# FIRST-WEEK FROLIC ENDS

Eager young fresh caught in grueling initiation week.

(Photo by Thomas)

## Council Holds Meeting; Hears Varied Problems

The first meeting of the term of the Council of Students was held in the Shirreff Hall Library on Monday of last week. Despite the comical and constant accompaniment of Arnie Benson's Band in the main hall, the meeting proceeded briskly.

Lively and informal discussions highlighted the agenda which, under the chairmanship of Council President, Dave Matheson, dealt with several current and important student problems.

Among them Halifax's Mayor Vaughan's long awaited housing development which struck Mulgrave Park with devastating efficiency early this summer. It's result: the disappearance of Dalhousie's unique housing arrangement for married students. Student petitions, the council was informed, had delayed the National Housing Board's operations until Aug. 1—the final date of departure from the now demolished grey and weather-beaten student block.

The committee responsible for looking into the situation reported the absence of similar accommodations in other Universities. However, the council was assured a complete examination of housing opportunities for married students culminating in a list of recommendations to be presented to President Kerr.

Editor Jim Goring's forgotten masterpiece, the 1958 Pharos, will shortly make its belated appearance on campus it was announced Monday night. Discussion of the factors which resulted in Pharos late appearance was kept at a minimum; however, the thought was expressed that Pharos should, if at

all possible, be out by graduation, even at the price of dull conformism.

Law Student and NFCUS president Stu MacKinnon gave a brief resume of the forthcoming NFCUS conference in Ottawa this week. Scholarships at \$550.00 apiece from the Canadian Government, tax exemption on University Fees, and legislation to exempt students from paying unemployment insurance or receiving the benefits, will be the main issues at the conference. Stu announced the NFCUS members to attend the conference and also hinted at a possible NFCUS conference at Dalhousie two years hence.

Council Secretary, Miss Robb, announced the recent investiture of \$1200.00 of Student funds this summer: \$8,000.00 in accumulative debentures at 4½% and \$4,000.00 on temporary loan at 3½%.

The Rink Canteen came under spirited discussion. As Al Riggs is not returning to Dalhousie, the suggestion was made to call for tenders for management of the canteen. Council Vice-President, Joan Herman, was asked to approach

## President Kerr Greets Students

Room 21 was filled with students, most of them freshmen, who last Tuesday were greeted by President A. E. Kerr for the third time in initiation week. The event was Dalhousie's annual welcoming convocation.

To open the hour-long meeting, Dr. Kerr first introduced the new faculty members, among them NATO exchange Professor Dr. Oswald Hauser, formerly of the University of Kiel in Germany. Then Dr. Kerr began the main business of welcoming freshmen formally, explaining their relationship to Dalhousie and urging them to "think well of yourselves", and be justly proud of Dalhousie.

Dr. Kerr went on to explain the University's historic record of academic achievement. He stressed that "we are custodians of the past . . . in an age of science, whose many benefits must be appreciated. These will be happy years, concluded Dr. Kerr, and I commend all extracurricular activities to you, provided they are kept in perspective with studies." To freshmen completing a hectic week of welcome, those words had meaning.

Delta Gamma to determine its willingness to take over canteen activities for the entire year.

Two important dates were decided. The Blood drive, under the directorship of Joan Herman, will be the first week in November, and a Student forum, at which an important issue will be the Medicine "Tri Semester Plan", on Oct. 22 at 1:15 p.m.

## Frosh Wined and Dined In Series of Parties

by [REDACTED] BOB MILLER

This year's freshman class, described as one of the best to enter Dalhousie in many a moon, has now completed its "season". Like desirable debutantes during their debut, the frosh have been wined and dined in a series of coming-out parties.

## Campus Pepcats Are Revitalized

Fall having fallen, along with the football team, at the time of writing the Pepcats, the spirit core of Dalhousie, are once again attempting to prove to disbelievers that an abundance of campus spirit at Dalhousie is far from an impossibility. Started last fall and guided through a reasonably successful year by Dave Moon, the Pepcats are starting this year with renewed enthusiasm and optimistic plans.

Things have gotten off to a good start with the aid of a benevolent council and a spirited Freshman Class. Perhaps the most obvious example of solid progress is the Dalhousie Band. After having been a dimly small and spasmodic organization for the past few years, it cheered the hearts of many with its rousing performance at the St. F. X. Football game. Made up of a small group of upper classmen and numbers of talented freshmen, it is the first Dalhousie Band in years to be rated above the Salvation Army in the quality of their performance.

Band instruments and equipment always a problem, have been repaired and replaced, or soon will be, and the possibility of band uniforms is being investigated. A newly painted band room has also helped matters considerably, along with the purchase of some up-to-date music.

In the cheerleading department some improvements are also contemplated. A permanent corps of cheerleaders has been chosen from which good results are anticipated. It is hoped to have nine cheerleaders present at every game this year, and the purchase of a full set of megaphones for their use is being considered.

With lots of promising talent available the calibre of Dalhousie cheerleading should be higher than that of last year. Pep rallies are also planned: Support your Pepcats!

Gerry Blumenthal, a member of the Freshman Initiating Committee, told this writer he thought the new students were an excellent class. "They had a lot more spirit than most new classes," he stated. His words were particularly evidenced by the fact that most freshmen turned up for all the week's events. However, he added, most of the events were parties. So it was not surprising that the freshmen say they enjoyed their first week at Dalhousie. Most of those interviewed said that the initiation was not what they had expected, but added neither was college. One freshman summed it all up: "The parties were great".

New students who have come to Halifax from other universities in Canada and elsewhere, have said that while it was not an initiation, it was at least a freshman program. They cited other colleges, such as Bishop's University in Ontario, where the persecution of the lowly frosh got so out of hand that all freshman activity has been cut out. Dal's, they added, is better than none.

The week long "Well, here we are at College" ritual featured a movie party, a weiner roast, receptions, dances galore, campus tours, and series of Welcome to Dalhousie talks. The freshmen's initial enthusiasm was obvious as was their appreciation of the work done by the committee in charge of Freshman week.

A spokesman for the Registrar, Miss Smith, said that it would be a few days yet before exact totals of faculty registration could be completed. Present total Dalhousie enrollment is 1,616 of which 556 are new students. Of these, 422 are in the Arts and Science Faculty, 39 in nursing, 31 in Medicine, 27 in law, 24 in graduate school, and 13 in dentistry. Included in this group are, as usual, several overseas students.

Dean of Arts and Science, Dr. W. J. Archibald, stressed that it would be Dalhousie's policy to continue to raise entrance requirements as the pressure of students desiring admission to Dal increased. This year's freshman class, he pointed out, were all subject to the increased academic eligibility.

In response to suggestions of possible faculty additions, Dr. Archibald insisted "We are carrying about all that our present staff and facilities can handle. It has not been decided yet what effect the new building will have on present enrollment".

## Brigadier H. V. D. Laing

Dalhousie suffered a great loss on September 1, with the death of one of its most eminent leaders, Brigadier Horace Vivian Darrell Laing, chairman of the Board of Governors.

A native of Halifax, Brigadier Laing entered Dalhousie on a Sir William Young Scholarship in 1916. Upon receiving his Bachelor of Arts degree, he entered Dalhousie Law School, and a year later went to Oxford as Rhodes Scholar for Nova Scotia. There he received the degrees of Master of Arts and Bachelor of Civil Law.

Brigadier Laing served in the Army in World War II, being promoted to the rank of Brigadier in 1943. He received the Order of Commander of the British Empire and decorations from the Netherlands Government and the United States.

His contribution to his community was equally great. He served as manager or director of many companies and boards in Halifax and was a governor of the Nova Scotia Technical College, Vice-Commandant of the Corps of Commissionaires, Honorary Colonel of the Princess Louise Fusiliers and a past president of the Halifax Board of Trade.

We of Dalhousie knew him best as an alumnus and a member of the Board of Governors. In April 1955, having served on the board for eight years he was appointed vice-chairman and in November of the same year he was named chairman. He served as chairman of the New Construction Committee and of the Buildings and Grounds Committee and was instrumental in the building of the Arts and Administration Building and the Dentistry Building and in the commencement of the Sir James Dunn Building and the new men's residence.

Interested in all phases of campus activities, Brigadier Laing was always ready to help when the situation arose. Having played on many of the team himself, he was a staunch friend of the athletic department and they looked to him for help and advice.

We have lost a great leader and a great friend and mourn his passing.

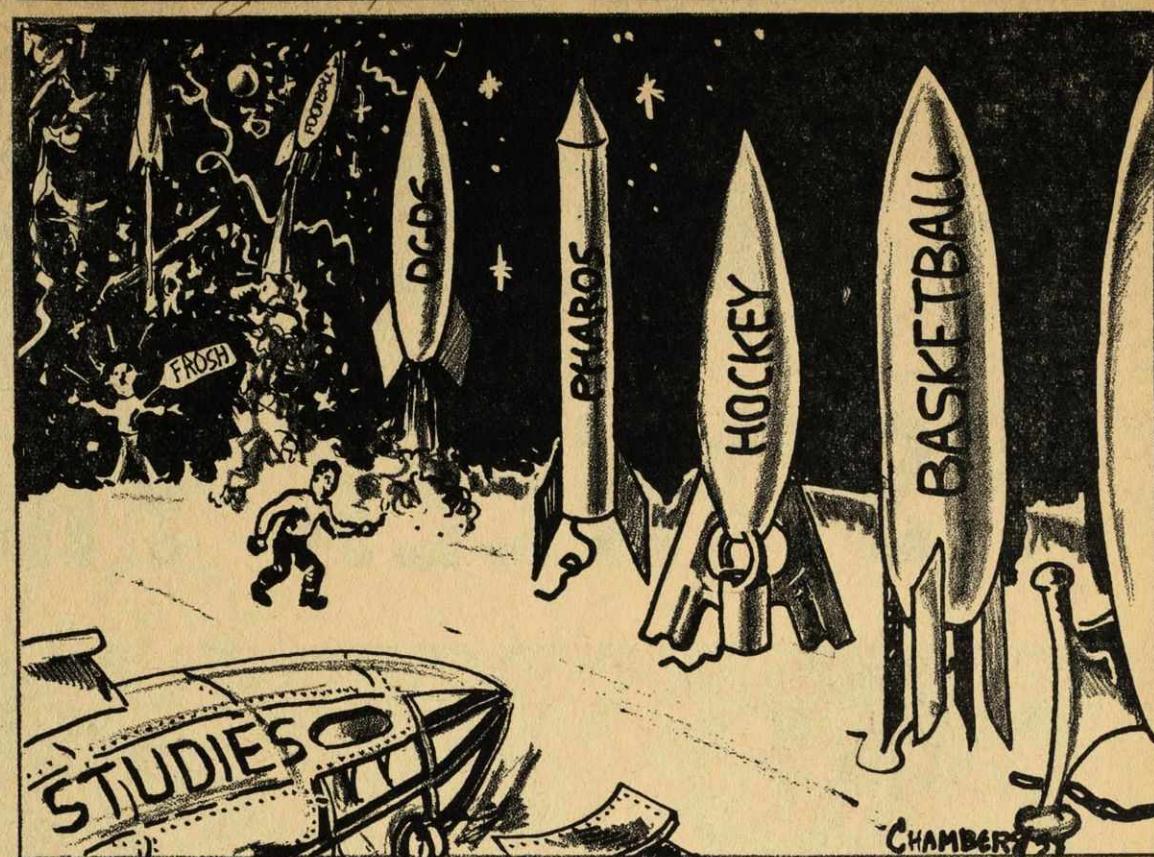

## Welcome Frosh

Once again, from coast to coast in Canada, the doors of our highest educational institutions have been opened. From all areas, all locales in our country, hundreds of young men and women enter for the first time . . . the university. To those who have chosen Dalhousie, the Gazette extends a warm welcome, and hopes that within the halls of our institution you will fulfill many purposes.

Your main purpose in being here is to gain knowledge. To the fulfillment of this objective, Dalhousie University offers a fine and dedicated staff of professors and instructors. You will find them, as we have, warm and tolerant men and women. But we hope that you will also remember the adage "one gets as much out of education as one puts into it."

Your secondary purpose should be to enter that phase of college life generally known as "extra-curricular" activities. Any campus organization, be it Sodales debating, athletic, political, glee and dramatic or NFCUS is always ready to welcome anyone who is willing to contribute time and energy. Too often in the past, major student projects have been carried out by the "sincere few" who are willing to work. We hope that this year will uncover a refreshing change of attitude.

We realize that for the freshman, the first few weeks on the campus are frightening and confusing. As we learned from our own experience, this phase gradually passes. The opportunities lie before you—academically, extra-curricularly, socially. Make the most of them and you will find university life to be a rich and rewarding experience.

## LETTER FROM THE EDITOR

Dear Gazette Reader:

It is now traditional to begin the first letter from the editor with a discussion of our new look, whether it be that the Gazette has bigger and better or smaller and more compact pages, or a new banner. I am at a loss to begin, for as you no doubt have already noticed, the Gazette looks the same as it did last year. A surprise! This is due to the Council of Students which has finally declared that its official publication should be recognizable from year to year.

Having started by deciding that I cannot follow custom, I must go on to draw your attention to some new additions to our pages.

First we have a new column "The Periscope" by Murry Fraser, which appears on this page will comment on student activities and campus affairs. In passing I remind you to watch for Murry's column next week for the NFCUS Conference in Ottawa.

We welcome to our campus, and especially to the staff of the Gazette, one of our exchange students from the University of Saskatchewan, Norman Rebin. Norm, a second year law student, was co-editor of the Sheaf, at the University of Saskatchewan, and will join our staff as CUP editor. Watch for his first column next week on the Features pages.

Our third page has been given a new look with the "Around the Campus" column, which is designed to take the place of "News Briefs," "The Bulletin Board," and all other small notices or stories. Anyone wishing to place a notice in this column can leave it in the news box in the Gazette office.

Bill Rankin will write his weekly sports column "Press Box." As two pages will be devoted to features we will have space for essays, short stories and poems as well as interviews and pictures and stories of campus clubs and activities. Contributions will be appreciated.

Letters to the Editor are welcome. These must be signed with the writer's own name or a nom de plume. However, in the latter case, the writer's name must be supplied for the Editor's information, but will not be printed.

Since we are your official publication we ask only that we please you. Your comments and criticisms are sought so that we may know whether we are being successful.

Sincerely,

JUDY BELL.

Returning Dalhousians are particularly interested in the re-organization of the Athletic Department which has taken place in the past summer. Witt Dargie assumes the office of Physical Director. Dargie, well-qualified to do a top-notch job, is now among the ranks of the "old married men". Congratulations and good luck. A word of welcome to the Director of Girls' Athletics, Joanne Fryers. A Monctonian, she'll have lots of familiar faces to view, judging from registration. Also a welcome addition is Merv Shaw, from McGill.

Presently up to his ears whipping the football squad into shape, popular Merv will fit into the picture very nicely. No doubt things at Dalhousie are a wee bit behind the streamlined set-up at the Montreal college but we'll get there some day.

Speaking of the various personalities involved in Athletics brings to mind the realization that there is much to be done in this department. Several recommendations were made regarding the present set-up last year and it's hoped that under the experienced eyes of President Murray Dewis the DAAC will begin to assume the responsibilities which such an organization has. Too many things which should be handled by the student executive fall uncomfortably on the shoulders of the coaches. Once again the condition of Interfac equipment must be brought to the fore and we hope that by the end of this year all the teams will be well equipped.

I understand that articles on the new appointments of the various faculties will be appearing in the next Gazette. By these appointments Dalhousie continues to attract some of the foremost teachers and scholars to our university community.

With the start of a new college year the problem of accommodation for Foreign Students deserves mention. Few will deny that a portion of Little Rock and its atmosphere may be found in Halifax. Ask any foreign student for confirmation of this. A beginning has been made in that the community for Friendly Relations with Overseas Students has attempted to provide a welcome and aid for these students who are coming to Canada for the first time.

The committee, headed by Grace Hogg, needs your support. All of us should make a conscious effort to welcome and absorb these strangers into our way of life at Dalhousie. The problem of accommodations for married students at Dalhousie has been simmering for quite some

time. Last year the Council and representatives of this group discussed the matter with University officials. They received an appreciative hearing and the new Council has a committee drawing up proposals. Let's hope for some concrete action as soon as possible.

Of course the major question in the minds of many out-of-town students is "What is the word on the RESIDENCE?" Well there's been no official comment to the students since last March. The plans were, at last look, still on the Student Council Notice Board. Maybe DR. KERR could bring the students up to date in the near future.

The new Dental Building was officially opened not long ago. Evidently a number of Dents spent a Saturday afternoon in the building showing members of the public through it. Unfortunately the Dal-X football game was in progress at the same time so we didn't get the guided tour. It seems a shame that the building had to be open for inspection at this time—two reasons—few Dents could get to the football game and few Dalhousians went through the buildings. Co-ordination anyone?

This year the INTERFAC FOOT-BALL league is off to an early start. This has enabled the Meds, Dents and Lawyers to take a full part in the activity which otherwise would have been prevented because of classes.

Now a few odds and ends collected from here and there . . . Looks like the Pepcats, the spirit leaders on the campus, will be going full force soon. Talented Tommy Vic-

(continued on page three)

## DGDS to Have Exciting Year

Dalhousie Glee and Dramatic Society, under Julia Gosling, president, has planned perhaps the most ambitious program in the society's history. A modern drama, a Broadway musical and a newly-formed choral society will be undertaken as well as active participation in Connolly Shield competition.

### D.G.D.S. PLAY

The light tone that has been set by Dalhousie Glee and Dramatic Society comedies of the past two years will be changed considerably when, on November 6, 7, and 8, D.G.D.S. will present the drama, *The Hidden River*, under the direction of Julia Gosling.

*The Hidden River* is a recently released play, written by Ruth and Augustus Goetz and taken from the novel by Storm Jameson. The cast, which headlines Don Aiken, is practically complete, and new faces as well as old will be seen on opening night.

The modern stage settings for the play will be under the direction of Forbes Langstroth.

Marking a departure from their February schedule of former years, the D.G.D.S.-sponsored Connolly Shield Competition will be held on November 17 and 18, with an adjudicator from the Department of Adult Education judging the one-act plays.

## SCM to Sponsor Lecture Series

"Everyone up for a Virginia Reel!"—hardly the sight you would expect to be greeted with upon entering the meeting place of the Student Christian Movement.

But, as was stated by Rhoda Palfrey, a part-time worker in the Movement who has spark-plugged renewed zest into the SCM at Dal-Kings, this was merely an introductory get-acquainted party for new students. The real work takes place in the discussion groups, where the students in the Movement take advantage of a university's scope for a "liberal" education; for they uninhibitedly discuss a wide variety of topics, generally related to religion.

SCM sponsors an hour-long lecture on various religions, Thursdays from 12 noon to 1 p.m., beginning October 16.

Officers for the year are:  
President—Lim Jackson  
Vice-President—Art Davis  
Secretary—Allison Petrie  
Treasurer—Clinton Browne

The Student Christian Movement welcomes any "rabble-rousers" who will create lively discussions, in an attempt to discover the why and wherefore of religion.

## Delta Gamma Plans Season

The general organization of women on campus, Delta Gamma, under president Margaret Sinclair, will hold its first meeting Thursday, October 9. Class representatives and committee managers will be elected at the meeting.

The possibility of the girls taking over management of the rink canteen, and plans for the annual Open House at Shirreff Hall, as well as Co-ed Week, will be discussed.

## Hall's Colonial Restaurant

197 QUINPOOL ROAD  
HALIFAX

There will be no classes on Thanksgiving Day, Monday, October 13.

Students interested in attending the McGill Conference on World Affairs should apply to Professor Aitchison, of the Political Science Department, for particulars.

The Dal-Com Society is sponsoring the St. F.X. football trip on Saturday, October 11. The train will be leaving Halifax early Saturday morning and returning in the evening. Tickets for the trip cost \$5.00 and may be obtained at the Men's Residence and from Marty Farnsworth and Les Karaganis.

Student mail which was received at the University during the summer may be picked up at Room 38.

The 1958-59 season of the Halifax Film Society began on October 5. Student membership for the remainder of the season may be obtained at the National Film Board Office, 97 Dresden Row, Halifax.

The MacDonald Library is open Monday through Friday from 9 a.m. to 11 p.m. Library hours for Saturday are from 9 a.m. to 4 p.m. and for Sunday from 2 to 5 p.m.

Gazette photographer Dave Thomas would like to meet anyone willing to work in the photography department. Perspective photographers may meet Dave at the Gazette Office.

Dave Bogart, Editor of Dalhousie - Kings Student Directory, states that the directory will be going to press within the next two weeks.

Freshman class officers elected last Thursday were: President, Jim Hurley; Vice-President, Sally Ross; Secretary-Treasurer, Anne Mason; Publicity Director, David Jones.

English II students note the fact that the Earle Grey Company is presenting "King Lear" at the QEH Auditorium tonight at 8 p.m.

## Laundry Application For Varsity Teams

\*\*\*

The Students' Council requests the applications for laundering the sports equipment of Varsity teams for the year be made to the council office before October 10. Payment for the job will be \$100 for the year.

## Around the Campus

It will not be possible for me to teach Esperanto at an assembled club this year due to lack of time. This method of learning Esperanto, in any case, is less efficient than independent work from the student's viewpoint. For everyone who finds time to peruse the study of Esperanto on his own enthusiasm, I will be available as a textbook agent, lending librarian, and reference in case of puzzlement. When I have nothing to tell, I can refer you to more central sources. You take it from here. Signed Johano (John A. Wright).

On Thursday, October 9 there will be a meeting of the Sophomore class at 12 noon in room 234.

Delta Gamma, the general organization of women at Dalhousie, will hold a meeting at 12 noon on October 9 in the Room 218, of the Arts and Administration Building.

Students from all faculties are invited to attend an organizational meeting of the CCF Student Political Club on Thursday, October 9 at 12 noon in Room 231. It is hoped that a CCF Club will be formed which will contest the Model Parliament elections and hold discussions on CCF, government, and opposition policies. Those interested but unable to attend the meetings are requested to call Wendell Fulton at 3-9541.

There will be an election for the presidency of the D.G.A.C. on Friday, October 10. All girls are asked to cast their ballots at the polling booth in the Men's Residence between the hours of 12 noon and 3:30.

On Thursday, October 16, Sodales will present the first of a series of faculty-versus-student debates on controversial university topics. The debate will be held in the West Common Room at 12 noon.

"Around the Camps" is a weekly column which will appear in every issue of the Gazette. Any news items or notices which are to appear in this column should be turned in to the news editor by noon on the Saturday before the paper is published. Contributions should be from 50 to 60 words in length.

## DALHOUSIE UNIVERSITY

HALIFAX, NOVA SCOTIA

FOUNDED  
1818

Offers exceptional opportunities for students in Arts, Science and the professions.

Entrance scholarships available on the basis of educational attainments. Special emphasis on student health and a well-regulated programme of athletics and recreation.

### Courses Leading to Degrees in:

Arts, Science, Commerce, Law, Medicine, Dentistry, Music, Education and Nursing Science.

### Courses Leading to Diplomas in:

Engineering, Education, Music, Nursing, (Public Health, Teaching and Administration).

### Honour Courses in many Fields:

The Faculty of Graduate Studies offers courses leading to the degrees of M.A., M.Sc., LL.M., and Ph.D., in Biological Sciences.

### Teaching Fellowships:

A number of Teaching Fellowships of value up to \$1,100.00 per annum are available in the Faculty of Graduate studies.

EXCELLENT RESIDENCE ACCOMMODATION  
FOR WOMEN STUDENTS

*Call It Sadism*

by PETER OUTHIT

The fact is, initiations ARE becoming easier; as a matter of fact, freshman "orientation" has become so painless that its supposed victims buy new suits and look forward to it! Long gone are the "good old days" when Frosh were greeted with frozen stares and utter disdain. Today they are WELCOMED into our halls—a situation which, to most middle-aged alumni, is just another indication of a younger generation gone wrong.

There are, of course, a few throwbacks to the old regime. In California, Frosh must still climb a greased pole or drop fully dressed into a sea of mud; and even at King's College, whose laboured austerity stems directly from ancient England, there is a vicious entertaining initiation week. It is, unfortunately, confined to the darkened interior of that place; all we Outsiders are permitted to see is the never-to-be-forgotten sight of girls without makeup: it's frightening in its simplicity!

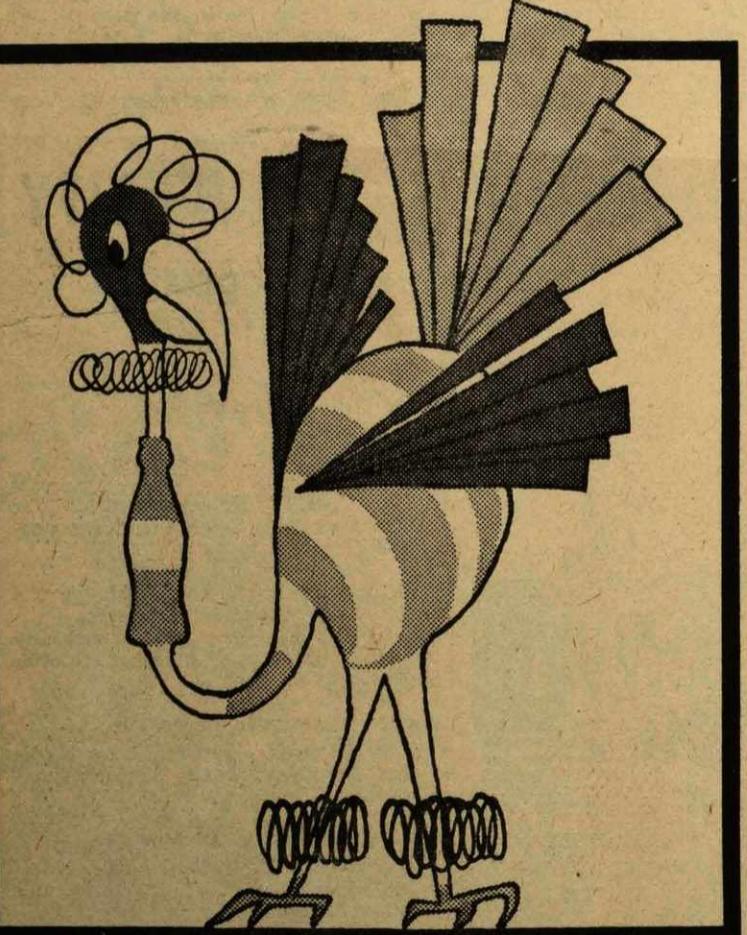

It must be admitted that those entering Dalhousie today with misgivings are soon pleasantly surprised. For our once-proud university, which joyfully led the whole East in the destructiveness of its hazing had undergone a great grey face-lifting.

On the surface, hazing appeared disorganized; but in actuality the flaming youth involved sat up many a night in their collective bathtubs, devising great new tortures. "A sack of flour, a pail of soot, and thou, dear freshman, beside me . . ." was the theme of many an early Autumn riot on the football field. And these brass knuckled clashes were, happily, not confined to the comfortable dark; scrimmages broke out while classes were changing or in progress. In short, individual initiative ruled the day.

Among the Freshmen, protective associations sprang up. Frosh travelled in tight little knots, sat facing the door, and wore their guns low. For a slight fee, large new unregistered freshmen appeared: truck drivers, amateur wrestlers or local bouncers replete in Dal beanies and placards, who led their lighter but more learned charges into action. Sophomores were thus fairly regularly routed, and were driven to the Junior ranks for fresh reserves. In those days Juniors were a sort of Sophomore elder society once removed, whose vocal engagement usually overshadowed any real physical aid. Seniors tended to side with the Freshmen, but whether this was due to mentality, or sentimentality, we do not care to suggest.

The fine old system of initiation just described is dead and darn near buried. Yet styles change . . . and I sometimes wonder if the twenties freshman, blackened and bruised, had not attained something which today's shining youths, balancing teacups or freshettes on their several laps, may never appreciate.

Anyhow, a warm, watery welcome to Dalhousie. Have fun!

# DAL SPORTS

## Press Box Views

by Bill Rankin

Dalhousie's freshman coach Merv Shaw directed his football charges through their first two games in the 1958 Nova Scotia Football League season. In these two games Shaw went through sheer agony when he saw his linemen do everything but the correct thing, especially in their opening game against St. Francis Xavier University.

The Xaverians, mainly on their aggressive blocking, tackling and will to win, slaughtered the Tigers 45-6. In this game the defensive and offensive lines allowed the opposition to push them all over the field. Thus Ted Wickwire could do little against the Xaverian linemen who seemed to almost live in the Dal backfield.

### A SLIGHT CHANGE

In their second outing against Stadacona Sailors the Tigers looked a little better as the defensive line seemed to stop Stad before they could get started. Stad could only gain 111 yards rushing and only twice could they make a first down via the offensive rush. On two other occasions the Sailors managed first downs because of Dalhousie penalties.

Wickwire was a bit sharper in the air with the better blocking along the line. The Bengal quarterback completed five out of ten passes, giving him a 50% average.

### X TRIP IMPORTANT

The next game for the Tigers is against the current league leaders and arch rivals St. Francis Xavier University.

A victory for the Tigers would put them in a tie for second place and a healthy chance for reaching the Maritime Football Union finals.

There is a good chance that several of Dalhousie's injured players will play in the "X" game; with these men in the lineup the chances of a Dal victory in the cathedral town look good. Therefore with a little encouragement from the stands, and a few breaks in the right direction the Tigers could easily revenge the defeat handed to them by these same X-men.

## Must Rebuild Soccer Squad

Coach DeWitt Dargie has a formidable task in rebuilding his last year's soccer eleven. Last year, Dal's first in the intercollegiate soccer league in several seasons, the Tigers captured the Nova Scotia title, losing the Maritime crown to Mount Allison University in overtime. Eight of the players, largely responsible for a more than successful year, are missing from this year's lineup. They include forwards Burns, Tucker, Wong and Dolan, halfbacks Kemp and King, Crosbie at fullback and MacLeod in goal. Only returnees from the varsity eleven are Cyril White, Lew Anthony, Hugh Fraser and Harold Brogan.

Among the newcomers, who have turned out, the most promising are Lionel Mitchell, T. Mullings, J. Gonzales and Dick Kemp. Other possible straters are Muntaz Ali, E. Johnson, Alroy Chow, J. Davidson and Wally Turnbull.

Practices are being held every night, Monday through Friday on the football field. Coach Dargie has stated that many more players are needed in order to fill the gaps left by last year's departures. This is especially true on the forward line, and those interested in soccer are asked to keep this in mind.

The first game of the new season will be St. Francis Xavier University October 11, immediately following the Nova Scotia Football League Tigers squeezed by the Xaverians and St. F. X. Last year the soccer game between the Dalhousie Tigers 1-0 in Antigonish, and Dargie has high hopes that this result will be duplicated by the '58 squad, despite the fact that the team will have many new faces in the lineup.

## LAWYERS LEAD INTERFAC RACE

Law has jumped into an early lead in the touch football league with a pair of decisive victories over Meds and Dents. The opening game saw the lawyers roll over the Dentists 22-0, and then crush Meds on four unconverted touchdowns 24-0. In the only other games played so far the Doctors defeated the Dentists 7-0, and Commerce and the Dentists fought to a 6-6 deadlock.

A new system was adopted this year whereby the professional faculties played their opening game against each other before the rest of the university was in session. It was hoped that this would speed up the playing schedule and result in the final games being played in warmer weather.

This year, as in the past, the league is composed of six teams, one each from the faculties of Arts and Science, Engineering, Commerce, Dentistry, Medicine, and Law. For information concerning these teams and the games to be played, contact Bob Schurman, the league manager, or see Merv Shaw in the gym.

The following is the remaining schedule for the interfaculty touch football league:

- October 9 1:00  
Dents vs Arts & S.
- October 14 12:15  
Arts & Science vs Commerce
- October 15 1:15  
Meds vs Eng.
- October 16 12:15  
Eng. vs Commerce
- October 21 12:15  
Law vs Eng.
- October 22 1:15  
Meds vs Arts & S.
- October 23 1:00  
Dents vs Eng.
- October 28 12:00  
Arts & S vs Law
- October 29 1:15  
Meds vs Commerce

## TIGER ON THE MOVE

**HE'S OFF**—Ron Simmons pictured above has just intercepted a pass on the mid field stripe in action Saturday on the Wanderers Grounds against the Stadacona Sailors. He and the Tigers scored eight points in the final quarter to drop the Sailors 28-20. The Dal backfield star is being pursued by Carrier (85) and Levesque (71).

## Dal Tops Stad 28-20; Tigers Tie For Second

by MIKE NOBLE

The Dalhousie Tigers, this time playing true to their name, reared first and last, and often enough in between to subdue a fighting Stadacona twelve 28-20. A surprising number of loyal fans forsook the World Series and turned out in near perfect football weather to see the Bengals avenge their last season's defeat at the hands of the Tars. It was this same lowly Sailor aggregation which spoiled Dalhousie's bid for second spot in the final league standings with a mudder's triumph to the tune of 13-6. It was the first win over the Gottingen Street crew since 1956 and puts Tigers in a tie for second place with Shearwater Flyers in the N.S.F.L. standings.

The game itself was complete with thrills from start to finish as both teams displayed wide open, if often erratic, styles of attack. From the first whistle the Tigers chewed out the necessary yardage from their own 34 to the Tar 10 in eleven plays with Nick Weatherston finally hauling in a ten yard pass from QB Wickwire to open the scoring.

For awhile it did not appear to be much of a football game as seven straight penalties were called with the officials walking off 75 yards, but then Stad intercepted a Dal toss and ran it back 25 yards to the Dal 37. From there, Lambo unleashed a short pass to the left flanker where Osmack wasted no time in lumbering the remaining 25 yards to paydirt. Both TD's were converted and the score was knotted 7-7 at quarters finish.

Early in the second quarter Stad found themselves bottled in their own end whereupon the Bengals, with the aid of 25 yards in penalties against their opponents, took five plays to batter 12 yards with Wickwire finally crashing over to put Dal into a 13-7 lead. It looked as if they would have things all their own way from there on in when Ron Simmons intercepted a Stad misfire at midfield. However, Wickwire could not unleash an aerial attack of any potent value and the Tigers were forced to kick on third down. Then the big Stad end, Coran, charged through and picked up the blocked kick and raced his way to 6 points on a 40 yard scoring jaunt. The die was cast as Dal outplayed their opponents but were unable to outscore them.

The feature play of the afternoon occurred when Wickwire's TD strategy failed to materialize on an option trick play from the Stad four, and Levesque intercepted the pass on the 1, finding daylight clear to the center stripe when Silliphant minus his helmet, charged off the bench at the sight of a free Stad runner and nailed him just inside Dal Territory with a crushing tackle.

**It was not until the last quarter that Wickwire's aerial attack proved effective and then it was devastating as the Dal QB connected on four of five attempts for a total of 68 yards.**

The big break in the fixture came in the fourth quarter with the score tied at 20-20. Again deep in his own end zone Lambo elected to run and was consequently nailed by Silliphant for two points. However the tackler was unable to be credited with the score because he became

an illegal player as a result of his dashing escapade at center field. Therefore Leitch was given the two points.

Dal came through with their last roar on a 47 yard aerial play to Weatherston. Simmons finished off a good performance as he knifed over for the finale on a two yard effort.

### SCORING:

#### First quarter

Dal—TD Weatherston  
Dal—convert Sedgewick  
Stad—TD Osmack

#### Second quarter

Dal—TD Wickwire  
Stad—TD Coran

#### Third quarter

Dal—TD Nicholson  
Dal—convert Sedgewick  
Stad—TD Levesque  
Stad—convert Johnson

#### Fourth quarter

Dal—safety Leach  
Dal—TD Simmons.

## DGAC NOMINATES CANDIDATES TO CONTEST BY-ELECTION

Elections headlined DGAC's first meeting, as the candidates for president and the various class representatives were selected. Lorraine Lawrence and Ethelda Brown were nominated for president, with a campus-wide by-election slated for Friday, October 10, from 12:00 to 2:30. Judith Bennett will represent the Seniors on the DGAC executive, while Shirley Ball, Eve Smith, and Jean Bremner will represent the Juniors, Sophomores and Freshettes,

respectively. Hilary Bonnycastle was elected as the ping pong manager and will also be on the executive.

The new coach, Joanne Fryers, introduced herself to the girls, and outlined the various activities which DGAC has to offer. She asked for increased participation in the sports and suggested that even if girls can't take part, to come out and cheer the team along.

# X-MEN TROUNCE DAL, TIGERS' LINE FOLDS

by JOEL JACOBSON

Dalhousie Tigers went down to a 45-6 defeat, Saturday, at the hands of a powerful St. Francis Xavier team in the opening game of the NSFL season for the two colleges. The crushing line play of the X-men and the broken field running of halfbacks Ralph Hayes and Tom Delaney highlighted the Xaverian victory. Pete Corkum and Ted Wickwire were standouts for the Tigers.

The city crew held a wide edge in play in a penalty-marred first quarter. The Tigers rolled up 80 yards on the ground and 25 in the air, which was over half their total, while X managed only 56 rushing yards. In the second stanza, however, on the X-men's second play from scrimmage, Woody Hayes broke through the Dal line and galloped 87 yards to pay dirt. This was the first time Hayes carried the ball for the Blue and White of Antigonish. The kick-off was recovered by Preston of X on the Dal 34 and in six plays, Delaney cracked over for the first of his three touchdowns. The convert was good and X led 13-0.

Dalhousie was down but far from out and the Tigers fought back desperately. Bill Rankin recovered a Xaverian fumble on the X 53. In nine plays, the local dozen reached "Gloryville" with Pete Corkum scoring on a two-yard sortie around the end. The half ended with St. F. X. holding a 13-6 lead.

In the third quarter, the X-men ran wild and racked up 19 points on touchdowns by Hayes (a 90 yard dash), Delaney and Sommerville.

The fourth quarter was just as black for Tiger followers as St. F. X. backfielders ran through the Dal line at will and scored 13 more unanswered points on Delaney's two yard plunge and a one yard plunge by Foshay.

The X-men piled up 200 yards, all on the ground, in the third quarter while holding Dal to a mere thirty, half of them in the air. In the last session, St. F. X. added 99 yards to their total and the Tigers moved the Xaverian line for a microscopic 17 yards. The statistics show the definite superiority of the X line.

The largest crowd in Nova Scotia Football League history witnessed a record breaking performance, as Ralph Hayes set a new single game rushing record with 263 yards in 12 attempts. This smashed the old record of 205 yards set last year by Shearwater halfback, Bruce Walker.

## SCORING

### FIRST QUARTER

No scoring

### SECOND QUARTER

St. FX Touchdown Hayes 87 yard run.

St. FX Touchdown Delaney 6 yard run.

St. FX Convert Huck pass from Sommerville.

Dal Touchdown Corkum 2 yard run.

### THIRD QUARTER

St. FX Touchdown Hayes 90 yard run.

St. FX Touchdown Delaney 3 yard run.

St. FX Convert Sommerville run.

St. FX Touchdown Sommerville 13 run.

### FOURTH QUARTER

St. FX Touchdown Delaney 2 yard plunge.

St. FX Convert Ambrose placement.

St. FX Touchdown Foshay 1 yard plunge.

## FOUR DAL LINEMEN INJURED IN GAME WITH XAVERIANS

Dalhousie University Tigers and freshman coach Mervyn Shaw have been plagued by injuries since the start of the current 1958 season. The Bengals, one of the big teams last year in the Nova Scotia Football League, hit a new high, as far as injuries were concerned, when they were trounced by the rough and ready St. Francis Xavier squad last Saturday, September 27.

Brian "Spud" Chandler hit the sidelines early in the "X" clash when he suffered a knee injury. This sends Chandler to the stands for the greater part of the schedule and makes it necessary for coach Shaw to find a replacement for him on both offense and defence.

### REMAINING DAL GAMES

Oct. 11—Dal at "X"  
18—Stad at Dal  
22—Dal at Shearwater (night game)  
25—Shearwater at Dal  
Playoffs begin November 8.

Veteran defensive tackle Nigel Gray, who returned to the Tigers just prior to the opening game, dislocated his shoulder in the first quarter and will also join the semi-retired ranks.

Hit with a leg injury was law student Ron "Click" Clarke, thus making the fourth and what coach Shaw hopes to be the final injury suffered by the Tigers this year.

## Dal To Host Tennis Meet

The annual tennis tournament, the first Intercollegiate competition of the year, will take place here in Halifax October 18. Plans are being made to use the hard courts both on the Dal campus and at the Victoria General Hospital.

Five teams are expected to enter: Dalhousie, Mt. A., U.N.B., St. F.X., and Acadia. Each team will compete in four events—a singles and a doubles for both men and women.

At a meeting of the D.G.A.C. Thursday night, nine girls signed up for an elimination tournament to be held this week. In the men's division, several of last year's team will join with some new players who have been prominent in the Nova Scotia Junior tennis circuit.

All in all, the Dal tennis outlook is quite favorable and, weather permitting, we predict that the 18th of October will see the return of the Intercollegiate Tennis Trophy to Dalhousie.

## TYPICAL "X" PLAY

## FIELD HOCKEY BEGINS, FIRST GAME TODAY

Practice has begun for this year's ground hockey team. Several workouts have been held in the past week with a promising turnout of approximately thirty girls.

The new physical education instructress, Joanne Fryers, has emphasized conditioning, putting the girls through stiff running exercises and calisthenics. Passing and tackling techniques have also been stressed and light scrimmages held.

Miss Fryers hopes to have two teams; the Varsity team competing in the Intercollegiate league against Acadia, Mt. A. and King's, and the Junior Varsity team in exhibition

tilts both home and away. To start things off Dalhousie will play Halifax Ladies College on the King's field at three-thirty this afternoon.

Several of last year's players have returned including Judy Jackson, Janet and Margaret Sinclair, Linda Rodd, Liz Cogswell, Heather MacIntosh, Bonnie Murray, Pam Smith, Peggy Baker, and Pam Dewis.

## SPORTS BRIEFS

### TABLE TENNIS

DAAC table tennis is continuing this year, after a lapse of four years. Three buildings will be equipped with tables; the Engineering Building, the Forrest Building and the gymnasium, and bats and balls will be available from A. N. (Bustie) O'Brien.

### GOLF TOURNEY

The intercollegiate golf championship will be staged this year in Antigonish, on or about October 16, with St. Francis Xavier students acting as host for the annual tourney. After the qualifying round, five players will have been decided to represent Dalhousie at the meet.

### TRACK AND FIELD

Track and field practices have started for this year's intercollegiate cinder squad. Workouts are being held Monday through Friday starting at 4:30. The team is under the direction of Lt. Peter Watson.

## Cheerleaders Start Anew

The team which has been holding practices each night sets a good example for the varsity team with their spirit and drive. It is quite evident, from the showing the Tigers have made thus far in the league and injuries received, some of the JV players are headed for the varsity team and a berth in the NSFL.

Although the junior squad consists mostly of sophomore and junior collegians many freshmen have turned out and show great promise.

The junior team will probably model its offense from that of the senior squad.

Bryson was hoping that he might be able to enter the JV team in the junior loop, but because of a college regulation he was forced to abandon his hopes.

Last year the JV's started late in the season and played only one game. In this contest the junior Tigers were slaughtered by the Acadia Axemen at Acadia.

With a regular schedule of games the Tigers should provide a good opposition for many of the junior teams and perhaps make a jaunt to Acadia and take revenge for last year's defeat.

Dalhousie's cheerleaders made their first appearance of the season at the Dal - X football game on Saturday, September 27. Although many of last year's girls were missing, their places were filled quite ably by Freshettes chosen at tryouts held a few days previous to the game.

Back from last year are Judy Brannen, Pam Smith and Bonnie Murray. New recruits at the X game were Sally Ross, Nancy Crease, Elsie Stoddard, Sharon Wood, and Jean Kent.

Another tryout for all girls interested was held last Friday. With their numbers thus increased our cheerleaders again appeared at the football game on Saturday. These attractive girls will continue to lead the Dal fans in the traditional cheers at all future sporting events.

## Sodales Plans Big Year

Faculty-versus-student debates on controversial university topics, and professionally-conducted courses in public speaking and parliamentary procedure, are only two of the interesting sodales plans announced by the debating society president, Alade Akasode. Other debates will feature Halifax personalities, and convicts, as guests.

### Karagianis Heads Dalcom

The Dalhousie Commerce Company held its first meeting of the year on Thursday, October 2, with comptroller Al Beattie in the chair. Les Karagianis, a major shareholder, was elected president for the coming business year.

Others elected were:— David Morrison as freshman representative, Barbara Cameron and Bob Jardine as the social committee and Dave Fox as managing director.

Les welcomed the new shareholders on behalf of the company and outlined plans for another active year. The major item of business was the "X" trip sponsored by Dalcom. Tickets for this excursion will be on sale at the men's residence during the rest of this week.

This year Sodales plans to conduct inter-faculty debating on a large scale, to include Medicine, Dentistry, Engineering and Nursing faculties. Each faculty will organize its own schedule with the help of Sodales. One team from each faculty will emerge to compete in February.

Six people from any faculty on the campus will have the opportunity to enter intercollegiate debating with one team to represent Dal at the McGill Winter Carnival. An oratorical contest will involve these same six people at the end of the year.

Public speaking classes are to be held for the benefit of students who feel incompetent through lack of experience. Professor L. O. Clarke of the Law School will teach parliamentary procedure, and two Halifax lawyers will help with the public speaking classes. Lists which will be collected next Thursday, are posted for those who wish to sign up for inter-faculty debating or public speaking courses.

**DR. OSWALD HAUSER**

Dr. Oswald Hauser, PhD., of the University of Kiel, Germany, Canada's only NATO exchange professor, will lecture here until December on German history between the Wars. The pleasant, forty-seven year old professor, schooled in German, speaks perfect Oxford English. Dr. Hauser was sent to Dalhousie because it was chosen as one of Canada's oldest and most renowned Universities; we trust he will find his stay here enjoyable.

## NFCUS Decides Ottawa Policy

The first NFCUS meeting of the year was held Wednesday afternoon in the West Common Room, with over 40 students attending. Chairman was Stu MacKinnon, president of the campus organization.

Bonnie Murray and Pete Green were elected to the recently vacated posts of secretary and vice-chairman.

It was announced by the chairman that Professor Guy MacLean, a former Dal student active in campus and NFCUS affairs, had accepted the post of Faculty Advisor for the coming year.

Gregor Murray told the meeting that discounts obtained last year are still in effect this term for all Dalhousie students presenting NFCUS cards.

Main topic on the agenda was a discussion of policies to be put forth by the Dalhousie delegation at the annual NFCUS Congress, to be held this week in Ottawa, Oct. 5th to 9th.

Federal legislation granting 10,000 entrance scholarships valued at \$550 each, for the use of Canadian students, will be the objective of

the nationwide group. During the past year an active campaign was waged to bring the plight of the ordinary student to the attention of the government, and it is hoped that now something will be done about it.

Along with entrance scholarships, another important item on the agenda will be a resolution asking the government to raise the amount of the tax exemption for students, adding the cost of a year's tuition, which usually averages from \$300 to \$400 annually, to the present \$950 exemption.

At the congress, the Dalhousie delegation will put forth a tentative suggestion that the 1960 national meeting be held here, since it has never been held in the Maritimes.

Representing Dal will be two delegates, Stu MacKinnon and Dave Matheson and also four observers, Terry Holman, Murray Fraser, Greg Murray and Pete Green.

### DISCOUNTS

The list of Halifax firms providing Dalhousie students with NFCUS card discounts this year is as follows:

The Arcade Ladies Shoppe	10%
Bond Clothes Shop	10%
Clyde Isenor's Men's Wear	10%
G. B. Isenor, Men's Wear	10%
Maritime Furriers Ltd.	10%
Shane's Men's Shop	10%
Shane's Shoe Shop	10%
Fit-Rite Shoe Store	10%
The Sports Lodge	10% and 20%
The Blossom Shop	20%
Rosedale Nurseries	10%
The Flower Shop	10%
Silverman's Music Centre	10%
Gaudette's Jewellers, repairs and merchandise	15% and 20%
Hughes-Owens Co.	10%
Mahon's Stationary Co.	10%
Famous Players Theatres (Capitol and Paramount)	25%
Heinish and Co. Ltd., Men's Ladies' and Children's Wear	10%
Leo Neima	20%
*Don's Taxi	10%
*Y Taxi	10%
Atlantic Photo Supply	10%
**Cousins Dry Cleaning	10%
**Halifax Laundry Ltd.	10%
**Spic and Span	10%
*Discounts will not come into effect until photos for the NFCUS cards have been distributed.	
**Students must take laundry and dry cleaning to stores. Delivery will be provided only to students living at fraternity houses and at college residences.	

## ANNOUNCEMENT

by the  
**ROYAL CANADIAN NAVY**

### OFFICER CAREERS FOR UNIVERSITY MEN — IMMEDIATE OPENINGS

You can complete your present University course with subsidization, summer employment and other benefits—and begin your career as a professional naval officer NOW!

The naval officer is a member of a challenging and highly progressive profession. A wide range of opportunity is open to university undergraduates who can qualify for naval cadetships today. There are two plans leading to commissioned rank in the Navy about which every undergraduate should know.

#### ROTP

The Regular Officer Training Plan, as it applies in the Navy, is now open not only to those in science and engineering faculties, but also to those in other baccalaureate courses with at least two years physics, and mathematics including calculus. It leads to a permanent commission in the regular force. Those accepted receive basic naval training; pay and allow-

ances during the university year of \$128 monthly plus tuition fees, and a further allowance for books and instruments. Uniforms are furnished by the Navy. Full-time annual training includes foreign cruises. Thirty days annual leave is granted with full pay.

#### UNTD

The University Naval Training Divisions (open to students in any faculty) provide basic naval training, including assured summer employment, and lead to commissions in the Royal Canadian Navy (Reserve).

Cadets in the UNTD in acceptable courses may transfer NOW to ROTP. Former cadets now holding commissions in the RCN(R) are also eligible for transfer to ROTP.

Full information on officer careers in the Royal Canadian Navy, and service in the Royal Canadian Navy (Reserve) can be obtained from the tri-service Resident Staff Officer on the campus, or by forwarding the coupon to Officer Careers, Naval Headquarters, Ottawa.

OFFICER CAREERS,  
NAVAL HEADQUARTERS,  
OTTAWA, CANADA.

Please mail me, without obligation, further information on Officer Careers in the Royal Canadian Navy.

CO-ORDINATION AND PUBLICITY

Dalhousie Co-ordination office

October 6, 1958

To the Student Body

This letter is being distributed for the purpose of acquainting the Student Body with the activities of the campus co-ordination and its affiliated body, the Dalhousie Publicity Committee. It is the responsibility of the campus co-ordination committee to provide the necessary clearance of rooms throughout the campus for these societies or individuals wishing to use them. As you can see, careful scheduling is required in order to avoid conflicts. I would appreciate it if any society desiring to use a room on the campus would contact me at least one week in advance. Only by such advance notice can proper clearance of rooms and publicity coverage be assured. Early notification will likewise enable the event to be properly noted in the Dalhousie Gazette.

The Campus Co-ordination office, in the east common room of the Men's Residence, will be open from 12.00-1.00 on Mondays and from 1.00-2.00 on Tuesdays and Thursdays. Correspondence should be addressed to the Campus Co-ordination Office, Men's Residence. The phone number, 3-6029. In case of urgent matters I can be contacted at 2-2327.

The following is a list of some of the main events scheduled during the coming year.

Oct. 24	Law Ball	Dec. 5	Dent Ball
Nov 4-8	Play	Jan. 23	Dalcom Dance
Nov. 14	Dalcom Dance	Jan 30	N.F..C.,U..S..Dance
Nov. 17-18	C onnelly Shield Plays	Feb.6	Sadie Hawkins Dance
Nov. 21	E ngineer's Hayloft	Feb.25-28	Musical

Yours sincerely,

Jim Boutilier

Director of Publicity  
and Co-ordination
