PROSPECTUS FOR 1876 OF THE "WITNESS"

It is a well known fact that the literature have, by per-
severing diligence, placed the Montreal Witness
in the very first rank of newspapers. The
rapid growth of reading, and of what is
perhaps still more important, the desire for more
enlightened efforts than ever to all over household
with sound reasoning, is giving us constantly
secured for the present and future of subscribers,
and declares its intention to make this one of
its first duties in the present and every future
field of labor, as he believes that no other means
could be so much more effective of a high
forwarder by picking out the best in every
family.
Successive attacks upon the witness during
past three years, culminating in
an article in the Witness of the Dominion
top of Montreal through the
circumstances have done great
harm internally the real of the
opinion and religious liberty in

favor of the Witness. Indeed, the fact that the
last assault has been followed up for six months
with the most untiring efforts to break down
the paper on the part of the most powerful and
opposition that could be organized on earth, and
has resulted in cutting us out from some, at least,
of those Roman Catholic readers whose good
will we formerly enjoyed and highly prized, give
us perhaps, some claim on the kind offices of
those who value free speech and freedom of reli-
gious belief. The actual diminution of the circula-
tion of the Daily Witness is of course, compari-
tively small, amounting to about 500 out of 13,000,
or less than four per cent, and does not effect us
particularly, as we can still claim a circulation
equal in volume to that of all the rest of the daily
city press, probably the majority of our old Ro-
man Catholic reading being such still.

The progress the paper may be gathered
approximately from the following figures.

	Cir. Daily.	and Tri-Weekly	Ir. Weekly
1st Sept.	1st Sept.	1st Sept.	1st Sept.
1871,	10,700	3,600	8,600
1872,	10,000	3,600	9,000
1873,	11,000	3,600	10,750
1874,	12,900	3,800	17,000
1875,	12,100	3,200	13,700

We have good reasons to be specially desirous
to reach the whole country this winter, and have
the Witness presented earnestly to the notice of
every family. To this end we have determined
to depart from the usual course of allowing our
publications to commend themselves on their
merits alone, and to inaugurate on a large scale a
competitive effort on the part of all our subscrib-
ers to increase the subscription list. This competi-
tion will last during the month of October, and
will be open to all. The list of prizes will be found
below.

If this comes to any who are not familiar with
the Witness, we may say that for twenty-nine
years it has labored for the promotion of evange-
lical truth, and for the suppression of the liquor
traffic. Our effort is to produce a *Christian Temperance Newspaper*, unattached to any political
party or religious denomination, seeking only to
win truth fearlessly for the truth and against evil
doing under all circumstances and to keep its
readers abreast with the news and the knowledge
of the day. It devotes most space to Social,
Agricultural and Sanitary matters, and is espe-
cially the paper for the home circle. It is freely
enriched with engravings.

The Witness has been enlarged twice,
and nearly doubled within four years, and is the
very most that can be given for the price—\$1.10
per annum.

The Montreal Witness (Tri-Weekly), gives the
news three times a week, and all the reading of
the Daily Witness for \$2.00 per annum.

The Daily Witness is in every respect a first-
class daily containing much more reading mat-
ter than the papers which cost twice as much,
for \$3.00 per an.

All of course, are post-paid by Publishers.
Subscribers remitting new subscriptions outside
their own are entitled to the following discounts
on such subscriptions:
Daily Witness 50c
Tri-Weekly 35c.
Weekly 25c.

PROSPECTUS FOR 1876 OF THE "CA- NADIAN MESSENGER."

THE PIONEER PAPER.
The Messenger is designed to supply the homes
of the Sunday School scholars of America with
family reading of the most useful and interest-
ing sort at the lowest possible cost. It consists of
eight pages of four columns each, and contains a
Temperance department, a Scientific department,
a Sanitary department and an Agricultural de-
partment. Two pages are given to family read-
ing, two to a large type for children, and

one to the Sunday School lessons of the Inter-
national Series, and a children's column. The
paper is magnificently illustrated. There has
been a very rapid increase in its circulation dur-
ing the past year, namely, from 1,000 to 25,000,
and the ratio of increase rises so rapidly that the
proprietors have sanguine hopes of doubling the
latter figure before the end of the year. There
has been, as a result of this prosperity, some im-
provement in the style of the paper, and it will,
of course, be possible to introduce more and more
improvements as circulation grows. Most of the
growth of the Messenger has been by the volun-
tary recommendation of it by friends who have
formed their own opinion of its worth, and by
the introduction of it into Sunday Schools. Your
correspondents say that their Sunday Schools are
more interesting and better attended since it has
been introduced.

The following are the prices of the Messenger

1 copy	\$ 0 30
10 copies	2 30
25 copies	6 00
50 copies	11 50
100 copies	22 00
1,000 copies	200 00

Surplus copies for distribution as tracts, twelve
dozen for \$1.

PROSPECTUS FOR 1876 OF THE "NEW DOMINION MONTHLY."

In general style and appearance the Dominion
has, during the last few months, very consider-
ably improved, and it is intended to improve on
the present as much as the present is an im-
provement on the past, and the Magazine of
next year will be read with an ease and pleasure
greater than hitherto. When we say that these
improvements are not to be marked by any
change of price, we refer to the full price of \$1.50
per annum. Hitherto the Dominion has been
clubbed with the "Weekly Witness" at \$1.00,
which it will be simply impossible to continue
now that one-fifth has been added to its bulk,
along with better paper and printing. The Domi-
nion is henceforth to be clubbed with the "Wit-
ness" at \$1.25, and is better worth its cost than
ever before. Twenty-five cents, instead of fifty
will be the discount allowed to friends obtaining
for us new subscribers at full rates, the induc-
ments to subscribers being now put into the
magazine itself. The object of the publishers of
the Dominion is to develop a native Canadian
literature, and very much has been accomplished
in this way during its history of nine years, the
age of the magazine being that of the Dominion
of Canada. Those interested in the same object
will not, we think, waste their efforts if they do
what they can to make the magazine a pecuniary
success, what we presume no magazine in Can-
ada has ever yet been for any length of time.

THE WEEKLY SUN.

1776. New York. 1876.

Eighteen hundred and seventy-six is the Centennial year. It is also the year in which an Opposition House of Representatives, the first since the war, will be in power at Washington; and the year of the twenty-third election of a President of the United States. All of these events are sure to be of great interest and importance, especially the two latter; and all of them and everything connected with them will be fully and freshly reported and expounded in *The Sun*.

The Opposition House of Representatives, taking up the line of inquiry opened years ago by *The Sun*, will sternly and diligently investigate the corruptions and misdeeds of Grant's administration; and will, it is to be hoped, lay the foundation for a new and better period in our national history. Of all this *The Sun* will contain complete and accurate accounts, furnishing its readers with early and trustworthy information upon these absorbing topics.

The twenty-third Presidential election, with the preparations for it, will be memorable as deciding upon Grant's aspirations for a third term of power and plunder, and still more as deciding who shall be the candidate of the party of Reform, and as electing the candidate. Concerning all these subjects, those who read *The Sun* will have the constant means of being thoroughly well informed.

The Weekly Sun which has attained a circulation of over eighty thousand copies, already has its readers in every State, Territory, and we trust that the year 1876 will see their number doubled. It will continue to be a thorough newspaper. All the general news of the world will be found in it, condensed when necessary, and full length when of moment; and always, we treat in a clear, interesting and instructive manner.

It is our aim to make the *WEEKLY SUN* the best family newspaper in the world, and we shall continue to give in its columns a large amount of miscellaneous reading, such as stories, tales, poems, scientific intelligence and agricultural information, for which we are not able to make room in our daily edition. The agricultural department especially is one of its prominent features. The fashions are also regularly reported in its columns; and so are the markets of every kind.

The Weekly Sun, eight pages with fifty-six broad columns is only \$1.20 a year postage prepaid. As this price barely repays the cost of the paper, no discount can be made from this rate to clubs, agents, Postmasters, or anyone.

The Daily Sun, a large four page newspaper of twenty-eight columns, gives all the news for two cents a copy. Subscriptions, postage prepaid, 65c. a month or \$6.50 a year. *SUNDAY* edition extra, \$1.10 per year. We have no travelling agents.

Address, THE SUN, New York City.

TASTELESS MEDICINES.

A prominent New York physician lately complained to DUNDAS DICK & CO. about their SANDALWOOD OIL CAPSULES, stating that sometimes they cured miraculously, but that a patient of his had taken them without effect. On being informed that several imitations were sold, he inquired and found his patient had not been taking DUNDAS DICK & CO'S.

What happened to this physician may have happened to others, and DUNDAS DICK & CO. take this method of protecting physicians, druggists and themselves, and preventing out of SANDALWOOD from coming into disrepute.

PHYSICIANS who once prescribe the Capsules will continue to do so, for they contain the pure Oil in the best and cheapest form.

DUNDAS DICK & CO. use more Oil of Sandalwood than all the Wholesale and Retail Druggists and Perfumers in the United States combined, and this is the sole reason why the pure Oil is sold cheaper in their capsules than in any other form.

OIL OF SANDALWOOD is fast superseding every other remedy, sixty Capsules only being required to insure a safe and certain cure in six or eight days. From no other medicine can this result be had.

DUNDAS DICK & CO'S. SOFT CAPSULES solve the problem, long considered by eminent physicians, of how to avoid the nausea and disgust experienced in swallowing, which are well known to detract from, if not destroy, the good effects of many valuable remedies.

Soft Capsules are put up in tin-foil and neat boxes, thirty in each, and are the only Capsules prescribed by physicians.

TASTELESS MEDICINES.—Castor Oil and many other nauseous medicines can be taken easily and safely in *Dundas Dick & Co's Soft Capsules*. No Taste. No Smell.

These were the only Capsules admitted to the last Paris Exposition.
