The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

PREFACE.

THE general approbation with which FESSENDEN'S TABLES have been received, and the concurrent recommendations of several of the most eminent Merchants and Bankers in the Canadas, induce the Publisher to present to the Mercantile Public, in a more commodious form, and at a *considerably cheaper rate*, a Third Edition.

Aware that the value of such a work as this is greatly enhanced by its correctness, the Publisher has had this Edition carefully revised, and has taken every possible care to render it free from typographical errors.

In a country so rapidly advancing in commercial importance as the Canadas now are, the Publisher hopes that these TABLES will continue to be a great public advantage and utility, and that the cheapness, accuracy, form, and neatness of this Edition will further recommend them to the patronage of the commercial community.

RECOMMENDATION.

HAVING been advised by Mr. FESSENDEN of his intention to publish a second volume of TABLES OF INTEREST, and being pleased with the first volume containing TABLES OF EXCHANGE, the Manuscript Sheets of which we saw, we highly approve of them; and being fully satisfied of their correctness, we with readiness recommend them to the patronage of the Merchants of Canada, persuaded as we are that they will be found very useful in the Counting-House.

T. A. TURNER,
President of the Bank of Canada.

S. GERRARD,
President of the Montreal Bank.

R. ARMOUR,
Cashier of the Bank of Canada.
