master, Deputy Grand Master, Grand Secretary and Grand Treasurer (ex-officio) : three members to be selected by the Grand Lodge, two by the Grand Encampment, and two by the Rebekah Assembly.

Bro. Dr. Campbell reported that the lodges heard from-only a small percentage-had mentioned six aged members and about 25 orphans, who would likely avail themselves of the privilege of the home.

And as your representatives we ventured the suggestion, that when the home was ready each Rebekah Lodge would undertake the furnishing of one bed-room. This, we believe, than and should be done. If the newer lodges say, as might be said, that their funds are not sufficient for such a purpose, it can be pointed out that an at-home, or a social can easily be got up or, if necessary, more than one, by which means sufficient money could be raised for this purpose, and usually it by which means sumcient money could be raised to inits purpose, and usuary to happens that in those lodges—the newer ones—the enthusiasm is at the greatest and such social gatherings are more likely to prove a success. The linen might be marked with the name and number of the lodge furnishing it, and a small nickle or brass plate containing the same information attached to each article of furniture.

Your Committee, in conclusion, have only to recommend that the Assembly continue to be represented on the joint Committee by two members, and that these use their utmost endeavors to secure the carrying out of the above programme.

Respectfully submitted,

ELIZABETH LEE, L. E. RYAN.

Sister Mrs. Emma Seels, from the Committee to which the accompanying resolutions in regard to admitting Sisters into the Oddfellows' Relief Association of Canada were referred, submitted the following report, which was adopted :

To the Rebekah Assembly of Ontario, I.O.O.F. :

All of which is repectfully submitted.

EMMA SEELS, E. BURSE, M. H. EASTON.

On the call of Lodges the following reports were read and ordered to be spread upon the Minutes of the Session :

To the Rebekah Assembly of Ontario, 1.0.0.F.:

Victoria Lodge No. 1 is improving, though slowly ; but we are hoping for more members in the near future. We have 27 members now in good standing, and during the last term we paid out \$21,51 for lodge expenses and for the benefit of members; and now have a balance of \$74 of. Our attendance is fairly good for the members we have. L. O. TASMER,

H. A. FERGUSON.

To the Rebekah Assembly of Ontario, I.O.O.F. :

On behalf of Oshawa Lodge, No. 3, I have to report that our ludge is in a healthy condition, although we do not receive as many new members as we would like, and we have lost quite a few by removal, who we are satisfied will make their presence felt for good in their new locality.

Our Relief Committee have, I know, done a great deal to make our Order felt in this community, and will be better prepared for greater work this winter. MRS. M. L. THOMAS.

To the Rebekah Assembly of Ontario, I.O.O.F. :

May Queen Lodge, No. 5, has had a very successful year. We are steadily adding to our membership and our meetings are well attended.

The members are willing workers for the good of the Order, and we are progressing onward in peace and harmony. E. C. SMALE.

To the Rebekah Assembly of Ontario, I.O.O.F.:

Naomi Lodge, No. 6, Windsor-We are pleased to report the prosperity of our lodge during the past year. We have initiated 16 members-10 Sisters and 6 Brothers ; and also sorry we have lost one Brother by death and one by with-drawal card. Our Sikk Committee has been very prompt in attending to their duty. Hoping the Lord will bless us in the future as He has in the past.

MRS. JANE DOUGLAS.

To the Rebekah Assembly of Ontario, I.O.O.F .:

Louise Lodge has to report a decrease in membership ; but the majority of those who dropped out were brothers who joined during the Session of Grand Lodge in Kingston in 1894. We regret to report the loss by death of a Sister (Mrs. Arthurs), a faithful

and efficient member. A very favorable impression of our Order was made by the kind sympathy and unremitting attention shown by our members during this sister's illness

Besides contributing \$10.00 last winter to the Poor Relief Fund of our city, we have contributed \$18.00 to the Orphans' Home Fund.

We are of opinion that it would be a great advantage to Rebekah Lodges to have sick benefits and insurance in connection with our branch of the Order. We have ascertained that the Sovereign Grand Lodge will not be responsible for sick benefits in a Rebekah Lodge, but we have sent a petition to the O.F.R.A. asking ANNIE MCWATER.

EDITH REYNOLDS.

To the Rebekah Assembly of Ontario, I.O.O.F. :

Beatrice Lodge, No 12, Guelph-During the year we are pleased to report success, not so much in membership as in charitable work.

Beatrice Lodge joined in with our two Subordinate Lodges, and furnished

two very nice rooms in the General Hospital at a cost of \$225.32, \$182.32 of which was made by entertainments.

Also the Sisters formed a circle which has done good work in assisting those in need.

Our membership is: Brothers, 48; Sisters, 53; total 101. During the year we initiated 6 Sisters, 2 Brothers, total 8. But hope our next report will be far in advance of this year. MRS. R. MAHONEY, MRS. G. J. BRILL.

To the Rebekah Assembly of Ontario, I.O.O.F. :

Harmony Lodge, No. 15-We have nothing specially interesting to report, but what is contained in our semi-annual report. During the year we have had to drop 15 members for non-payment of dues, and two members withdrawn. This past year we held a social in aid of the Orphanage Fund, which realized \$10,00 remitted to Grand Secretary and received the receipt for same. We held a social on the evening of July 29th, proceeds went into the General Fund of our Lodge. The attendance is not as large as we would like to have it, but there are a few who are faithful, and we hope for better success in the future.

MARY E. TONER.

To the Rebekah Assembly of Ontario. I.O.O.F .:

Edna Lodge, No. 14, St. Thomas-I take very great pleasure in reporting that Edna Lodge is in a prosperous condition financially. We have a very efficient staff of officers who take great pride in getting up their charges. We held one open installation in which Nos[®] 32 and 76 Subordinate Officers were installed with Edna's by Bro. Caron, D.D.G.M., after which the members of Edna Lodge entertained the Subordinate Lodges with a good programme and refreshments. Last winter we held a series of meetings under the auspices of the Rebekah Degree. We consider this one of the best means of attracting attention to the great good that may be accomplished through the Order. Under the blessing of Our Heavenly Father we have had very little sickness

in our ranks. We were called upon to give up one of our charter members, Robert Tracey, who it was God's will to summon to the Grand Lodge above, Robert Tracey, who it was God's will to summon to the Grand Lodge above, and we have the assurance that he died, as he lived, trusting in his Saviour. We also were called upon to hold the Burial Service for Excelsior Lodge, No. 18. A Sister belonging to that Lodge died here, and I can assure you the members of Edna Lodge did all in their power to pour oil into the extinguishing lamp of life. We held one entertainment for the Home and are able at this session to present you with \$20.35, and we hope to do much to assist the noble work. We hope at this Assembly to carry home many lessons that will guide us in our good work, and may this Assembly be guided in all their deliberations. Mapy Brown

MARY BROWN.

To the Rebekah Assembly of Ontario, I.O.O.F .:

Olive Branch Lodge, No. 16, report as follows: Our meetings for the past year have been fraught with much good, but our membership has decreased owing to the fact that another lodge has been organized, thus taking a number of our members from us, having now 140 members. Two of our members have been taken from us by the hand of death, also a number have been dropped from the roll for non-payment of dues. During the year we have initiated 12 members with bright prospects for the coming year.

On the occasion of our anniversary a fancy fair was held, the proceeds to be devoted to the Home Fund, and trust it will not be long before this Home is started.

Our Visiting and Relief Committees are still doing a noble work among the sick and needy in our city.

We hope next year to present a much better report and trust that we may come home from the Assembly with many lessons that will enable us to carry on the good work. We trust that Divine wisdom and strength will be granted the Assembly during this session. MRS. MARY LEADER. MISS MINNIE LENNOX.

To the Rebekah Assembly of Ontario, 1.0.0.F .:

Myrtle Lodge, No. 17, D. of R., Elora-I beg to present this report and convey to you greetings for a prosperous session, and trusting that Divine wisdom and strength may be granted this Assembly during the present session. As will be seen by our secretary's report we have only 20 members in good standing, which, we regret to say, is a decrease. Since our last report we have had to suspend a number of our members for non-payment of dues. I might state that the greatest number of Brothers and Sisters who were suspended had left the town to reside in other places. Our financial standing is very satisfactory and there is no doubt the success of Myrtle Lodge in the immediate future is assured. With our efficient staff of officers for the present term we anticipate still greater advant-ages to enable us to perform faithfully the ennobling duties of Oddfellowship. I I am also instructed to recommend Sister Miss Louie Webster, P.G. of Myrtle Lodge, for D.D.G.M. from our lodge. Again we trust that Divine wisdom and strength may be granted this Assembly at this session, and that we may carry strength may be granted this casemoly at this accord, incarrying on the good back from the Assembly many lessons that will guide us in carrying on the good work we love so well. LOUIE WEBSTER.

To the Rebekah Assembly of Ontario, I.O.O.F. :

Excelsior Lodge, No. 18, Bridgeburg-We beg leave to present this report. We are also desirous of conveying to you greetings for a prosperous session. Trusting that every judicious effort put forth may be crowned with success for the advancement of the Order we love so much.

Although we are so close to the borders of our American Sisters, we are strongly in sympathy with every move of our own Assembly and all the work in Strongy in sympany with every move or our own Assembly and all the work in which you are engaged. May the good accomplished at this time radiate and enthuse to increased activity every member of the Order. During the past year we are pleased to report progress, not in membership, but in a clearer and more perfect knowledge of the great principles symbolized in

the triple chain.

Our financial standing, although not great, is quite satisfactory.

We are well equipped with pharaphernalia for the Degree Staff, also regalia. for the Officers.

We have a good Degree Staff, the officers of which get their charges up in a most creditable manner. We have the pleasure of presenting at this time ten dollars to the Oddfellows' Home, not much, but it will help, and we hope next year we may be able to do much more,. Our hearts are in the work but the general depression of trade has also reached our town, and no doubt is felt even in our Rebekah Lodge, but we trust with our efficient staff of officers this year to enable us to perform faithfully the ennobling duties of Oddfellowship. I have been asked by Excelsior Lodge, No. 18, to ask this Assembly to ask the Grand Lodge to instruct their representative to the Sovereign Grand Lodge to use every honorable means to give us back such legislation as will enable us to pay sick benefits. They feel that to keep pace with other sister societies we will have to do something to retain our membership; if we had a sick or funeral benefit we would not have so many suspensions. Again we trust that Divine wisdom and strength may be granted this Assembly during the session. MRS. MARY KENNEDY.

Mizpah Lodge, No. 19-As representative of Mizpah Rebekah Lodge, No. 19, I beg to report that our lodge is in a fair condition, and while we have from various reasons not made the progress we anticipated or hoped for, we are still trying to carry on the work and trust that our efforts will be crowned with success. SARA NETLETON.

To the Rebekah Assembly of Ontario, I.O.O.F. :

Lucknow Lodge, No. 22-The progress for the past year has been very slow, the attendance being poor.

The members seemed to have lost interest in the work of the Order, although a good programme is rendered every night of meeting. We held a good at-home on our aniversary. We hope with renewed zeal to bring our lodge back to a good standing. MRS. MAGGIE REID.

To the Rebekah Assembly of Ontario, I.O.O.F. :

On behalf of Prudence Lodge, No. 24, I beg to report the following: We have not had as successful a year as we would wish, regarding the number of members, but the finances have been fully well attended to. Have had to suspend some members for non-payment of dues.

Our greatest difficulty seems to be in getting the members to attend the lodge meetings.

We started a Dorcas Society last winter in connection with our work, and which was the means of our clothing a great many poor and needy children and aged people, and we hope that the attention thus dispensed by the lodge members will be the means of bringing many in with us; and hope that in the coming winter we may be spared to carry on the good work.

OLIVE M. PATTISON.

To the Rebekah Assembly of Ontario, I.O.O.F. :

Ivy Lodge, No. 26, Galt—We have had a successful year, having initiated during the term filteen Sisters and six Brothers, making a membership of 71 Sisters and 68 Brothers, total 139.

In March, Sister Bascom instituted Queen Lodge, Hespeler. A number of the members of Beatrice Lodge, Guelph, were also present.

which was a great success; no pains were spared by the committee to make it so. Our financial standing is also very satisfactory. MRS. SUSIE DENNIS.

To the Rebekah Assembly of Ontaria, I.O.O.F. :

In April, 'a Birthday Patty was given in aid of the Orphans' Home Fund, Atthewell Lodge, No. 29, Almonie—Begs leave to report a successful year, both numerically and financially, and the interest taken by the members in the work continues to increase.

In March last we had a friendly competition of the floor work with "Coila" Lodge, No. 32, Janeville. Bro. White, G.M., with Bro. Bell, P.G., of Ottawa, were the judges, who, after weighing the matter impartially, decided in favor of "Coila" Lodge. After the business of the evening was over, the Grand Master favored the lodge with an eloquent and instructive address, followed by speeches from some of the visiting brethren. We were also pleased to greet some of the Brothers and Sisters of Harriet Lodge, No. 44, Renfrew, who came to see the competition.

Our Degree Staff is making efficient progress under the able tuition of Bro. Peter McCallum, Grand Guardian, who takes a very deep interest in the work.

The attendance at our meetings is fairly good, membership, 59; and we hope at the next meeting of the Assembly to be able to report a marked increase in progress and membership. Mrs. J. McCallum.

To the Rebekah Assembly of Ontario, 1.0 O.F.:

Aberdeen Lodge, No. 30-It afforts me much pleasure on behalf of the lodge to present the following report of the work done during the past year. We have initiated 28 members-7 Sisters, 21 Brothers. We have lost during the year for non-payment of dues, and leaving town 3 Sisters, 8 Brothers, leaving our membership at the present time 45 Sisters, 39 Brothers, which leaves 84 members all in good standing. We meet every second Friday. Our meetings are well attended, our members being active and zealous in promoting the interest of the lodge and Order. We have an excellent team which does their work well, thanks to our good captain, Brother Solmes.

We have completed our beautiful paraphernalia, which adds much to the appearance of the team work, and in which the members spent many a toilsome hour making; but, however, we are all well pleased with it, and everything is working satisfactorily.

I am disappointed in making out my report, as I expected to institute two lodges, one in Napanee and one in Belleville. I went three times to Napanee and notiges, one in rapance and one in Believille. I went inree times to rapance and made all arrangements to institute, but the two lodges could not come to terms and it was dropped. I went to Belleville once; they did not seem to want one there. I have done everything in my power to promote the interest of the lodge. I also put the question before the lodge in regards to an Orphans' Home, but having paid out so much this year we could not see our way clear; hoping

we may do something in the future. On the whole we have had a very prosper-

Aberdeen Lodge, No. 30, Descronto-On behalf of Aberdeen Lodge, No. 30, Descronto, which I have the honor to represent, I beg respectfully to sub-

mit this report, and desire to convey to you our greetings for a prosperous session. Our lodge has been successful since the last Assembly met. We have had our present members, Through N, P. D. we have lost 11 members, making our present membership 84. During the past year, our meetings have been well attended, and a great interest in the work is being manifested. Our financial standing is not very large, as our expenditure for the past term has been very heavy, owing to purchasing a paraphemalia for the better conferring of the degree. I am pleased to be able to report the success of this lodge and we will look

forward to a bright and prosperous future in the noble work of Oddfellowship.

To the Rebekah Assembly of Ontario, I.O.O.F. :

Coila Lodge, No. 32, D. of R. Janeville-During the past year we have only initiated two members, one Brother and one Sister ; we have lost during the year six Brothers, one has withdrawn, and five for non-payment of dues.

Our membership to date is 45 Brothers and 35 Sisters, total membership 80. Receipts during the year \$84.46, expenditure \$54.97, leaving a balance on hand of \$29.49

Although we have not added many to our number during the year, we, as a lodge, do not feel discouraged, for we have the promise of a number that will make good members as soon as the warm weather is over.

We have a number of Sisters that are very much interested in the lodge, they are regular attendants, and do all they can to advance the Order generally.

We have visited three Subordinate Lodges during the year, and each lodge gave us a cordial reception; we spent a pleasant evening with each one.

At the Well Lodge, No. 29, Almonte, invited our Degree Staff on March 9th, to have a friendly competition with them, (the work done was initiation), as Grand Master White was to pay them a visit on that date. We were successful in winning the competition by about 22 points. Grand Master White, Brothers Bell and Gordon, were the judges.

At the Well Lodge gave us a cordial reception, and we returned home delighted with our visit to Almonte.

As yet we have not succeeded in obtaining any funds for the Orphans' Home. There have been several schemes proposed, but none adopted, but we trust in the near future to be able to aid in this good work. MRs. E. REYNOLDS.

To the Rebekah Assembly of Ontario, 1.0.0.F .:

On behalt of Maple Leaf Lodge, No. 33, D. of R. Brockville—I beg leave to present the following report: The present membership is sixty-eight, initiated five the past year, suspended ten.

We have in the treasury \$25.13. Our paraphernalia is worth \$125; total assets \$150.13. As we subscribed a liberal sum towards the erection of the Odd fellows' monument, and also assisted at the unveiling, we are very sorrow that we are unable to give you any help towards the Home at the present time.

M. SEATON.

To the Rebekah Assembly of Ontario, 1.0.0.F .:

Olivette Lodge, No. 34 — Although for the past year we have not increased in numbers, yet we have a faithful few here who are doing their atmost to carry out the principles of our degree, and are looking forward for a better day to dawn.

Since last you met in annual session death has visited our lodge and removed from our midst Sister Mrs. Elder, P.N.G. and past representative to your Assembly. Another proof that "death loves a shining mark."

During the year we had the great pleasure of a visit from your efficient Secretary, Sister Maggie Waldell, who installed our officers and exemplified the secret work in a very able manner. K. Mowar.

To the Rebekah Assembly of Ontario, I.O.O.F .:

Rachel Lodge, No. 36—I beg leave to report that for the last year the lodge has not increased in membership very much, but hope to do so in the future, as we have moved to the west end of the city; where there is a good field to work in, and we have every prospect of increasing our membership, and we trust that this time next year Rachel Lodge will be the most flourishing lodge in Toronto.

time next year Rachel Lodge will be the most flourishing lodge in Toronto. We have at present 15 Brothers and 19 Sisters. We suspended 3 Brothers and 3 Sisters. We admitted during the year 2 Brothers and 3 Sisters, making a total of 33 members in good standing. Amount of assets \$14.77. Receipts of six months \$24.93. Balance on hand \$21.65.

To the Rebekah Assembly of Ontario, I.O.O.F .:

Justitia Lodge, No. 38-During the year we have added ten to our number by initiation.

We have eighty-eight members in good standing which, we regret, shows a decrease of twenty-six during the year. Since the Assembly last met we have had to bear the loss of two of our members by death—Sister Trumbull, a very ntentive member, also Bro. Harper, P.G., who passed away after a very short illness—since our last semi-annual report was sent in.

It is pleasing to report that our lodge is in a fairly prosperous condition

financially, our available cash assets at June 30th last being \$30.26, which shows an increase since December.

We have an excellent attendance of members every meeting night and the lodge in general is in a good healthy condition. MARY M. STODDART.

To the Rebekah Assembly of Ontario, I.O.O.F .:

I regret to report that our lodge has not increased in membership during the past year, but rather the reverse. We were obliged to suspend some of our members for N. P.D. Our financial condition is good, and we are fairly well equipped with regalia, etc. Our attendance is very unsatisfactory, which makes it very discouraging for the faithful few who are working zealously for the promotion of the noble principles of our beloved Order. With renewed energy and determination we hope for better results in future. M. A. Gruzes,

To the Rebekah Assembly of Ontario, I.O.O.F. :

Margaret Lodge, No. 39-Since the last Assembly meeting this lodge has added seven new members to its numbers, making a total membership of sixtynine members.

We have a very good Degree Team, and about a year ago we made a set of beautiful robes for the team.

In June we held an entertainment, and as a result we were able to donate twenty dollars towards the Home Fund.

Since the last report \$120.58 has been taken in ; expenditures have been \$88.22, leaving a balance on hand of \$32.36.

Our meetings are weekly and attendance is only fair, but with renewed zeal we hope to enter on the year with a stronger determination to work for our beloved Order. FRANKIE BETTES.

To the Rebekah Assembly of Ontario, I.O.O.F. :

As acting President, on behalf of Florence Lodge, No. 41, I am pleased to report our continued prosperity, although our increase has not been as large as last year, having to suspend several members on account of non-payment of dues, but our present membership is composed of Brothers and Sisters who are active and zealous in promoting the best interests of our beloved Order. Our meetings are well attended and interesting, and unity is our watchword.

Last January we held our annual At Home, and had a most pleasant evening. We have adopted for our Degree Team sashes and white gloves, which add in appearance to our degree work, and we are able to acquit ourselves without mistake.

Since we last met in convention I had the honor of instituting Ruhy Lodge, No. 56. Mount Forest, which duty I preformed June 15th last. I was ably assisted by the Degree Team of Florence Lodge.

Ruby Lodge starts out under most promising circumstances, being composed of the best society of the town, and I hope will do much to advance our good cause in this part of the province. Last Friday, August 6th, Florence Lodge and Ruby Lodge held a joint picnic at Mill Lake, when a most pleasant day was spent.

Wishing this, our annual convention, will be pleasant as well as profitable to our noble Order. FLORENCE WATSON.

To the Rebekah Assembly of Ontario, I.O.O.F. :

Eastern Star Lodge, No. 48, Cornwall – I take very great pleasure in reporting on behall of Eastern Star Lodge that we are making steady progress and feel that we have laid the foundation of a growing and prosperous branch of the Order in Cornwall. quite eighteen months ago—with a charter membership of 38 (13 Sisters and 25 Brothers). We have since added 25 members—15 Sisters and 10 Brothers making a total membership of 63. We confidently expect to increase this number largely in the near future, as the pure and noble teachings and principles of our Order become better known and appreciated, through the medium of the open meetings and entertainments which have been held and which we intend to continue during the coming fall and winter months.

Last winter we held a series of interesting social gatherings, in which the members of the Subordinate Lodge joined and rendered valuable assistance. We have also had several very successful open meetings under the auspices of the Sisters of the Rebekah Degree, and each of these gatherings resulted in an addition to our membership. We consider this one of the best means of attracting attention to the great good that may be accomplished through our Order.

Under the blessing of our Heavenly Father we have had very little sickness in our ranks and have so far escaped the sadness of death's visitation. Where illness has occurred or affliction overtaken any of our members—which I am glad to say has only been in one or two cases—there has been a prompt and sympathetic performance of the duties so solemnly assumed in our obligation.

etic performance of the duties so solemnly assumed in our obligation. We have made good headway with the floor work, but have not yet secured the paraphernalia. This we hope to do before the close of the coming winter.

I am glad to see that the question of admitting the Sisters of the Rebekah Degree to the benefits of the Oddfellows' Relief Association has been receiving attention, and L+rust Hat something may be accomplished in this direction at an early date. If it were possible to devise a plan by which the Sisters of the Order could participate im some such system of Sick Relief as that which prevails amongst the Subordinate bodges. I belive our membership would be rapidly increased./I would suggest that the matter be brought to the attention of the Grand Lofge of Onlario at its present session.

I am pleased to be able to report that the utmost harmony prevails in our lodge, and that all the members take a deep interest in the progress and welfare of the Order. We feel that we are engaged in a work of mutual advantage, and that however small and insignificant our individual efforts may appear; collectively we are assissing in a noble undertaking for the amelioration of the miseries and burdens of the unfortunate, and attaining in some degree the pure and lolty bbjects for which our Order/was instituted.

To the Rebekah Assembly of Ontario, 1.0.0.F .:

Queen Lodge, No. 54, Hespeler – Was instituted April 3, 1897, with a membership of 33. They now have over 40 members and are in a very prosperous condition. I never saw a more energetic, go-ahead set of Rebekahs. They are sure to prosper. They lately held a raspberry social to help pay for an organ, at which they cleared over \$40. WINNIE L. BASCOM.

To the Rebekah Assembly of Ontario, 1.0.0.F. :

Fern Lodge, No. 50—It is with a feeling of regret that we have not accomplished the many things we fondly hoped to a year ago. But we have had 40 stydgele for existence, and our gain in membership has been small. We have not received that encouragement and help from the Subordinate Lodge which we needed, and, it is thought, deserved. We commenced the year with 12 Brothers and 14 Sisters—a membership of 26. We have initiated 2 Brothers and 7 Sisters, and have lost, by withdrawal, 3 Brothers and 3 Sisters, leaving us 11 Brothers and 18 Sisters, a total of 29, making a gain of 3. Our cash on hand on \$4 July, 1896, was \$5 97; our receipts wer \$61.70, and the expenses of the Lodge'during the time were \$54.49, leaving a balance on hand of \$13.18. We also have a fine set of regalia, worth, at least, \$25. The attendance is sometimes rather small, but is, on the whole, favorable. HENRY JOHNSON.

To the Rebekah Assembly of Untario I.O.O.F. :

Violet Lodge, No. 52-We have just nicely entered upon the second year of our existence as a lodge, having been instituted on the 24th of July, 1896. It is generally thought that anything having a rapid growh gets to be weak after a short time, but we are in hopes that the strides we have made during the time we have been in existence, although not expecting to be as successful in the future as in the past, will profe a very great exception to the rule. We have, at pre-6 during the month of July. We have had very little sickness, and have, therefore, had very little chance of showing forth the command of our beloved Order in this respect, vizz, to visit the sick ; have had no deaths, no withdrawals or suspensions. We have devoted a good deal of our time, after the business of he lodge is over, to the beautiful floor work, thereby spending a pleasant half hour, and we think we can give the initiatory work in as creditable a manner as most of lodges, even though they may be a trifle older than we are. The officers seem to be impressed with their parts, apid more particularly with the objects of the Order, and are taking a great interest in the work, getting along harmonitogether a Frienship, supplied with Love, that will be Ture for all time to come, trying also to rectify the hesetting sin of selfshness, as we are taught the highest aim and object of Oddfellowship.

We have been greatly aided by the brothers of Tecumseth Lodge, who have shown a willingness to help in every possible way. They are, at the present time, erecting a new hall, brick-veneer building, two storeys, and, when finished, we hope to be able to repay them in some way by making their home and ours attractive, so, when we meet, we may spend a pleasant, as well as profitable evening. Trusting that when the end shall come we may all be prepared to meet in that Grand Lodge above, presided over by the Great Grand Master, where all tears shall be wiped away, and all drink from that stream which flows from the Fountain of Benevolence and Peace. Mss. ELLA MCFARLANE.

To the Rebekah Assembly of Ontario, I.O.O.F.:

Woodslee Lodge, No. 55—It affords me great pleasure, in this jubilee year of Her Gracious Majesty Queen Victoria's reign, to be permitted to meet once more my Sisters of the several D. of R. Lodges as the representative of one of the youngest lodges in this province, which was instituted on May 12th with 12 charter members; and their semi-annual report shows a total membership of 17. From the reports received from Sister Dring, their Secretary, the prospects are good for a bright and useful lodge. The Sisters and Brothers are very enthusiastic, and each feels their personal responsibility in making Woodslee Lodge a success, They meet on Monday evening of each week, and are preparing themselves for team work; and I understand it is also their intention to procure for their work a complete paraphernalia, and there is no doubt of building up a good healthy lodge.

Having been selected as their first D.D.G.M., it will be my privilege and pleasure to keep a watchful eye over them and assist and encourage them to the utmost of my ability in the advancement of the noble work which we have obligated ourselves to perform, and trust that our next report will show this lodge to be both a financial and social success.

Trusting Divine wisdom and strength may be granted to this Assembly during the session, 1 remain yours in F., L. and T. L. M. EDGAR.

A. Section 1,175 of White's Digest remains in force, and a brother's standing in a Rebekah Lodge depends upon his continuous good standing in a Subordinate Lodge in good standing; excepting in cases of a brother holding a withdrawal card in date, his membership in a Rebekah Lodge is not'affected thereby, provided he keeps his dues in the Rebekah Lodge paid for one year from date of withdrawal card.

APPENDIX.

FOREIGN JURISDICTIONS.

• The correspondence with the foreign jurisdictions has been both large and important, involving in addition to the usual business, the numerous matters authorized and directed at the last session of the Sovereign Grand Lodge. The information here presented will be found to be interesting, as it is faurly indicative of the condition of the Order in the several countries mentioned.

Attention is especially directed to the remarks of Henry H. Green, Grand Secretary of New South Wales, William Kelly, Grand Master of Victoria, and A. Leane, Grand Secretary of South Australia, upon the idea of establishing our Order in new fields. Especially among the rapidly-developing countries of South-Africa, the indications are most encouraging. These countries are being rapidly peopled by immigrants of the best classes from the English and German nations and it might be well to inaugurate plans at this session which will result in our prompt occupancy of these inviting territories.

Herman Block, Special Deputy Grand Sire for Europe.—There has been a steady correspondence with this brother during the past year. The following extracts are made from the letters on file. The personal charm will, however, be found wanting, as they are merely detached extracts.

Under date of October 19th, 1896, he writes: "I have not forgotten the days when Kentucky gave me a seat at its table, and how J. Frank Grant frankly granted me the warm pressure of his hand. But to business. Sweden was granted a new quasi-independent Charter; when you get it, will you send it to me? I am in correspondence with Grand Master Laurentz about it. Demmark is to be loarded a copy of the work, to be translated under my supervision. It will be difficult to send it, perhaps, although I have connections with leutom officers here. I will write you about it. Possibly I may get Germany to lend me its copy. Committee on International Relations recommend my continuance. I shall need a commission from Grand Sire Carleton and will write to

Bro. Block closes this letter by saying : "In writing to me will you kindly address me at Pinneberg in Holstein, Germany, and stamp with five cents for every half ounce? Excuse my last remark, but I have so many fines to pay because my letters are insufficiently stamped."

cause my letters are insufficiently stamped. The curiosities of the foreign postal laws, and the need of great care to be exercised so as to use the right kind of a postage stamp by all who would correspond with Brother Block, are further shown in a later letter. He says i "I delayed answering your letter of January 30th, until Treeviewd your next, which arrived this morning loaded with postage fines for want of being sufficiently stamped; it had the domestic two-cent, instead of the foreign fivecent stamp. Fine, fine, nags into one's ear here constantly is one is a fraid to walk for fear of encountering fines. It is so absurd to fine me because some one else does not stamp properly. At Dresden they fined me, such a trifle too, because on measuring a postal card from America, they found it to be a trifle larger than the German rule."

November 24th, 1896, he writes: "With Ahanks I acknowledge receipt of your favor of 13th inst., containing A.T.P.W., etc.; the commission to me I did not find therein. I presume it will follow. Do you wish me to communicate the P. W.'s to the jurisdictions here, or will you do it? Do not hesitate to use me in anything wherein I can be of service to you; it will please me to be able to do so. Thanks also for your favor of October 29th, and set of proceedings. In relation to the translation, I have not had answers from Dr. Beyer and Grand Master Laurentz. Sweden wants a copy as bad as Denmark, but cannot demand it or pray for it until made independent.

The Danish and Swedish languages are entirely distinct and different idioms. Possibly I could, after Sweden has its Charter, permit Sweden's accredited rep-resentatives to translate into Swedish at the time the Danes translate into Danish, provided the translation remains in my custody until the Sovereign Grand Lodge authorizes its delivery to Sweden. The translation should be made either at Berlin from the German copy, which, officially requested, Grand Sire Gerlach would let me have, in which case we would have no trouble about sending here or returning the work to America; or it would have to be made in Denmark by my going there with it."

December 22nd, 1896, he writes: "Will you, when you write me next, send me your warrant giving annual allowance of \$500? Your warrant on the treasurer, my bank will cash here. But please send it and all drafts you may send others hereafter in registered letters. The law, as to cheques, is' different send others hereafter in registered letters. The law, as to cheques, is different here from what it is in England and America. A bank paying a cheque to order, presented in good faith, is protected, even if paid to a forger. I go through Germany, Switzerland and Italy in the spring ; in early summer to Denmark and Sweden, when I shall institute the new Body, July 5th. I presume I shall have the new Charter by then."

the new Charter by then." February 26th, 1897, he writes: "Reaching now your kind letter of 30th ultimo, I would say that I am not only bound to, but shall be glad to transact for you all business you may have for me, and you see how valuable and useful I can be here to your office. I am doing all within my power to cause the Order in Europe to grow, at personal cost and expense, and all recognition from home helps me and strengthens me in my position. Thanks for your kind letter to into Danish is well under way. Armed with your requisition, I proceeded to Berlin and took (Bro. Gerlach having readily compiled with your request) a copy of the English text. I have written on one side of the pages only. Dr. Beyer will cause brothers of high standing (the Deputy Grand Sire, Bro. E. D. Jacob-sen) to make the first translation. Upon my next visit to Copenhagen Grand Sire Beyer and myself will then certify to the book. I have received from Den-mark a written promise that the work shall be especially guarded, and not copied without the parmission of the Swereign Grand Lodge. I am basy taking steps to attach the Maples Lodge to Switzerland; this matter also, simple as it seems, is connected with considerable trouble, as so many different rights and interests have to be guarded and thought of. Unfortunately, after I had scarcely finished the work at Berlin, that terrible influenza attacked me and my wife in a severe piration, but I'll get along. The starlings have come, and they bring spring." March 3rd, 1897, in a letter inclosing the agreement with Demmark, he says :

March 3rd, 1897, in a letter inclosing the agreement with Denmark, he says : "Am still sick at home."

March 26th, 1897: "To-daycame two anniversary proclamations. Thanks. The Swedish Charter and contracts are in my hands. There was no commission to institute, but it needs none. My general commission will answer. I can report to you under it. Parties are corresponding in Italy about the Order, which seems to grow slowly but surely. I have fully, and my wife has about, conquered that ugly influenza. I trust this letter will reach you in full enjoyment of good health.

April 11th, 1897 : "Inclosed please find document completing transfer of Naples Lodge to Switzerland ; consent of Colombo Lodge to transfer, and con-vention with Switzerland as to same."

July 13th, 1897, he writes : "In submitting my annual report to the Grand Sire and Grand Lodge, it occurs to me I should recall, in a brief report, those matters which I have transacted in especial connection with yourself, and, perhaps, under you.

 A copy of the Work has been communicated to Denmark.
 Sweden has been transformed into a quasi-indepindent body.
 A convention has been concluded with Switzerkand, under which the latter assumes temporary jurisdiction of Colombo Lodge, No. 1, at Naples, Italy.

"Thus, all special orders of the Sovereign Grand Lodge to Europe have been carried out.

"I cannot permit this opportunity to pass without thanking you, not for your uniform kindness-that I fully expected-but for the strong support and effective, as well as prompt, assistance you have given me in my work.

" I remain, with especial gratitude, in F.L.T., yours,

"HERMAN BLOCK,

"Special Deputy Grand Sire, Europe."

AUSTRALASIA.—James Newton, Grand Sire, says: "The importance at-taching to the position of this Grand Lodge as the source of all true Oddfellowship throughout Australasia cannot be overestimated, in view of the gradual extension of the Order and the continuous demand for new territory wherever its devoted soldiers find opportunites to devote their energies for the good of the common cause. In the several jurisdictions, notwithstanding the chronic form of depression which seems to have found an abiding place among them, a measure of success has been attained, and the substantial financial advancement/is not the least conspicuous feature of their operations. Fluctuations of population have undoubtedly influenced the numerical experience in the various colonies, and undoubledly lintered the human account in a considerably indicating account in a large measure for the somewhat limited accessions to, as compared with the secessions from, membership. Still, the progress made has, under all the adverse circumstances, been considerably in advance of the expectancy of those best qualified to offer an opinion. Among the aims of the near future should be the planting of the standard of the Order in other lands than those already acquired. Especially does this apply to the United Kingdom, for this, once attained, would render reciprocity complete throughout, not only the English speak-ing, but the cultivated races living under all the nationalities of the earth."

John C. Smith, Grand Secretary, says: "The financial panic and commer-cial paralysis which was happening at the date of our last triennial session, brought about a depression that has prejudicially affected all institutions and societies in the colonies on the mainland of Australia during nearly the whole of societies at the result of the manual problem indications of a partial return to pros-perity have lately been manifest, the aggregate statistics of the Order in Austral-asia, compiled to December 31st, 1895, show a numerical retrogression of 1,200 members since the date of last report.

"The financial position continues steadily to advance, and the table which the Grand Sire has embodied in his report will show that the funds of the Grand Lodge have increased from $\frac{1}{2}67,101$ 95. 14. to $\frac{82}{2},955$ 155. 54., and those of Subordinate Lodges from $\frac{1}{2}98,680$ 1d. to $\frac{1}{2}113,736$ 115. 7d. The aggregate funds now amount to $\frac{1}{2}196,691$ 7s., and the total increase for the triennium has been £ 30,909 17s. 10d.

"Notwithstanding the satisfactory reserve fund of the Order, the bulk sum distributed in benefits looms up largely, and to its well-wishers, as well as to those T

citizens whose attitude towards friendly societies is almost that of a critic and nothing else, do I commend a careful perusal of the following figures of the dis-bursements for the relief of sickness and distress during the triennial period ending December 31st, 1895 :

"I am not prepared to assert that the disbursement of the before-mentioned sum in the relief of sickness and distress is anything more than the tithe enjoined upon us by the teachings of our beautiful Ritual, which sets forth in no uncertain sound the great underlying principles of our organization. But surely we may take credit for some part of our self-allotted work having been faithfully

"In comparison with the standard society in England, the Manchester Unity of Oddfellows, the loss of members through non-payment of dues in all Mustralian friendly societies is extremely heavy, and our own loss of over 2,000 members per annum, out of a membership of 20,000, affords a subject for earnest thought, which must necessarily be the reverse of cheerful. A recent writer on the subject says that there appears to be a large hole in all friendly society organizations through which numbers of the members drop and are lost to sight. Many societies, the I.O.O.F, amongst the number, have sought for that hole, with a view to ascertain the cause of the great leakage, and I know no better work to which we could easily surgely a the view to ascertain the sought of the sought better work to which we could apply ourselves at the present time than a diligent quest after the chasm above alluded to, and, when discovered, to find some material with which to close it up."

The business of the Order in Australasia during the last three years has been loyally and efficiently carried on by the Subordinate Grand Lodges of the

CHILE .- J. Jung, D. D. Grand Sire, March 31st, 1897, writes : "Hoping that you will excuse my late remittance of the annual report of the Chile Lodges for the year 1896, also for ordering the new Rituals and certificates, which I I have done sooner on account of being sick and hardly able to write, I beg you to send me the new Rituals in Spanish, German and English languages, hoping that I may be able to open an English lodge again."

June 22nd, 1897, he writes : "I did not send dues from Pacific and Concep-June 22nd, 1897, he writes: "I did not send dues from Pacific and Concep-cion Lodges, because the Sovereign Grand Lodge two years ago made a donation of the dues to these two Lodges, to assist them pecuniarily on account of the low state of their funds. I ask you to kindly intercede with the Sovereign Grand Lodge in behalf of the two Subordinates above mentioned." It will be seen by the tables accompanying "this report that an indebtedness for dues has been accumulating on the books of this office against these two lodges. Payment should either be demanded, or the indebtedness wiped out by a resolution of the Sovereign Grand Lodge.

by a resolution of the Sovereign Grand Lodge.

CUBA.-J. V. Cova, D. D. Grand Sire, March 12th, 1897, writes from Tampa, Florida : "It is costing me a great trouble to procure reports to the Grand Lodge for the last year from the Cuban lodges. They are quite unsettled, and the committees representing each of them are much afraid of keeping correspondence with me in this place, because Tampa is considered by the

Spaniards as a filibuster centre, and any person receiving letters from it becomes suspected by the authorities. You must know that all correspondence from New York, Jacksonville, Tampa and Key West, the places where Cubans are living in the States, is opened and inspected at the post-office of Havana before delivering. The condition at the island is most horrible, I expect the final triumph of the patriots is at hand. On the 1zth of last month I had the misfortune to lose my dear mother, whom I brought over to Tampa with me. The trial has been the hardest of my life. She was sick five days only of the criefle."

Under date of July 12th, he writes: "Yours of the 1st inst. received. I am Sorry to say that only one lodge, 'Regla,' No. 6, has sent in her report for, last year, which I have kept until now in hopes to get the others from the rest of the lodges; but they have failed. Lodge No. 7 has recently promised to send it, after I had written several letters to her Noble Grand; if she does it, I will send the report as soon as it comes. Due to the horrible state of things in the send the report as soon as it comes. Due to the horrible state of things in the of Weyler's band prohibits all kinds of meetings in private places. So they are confined to the mere care of their sick and widows, and do nothing else. The great poverty prevailing in the island, from want of work, and from the war, causes the failure of the great majority of our members to pay dues, and a number of them are, besides, fighting on one or the other side, and for all these reasons I believe that our Order in Cuba, has become a thing for the future. We must patiently wait in the meantime for better days. Now, on the bills you sent me inclosed, let me say that there is some mistake in them, as the Cuban lodges were granted some years ago the privilege of exception of rights to the Sovereign Grand Lodge, except a five per cent. on initiations and Degrees; Jelass look for the resolution, which you must have in your records. So you will see that in the report of Lodge No. 6, no dues to the Sovereign Grand the five cents in that section of the report refers to the \$1 depait of cards. If am receiving and caring for hundreds of refugees in Tampa; ladies and children in large amount who come in the greatest distress and destitution from the fated island. My gospel work among them is quite a blessing for these unfortunate people in the land of refuge."

FRANCE.—L. Lefebvre, D. D. Grand Sire, writes: "I have the advantage of addressing you the accounts of our work for the year 1866. The dues will be addressed to you by our Bro. Bourdonnais, of New York. I pray you to excuse my tardiness to render you these accounts. I have been ill, and still obliged to follow a special treatment. I must acknowledge reception of all the documents that I have the habit of receiving each year, as also the accounts of the work of the Sovereign Grand Lodge. You must have received a supplication signed by the two Noble Grands and I, asking of you an authorization to solicit the help of our sister lodges in the Order to propagate the development of our Order in France. If we are not more numerous, it is because we lack money to advertise. Hoping to be successful to propagate the Order in the near future, I pray you to receive my sincere salutations.

The paper to which Bro. Lefebvre refers is as follows :

Oddfellow must act to the best of his ability in that end, and not having the necessary funds to do so, we come to ask you, in the name of the brotherly solidarily which unites us, to allow us to send to all lodges, and, if it is needed, to give us your hearty approbation, a demand for help. With that, and reposing upon the friendship which unites all lodges, we will be able to extend the Order in France and to be a help to them if it is necessary in things that our feeble resources do not allow us to do to day. We have communicate our project to Bro. Herman Block, who is to communicate it to you, giving it his approbation.

GERMANY. — The correspondence with Bo. F. Meyendorf, Grand Secretary of the Grand Lodge of the German Empire, has been very pleasant, but insamuch as it almost entirely related to the settlement of an old disputed claim against that jurisdiction, and a dispute with the Grand jurisdiction of New York, the letters will not be repeated here, except the following brief extract from his letter of December 3rd, 1596, as follows: "I take the opportunity to acknowledge the receipt of your courteous communication of November 13th, with the A.T.P.W. for 1897. Now, I come with a solicitation. In the library of the Grand Lodge of the German Empire we have only volumes t to 8 inclusive of the bound Journals of the Proceedings of the Sovereign Grand Lodge, forwarded by the late Bro. Ridgely, and volume 16, forwarded by Bro. Ross. We need volumes 9 to 15 inclusive to complete the set. We the beard merson of 10, and, when possible, the Revised Journal of 1896. I further beg of your to send me your photograph. In the letter writing, intercourse between brothers who are personally acquainted is pleasant, but it is quite different when they are strangers to each other, and owing to the great distance which is a bat to becoming personally acquainted, but through the pictures we will latem to know each other better; therefore, I send you mine. I hope it will find a place in your large collection. I give you my assurance that I will do my utmost to maintain a friendly intercourse between us, as it has always been my aim since occeupying the position, now over 20 years."

In this connection it will be as well to say that the entire indebtedness of the Grand Lodge of the German Empire to this office was paid in full by Brother Meyendorf during the year, the settlement being effected on the most amicable terms.

ITALY.-L. Silvester Prota-Giurleo, Past Grand, and Noble Grand of Colombo Lodge, No. 1, I.O.O.F., Naples, writes: "I have received some days ago your kind letter of January 30th, through dear Brother Herman Block, Special Deputy Grand Sire for Europe, who, because his health has not allowed him to come to Italy and give it personally, has sent it through the mail. I employ all my activity for our beloved Order, and I hope, with the help of the Swiss Grand Lodge, it will make renewed progress and bind very thoroughly the links of brotherhood that join all Oddfellows in the world. Number me among the most fervid Oddfellows, and, with many respectful salutations, believe me to be yours, fraternally, in F., L. and T."

THE NETHERLANDS.—I. T. Phillips, D. D. Grand Sire, writes December 18th, 1896: "I personally do my utmost and best to promulgate our beloved Order ; some lodges hold propaganda sessions with introduction of strangers, in which I give the information and exposition of our beloved principles. cases the auditors, satisfying to Section 2, Article 1, of our Constitution, containing the conditions for candidates, become the same evening candidates for our Order, and in this manner our Order is at the present time growing rapidly. I had very hard labor to bring the brothers and Noble Grand to act on this maiter ; all were opposed to these measures. I regret very much that this way was not followed earlier, because we should have had the profits of this measure. Now all lodges work in this manner, and there are brothers who do this work for the lodges. No. 1, 13 candidates, the product of such meetings ; I have been there personally and examined these brothers. I have heard that in Amersfoort there exists a possibility that in a short time a new lodge will be instituted. Since the visit of Brother Herman Block, our most worthy Deputy Grand Sire, in March of this year, I have sent a letter to each lodge, containing practical hints as to the best method to promulgate the Order on the Continnent, and I hope that the brothers will be kind enough to follow these measures. I am sure our Order will grow here in our Kingdom."

March 10th, 1997, he writes: "By this time I have the honor to inform you that the annual report, as well as the amounts for per centage, are in my possession; however, illness of importance (pneumonia) does not allow me to eave my sick-room, and therefore I didn't find the opportunity to take the reports out of my secret desk, in my office down stairs. As soon as the physician will allow me to enter into business, I will immediately arrange this matter."

March 1 Nh, 1897, he forwards his report and writes: "Our Order here is growing. The following week we will dwell in a new temple. Our address is Hotel Continental, in the immediate neighbohood of the Amstel Hotel, one of the most beautiful parts of our Amsterdam. To my great pleasure all the lodges will hold their regular sessions in this building. I believe a matter of importance and which gives us much enjoyment, is, that there are several of our members who are dwelling out of Amsterdam, and we propose after a while to constitute lodges in the country. During my illness I could not visit the lodges, but I am informed that their work is being regularly done. The lodges begin to work more substantially and I have the best hope for our future. It is true that the work makes progress very slowly, but there are so many circumstances that have an influence upon our work."

NEW SOUTH WALES.—Alexander McLean, Grand Master, says: "I trust that the deliberations of this Grand Body will be emanations of legislation of a progressive character, reiving an interest in the Order, linking hands, and hearts together to enlarge the environments of brotherly sympathy and kindness. The Order is an organism in which all men may meet upon a common platform to use their endeavors for the amelioration of our present system, and I trust the grand principles laid down by the founders of our noble institution will not be wolsted but improved in the right direction. This jurisdiction has been retarded by the past legislation being so changeable. During the year the Registrar of Friendly Societies has informed the standing committee that no new lodges could be instituted unless on the condition he laid down, viz. the grandated scale of contributions upon a basis consistent with the benefits proposed."

Henry H. Greene, Grand Secretary, says: "The shadows that have obscured the prosperity of these fair lands continue to influence commercial and industrial enterprises, and the dearth of opportunities for the investment of capital is undoubtedly the disturbing element which contributes to industrial disorganization, the tendency being to aggravate, rather than ameliorate, the condition of the masses. The necessity of broader human sympathy is admitted to be the basis

cxl.

upon which the condition of the human race is to receive recognition, and the iniquities that pervade our social system become capable of measurable adjustinquities that pervade our social system become capable of measurable adjust-ment. The solution of the social problem still remains to be accomplished, although the investigation is pursued with all the vigor that the intellectual forces of the philosopher can bestow upon the subject. The presence of essential ele-ments appears to be necessary in the theory advanced by the accepted authority upon social evolution. The financial aspects of the Order's operation during the year have been of a highly satisfactory character, notwithstanding the fact that the avenues of industry, the source from whence the membership of friendly projections is drawn, have continued to be in an unsettisfactory condition. Numeric societies is drawn, have continued to be in an unsatisfactory condition. Numerically, I regret to say the same measure of success has not been achieved, but, on the other hand, the fact that retrogression is not apparent must prove a source of satisfaction. The fluctuations during the year have assumed a barometer-like aspect, as the following details will suggest : 637 were admitted by initiation, 19 were reinstated to membership and 38 received by clearance-total, 694 ; the secessions are comprised under the several heads, as follows : 570 left by arrears, 68 withrew by clearance, 43 ceased membership by death, 14 resigned and 2 were expelled from the Order-total, 697-thus sustaining a loss of three members on the year's transaction. The total membership is therefore 5,111; of this number, 4,457 are financial, 654 unfinancial. The depletion in the industrial sections of our population is unquestionably responsible for the fluctuation in our membership. The attractions offered by other fields of labor have drawn from our ranks many zealous workers in the cause of human benefaction. With the dawn of a brighter future the prosperity of the past will, I trust, become a possible realization. I am pleased to note by recent correspondence with the Grand Secretary of the Sovereign Grand Lodge that the subject of the extension of the Order into South Africa has occupied the attention of the authorities in Baltimore, and that there appears to be a reasonable prospect of this being consummated at no distant date. I have been invited to furnish information respecting the prospects for the initiation of a movement for the introduction of the Order into the Cape to the initiation of a interement for the information of the Order into the cape Colony, and, with the energy characteristic of our American brethren, to acquire for our Order a new field for its operation which will forge another link in the mystic chain that is steadily girdling the globe. The injudicious investment of Lodge funds is invested with more importance than is generally attached to the subject ; losses of a serious character continue to be experienced, owing in some instances to a want of knowledge of the law on the subject, and in others to a want of proper consideration of the interests involved. Investments of a speculative character have involved one of our oldest lodges in serious difficulty ; the losses sustained in legal, and other expenses, in releasing the principal invested, should prove beneficial as an object lesson whenever the investment of lodge funds is in contemplation. The retirement of Brother Theodore A. Ross from the position of Grand Secretary of the Sovereign Grand Lodge, has severed another link in a cordial official relationship extending over many years. The Order in these colonies owes much to our distinguished Brother's practical sym-Druct in these colonies twees much to our unstruguing or bottler's practical sym-pathy and advice in all matters affecting the welfare of the Australasian jurisdic-tion. His career has been a distinguished one, and his devotion to the cause of humanity has won for him a high position in the estimation of the great brother-hood. May his declining years continue to merit the fraternal solicitude of that colossal organization over whose destinies he excited such a noverful influence. nood. May his decining years continue to merit the naternal solicitude of that colossal organization over whose destinies he exercised such a powerful influence in the earlier days of his vigorous manhood, and the remaining period of his earthly pilgrimage be surrounded with that felicity which is the inestimable reward of a life devoted to the moral and social elevation of the human race."

October 24th, 1896, he writes : "The extension of the Order in other lands has engaged the attention of our people recently, and South Africa having attracted a large number of our people, the question has become one of great

importance. The bone and sinew of our people are there, and I am looking forward to the receipt of intelligence that a lodge has been procured in this new and prosperous counity. I have been anxious that an effort would be made to unfold our standard, but there seems to be an impression that the necessary authority should emanate from Australasia, but I have advised direct communicaathority should emanate from Australasia, but I have advised direct communication with your office, and you may soon be made aware of the movements from the scene of action, and I trust the attainment of the end is within reasonable practical accomplishment. This would undoubtedly become another strong link in the chain that is fast encircling the globe. I shall be pleased to learn that the movement above referred to has entered upon the initial stage, and every reasonable inducement offered to those whom I am informed are anxious to devote themselves to the interests of our Order in these new and prosperous lands."

April 12th, 1897, he writes: "I am pleased to say that there appears to be an improvement in connection with the commercial and industrial features of our experience in this country. The revival of trade implies prosperity to the people generally; the Order has, I regret to say, made little numerical progress during the past year, but its finances have made a substantial increase."

New ZBALAND. — William Reid, Grand Secretary, under date of October 26th, 1896, writes : "I send herewith report of 29 of our -Subordinate Lodges. I regret delay in sending them on. Only two of our lodges have not reported ; one of them at present is not working and in danger of collapse : the other I will endeavor to get in and send on by the next mail. We are, as yon will see from our report, steadily, if slowly, progressing. We are a small colony, and isolated from the large centres of population, so there is not very much room for expansion, and we are really doing very well considering out drawbacks. Our Grand Lodge has no buildings, and owns no property. We have been very conservative in regard to this, in view of the experience of New South Wales, and some of our own Subordinates have great reason to be thankfut that we have been so. Our funds are in concrete form, well invested, and, as you will see from our reports, yielding good interst. The experience of some of our 'lodges in regard to halls has been very bad indeed ; some have been wield out of existence by this lascinating form of investment, while others, from the same cause, are carrying burdens heagter almost than they can bear. No lodges of this jurisdiction set now permitted to invest their money in hall property in case they have no suitable accommodations ; they are encouraged to build small lodge-rooms, but funds. The work of our Subordinates has very much improved of late years, and visitors from your country 8 the average standard of our work is quite up to that of America. I am speaking, of course, of the larger lodges, who have belaty of material to choose from ; but even in our country lodges there is a marked improvement of later years."

PERU. — F. L. Crosby, D. D. Grand Sire, writes, December 2nd, 1896 "You will have learnt from my previous letters the unfortunate condition of the Order in Peru, which I am sorry to say continues, and evidently tends towards the extinction of the Order. Meanwhile we will sustain the lodges until the very last moment."

Under date of January 18th, 1897, he incloses a letter from N. Khowritz, Recording Secretary of Chalaco Lodge, No. 4, Challao, as follows: "In answer to your kind favor of the 16th, I am instructed by C. Lodge, No. 4, to answer, firstly, regarding the receipt certificates, that they may be of great utility in the United States and other countries where there are many lodges, and they, in consequence, give them the advantage when suddenly called away from home, not having time to take a V.C., but here it is a useless expense; however, we

cxliii.

are bound to obey the mandates, and are ever ready to do so; you will, therefore, kindly order for this lodge four books of said certificates. Regarding the new Rituals; this lodge should wish five, if said are granted, for according to old law three was the number-however, I think it is five at present; in return we can give three old charge-books, also three Spanish Rituals ; the latter we should like to keep if allowed, for we haven't given up all hope yet to revive the Order and perhaps get it started in Spanish."

It appears that a copy of the circular quoting the action of the Sovereign Grand Lodge with reference to the Visiting Certificate was inadvertently addressed to Bro. Crosby ; hence the letter above quoted. As soon as this was learned, he was promptly informed that the certificates were only designed for use on the continent of North America.

SANDWICH ISLANDS.-H. H. Williams, D. D. Grand Sire, April 21st, 1897, writes : "Your anniversary proclamation was duly received March 21st, and a joint committee is now making the necessary arrangements to have the seventy-eighth anniversary of our Order observed in an appropriate manner."

May 12th, 1897, he writes : "Your memorial day proclamation has been duly received, and we will observe the day. The anniversary day passed off very pleasantly in Harmony Hall, which consisted of literary exercises, dancing and refreshments. I have to announce the death of Bro. S. Savidge, I.D.G. E.P.G. of Excelsior Lodge, No. 1, and charter member of Pacific Lodge, No. 1, April 28th, 1897, aged 71 years; also Bro. F. Ferry, of Excelsior Lodge, died the same day, aged 36 years."

SAXONY,-Otto Schenk, Grand Secretary of the District Grand Lodge in Saxony, writes: "Herewith I send you the addresses of our newly-elected Grand Officers.

"Grand Master, Richard Heydenhauss, 14 Schiller St., Schemnitz. "Deputy Grand Master, W. Harz, 17 Freibergen Platz, Dresden. "Grand Conductor, H. Knnath, 8 Concordia St., Dresden.

"Grand Treasurer, L. Krueger, 10 Terressennfer, Dresden. "Grand Secretary, Otto Schenk, 6 Hans Sach Strasse, 1 Pietchen, Dresden.",

SOUTH AUSTRALIA. - Tom J. Moody, Grand Master, says : "That we have progressed is manifest in the fact that the Grand Lodge funds have increased by progressed is manufest in this solution in the Lodge funds by $\pounds 2735$, or a total increase of $\pounds 1, 145185$. 6d.; Subordinate Lodge funds by $\pounds 2735d$, or a total increase of $\pounds 1, 114185$. 11d. Our membership has increased from 3,634 to 3,693, or a gain of 49 it to this rise in membership we are indebted to the rapid strides the Rebekah Lodges have taken, and the increasing desire of the members to ful-ne their institution, and the increasing desire of the gain of the steps we the recerch Longes nave taken, and the indexang distribution is in the steps we foll the hopes we have in their institution, and fully justifying us in the steps we took towards promoting this branch of the Order. It is gratifying to note that our Brothers in West Australia have expressed their desire to actively extend Oddfellowship in the principal centers of population. There is no doubt that the Government Actuary's report has been instrumental in helping us in our efforts to increase our stability, and in keeping ourselves in the position we have justly earned as a friendly benefit society.

A. Leane, Grand Secretary, says: "The numerical progress has been very small; the total membership being only 49 in excess of last year, while there is a decrease of 4 in adult males. This is, however, to be accounted for by the extraordinary exodus to West Australia; many dour brethen having gone there, some taking their clearance and losing their membership. This will, however, find its compensation in the activity now being displayed in that part of our jurisdiction. This activity has already found expression in the successful opening of a new lodge, while warrants have been issued for two others, and there is

As the friendly societys' statute of that colony requires that every lodge having no head or centre there, must registers a separate society, at a cost, I am told, of \pounds_4 to: for each lodge, they will no doubt seek, as early as possible, to be erected into a separate Grand Lodge Jurisdiction. The Friendly Societies' Association has again proved itself of service to the society. A substantial benefit has been procured through the intervention of the association, namely, the concession granted to representatives and officers of the society when travelling by rail solely in the interests of the society, who, upon presentation of a proper certificate, are, by the concession, entitled to a return ticket for a single fare."

SWEDEN.—Frederick Geiger, Grand Secretary of the Grand Lodge of the Kingdom of Sweden, writes, October 24th, 1896: "We have with pleasure noted that the Sovereign Grand Lodge has granted our petition for independency of the Sweden Grand Lodge, and I think this will greatly contribute to the already rapid development of our Order in Sweden. All is going on well here. Our membership is now 913, and many inquiries about the Order are coming in from different places. We expect shortly to start two or three new lodges at new places."

November 24th, 1896, he writes : "I beg thankfully to acknowledge receipt of your favor of 13th inst., communicating A. T. P. W. for 1897."

January 16th, 1897, he writes: "I am glad to inform you that on the 12th inst. we instituted the twellth lodge I.O.O.F. of Sweden, 'Helsingia,' at Soderhamn in the North, with 43 members. Sweden now 'counts 1,005 Oddfellows."

March 10th, 1897, he writes: "The membership in Sweden is now 1,051, and a new Oddfellows' Club has been founded in the town of Orebro."

April 17th, 1897, he writes: "Inclosed I beg to hand you annual report for the Swedish Grand Lodge. As you will find, 1896 has been a properous year for our jurisdiction. We have every reason to hope that 1897 shall not be less prosperous."

William Laurentz, D. D. Grand Sire and Grand Master of Sweden, writes: "The resolution of the Sovereign Grand Lodge to grant us a quasiindependent Charter was greeted with joy throughout our jurisdiction, and I have very good hopes that we will answer the showed confidence. In some days a new lodge, the twellth, will be instituted, and two others are in preparation."

SWITZERLAND.—Ed. Knuchel, Grand Secretary, writes: "During the year 1896, six brothers of Helvetia Lodge, No. I, Zurich, and two brothers of St. Jacob's Lodge, No. 6, Basel, received Veteran Jewels of 25 years' membership in the Order. The year of 1896 was one of caim and peaceful development in our jurisdiction and of our beloved Order; even though the number of our lodges has not increased, and we are but 351 brothers, we stand true to the colors of Oddfellowship and we hope from year to year to present a favorable report to the Sovereign Grand Lodge. That our beloved Order in America has been affected by the financial depression is very deplorable, but we hope the time will come when the Order of Oddfellows will bloom and spread as formerly. On the 1st of April, 1897, Colombo Lodge, No. 1, Naples, Italy, was placed under the jurisdiction of our Grand Lodge by Special Deputy Grand Sire for Europe Bro. Herman Block, in the name and by the authority of the Sovereign Grand Lodge. We will, at all events, do our utmost that the Italian Brother will do well and gain strength, and that our Order in Italy will be able to open a sphere of activity. The sessions of the Grand Lodge ef Switzerland will, in future, be held biennially ; there will be no session, therefore, in 1897, but in May, 1898, in Berne."

L. McKinney, Secretary, containing the following :

"Whereas, 'The Oddfellows' Mutual Aid and Accident Association,' of Piqua, Ohio, has taken all necessary legal steps required by law to change its official name from 'The Oddfellows' Mutual Aid and Accident Association' to that of 'The Piqua Mutual Aid and Accident Association,' except final publication in a newspaper of general circulation and the filing of the decree of the Court of Common Pleas of Miami county, State of Ohio, with the Secretary of State, and

SPECIAL MATTERS.

The following items of general interest to the Order seem to require attention at this session. They are mentioned for that purpose :

 Since there are a great many cards in the Grand Secretary's office and in the possession of Subordinates, which have, on the margin, the *fac-simile* of Bro. "Theo. A. Ross, Grand Secretary," it is respectfully suggested that by special enactment, they be declared legal:

2. It is respectfully suggested that a limit be fixed to the time in which old Rituals shall be accepted in exchange for new ones, at the rate of one-half the price charged for the new.

price charged to the new. 3. Great complaint comes from almost every jurisdiction against the law requiring annual reports of property owned by Subordinates to be made to this office. It will be seen by an accompanying table that some jurisdictions reporting last year are not heard from now, while some report this year for the first time. In some instances only a small per cent. of the whole number of Subordinates in the jurisdiction make report at all. Hence, it appears that these statistics are incomplete. If the law requiring these reports to be made annually was changed so that a census of such property should be taken once in ten years, reliable and useful tables might then be presented. The various "Homes of the Order" continue to make their reports, and this year the Grand Secretary is glad ty be able to present, for the first time, a tabulated statement from their reports.

4. Bro. Henry White, Grand Master of Ontario, paid a visit to this office last October to secure the affidavit of the Grand Secretary as to the genuineness and reliability of the printed Journals of the Sovereign Grand Lodge. Suits for benefits brough by members against lodges in Ontario were pending before the Court of Appeal, and the court refused to admit the printed Journals as evidence, because they were referred to in the Journals themselves as "Revised Journals." It might cure this defect if, in referring to the Journal in future, the use of the qualifying word "Revised" is discontinued, and the book be referred to as "The Journal of Proceedings," which is the tille under which they are bound, and as this is the only record of the minutes of this body.

5. In most instances the law requiring annual returns to be made by State, District, and Territorial Grand Bodies, on or before April 1st of each year, continues to be disregarded. This time is undoubtedly short for the large jurisdictions, and it would seem that Article XI. of the By-Laws granted an extension of sixty days, fixing the time as June 1st. A careful reading of this law discloses an uncertainty in its force and meaning. Five months is ample time in which to compile the report of any jurisdiction. At the date of writing, July 30th, there are several jurisdictions yet to hear from. The Corresponding Secretary of a Society in England publishes a voluminous report in April of each year. It contains statistics very similar to ours, gathered in the same way. In his report for April, 1897, he says, "treturns have been received for the year 1896 from every district except two." There are fifty-eight districts. Attention is respectfully called to Articles X. and XI. of the By-Laws, with a view to harmonizing them so as to secure the receipt of the annual returns by June 1st of each year.

JEWELS.

Six hundred and twenty-eight jewels have been sold. Of this number, 8 were Honorable Veteran, 325 Veteran, 11 Rebekah Veteran and 284 Patriarchs Militant. Included in the latter are 254 of the new P. M. badge. This badge is made under contract with the Grand Secretary on terms arranged by the Committee on Printing Supplies ; and, though the badges were late in coming

to hand, it will be seen that they are outselling the other P. M. jewels. The badge is greatly admired and is giving almost universal satisfaction.

Owing to the failure of the firm that manufactured most of the jewels, it becane necessary to arrange for the continuance of their manufacture with another firm. This was done promptly by the Grand Secretary, and on such terms that the profit on the jewels is slightly increased, while at the same time a better and more satisfactory class of jewels is furnished. The table accompanying this report shows the number sold, and the jurisdictions where the jewels have been distributed.

NEW RITUALS.

Under that portion of the resolutions directing the Grand Secretary to furnish the new Rituals to Grand and Subordinate Bodies in exchange for copies of the old editions at one-half the prices fixed for the new, the Grand Secretary did not consider himself authorized to pay, by warrant on the Grand Treasurer, for old Rituals returned for destruction. An appeal to the Grand Sire brought the authority under which those warrants, mentioned in the Grand Treasurer's report in payment for old Rituals, were issued.

It is certain that the work of exchanging new Rituals for old has not yet been completed, and, as the Grand Lodge, at its session in 1896, did not fix a day when the exchange shall cease, it is very important that this be done at the present session. The new Subordinate Lodge, Rebekah, and Encampment Rituals have been translated into the German language, by Rep. Grassmann, of New Jersey, but as the work of translation is very slow, gand there has been but little enquiry for other translations, none have been made. It is respectfully requested that the Grand Lodge, at this session, will definitely instruct the Grand Secretary as to what other translations shall be made. In this connection it is well to consider that the demand for Rituals printed in other than the English and German languages is very light.

BUILDINGS.

The present value of buildings, etc., owned by the Order amounts to \$7,672,541.51. The total amount of indebtedness thereon is \$1,494,336.36.

GRAND LODGE OF ONTARIO.

In reference to the legislation referred to the Grand Representatives by the Grand Lodge of Ontario for adoption by the S.G.L.

1. A reduction in the price so as to enable the Subordinates to procure them at a price not to exceed hfty per hundred receipts.

Receipts are reduced to one dollar per hundred. The "official certificate" (or receipt) must be given when requested by a brother.

2. That the receipts be sufficiently enlarged in size to give the required space for being readily filled out by the recording secretary.

This was referred to the Printing Committee, and as several jurisdictions requested the same we have no doubt it will be adopted.

3. For authority to print the necessary forms in our own province.

Granted upon conditions to be arranged between the Grand Secretary and the Sovereign Grand Lodge through its Secretary.

4. The authorization of the words "Assessment System" to be embodied in the receipts used in Ontario, as required by the statutory laws of the province. Granted.

5. The removal of the limitations as to its being the only legal receipt and the substitution therefor of some other regulation to enforce their general use, and secure the necessary revenue to the Sovereign Grand Lodge. Action was taken

cxlvii.

in this, and the law as it now stands makes it optional for the "financial-secretary to give a receipt in payment of dues, but when requested by a brother to do so the official receipt" must be given and that only.

6. That all honorable means be used by the Representatives to the Sovereign Grand Lodge, to restore to the Rebekah Lodges the right to sick and financial benefits, as this seems to be the one reason that our membership does not increase more rapidly and substantially. Lost on a division.

7. Resolved that our Representatives to the Sovereign Grand Lodge be instructed to procure the passing, by that body, of legislation empowering the Grand Lodge of Ontario to enact laws which will effectuate the scheme of relief by Subordinate Lodges formulated by the Grand Secretary in clause 17 of his report, as (ollows:

Clause 17, Grand Secretary's report, "Carefully considering the able report of the Special Committee on dues and benefits, it is manifestly plain that the time has arrived (if not in some cases past, though I hope not) for the Grand Lodge to take prompt and decisive action in this important matter of dues and benefits."

Action being taken therein, it was resolved by the Sovereign Grand Lodge that jurisdictions have the power to make such laws, providing the "minimum laws" governing the same is complied with.

8. Resolved that the Representatives to the Sovereign Grand Lodge be instructed to procure, if possible, legislation in effect as follows :--" Providing a member, holding membership in both Subordinate Lodge and Encampment, the Subordinate Lodge of which he is a member in good standing, should become defunct, he may still remain an Oddellow by his being enabled to retain his membership as a Patriarch of the Encampment to which he belongs, provided he so desired."

The committee reported against such legislation and asked to be discharged from further consideration of the matter, which was granted.

"Permanent Secretary," wherever it appears in our rituals, must be changed to "Financial Secretary," and the use of the former appellation is forbidden.

The S. G. L. will meet next year in the City of Boston, Mass.

All of which is fraternally submitted.

REPORTS OF COMMITTEES.

The Committee on Membership reported that the Association had been a most useful auxiliary of the Order, that according to information obtained from agents many who desired benefits in the Association had joined the lodges in order to obtain them. The Order as well as the Association had, therefore, been advantaged by the cordial relations which existed between the Association and the Grand Lodge.

The Committee on the Extension of the Work approved of the formation of a local board in Winnipeg, to supervise the local agencies and extend the usefulness of the Association in Manitoba. It expressed the hope that similar boards would be organized in the other outlying provinces. The Committee on Paid up Policies commended the action of the directors in

introduce this new feature in the business of the Association. The matter will come up again next year. The same Committee endorsed the application of the Sisters of Rebekah Degree for admission to the Association, and recommended that notice be given of such changes in the constitution as the carrying out of this recommendation involved.

The Committee on Laws and Amendments sanctioned the following charge in the Disability Law, being the addition of a clause to Article X : "A claim for disability shall be absolutely barred unless the notices required by Clause I, of this section be fyled with the Secretary within six months from the occurrence of the disability."

The Finance Committee congratulated the Association on its gratifying financial exhibit for the year, upon the advance of the reserve fund to \$105,000, and upon the fact that this growing fund guaranteed the perpetuity of the Association through future years. The Committee examined into the details of the various funds, securities, etc., and expressed itself as well satisfied with the result.

The Committee on General Business approved of the identification of the Association with the Bureau of Information established by the Canadian Fraternal Association, of the present form of assessment notices, and of the printing, as far as practicable, of the rates of the Association in the by-laws of the Subordinate Lodges.

MISCELLANEOUS BUSINESS.

Capt. Donnelly, R. F. Elliott and B. H. Carnovsky, retiring directors, were re-elected for a term of three years each.

A. T. Smith and John Nicolle were re-elected auditors of the Association for the ensuing year.

The consideration of the motion, of which Bro. Carey gave notice, and having for its object the restoration of engineers and firemen on railway trains to the hazardous class, was indefinitely postponed.

Two notices of motions were given (1) by W. S. Given, that he would move to amend the Constitution, making Sisters of the Rebekah Degree admissable to membership; and (2) by Rev. W. B. Carey, that he would move to amend the Constitution, making the date of the annual meeting of the Association the first Wednesday in August each year
