WEEK OF PRAYER.

WE give in this number a list of our city churches in which special sermons to young men will be preached, in response to the circular issued by our Association. We record with gratitude the hearty manner in which the pastors have responded to our request, and if all the city churches do not appear on the list, it is not from lack of sympathy with the object, or with our Association, and we desire to say that in some instances it was *impossible* to comply with our circular. Church Anniversaries had been arranged, or exchanges with ministers from a distance had been settled for many weeks, and could not of course be changed.

We sincerely hope that much good may result from the services of Sabbath next, and that many young men may be led to believe on the Lord Jesus Christ.

In addition to the services named, we propose holding meetings for prayer in our Rooms, on Monday Tuesday and Thursday evenings at 8 o'clock.

OUR LECTURE COURSE.

OUR Regular Course was opened on Tuesday evening last by Rev. Canon Carmichael, of Hamilton, the subject being "Some Lessons from early forms of Life" with blackboard illustrations. Large numbers of our members availed themselves of the privilege afforded them, and we hear nothing but the most hearty expressions of satisfaction. In fact, the reverend gentleman had not left the hall when some of our members wished us to try and induce him to give another lecture. We are grateful for the kind assistance rendered us, and the thanks tendered at the close of the lecture was not mere formality. Our space will not permit a notice which would at all do justice to the Lecturer or his subject. Those who know him, know how competent he is to handle such a subject. The next lecture of the course will be delivered by Principal Grant, D.D., of Kingston, on Monday 21st inst, subject,—Joseph Howe, a Canadian Politician and man of letters.
