**To the Teacher—**Do not credit any Scholar with having prepared the lesson who does not at least try to answer the questions. Take the leaflet home and assign a value to each answer, announcing the result on the following Sabbath. *Take, or send, the Leaflet to absent scholars.*

**To the Scholar—**Study the lesson carefully, turning up the marginal references and reading the "Daily Portions." Then close your Bible and try to answer in writing the questions following *without accepting aid from any quarter* after you have begun to write. Then bring this leaflet to Sabbath School with you on the day of its date. If you cannot come, fill out the blank and send the leaflet (with the answers written out) to your teacher by some friend, or by mail, and you will receive credit for the work done as if you had been present. If your excuse is satisfactory, you will not lose in record of attendance.

**Always bring your Bible and Shorter Catechism to the Sabbath School.**
