### A Handy Reference.

The Perpetual Ready Reference Guide to the Statutes of Canada, compiled by Mr. F. K. Blatch, of the Inland Revenue Department, just issued, is meeting with much success in this city. The work contains the titles of chapters of the Revised Statutes of 1886, and all subsequent, amending, repealing, cognate and new Acts, with a column of references to all previous Acts from which the Revised Statutes are consolidated. It is neatly bound in linen, is compact and is calculated to do away with much tedious hunting over volume after volume for amending and repealing Acts. It has been highly recommended by leading lawyers, members of Parliament and judges, and will, no doubt, fill a long felt want among all who have anything to do with the Statutes of Canada. A similar guide to the Statutes of Ontario, now in course of preparation will be ready by the 1st of March.
