Be it therefore enacted by the Lieutenant Governor, Legislative Council, and Assembly, as follows:—

1. That William Muirhead, George H. Russell, Edward Williston, George Burchill, Jabez B. Snowball, Hugh Bain, Alexander M. Laggan, Adam D. Shereff, Francis E. Winslow, George Kerr, Allan A. Davidson, Richard Hocken, Henry Cunard, Robert Brown, Peter Morrisson, the Honorables

Peter Mitchell, John Ferguson, William Hamilton, and James Davidson, their associates, successors or assigns, be and they are hereby declared to be a body corporate, by the name of "The President, Directors and Company of the Northern Bank," and they shall be persons capable and able in law to have, get, receive, take, possess, and enjoy houses, lands, tenements, hereditaments, and rents, in fee simple or otherwise, and also goods and chattels, and all other things, real, personal, or mixed, and also to give, grant, let or assign the same or any part thereof, and to do and execute all other things in and about the same, as they shall think necessary for the benefit and advantage of the said Corporation; and also that they be persons able and in law capable to sue and be sued, plead and be impleaded, answer and be answered unto, defend and be defended, in any Court or Courts of Law and Equity, or any other places whatsoever, in all and all manner of actions, suits, complaints, demands, pleas, causes and matters whatsoever, in as full and ample a manner as any other person or persons are in law capable of suing and being sued, pleading and of being impleaded, answering and of being answered unto; and also that they shall have one common seal to serve for the ensembling all and singular their grants, deeds, conveyances, contracts, bonds, articles of agreement, assignments, powers and warrants of Attorney, and all and singular their affairs and things touching and concerning the said Corporation; and also that they, the said President, Directors, and Company, or the major part of them, shall from time to time, and at all times, have full power and authority and licence to constitute, ordain, make, and establish such laws and ordinances as may be thought necessary for the good rule and government of the said Corporation, provided that such laws and ordinances be not contradictory or repugnant to the laws or statutes of that part of the United Kingdom of Great Britain and Ireland called England, or repugnant or contrary to the laws or statutes of this Province.

2. The capital stock of the said Corporation shall consist of current gold and silver coins of the Province to the amount of eighty thousand dollars; the sum of forty thousand dollars, one half part thereof, to be paid in current gold and silver coins of the Province of New Brunswick, within one

year from the passing of this Act, and the further sum of forty thousand dollars within two years from the passing of this Act, the whole amount of the said stock to be divided into shares of one hundred dollars each, making in the whole eight hundred shares.

3. The said Corporation shall have full power and authority to take, receive, hold, possess and enjoy in fee simple, any lands, tenements, real estate, and rents, to any amount not exceeding sixteen thousand dollars; provided nevertheless, that nothing herein contained shall prevent or restrain the said Corporation from taking or holding real estate to any amount whatsoever, by mortgage taken as collateral security for the payment of any sum or sums of money advanced by, or debts due to the Corporation; provided further, that the said Corporation shall on no account lend money upon mortgage, or upon lands or other fixed property, nor shall such be purchased by the said Corporation upon any pretext whatsoever, unless by way of additional security for debts contracted with the said Corporation in the course of its dealings.

4. No mortgage shall be taken upon lands or other fixed property, by the said Corporation, as collateral security, except for debts previously contracted with the said Corporation in the course of its legitimate banking business, and all such mortgages shall be collected or disposed of, and converted into money by the Corporation, within a period not exceeding five years from the date of every such mortgage, or from the time the same came into the possession of the said Corporation; this not to affect the rights of an assignee.

5. Whenever four hundred shares of the said capital stock shall have been subscribed, a general meeting of the members and stockholders of the said Corporation, or the major part of them, may take place by notice in one or more of the public Newspapers published in this Province, thirty days previous to such meeting, for the purpose of making, ordaining, and establishing such bye-laws, ordinances and regulations for the good management of the affairs of the said Corporation, as the members and stockholders of the said Corporation shall deem necessary, and also for the purpose of choosing five Directors, being members and stockholders of the said Corporation, under and in pursuance of the rules

and regulations hereinafter made and provided, which Directors so chosen shall serve until the first annual meeting for choice of Directors, and shall have full power and authority to manage the affairs of the said Corporation, and shall commence the operations of the said Bank, subject nevertheless to the rules and regulations hereinafter made and provided; at which general meeting the members and stockholders of the said Corporation, or the major part of them, shall determine the amount of payments to be made on each share, also the mode of transferring and disposing of the stock and profits thereof, which being entered on the books of the said Corporation, shall be binding on the said stockholders, their successors and assigns.

6. There shall be a general meeting of the stockholders and members of the said Corporation, to be annually holden on the first Monday in May in each and every year, at Chatham, in the County of Northumberland, at which annual meeting there shall be chosen by a majority of the said stockholders and members of the said Corporation, five Directors, each of whom shall be a resident of the said County, and continue in office for one year, or until others are chosen in their room; in the choice of which Directors the stockholders and members of the said Corporation shall vote according to the rules hereinafter mentioned, and the Directors when chosen, shall at their first meeting after their election, choose out of their number a President.

7. The Directors for the time being shall have power to appoint such officers, clerks and servants as they or the major part of them shall think necessary for executing the business of the said Corporation, and shall allow them such compensation for their respective services as to them shall appear reasonable and proper; all which, together with the expense of buildings, house rent, and all other contingencies, shall be defrayed out of the funds of the Corporation; and the said Directors shall likewise exercise such other powers and authority for the well regulating the affairs of the said Corporation as shall be prescribed by the bye laws and regulations of the same.

8. Not less than three Directors shall constitute a Board for the transaction of business, of which the President shall always be one, except in the case of sickness or necessary

absence, in which case the Directors present may choose one of their Board as Chairman in his stead; the President shall vote at the Board as a Director, and in case of there being an equal number of votes for and against any question before them, the President shall have a casting vote; provided always, that no bill or note offered for discount at the said Bank shall be refused or excluded by a single vote.

9. No Director shall be entitled to any salary or emolument for his services; but the stockholders and members of the said Corporation may make such compensation to the President as to them shall appear reasonable and proper.

10. No person shall be eligible as a Director unless such person is a stockholder, and holding not less than ten shares of the capital stock of the said Corporation; provided always, that the stockholder so otherwise qualified be not a Director in any other Banking Company in this Province.

11. Every Cashier and Clerk of the said Corporation before he enters upon the duties of his office, shall give bonds with two or more sureties, to be approved of by the Directors, that is to say, every Cashier in a sum not less than twenty thousand dollars, with a condition for his good and faithful behaviour, and every Clerk with the like conditions and sureties in such sum as the Directors shall deem adequate to the trusts reposed in them.

12. The number of votes which each stockholder shall be entitled to on every occasion when in conformity to the provisions of this Act the votes of the stockholders are to be given, shall be in the following proportion, that is to say: for one share and not more than four shares, one vote; for every four shares above four and not exceeding twenty, one vote, making five votes for twenty shares; for every eight shares above twenty and not exceeding sixty, one vote, making ten votes for sixty shares; which said number of ten votes shall be the greatest number that any stockholder shall be entitled to have.

13. All stockholders resident within this Province or elsewhere, may vote by proxy, provided that such proxy be a stockholder, and do produce sufficient authority in writing from his constituent or constituents so to act; provided that no stockholder be entitled to more than three proxies.

14. No member of the said Corporation during the first

three months, to be accounted from and after the passing of this Act, shall be entitled to hold and subscribe for more than forty shares of the said capital stock; and if the whole of the said capital stock shall not have been subscribed within the said three months so to be accounted as aforesaid, then and in such case it shall be lawful for any stockholder or stockholders to increase his or their subscriptions to eighty shares; provided always, that no stockholder shall be permitted to hold more than one hundred shares in the whole, unless the same be acquired by purchase after the said Bank shall have commenced its operations; and provided also, that no stockholder in the said Bank at any one time shall hold more than twenty per cent. of the capital stock.

15. The Directors are and they are hereby authorized to fill up any vacancy that shall be occasioned in the Board by the death, resignation, or absence from the Province for three months, of any of its members; but in the case of the removal of a Director by the stockholders for misconduct or mal-administration, his place shall be filled up by the said stockholders, and the person so chosen by the Directors or the stockholders shall serve until the next succeeding annual meeting of the stockholders.

16. Before any stockholder shall be required to make payment of any instalment upon the amount of his subscription, thirty days previous notice shall be given by the Directors in two of the Newspapers published in this Province, of the time and place of payment; and the Directors shall commence with the business and operations of the Bank of the said Corporation; provided always, that no bank bills or bank notes shall be issued or put in circulation, nor any bill or note discounted at the said Bank, until the said sum of forty thousand dollars shall be actually paid in and received on account of the subscriptions to the capital stock of the said Bank.

17. As soon as the sum of forty thousand dollars shall have been paid in current gold and silver coins, and shall then be in the vaults of the said Bank, the President shall give notice thereof to the Secretary of the Province, for the information of the Governor, who is hereby authorized, by and with the advice of Her Majesty's Executive Council, to

appoint three Commissioners, not being stockholders, whose duty it shall be to examine and count the money actually in the vaults, and to ascertain by the oaths of the majority of the Directors, that half the amount of its capital has been paid in by the stockholders towards payment of their respective shares, and not for any other purpose, and that it is intended to have it there remain as part of the capital stock of the said Bank; which investigation is hereby declared indispensable, and shall be made at the periods prescribed by the second Section of this Act when paying in the capital stock of the said Bank.

18. The shares or capital stock shall be assignable and transferable according to the rules and regulations that may be established in that behalf, but no assignment or transfer shall be valid or effectual, unless such assignment or transfer shall be entered and registered in a book to be kept by the Directors for that purpose, nor until such person or persons so making the same, shall previously discharge all debts actually due and payable to the said Corporation; in no case shall any fractional part of a share, or other than a complete share or shares be assignable or transferable, and whenever any stockholder shall transfer in manner aforesaid, all his stock or shares in the said bank, to any other person or persons whatever, such stockholder shall cease to be a member of the said Corporation.

19. The said Company shall not directly or indirectly deal in any thing excepting bills of exchange, gold or silver bullion, or in the sale of goods really and truly pledged for money lent and not redeemed in due time, or in the sale of stock pledged for money lent and not so redeemed; which said goods and stock so pledged, shall be sold by the said Corporation at public sale, at any time not less than thirty days after the period for redemption; and if, upon such sale of goods or stock, there shall be a surplus, after deducting the money lent, together with the expenses of sale, such surplus shall be paid to the proprietors thereof respectively.

20 The holders of the stock of the said Bank shall be chargeable in their private and individual capacity, and shall be holden for the payment and redemption of all bills which may have been issued by the said Corporation, and also for the payment of all debts at any time due from the said Cor-

poration, in proportion to the stock they respectively hold; provided always, that in no case shall any one stockholder be liable to pay a sum exceeding the amount of stock actually then held by him; provided nevertheless, that nothing herein previously contained, shall be construed to exempt the joint stock of the said Corporation from being also liable for and chargeable with the debts and engagements of the same.

21. Every bond, Bank bill or Bank note, or other instrument, by the terms or effects of which the said Corporation may be charged or held liable for the payment of money, shall specially declare in such form as the Board of Directors shall prescribe, that payment shall be made out of the joint funds of the said Corporation; provided nevertheless, that nothing herein contained shall be construed to alter, change or diminish the responsibilities or liabilities imposed on stockholders in their individual capacities by the nineteenth Section of this Act.

22. The total amount of the debts (deposits excepted) which the said Corporation shall at any time owe, whether by bond, bill, or note, or other contract whatsoever, shall not exceed twice the amount of the capital stock actually paid in by the stockholders; and in case of any excess, the Directors under whose administration and management the same shall happen, shall be liable for such excess in their individual and private capacities; provided always, that the lands, tenements, goods and chattels of the said Corporation shall also be liable for such excess.

23. The Directors shall make half-yearly dividends of all profits, rents, premiums and interests of the said Corporation, payable at such time and place as the Directors shall appoint, of which they shall give thirty days notice in two Newspapers published in this Province.

24. The books, papers, correspondence and funds of the said Corporation shall at all times be subject to the inspection of the Directors; but no stockholder not a Director shall inspect the account of any individual with the said Corporation.

25. All bills or notes issued by the said Corporation shall be signed by the President for the time being, and countersigned and attested by the Cashier, and shall be printed and made in steel plates; and all bills and notes so signed and

countersigned shall be binding on the said Corporation, and payable in specie at the said Bank, provided no note shall be issued by the said Corporation for a less sum than one dollar.

26. The said Corporation shall be liable to pay to any *bona fide* holder, the original amount of any note of the said Bank which shall have been altered in the course of its circulation to a larger amount, notwithstanding such alteration.

27. The said Bank shall be kept and established in the Parish of Chatham, and County of Northumberland, or at such other place as the Board of Directors may think it necessary to remove the said Bank on account of any great emergency for the security thereof.

28. The Directors shall at the general meeting to be held on the first Monday in May in every year, lay before the stockholders for their information, an exact and particular statement of the amount of debts due to and by the said Corporation, the amount of Bank notes then in circulation, the amount of gold and silver in hand, and the amount of such debts as are in their opinion bad or doubtful; also the surplus or profits (if any) remaining after deduction of losses and provision for dividends; which statement shall be signed by the Directors and attested by the Cashier; and a duplicate statement so signed and attested, shall be transmitted to the Secretary of the Province for the information of the Governor and Legislature; provided always, that the rendering of such statement shall not extend to give any right to the stockholders not being Directors to inspect the account of any individual or individuals with the said Corporation.

29. No loan shall be made by the said Bank on the pledge of its own stock.

30. Any Joint Committee hereafter to be appointed by the Honorable the Legislative Council and the House of Assembly, for the purpose of examining into the proceedings of the said Corporation shall, either during the Session or prorogation of the General Assembly, have free access to all the books and vaults of the same.

31. Any number of stockholders, not less than twelve, who together shall be proprietors of three hundred shares, shall have power at any time by themselves or their proxies to call a general meeting of the stockholders, for purposes

relating to the business of the said Corporation, giving at least thirty days previous notice in two Newspapers published in this Province, and specifying in such notice the time and place of such meeting, with the objects thereof; and the Directors, or any three of them, shall have the like power at any time, upon observing the like formalities, to call a general meeting as aforesaid.

32. On any dissolution of the said Corporation, immediate and effectual measures shall be taken by the Directors then in office for closing all the concerns of the said Corporation, and for dividing the capital and profits which may remain among the stockholders in proportion to their respective interests; and in case any bills issued by the said Corporation shall remain unpaid, the holders of stock in the said Corporation, as well as those who were stockholders at the time of the notice of the said dissolution, which said notice shall take place by a publication of their intention so to do in the Royal Gazette twelve months previous to the said Corporation being allowed to carry the same into effect, shall be chargeable in their private and individual capacity for the payment and redemption thereof, in proportion to the stock they respectively held or hold, subject however to the proviso mentioned in the twentieth Section of this Act; provided however, that this liability shall continue for two years only from and after the notice of such dissolution.

33. The aggregate of all the debts due to the said Bank from the Directors thereof, as principals, endorsers, or sureties, shall not at any time exceed twenty per centum of the capital stock.

36. In the event of any Director continuing a delinquent as aforesaid for ninety consecutive days at any one time, such continued delinquency shall disqualify such Director from holding his seat ; and it shall be the duty of the President and other Directors forthwith to proceed in filling up the vacancy in the manner prescribed in the fourteenth Section of this Act, as in the case of death or absence from the Province.

37. No action shall be brought or maintained upon any Bank bill or Bank note which shall be issued by the said Corporation, before such bill or note shall have been presented at the Bank for payment, and default in payment shall thereupon take place.

38. All and every the shares in the capital stock of the said Bank, and all the profits and advantages of such shares respectively, shall be deemed and considered to be of the nature of and shall be personal estate, and transmissible as such accordingly.

39. The shares in the capital stock of the said Bank shall

be liable to be seized and taken in execution, and sold in like manner with other personal property; provided always, that the Sheriff or other officer executing such execution, shall leave a copy of such execution, certified by the Sheriff or his Deputy, with the Cashier of the said Bank; and the shares in the capital stock of the said Bank so liable to such execution, shall be deemed to be seized in execution when such copy is so left, and the sale shall be made within thirty days after such seizure; and on production of a bill of sale from the Sheriff, the Cashier of the said Bank shall transfer the number of shares sold under such execution to the purchaser or purchasers thereof, and such transfer shall be valid and effectual notwithstanding there may be any debt due to the said Bank from the person or persons whose shares may be seized and sold; provided also, that the Cashier shall, upon the exhibiting to him of such certified copy of the execution, be bound to give to such Sheriff or other officer a certificate of the number of shares in the said capital stock held by the judgment debtor named in such execution, and the shares of such judgment debtor in the capital stock shall be bound by such execution only from the time when such copy of the execution shall be so left with the Cashier.

40. And in case it should hereafter be found necessary at any time after the payment in, and certificate of such first mentioned capital, and within seven years from the time of passing this Act, to increase the capital stock of the said Bank, the same may be effected by resolution of the Directors or the major part of them for the time being, sanctioned and approved of by a majority of the votes of the shareholders present, in person or by proxy, at a general meeting convened after special notice of the same and its intended object; such additional capital stock may be raised by the issue of additional shares severally of the value before mentioned, provided that the whole of such additional stock shall not exceed one hundred and twenty thousand dollars, thereby making the utmost amount of capital stock of the said Bank two hundred thousand dollars, and in the whole two thousand shares.

41. Such additional shares shall be sold at public auction in separate lots of four shares each as follows, that is to say: twenty thousand dollars, making two hundred shares, at

such time as the Directors shall appoint; and the residue of such increased additional capital at such times as the Directors may from time to time determine; but not less than twenty thousand dollars to be sold at any one time.

42. The said Directors shall give at least forty days notice of the time of sale of any such increased stock, in some Newspaper published in this Province, in which notice shall be specified the time when such additional stock, with the advance or premium thereon, will be required to be paid into the said Bank.

43. 1. The first step is to identify the problem and its scope. This involves understanding the current situation, the goals, and the constraints. It is essential to gather all relevant information and to define the problem clearly and concisely.

2. Next, it is necessary to analyze the problem and to identify the underlying causes. This can be done by using various tools and techniques, such as the fishbone diagram, the 5 Whys, and the Pareto chart. The goal is to understand the root causes of the problem and to identify the areas that need to be addressed.

3. Once the causes have been identified, the next step is to develop a plan of action. This involves setting priorities, allocating resources, and establishing a timeline. It is important to ensure that the plan is realistic and achievable, and that it takes into account all relevant stakeholders and their interests.

4. The final step is to implement the plan and to monitor progress. This involves putting the plan into action and tracking the results. It is essential to communicate the progress to all stakeholders and to make adjustments as needed. The goal is to ensure that the problem is solved and that the organization is able to prevent it from recurring.
