XXII. The State of Society as presented by the reports from the Quarterly Meetings has been carefully considered, together with verbal reports from each meeting. The Summary of the Answers to the Queries is appended.

SUMMARY OF ANSWERS TO QUERIES.

1st. With few exceptions Friends are careful to attend our meetings on First Days. Mid-week meetings held in the forenoon are attended by a few Friends. The prayer meetings are well attended. The hour is nearly observed.

2nd. With some exceptions, in which care has been taken, Friends are preserved in a good degree of love one toward another. If differences arise due care is taken speedily to end them.

3rd. Our meetings for transacting the affairs of the Church are regularly held (with some exceptions, in one meeting). The discipline has, we believe, been seasonably and impartially administered in the spirit of restoring love.

4th. Nearly all Friends are in the practice of reading the Holy Scriptures in their families collectively, with time for reverent waiting on the Lord, with thanksgiving and prayer.

5th. With two or three exceptions as to the use, we believe Friends are clear of the manufacture, sale or use of any intoxicating liquors, except for purposes strictly medicinal; care has been taken in the above cases.

6th. As far as known, Friends are just in their dealings, and endeavor to be punctual in fulfilling their engagements.

7th. One meeting reports a Trust Fund, which is invested and in the hands of Trustees, who are endeavoring to use it for educational purposes, according to the wish of the donor. Titles to property are duly perfected, recorded and kept valid as far as reported.

XXIII. We direct that the applications forwarded by Yonge Street Quarterly Meeting, to hold our next Yearly Meeting at Newmarket and at Toronto, be referred to the Representative Meeting.

XXIV. Adjourned to meet at 2.30 p.m.

SEVENTH DAY, 2.30 p.m.

XXV. The Meeting convened pursuant to adjournment.

XXVI. William J. Thornbury, a Minister from Ohio Yearly Meeting, is present, with a Minute from Winona Monthly Meeting. We welcome him in Christian love.

XXVII. The Treasurer's Report was read and approved.

XXVIII. The Home Mission Committee presented the following report, and our hearts are stirred with love and gratitude to God for the work done in the older settlements of Ontario.

Yet we would express deeper gratitude for the work being done in the newer Province of Manitoba. We believe God has called us into this work, and we desire that the hands of our Missionary, Alma G. Dale, may be upheld by our prayers and by our substantial support.

This meeting endorses the action of the Committee in regard to the support of Alma G. Dale, and would encourage them to press forward the work, in the several fields of service.

A subscription has been opened to carry on the work, and Friends in all our subordinate meetings are requested to give this branch of church-work their liberal support. The sum of \$254.05 was contributed in the meeting.

REPORT OF THE HOME MISSION COMMITTEE.

To Canada Yearly Meeting of Friends :

During the past year God has richly blessed the work of our Committee. A great uplift was given us at the close of the Yearly Meeting of 1897 in a two days' conference for Bible study, in which P. W. Raidabaugh, Ellwood Scott, Howard Nicholson, T. Waldiemier, and others took part. Our chief regret was that so few of our members could remain as the sessions were full of interest and profit.

Home Mission work in Ontario has been confined in particular to help given in pastoral work to Kingston and Grey Monthly Meetings, but our efforts in other directions in Ontario have been hampered by lack of funds.

Tent meetings were held within the limits of Kingston Monthly Meeting by William Allen and helpers, and although this work

was not directly under our care our sympathies and prayers were for him in his godly efforts to bring the unsaved to Christ.

Way did not open for any special evangelistic work during the winter.

Work in the North-west Territory has claimed a large share of our attention and we rejoice that the way has been opened to that vast field.

At the close of the Yearly Meeting of 1897, Wm. I. Moore went to Manitoba, spending nearly two months' visiting and holding meetings among our scattered members and others.

On Wm. I. Moore's return we were guided in sending out Alma G. Dale to follow up the work. Her earnestness and geniality found a ready response in the hearts of the people and active work was done for the Master. She spent about two months in Gospel service, and returned home weighted with the earnest desire to return and devote herself entirely to the Lord's work in the North-west in the interests of the Friends' Church. We fully sanctioned her going and pledged her support in the work to the extent of \$400 per year, subject to the approval of the Yearly Meeting. Friends in Manitoba have promised to contribute to this amount.

We thank God for this new field and for our consecrated sister Alma G. Dale to labor therein, but many workers are needed. One old veteran in Christ has been called to his great reward. Who will take his place? Since our sister started in her work on the 17th of the 4th month, 1898 five meetings have been started, and there are requests for more. Already the fields are whitening unto harvest, may willing consecrated laborers be found offering themselves for the Master's service in this direction.

Surely "the good hand of our God has been upon us."

Signed on behalf of the Home Mission Committee of Canada Yearly Meeting of Friends.

WM. I. MOORE, Chairman,
SARAH A. DALE, Secretary.

XL. The following Minute from the Meeting of Ministry and Oversight was read. Directed to be printed in the Minutes.

The following Minute of the Yearly Meeting of Ministry and Oversight in regard to the death of our dear friend William Allen was received and read. It is expected that Yonge Street Monthly Meeting, of which he was a member, will bring to next Yearly Meeting a memorial concerning him.

We desire to record our sense of the great loss we have sustained in the removal from our midst of our dear friend, William Allen, a Minister of the Gospel, who was called to his eternal reward during the past year. He departed this life at Hibbert, Ontario, 5th mo., 21st, 1898, in the 80th year of his age.

A faithful Minister of Jesus Christ, with warm sympathy and a loving heart, filled with the Spirit; he labored unceasingly for the extension of the Kingdom of Christ and the building up of the church. His best memorial is in the lives of those that have been won for Jesus, and the many that have been led to dedicate their lives to the service of Christ through his instrumentality. He rests from his labors and his works do follow him.

XLII. The Delegates appointed at our last Yearly Meeting to attend the Conference at Indianapolis make their report, extracts of which are as follows :

To Canada Yearly Meeting of Friends :

We, your delegates appointed to attend the Conference of Friends in America report :—

Two of the delegates attended the Conference, which was held at Indianapolis, Indiana, 10th mo. 19th to 23rd, 1897.

The Conference was signally owned of God by the presence of His Holy Spirit, and much love and unity of spirit prevailed. It was the general impression of those present that in this respect the Conference was a distinct advance on those previously held.

The papers read were, on the whole, of a very high order and gave evidence of much careful and prayerful thought on the part of those who prepared them.

Perhaps the two subjects of most importance before the Conference were, " Shall future Conferences have Legislative authority," and " Shall there be a uniform discipline for all the American Yearly Meetings."

We wish to express our appreciation of the warm welcome and uniform courtesy and kindness extended to us by our dear Friends across the border, and we feel very thankful to our Heavenly Father for the privilege of attending the Conference, which we believe marked a step forward in the history of Friends Church on this continent.

A committee was appointed to make arrangements for another Conference in 1902.

The Conference was attended by one hundred and twenty-nine delegates from thirteen Yearly Meetings.

ROBERT H. ROGERS,
WM. I. MOORE.

XLIII. Adjourned to meet at 2.30 p m.

SECOND DAY, 2 30 P.M.

XLIV. The meeting convened pursuant to adjournment.

XLV. The Standing Committee is directed to bring to our next session the names of Friends, one from each Quarterly Meeting, to compose our Bible School Committee, also the name of a Friend for Superintendent of Bible School work.

XLVI. An address of welcome from the Reeve on behalf of the Council and people of Wellington has been read. The kindly expressions contained therein to our visiting Friends from the adjoining nation as well as to our own members, called forth warm expressions of the bonds that bind us together as one great people, with many interests in common.

The Clerk is directed to send a copy of the above minute to the Reeve.

XLVII. The College Committee presented the following Report and Financial Statement. The meeting expressed its satisfaction, not only with the report, but also with the faithful services of the teachers and officers.

REPORT OF THE COLLEGE COMMITTEE.

We are glad to be able to report this year a decided increase in prosperity on the part of the College. There has been a considerable in-

crease in the number of students--the fees this year amounting to over \$1,000 more than last year.

Through the generosity of Friends in England and Canada, several children of Friends have been enabled to attend College who could not otherwise have done so. We are glad to learn that the influence of these and other Christian students has been very helpful. The spiritual growth among the students, and in some cases the intellectual growth, has been more marked than in any previous year.

The prayer-meetings have been delightful times of refreshing both to teachers and students. A new gymnasium, the gift of Samuel Rogers, is in process of erection. An attempt was made to purchase six and one-half acres of land adjoining the College grounds, but was unsuccessful, owing to the exorbitant price asked by the owner. The gymnasium has therefore been placed on the College grounds a little to the north and west of the College. The building is of red pressed brick, 56 feet long by 36 wide, and will cost about \$1,800.

The old gymnasium has been fitted up as a cold storage building, thus supplying a long-felt need.

New out-houses in accordance with plans from the Board of Health, have also been built, and a large number of new trees planted.

A settlement has been made with the Trustees of the Pickering Monthly Meeting Fund, on the basis of the terms agreed upon last year by the Representative Meeting of the Yearly Meeting, and \$169 has been paid in tuition this year on this fund.

In closing we would say, that we believe the prosperity of the College depends largely on the interest shown by the individual members of the Yearly Meeting, and we ask the help of all in our efforts to increase the number of Friends and others in attendance at the College, and thus to extend its influence as widely as possible.

THIRD DAY, 10 a.m.

XLIX. The Meeting convened pursuant to adjournment.

L. The Standing Committee propose that Edwin Lehman, of Newmarket, be appointed Superintendent, and Emma Nobbs, Emma Lewis and Maria Haight, our Committee on Bible School Work ; which was approved.

LI. The following extracts from the Minutes of the Representative Meeting have been read. This Meeting endorses the action of the Representative Meeting and directs the extracts to be printed in the Minutes.

EXTRACTS FROM THE MINUTES OF THE REPRESENTATIVE MEETING OF CANADA YEARLY MEETING OF FRIENDS.

Held at Wellington, Ont., 6th mo., 1898.

The subject of the adjournment of the Yearly Meeting having been referred to this Meeting :

After carefully considering the matter, it is the united judgment of the Meeting to recommend that when the Yearly Meeting adjourns it should adjourn to meet at Pickering at the usual time in 1899.

With respect to the appointment of two Friends on the College Committee to replace those whose term of office expires this year, would recommend that David B. Bowerman, from West Lake Quarterly Meeting, be appointed for said meeting and that Albert A. Colquhoun be appointed from Pelham Quarterly Meeting.

We would also recommend that \$100.00 be appropriated to defray the expenses of holding the Yearly Meeting this year and that the same be paid over to Abram Saylor, Wm. I. Moore and Paul Haight for that purpose.

To Canada Yearly Meeting.

We, your Committee, appointed last year to consider changes in the discipline, report that we have given the subject consideration, but in view of the fact that a uniform discipline for all the Yearly Meetings on the American Continent is in course of preparation, we would recommend that the subject be laid over till next year.

Whereas, The question of the desirability of prohibition in Canada is soon to be submitted to a popular vote ;

Resolved, That Canada Yearly Meeting of Friends would affectionately urge its own members and others to do all in their power to protect the lives and homes of our people from a traffic, the results of which can be seen in the wrecks of humanity which are to be found in almost every locality throughout this fair land ; recognizing, as we do, our individual responsibility, both for our own votes and the influence which it is within our power to exert for the good of our country and its citizens.

LVII. Samuel Rogers informs the Meeting that he has received a letter from England by this morning's mail, stating a Friend there had placed a sum of money in the bank sufficient to pay off the mortgage on Pickering College, and asks to have the required notice given to the Loan Company, and that when the time was expired the money would be paid over. Our hearts are filled with gratitude, and our lips with praise to our Heavenly Father, and with expressions of sincere thanks to the unknown donor.

LVIII. The auditor of the College Books presented a report which was approved by the meeting.

WELLINGTON, ONT., June 28th, 1898.

To Canada Yearly Meeting of Friends :

Acting under Minute of LIX of last year I have audited the books of Pickering College for the year 1897-8, and find them correct, showing a gain on current account of \$44.19. Satisfactory vouchers were found for all expenditures.

The books show careful work on the part of Principal Firth, which is highly satisfactory.

ing of a suitable gymnasium, which will be ready for use at the beginning of the Fall Term. The names of the donors will be handed to the Clerk for insertion in the Minutes.

SAMUEL ROGERS,
Chairman.

LXXI. The W. F. M. S. presented the following Report and Financial Statement: We would encourage Friends to give all the help possible to this important branch of Church work. A subscription list was opened, and \$108.35 subscribed.

REPORT OF EXECUTIVE OF THE WOMAN'S FOREIGN MISSIONARY SOCIETY OF CANADA
Y. M. OF FRIENDS, 1897-8.

As we look back over the years since our organization we cannot but praise our Heavenly Father for the marvellous way in which He has led us; and while in this our 13th Annual Report we have to record that which seemed at first disappointment and loss, already we are catching a glimpse of our Father's guiding hand, so that we can confidently hope that what seemed to us disaster, will yet prove a means of establishing on a broader and firmer basis, the work of Friends in Japan.

In 12th mo. last, quite unexpectedly to him and us, Gurney Binford's health failed through strain of over-work, so that it was deemed necessary for him to return to America for a time to rest. As he comes to us this year for the first time, we trust our interest in the work will be widened, and that through our intercourse with him we will feel more deeply our responsibility in the work.

At home our statistical report shows an increase in membership, and many of them show a marked increase in interest. Two Auxiliaries have been formed in Manitoba.

We have, aside from the support of our missionary Gurney Binford, provided for the support of Manje Kato and his wife in their work in

Mito, and from this work we have received very encouraging and satisfactory reports. J. Cosand writes 4th mo. 5th: "The work at Mito is in a flourishing condition, in fact, it is more prosperous than any of our other mission stations outside of Tokyo. Mr. and Mrs. Kato are very faithful, sincere workers, and I wish we had more like them than is the case."

The Yushin Gakwan, or school for poor children, is continuing its good work, and the school has an attendance of about 50 at both the day school and Sabbath school. K. Ito, for whom Pickering College Y. P. S. C. E. have provided a scholarship in the Training School, is now assisting in this school. The Sei ai-Gakko or Training School for young men, has recently been discontinued, principally on account of lack of funds, there being no visible means of financial support to meet the very apparent need of extension and improvement. We regret much the closing of this school, but trust a way may open very soon by which this branch of the Friends Mission in Japan may be re-established.

Canada Yearly Meeting.

LXXII. At this our closing session, we would express our thankfulness to our Father in Heaven for His many blessings ; for the messengers He has sent to encourage, and stir us up ;

for the love and unity we have had in all the business that has come before us; for the presence of the Holy Spirit which has rested upon visitors and visited. We earnestly pray that all who are here may carry to their homes such a blessing, that we may not only be strengthened in the cause of Zion ourselves, but may serve to strengthen the faith and courage of those who have remained attending to home duties.

We conclude to meet at Pickering at the usual time next year, if the Lord will.

THE
EPISTLE

FROM THE
YEARLY MEETING,

HELD IN LONDON,

By adjournments from the 18th of the Fifth Month to the 27th of
the same, inclusive, 1898 :

*To the Quarterly and Monthly Meetings of Friends in Great
Britain, Ireland, and Elsewhere :*

Dear Friends,—"Speak unto the children of Israel, that they
go forward." This message of the Lord through Moses to the
chosen people has been the keynote of much of the exhortation
given to us at this Yearly Meeting. We desire to pass it on to
those who have not shared the privileges which we have enjoyed
in being together.

The reports from our Quarterly Meetings show that—alike in
our great cities, in smaller towns, and in country villages—many
faithful laborers are carrying on the work of the Lord, in the pro-
clamation of the Gospel, in care for the needy, and in upholding

the claims of personal and national righteousness, and that these labours are being graciously blessed. The Epistles received from our sister Yearly Meetings in America, supplemented by the personal testimony of beloved brethren from that land who have been with us, speak of similar efforts put forth amongst them. From our foreign mission fields we learn that the year has been marked by an increased number of conversions to Christ. In Madagascar, the missions of our own and other Protestant societies have passed through a time of severe proving, but we are assured that the native Churches have come out of these trials purified and strengthened, although with lessened numbers. In India, the famine of last year has left under the care of our missionaries a large number of orphan children to be trained for Christ. The growing work in these and other heathen lands claims from the Church at home constant prayer and increased liberality, that the extension of the Lord's kingdom be not hindered.

We have had brought before us the urgent needs of the scattered communities and individuals connected with our religious Society in the Australasian colonies; and our prayerful sympathy has been aroused on their behalf.

We have set apart a deputation of Friends to visit our meetings at home, with the object of promoting the cause of temperance. We are thankful to know that the practice of total abstinence has been already adopted by a very large majority of our members, in the persuasion that they cannot rightly partake of that which is a snare and a curse to so many. But we fear that some who have known but little in their own immediate circles of the havoc wrought by strong drink, fail to realize the importance of active efforts to spread the principles and practice of total abstinence around them.

We rejoice at the increased attention which is being given amongst us to the careful and thoughtful study of Holy Scripture. The Book and its story must ever be a profoundly interesting theme, even in respect of the literary form and historical development of that Divinely inspired library which we call the Bible. We accept with reverent thankfulness every fresh light thrown by modern investigation and discovery upon the sacred pages which record how "men spake from God, being moved by the Holy Ghost." We would lovingly remind all who have entered upon this research that, valuable as is the intellectual study of Scripture, the truths which it contains will only be fruitful, as regards the heart and life of the student, in so far as he yields himself to

the guidance and control of the Holy Spirit. "For who among men knoweth the things of a man, save the spirit of the man which is in him? Even so the things of God none knoweth, save the Spirit of God." In His light we shall see light; without it, no searching of Scripture, of history, of philosophy, or of science, will ever enable us to find out God.

When we come to the Scriptures, recognizing our inability of ourselves to comprehend their inner meaning, and with prayer for the help of the Holy Spirit, who is promised to all that ask, we see that both the Old and the New Testament point to Christ as the crown and consummation of the whole. In Him is fulfilled Isaiah's prophecy of the child that should be born, whose name should "be called Wonderful, Counsellor, Mighty God, Everlasting Father, Prince of Peace." He is the Bridegroom King, whom the Psalmist addresses in the words: "Thy throne, O God, is for ever and ever: a sceptre of righteousness is the sceptre of Thy kingdom." He is the Word, who was in the beginning with God, and who was God; by whom all things were made. This Word "became flesh and dwelt among" men, and His disciples "beheld His glory, glory as of the only begotten from the Father." Yet "He humbled Himself, and became obedient unto death, even the death of the Cross." On that Cross He "died for our sins," and "gave Himself a ransom for all." As we contemplate the amazing love of the Father, who "sent the Son to be the Saviour of the world," and of the Son who freely laid down His life for us, our hearts may well be melted with gratitude, and flow out in love both to Him and to our fellow-men. "We love, because He first loved us."

He who thus died for us rose again, and was "declared to be the Son of God with power, by the resurrection of the dead." "If, while we were enemies, we were reconciled to God through the death of His Son, much more, being reconciled, shall we be saved by His life." This salvation is not only a deliverance "from the wrath to come," but also from the bondage of sin, and from a life of worldliness and self-pleasing. They who thus yield themselves to Christ will be taught of the Lord that they are not their own, but are bought with a price, and that their aim must henceforth be to glorify God by life and by word.

The reports that have come before us this year show a deepening consciousness that the work of our religious Society is not so effective for the blessing of the world around as the Lord would have it to be. We welcome this as an evidence that a sense of

need has been awakened amongst our members, believing it to be a sure sign that our Heavenly Father is preparing us for increased fruitfulness in His service. It was the promise of our Lord to His disciples, immediately before His ascension: "Ye shall receive power, when the Holy Ghost is come upon you." Beloved brethren and sisters, who are longing for more of the power of the risen Christ in your service for Him, must not the answer to the cravings of your hearts be found in obedience to His own words: "Abide in me, and I in you? As the branch cannot bear fruit of itself, except it abide in the vine, so neither can ye, except ye abide in me." He has "appointed you, that ye should go and bear fruit, and that your fruit should abide: that whatsoever ye shall ask of the Father" in the name of the Son, "He may give it you." In order to realize the fulfilment of these gracious assurances, we need to wait upon the Lord that we may receive the promised power of His Holy Spirit. Then shall we go forth from the presence-chamber of our King to the duties of daily life with an abiding sense of His nearness; even as the three disciples who had shared the vision of their Master's glory upon the mount, "saw no one any more," after it had vanished from their view, "save Jesus only with themselves." We shall thus become living witnesses of His presence, and His power will work in and through us to turn souls to Him.

This secret exercise of soul before the Lord is the true preparation for both family and public worship. We would affectionately impress upon all heads of families the importance of gathering the members of their households together, at least once every day, for worship and the united reading of Holy Scripture. We know that many of our members and of the attenders of our First-day Schools and Mission Meetings find it hard to secure the needful leisure; but it is worth while to make a great effort, in order to obtain the blessing that attends family worship. The reading of a brief Scripture portion, followed by a devotional pause, and, if utterance be called for, the offering of simple, heartfelt prayer and praise to the Giver of all our daily mercies, need not occupy more than a comparatively short time. Many of us can thankfully testify that such family gatherings have been attended by the blessing of the Most High upon ourselves when we were children, and we long that this blessing may be continued to the generations following.

It is of the utmost importance that those who meet together for public worship should come in the spirit of prayer. As this is

the case, we believe that the vocal utterance of thanksgiving and prayer will more often find a place early in our meetings. Let all yield to the gentle promptings of the Holy Spirit, as He constrains them, it may be very simply, to acknowledge, in the midst of their brethren, the mercy and faithfulness of the Lord, and to seek His renewed blessing. Such offerings of prayer and praise often open the way for others to proclaim the glad tidings of salvation, and the wisdom and love of God in Christ Jesus our Lord. Those who may be yet bearing the burden of sin, and more or less consciously seeking the way of salvation, will thus be made aware that their fellow-worshippers long for their deliverance, and would gladly help them to find the Saviour whom they need. So will the work of the Lord prosper amongst us, hungering souls will be fed, and Christ will be exalted, who is "Head over all things to the Church, which is His body, the fulness of Him that filleth all in all."

Signed, in and on behalf of the Meeting,

CALEB R. KEMP,

Clerk to the Meeting this year.

SPECIAL DONATIONS.

For some time past it has been laid upon the hearts of a number of Friends that some way should be provided by which the advantages of the College could be offered to Friends' children who could not afford to pay the regular College fees. Recognizing the importance of this, Friends in England have this year raised a considerable sum of money for this purpose. This, with the amounts subscribed by Friends in Canada, has enabled quite a number of our members to attend the College during the past year. We append a report of the amounts subscribed with names of the donors :—
