BILL.

An Act to enable the Honorable Philip H. Moore to obtain a Patent for the invention of a new method of manufacturing peat into coal by process of steam.

WHEREAS the Honorable Philip H. Moore, a Member of the Legislative Council of this Province, has by his petition, represented that an invention of great economical value for manufacturing peat into coal by process of steam, has recently been discovered in the United States of America, and that the introduction of that invention into this Province, would prove of great public utility and has prayed that an Act may be passed authorizing the Government of this Province to secure to him by Letters Patent the exclusive right to make use of said invention within this Province, and it is expedient to grant the prayer of said petition ; Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows :—

1. Notwithstanding anything to the contrary contained in Chapter thirty-four of the Consolidated Statutes of Canada, intituled, "An Act respecting Patents for Inventions," it shall be lawful for the Governor General, if he shall see fit, to grant a Patent to the said Honorable Philip H. Moore, for the said process, invention and discovery, securing to him the exclusive right to make use of such invention, process and discovery, within this Province, for the period of fourteen years.

Preamble.
Exclusive right to make use of an American invention may be secured to the Hon. P. H. Moore by patent.

2. This Act shall be deemed a Public Act.
