CAP. XXXI.

An Act to authorize a re-survey of part of the Township of Portland, in the County of Frontenac.

[Assented to 18th March, 1865.]

TT HEREAS Joseph Watson and others, of the Township Preamble. of Portland, in the County of Frontenac, have, by their petition, represented that in the original survey of the said Township, the Concession lines were intended to be parallel to each other, and are so shewn on the Government plan thereof; but that in reality, on the ground, the line dividing the twelfth from the thirteenth concession is not parallel to any other in the Township, whilst those between the tenth and eleventh, the eleventh and twelfth, and the thirteenth and fourteenth concessions were not run at all upon the ground; from which it results that two concessions to the north, and three concessions to the south, of the erroneously drawn line between the twelfth and thirteenth concessions, are affected by it---the concessions to the north getting about double their depth, and those to the south about half of theirs; that these facts have only recently been discovered; that the Township has been settled under the belief that the regular lots were all of equal size, as set forth in their original patents, and that, as the law now stands, the improvements of many of the residents of the said. Township will become the property of their neighbours, and many boundary lines, or supposed boundary lines, will be disturbed; and have prayed that an Act may be passed to provide for their relief in the premises; and whereas, the allegations of the said petition have been in a great measure borne out by the results of a survey of the said eleventh, twelfth, thirteenth and fourteenth concessions of the said Township of Portland, made by Aylsworth Bowen Perry, Provincial Land Surveyor in and for Upper Canada, under the authority of the Commissioner of Crown Lands, upon the application of the Municipal Council of the said. Township, to the Governor, -- as appears by the report and plan of the said survey, of record in the office of the Commissioner of Crown Lands; and whereas the said Municipal Council of the said Township have, by resolution; unanimously concurred in the statements of fact contained in the said petition, and in the prayer of the said petition; and whereas it is expedient that the prayer of the said petition should be granted :: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows : 特别的自己的特别和自己的法律法律的情绪。

CAP. LXXIV.

An Act for the relief of the Trustees and Devisees of the late John David Smith and to enable the said Trustees to wind up the Trusts of the Estate.

[Assented to 18th March, 1865.]

W HEREAS Augusta Louisa Smith and John Shuter Preamble. Smith have, by their petition, represented that John David Smith, late of Port Hope, in Upper Canada, Esquire, deceased; by his last will and testament appointed his wife, the said Augusta Louisa Smith; executrix, and his sons, Elias Peter Smith and John Shuter Smith; executors of his said will and testament and trustees of his estate and effects, and thereby amongst other things devised to his said trustees his residuary estate to be divided as therein directed, and one-third portion thereof to be held by them for the use of his widow during her widowhood, and after her death or marriage to be divided amongst his children by his second marriage; viz., Joseph, Susan, Sarah and Wallis, when his youngest child should attain the age of twenty-one years; that the said testator did further, by a codicil to his said will, devise and declare that Cap. 74.

170

his executors should hold a certain other portion of his said residuary estate as trustees thereof to the use of all of the children of his (the said testator's) son David Smith, begotten or to be begotten, to be equally divided amongst them, and to be conveyed to them as fast as they should attain the age of twenty-one years, as by the said will and codicil, reference being thereunto had, will more fully and at large appear;

That on the thirtieth day of March, one thousand eight hundred and forty-nine, the said testator departed this life without revoking the said will or codicil, and that the said executors and trustees therein named duly proved the same, and took upon themselves the administration of the said estate; that the said Elias Peter Smith, one of the said executors and trustees, departed this life on the twenty-sixth day of December, eighteen hundred and sixty; that the said two portions of the said estate, so directed to be held in trust as aforesaid, still remained in the hands of the petitioners as surviving trustees thereof as aforesaid, under and subject to the trusts of the said will and codial :

That all the said testator's children by his said second marriage have attained the age of twenty-one years except the youngest child, Wallis Smith, who on the twenty fourth day of January, Anno Domini one thousand eight hundred and sixty-three, departed this life, four months before he would have attained that age, leaving issue a posthumous daughter. born on the twentieth day of August, Anno Domini one thousand eight hundred and sixty-three;

That before the death of the said Wallis Smith all the parties interested in that portion of the said trust estate so set apart for the said widow and children of the said testator by his second marriage, agreed that the same should be divided and conveyed to and amongst them, according to the intentions of the said testator, as soon as the said Wallis Smith should attain the age of twenty-one years, and that each portion or share thereof should be charged with an annual or other payment or amount for the support of the said widow during her widowhood; that all the other parties are willing and desirous that such division should be made, but, in consequence of the death of the said Wallis Smith and the infancy of his said posthumous daughter, such division cannot now be legally made without the authority of an Act of Parliament; that there are five surviving children of the said David Smith, two of whom have attained the age of twenty-one years; that the said David Smith is now of the age of fifty-five years; that his youngest surviving child is now of the age of twelve years or thereabouts; that there is no probability of any further issue of the said David Smith; that the said children are desirous that the said portion of the said trust estate to which they are entitled should be divided amongst them, but that, in consequence

of

Trustees and Devisees.

of the possibility of such further issue of the said David Smith, no such last mentioned division can now be made without legislative authority and sanction as aforesaid; that the larger portion of the said respective properties is unproductive, and in the hands of trustees cannot be employed so profitably for the interests of those beneficially interested as if it was in the hands of the owners themselves, and have prayed that an Act may be passed to enable them, the said surviving trustees, to divide the said two portions of the said trust estate amongst the said children and parties entitled to the same respectively, and to charge that portion thereof so set apart for the said testator's children by his second marriage with an annual amount or payment for the support of his said widow during her widowhood, and to close and wind-up the trusts of the said will; And whereas, it is expedient to grant the prayer of the said petition :

Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows :

1. The said Augusta L. Smith and John Shuter Smith may Power to trustees to divide that portion of the said estate, set apart and now held by convey their them in trust for the widow of the said testator and his chil- respective dren by his second marriage, amongst such surviving children surviving and the issue of the said Wallis Smith, deceased, share and children of restator by share alike, and may convey to the said surviving children, his second Joseph, Susan and Sarah, their several and respective shares marriage: thereof in fee simple, and may hold the share of the said infant. daughter of the said Wallis Smith as trustees thereof for her use and benefit until she shall attain the age of twenty-one years, and then convey the same to her in fee simple, or may convey the same to other trustees, to be held upon the same trusts, for the benefit of the said infant during her minority; and may charge each of the said shares with an annual payment or sum not exceeding two hundred and fifty dollars, to be issuing out of the same in quarterly sums or payments not exceeding sixty-two dollars and fifty cents, to be paid to the said Augusta L Smith for her support during her widowhood; Provided always, that in making such division, they, the said trustees, shall observe the directions of the said will in respect of any advance that may have been or may be made to any or either of such last-mentioned children or to the said Wallis Smith by the said trustees, under the provisions of the said will, and such division shall be final and conclusive upon all parties concerned or interested therein.
