is sold all over the world, It is far superior to plain Cod Liver Oil, palatable
and easily digested. Dr. Martin Miles
Stanton, Bury Bucks, London, England,
says: "I have prescribed Scott's Emulsion and taken it myself. It is palatable,
efficient, and can be tolerated by almost
anyone, especially where cod liver oil
itself cannot be borne. Put up in 50c. WARREN C. WINSLOW, FRED'R W. EMMERSON, Plaintiffs' Solicitor. Referee in Equit

The old pyramid builders must have een a race of hustlers. Even their mummies were pressed for time.

"I was taken sick a year ago with bilious fever."

"My doctor pronounced me cured, but I got sick again, with terrible pains in my back and sides and I got so bad I Could not move! I shrunk!

From 228 lbs. to 120! I have been doctoring for my liver, but it did me no good. I did not expect to live more than three months. I began to use Hop Bitters. Directly my appetite returned, my pains left me, my entire system seemed renewed as if by magie, and after using several bottles I am not only as sound as a sovereign but weigh more than I did before. To Hop Bitters I owe my life."

Dublin, June 6, "81. B. FITZPATRICE. How TO GET SICK.—Expose yourself day and night; eat too much without exercise; work too hard without rest; doctor all the time; take all the vile nostrums advertised and then you will want to now how to get well, which is answered k three words—Take Hop Bitters.

Professor of Class in Journalism-"What is the difference between an ed-

itorial and an editorial paragraph?' Stu-dent—"An editorial is of the same nature as an editorial paragraph, but is larger and doesn't have as much to say." A Boston man bet \$50 that a barrel filled with gas would weigh more than an empty one. His eyes opened very wide

when he saw that it did not weigh as good or harm in the world. It is our false opinions of things which ruin us. A Minuesota man painted his house with phosphorescent paint, and the very tirst night four fire companies smashed all his windows and drenched his carpets,

000 worth of diamonds and solid silver.

Lady of the house—Have you a young man? Applicant for position—No, mum. I don't believe in the young man principle. I have six that come regular, and I enjoy a much greater diversity of entertainment than if I coufined myself to one exclusively.—Boston Herald.

Children naturally object to nauseous medicins. When troubled with Worms they often suffer for want of sound sleep and their food does not seem to nourish them, give promptly McLean's Vegetable Syrpn.

SHERIFF'S SALE.

A writer says that people are growing smaller. Not in their own opinions.

Don't judge a man by the clothes he wears. God made one and the tailor the other. Don't judge him by his family, for Cain belonged to a good family. Don't judge a man by his failure in life, because many a man fails because he is too honest to succeed. Don't judge a man by the house he lives in, for the lizard and the rat often inhabit the grander structures.

M. A. Dauphin, or M. A. DAUPHIN, Address Registered Letters to

DUKE OF WELLINGTON Imported by the Northumberland Agricultural Society, will make the Season of 1888 on the same terms, etc., as last year. His route will embrace Blackville. Indiantown, Derby, Newtonatie, Neison, Douglastown, Napan and Charham. "Duke of Wellington" will stand in Chatham every second week after May 1st; other stopping places made know. by the Groom after his first visit.

DUKE OF WELLINGTON is a Black Clyde Stallion, rising 8 years old, by Bismarck, a pure DUKE OF WELLINGTON is a Black Clyde Stallion, rising 8 years old, by Bismarck, a pure Clyde Horse which took four lat prizes at Rothsay, Scotland, and other places. Bismarck was by old Marquis, and is now 12 years old, stands 17 hands high, with great power and superior action - was bred by R. G. Riddle, Esq. Felton Park, from his celebrated prize-taking Black Mare by Tweedside. Old Marquis was bred by Alex Lang, Garniland, Paisley, and took first prize at Barrhead, Paisley, and at Johnstone when one year old, these shows being open to all Scotland. When two years old took first prize at Rothsay, Marquis' dam was bred by Mr. James Simpson. Bute, and took seven lat prizes at Rothsay, and all her produce took plizes. Marquis' Grandsire was Samson, bred by Mr. Logai, Crossfeat, Kibareban. bred by Mr. James Simpson, Duce, and covaseven lat prizes at Rothasy, and all her produce
took plizes. Marquis' Grandsire was Samson,
bred by Mr. Logat, Crossleat, Kilbareban.

DUKE OF WELLINGTON'S Dam was by
Wellington, Grande mb yold Blooming Heather.
Wellington was bred by Mr. Robert Fox, of
Swindon, Grange, near Weatherby, stands I7
hands high on abort clean legs, with good action.
Was got by Derbyshire champion out of a Mare
got by True Briton, True Briton was got by old
Oxford and Old Oxford by Bringham's Farmer's
Glory. Old Blooming Heather was got by Heather Jock, and obtained in 1893 a medal at Edinburgh and 1st Frize at Carlisie and 1st a Langholm and when 5 years old obtained the £45
prize at the Mid-Calder in County Edinburgh.
Blooming Heather was a good black and his
dam was by Black Rattler, Grand Dam by Waggoner.

Unrestricted Reciprocity.

Among the speakers at the 4th July celebration in Woodstock, Connecticut, was Mr Goldwin Smith. His address was on the benefits of Unrestricted Reciprocity between the United States and Canada, and owing to the clear and logical manject he appears to have made a most number of his hearers. The follow-

statements made during his address: "The map settles the question.
Look at it or call it up before your
minds. Here is a continent stretching
from regions almost tropical to regions Old Canada, French and British, the newly opened region of the North-West and British Columbia, which together make up the Canadian Dominion.

These territories have but little natural trade with each other, though desperate efforts are made to force an inter-proent of the wealth which they contain. it were cut off commercially from the other states; and you lose as you would
