Service and the service

Refolved,

Refelved, That no Petition of a private nature, he received after Monday the first day of December next.

A Petition of William Cochran, Efq. was prefented by Mr. Pyke and read, fetting forth, that the Petitioner, together with Edward Mortimer, S. W. G. Archibald, S. B. Robie, and William Lawfon, Efquires, were Candidates at the laft Election for four Members to ferve in General Affembly for the County of Halifax, that, at the close of the faid Poll, the number of votes, as they flood on the Sheriff's books, were as follows : Edward Mortimer, 1.049; S. W. G. Archibald, 962; Simon B. Robie, 904; William Lawfon, 712; and, the Petitioner, William Cochran, 614; the Petitioner having the fifth greatest number of Votes. That at the opening of the Poll at Halifax, it was well known the faid William Lawfon was not qualified, in point of property, required by the Laws of the Province and at the close of the Poll at Pictou, the Petitioner protested against the Sheriff, for returning the faid William Lawfon duly elected, it being notorious that the faid William Lawfon, had not any Freehold Effate in faid County; that, notwithstanding these proceedings, the faid William Lawfon, has been returned as one of the Reprefentatives for the County of Halifax, although as the Petitioner now begs leave to fet forth to the House, the faid William Lawfon, hath not, within the faid County, an Income of forty shillings per annum in Freehold Eftate, or a dwelling houfe with the ground whereon the fame stands; or one hundred acres of land, whereof five are cultivated, or any other Freehold Effate to qualify him to be elected for the faid County, which fact was well known to the Frecholders of faid County, fo, that the Votes given for the faid William Lawfon, under the circumftances herein flated were of no force or effect, and the Petitioner having the next greatest number of Votes, was duly elected and ought to have been returned; and praying the Houfe would take the premites into confideration, and order the Sheriff of the county of Halifax, to amend his return, by inferting the name of the Petitioner, in the place of the faid William Lawfon, or grant the Petitioner fuch relief, as to the Houle, in their wildom, may appear juft.

A Petition of Thomas Law Dixon, was prefented by Mr. Pyke, and read; fetting forth, that at the late Election for the Township of Amherst, of a Representative in the present House of affembly, the Petitioner, and Mr. Edward Baker, stood Candidates. That the faid Mr. Biker, at the time of fuch Election, and Return, was not eligible to ferve as a Member of Affembly, for the faid Township of Amherst, according to the intent and meaning of an Act, passed in the 37th year of his present Majefty's Reign, intitled an Act, in amendment of an Act, paffed in the 29th Year of his prefent Majefty's Reign, intitled, an ASt for the better regulation of Elections; and the Petitioner, did at the time of the Election, object to the eligibility of the faid Mr. Baker, for the reafons aforefaid. And the Petitioner, humbly conceives that the Election and Return of the faid Mr. Baker is void. That many illegal practices were made use of, by, for, and on behalf of, the faid Mr. Baker, in order to procure him to be elected a Representative for the faid Townflip of Amherst. That feveral women and perfons, having no legal qualification, were polled for the faid Mr. Baker, although objected to by the Petitioner. That the Poll was closed by Proclamation, at 40 minutes past fix o'Clock in the Evening, although there were feveral Freeholders who would have voted for the Petitioner, had the Poll been kept open another day; there was also a Freeholder prefent, who tendered his vote for the Petitioner, which was objected to by Mr. Baker, unless he took the oath of qualification, which he conficiencioufly declined doing, on account of his not knowing whether his Title Deed, was registered, although he had left it for that purpole with the Deputy Register, the Father of Mr. Baker, the Candidate ; and the faid Deputy Register, who was prefent, refuted to inform him, or go to his Office with him, until the next day, before which time the Sheriff, clofed the Poll, as aforefaid, and praying that the Houfe would order the Sheriff of the County of Cumberland, to amend his return, by firiking

out

out the name of Edward Baker, and inferting the name of the Petitioner, inflead thereof. or grant fuch other relief, as to the Houfe shall feem meet.

Ordered, that the faid Petitions do lie on the Table.

On motion of Mr. Pyke, ordered, That Mr. Dickfon and Mr. Cochran be heard by theinfelves, or their Counfel, on the merits of their respective Petitions, on Monday next.

On motion of Mr. Hutchinson, the Petition of Thomas L. Dixon, and the return of the Sheriff of the County of Cumberland, on the writ for the Township of Amherst, were feverally read by the Clerk; and, thereupon,

Ordered, That the Petitioner be notified, that this Houfe will hear the Fetitioner, or Counfel on his behalf, on Monday next, folely on the objection made by the Petitioner to the qualification of the fitting member.

Then the Houfe adjourned until To-morrow, at Eleven of the Clock.

A Petition of Edward Whitman, was prefented by Mr. Northup, and read, fetting forth; that Thomas Walker, of Annapolis, merchant, and the Petitioner, were Candidates at the last Election for one Member to represent, in General Assembly, the Township of Annapolis; that the Poll was opened on the 14th July laft, and kept open for the space of three days; that, during the faid Election, William Winniett, Efq. the Sheriff of the County of Annapolis, did luffer divers persons, not resident nor having any freehold in the Townfhip of Annapolis, to come to the faid Poll, and vote for a Member to reprefent the faid Township, and did receive their suffrages, for the faid Thomas Walker, notwithstanding the Petitioner did oppose, and object to, his polling the faid perfons: that by receiving the Votes of the faid perfons, who at the Election acknowledged they had no freehold within the prefent limits of the Town of Annapolis, (which limits have been fixed and established for upwards of twenty years) a majority of Votes was unjuftly obtained for the faid Thomas Walker. That the numbers at the close of the Poll, in which are included the perfons, who have no freehold within the Townthip of Annapolis, but who vote by right of their freeholds, in the Township of Clements, were, for Mr. Walker, 106, and for the Petitioner, 79. That the number of Voters, within the present Township of Annapolis is, only, 139, of which Mr. Walker had 61, and the Petitioner 78, having a majority of 17 legal voters in favor of the Petitioner; notwithfanding which, the faid Sheriff declared the faid Thomas Walker, duly elected, and has returned him as the Member to represent the faid Township of Annapolis ; that, admitting the right of the perfons to Vote, who refide within the ancient bounds of the Township of Annapolis, a part of which is now called Clements, (the equity or legality of which, the Petitioner humbly begs leave to fubmit to the confideration of the Houfe) the numbers will fland for Mr. Walker, 72, for the Petitioner, 78, ftill having a majority of fix, in favor of the Petitioner. That if the House should be of opinion, that the persons refident in that part of the Township of Clements, which is within the ancient limits of the Township of Annapolis, have a right to vote for a Member to serve in General Assembly, for that Township ; upon any fair legal grounds, yet the Petitioner humbly conceives, that the perfons whole freeholds are in other parts of Clements, have no fuch right ; and that their Votes must be rejected ; that the Petitioner also flates, that, during the faid Election, the Sheriff undertook to reject the vote of John Hicks, one of the people called Quakers, who would have voted for the Petitioner, becaufe the faid John Hicks, refused to take an oath in support of his freehold, and the faid Sheriff also rejected the vote of Fairfield Woodbury, in favor of the Petitioner,

ner, becaufe the Deed of his freehold, was not registered at the time of his polling, although the faid Sheriff, who is register of the County, well knew that the faid Deed had remained in his Office two years and upwards, previous to the Election. That the faid Sheriff did alfo at the faid Election, admit Levi Rice, a Minor, to vote for the faid Thomas Walker; and did also receive the vote of one Thomas Clarke, in favor of the faid Thomas Walker, although the faid Thomas Clarke, had no deed whatever, of the freehold upon which he prefumed to vote. That the Petitioner further flates that independent of thele objections, to the proceedings of the Sheriff, in admitting improper perfons to vote for the faid Thomas Walker, the Petitioner, has to acquaint the Houfe, that . undue influence was made use of by the faid Thomas Walker, to obtain the vote of one Jonathan Payfon. That the unwarrantable and illegal mode of procuring the faid vote, was a promife on the part of the faid Thomas Walker, to difcontinue a fuit, which he had instituted in the Inferior Court at Annapolis, against the faid Jonathan Payson, if he the faid-Jonathan-Payfon would vote for the faid-Thomas Walker, and that the faid Jonathan Payfon, under the influence of the faid promife, did vote for the faid Thomas Walker, although he expressly came to Town for the purpose of voting for the Petitioner, all which the Petitioner, will be able to prove to the fatisfaction of the Houfe. That at the close of the Poll, a ferutiny was demanded by the Petitioner, and proceeded upon by the Sheriff, the return whereof the Sheriff has made to the Houfe, the refult of which fcrutiny, without reference to all the other circumftances in the Petitioner's favor, leaves the Petitioner in the pollellion of a majority of four votes, provided the perfons refiding within the ancient limits of Annapolis, are allowed to vote, and a majority of fifteen, if the voters are confined to the prefent limits of the Township of Annapolis, and praying that in confideration of the facts before flated, that the name of the faid Thomas Walker, may be rated from the Sheriff's return, and the name of the Petitioner inferted, or that the Houle would afford the Petitioner fuch other relief as in its wifdom may feem proper.

Ordered, That the Petition do lie on the Table.

A meffage from the Council acquainting the Houfe they had appointed a Committee, to join the Committee of this Houfe, on the examination of the Public Accounts.

Then the Houfe adjourned until To-morrow at Eleven of the Clock.

A Petition of Thomas Millidge, Efq. was prefented by Mr. Hutchinfon, and read ; fet ting forth, that the Petitioner, and Mr. Ifaiah Shaw, were Candidates at the late Election for a Representative to ferve in General Assembly for the Township of Granville; which Election took place on the 28th day of July laft, and the Poll was kept open for three days : That the Sheriff of the County of Annapolis, who is the returning officer for the faid Township of Granville, appeared to the Petitioner, and his friends, to be strongly influenced in favor of the Petitioner's opponent, Mr. Ifaiah Shaw : That the Petitioner agreeably to the Law of the Province, nominated Benjamin Dodge, Efq. one of his Majefty's Juffices of the Peace, and a respectable Frecholder of the Township of Granville, to be his Inspector at the faid Election, and he was fo appointed accordingly. That the faid Ifaiah Shaw; nominated Foster Woodbury, of the Township of Wilmot, who is not a Freeholder in the faid Township of Granville, and who had no right to interfere in the faid Election, or to concern himfelf in the event thereof, to be his Infpector ; who, notwithftanding his want of qualification, was fo appointed. That James Tatterfal, a well known Freeholder, in the Township of Granville, Voted for the Petitioner, at the faid Election, that his Vote was taken by the faid Sheriff, and entered in his Poll Book ; that, after his vote was fo taken and entered, the faid Tatterfal was required to take the Freeholder's oath, by the faid Foitor Woodbury, who had no right to demand the fame, on which the faid Tatterfal obferved, that the Deed of the Lands on which he voted, had been long lodged with the Sheriff, who was then taking the Poll, and who is also the Register of the County, but he was not certain it had been entered by him in his Book of Records, but he would go and fearch the Records, return to the Huftings, and take the oath, if he found the Deed fo entered. That the faid James Tatterfal, was denied the time to fatisfy his mind on this fubject, and his Vote was actually expunded by the Sheriff; that he, Tatterfal, notwithflanding, went to the Registry, found his Deed was on record, returned to the Poll, and offered to fwear to his qualification, but the Sheriff refused to administer the oath, or to reftore his Vote to the Petitioner. That Ferdinand Schaffner, a well known Freeholder. in the Township of Granville, voted for the Petitioner, that his vote was received by the Sheriff, and entered on his Poll Book ; when he also was required to fwear to his qualification by Mr. Woodbury, which he refufed to do, thinking Mr. Woodbury had no right to make the requisition, on which the Sheriff erafed his Vote from the Poll Book; that the faid Schaffner was informed a very few minutes afterwards, his vote might be loft, if he did not take the oath, on which he immediately returned to the Huftings, and offered to fwear to his qualification, but was not permitted to do fo, and his vote was not reftored to the Petitioner. That, notwithstanding these refusals, to the Petitioner's Voters, the faid Sheriff allowed time, to Gideon Witt, Sylvanus Wade, Benjamin Wheelock, Luke Ryder, and Joseph Anthony Senior, Voters for Mr. Shaw, to see it their Deeds were on Record, that when they had fatisfied their minds upon that fubject, they returned to the Huftings to qualify themfelves fome time after, first giving their votes, that they were received, their Votes retained by the Sheriff, and now stand on the Poll Book in favor of the faid Isiah Shaw. That William Kerr, the Schoolmaster, to the Society for the propagation of the Goipel, who poffesies lands allotted by Government, for the support of a Schoolmaster, in which he has an Eftate for life, provided he continues Schoolmafter in the faid Townthip, which lands he has rented for upwards of forty thillings per annum, for twenty years past, also voted for the Petitioner, and his vote was struck out of the Poll Book after it was received by the faid Sheriff, on the application of the faid Fofter Woodbury; on the ground that the Estate he held in those Lands was not a freehold. That Samuel Willett, Abraham Geiner, and Phineas Millidge, who own large freehold Eftates in the faid Township, also voted for the Petitioner, and after their votes were received and entered, they were questioned as to their qualification, by the laid Foster Woodbury, who they conceived had no right to examine them, and they flated to the Sheriff, that the Deeds

Deeds of their respective properties, had been lodged in his hands as Register, and the execution thereof, had been duly fworn to before him, for more than fix months before the faid Election ; but they did not know whether he, the faid Sheriff, as Register, had copied That, notwithstanding fuch statement, which the faid Sheriff knew them into his Book. to be true, the faid Foster Woodbury infisted on their taking the Freeholder's Oath, which he had no right to require, and they refused doing; on which the faid Sheriff ftruck out their names from the Poll Book. That the faid Sheriff hath recorded the faid Phineas. Millidge's Deed, and has annexed a Certificate thereto, by which it appears, that the fame was recorded, on the Seventh Day of August last, subsequent to the Election, on the oath of Thomas Millidge, Junior, a fubscribing witness, that the faid Thomas Millidge, Junior, was the fubfcribing witnefs to the faid Deed, and did make oath to the execution of the fame, before the faid Register, about three years ago; shortly after which time he left this Province, and hath never returned to it fince. That many votes were given for the faid Ifaiah Shaw, by perfons who were not qualified, to which votes the Petitioner objected atthe time they were given, and requefted the Sheriff to mark his objection on the poll-book, which request the Sheriff, in many inftances, neglected to comply with, but the same were marked down at the time the Vote was given, in the Book kept by the Petitioner's Clerk, who was fworn by the Sheriff, at the commencement of the Election, in purfuance of the Law of the Province. That, in confequence of expunging fo many of the Petitioner's fair and good votes from the poll book, and the admiffion of many votes for Mr. Shaw which ought to have been rejected, the faid Mr. Shaw had a majority of ten votes at the clofe of the poll: the number of voters for Mr. Shaw being feventy-four, and for the Petitioner fixty-four. That the Petitioner demanded a fcrutiny, which was granted by the Sheriff, who commenced the fame with his affiltants, Mr. John Bath, and Mr. Ifaac Woodbury, two freeholders of the Township of Granville, on the day following the close of the poll; that the Petitioner ferutinifed no vote at the faid ferutiny but fuch as he had objected to at the Poll, and which were marked down as objected to by his clerk; that the cheriff permitted Mr. Ifaiah Shaw to ferutinize many votes on the faid ferutiny, to which no exception had been taken at the poll; that the faid Sheriff, and his affiftants, proceeded on the forutiny on a moft erroneous principle, and averred that they would confider the oath of the party at the poll as fufficient evidence of his right to vote, and would pass every vote as good which had been supported by an oath: that this principle was prejudicial particularly to the Petitioner, who produced witneffes at the fcrutiny to prove that thirteen of Mr. Shaw's voters were unqualified, but did not operate against Mr. Shaw, who could not have struck off one, or not more than one of the Petitioner's votes on the fcrutiny; that if the faid fcrutiny had been conducted upon proper and legal principles, the Petitioner would have proved, that he had a majority of good votes, at the faid election, without feeking the reflitution of the fix votes in his favor, which had been improperly rejected by the Sheriff at the poll, but he was precluded from to doing by the adoption of the before-mentioned erroneous principles, and by the hurried mode in which the fcrutiny was, conducted by the Sheriff; that the faid Sheriff returned the faid Mr. Ifaiah Shaw, as the perfon duly elected, before the laid icrutiny was closed, and while fome of the Petitioner's objections to his Voters remained undetermined, that almost all the facts the Petitioner has stated in the Petition, appear upon the face of the Poll, and of the Scrutiny. That the Petitioner is prepared to verify the whole of them, and he is well affured that it will appear to the Houfe, upon inveftigation, that a majority of legal Votes at the faid Election, was given in his favor, and praying that the Sheriff may be directed to amend his return, by rafing the name of Mr. Shaw therefrom, and inferting, that of the Petitioners Ordered, That the Petition do lie on the Table.

Then the House adjourned till Monday at Eleven of the Clock.

And being returned

Mr. Hutchinfon reported, that the Managers had been at the conference, and flated to the House that they had received from the Committee of the Council a written paper, which he read, and is as follows:

The Committee of his Majefty's Council are inftructed to flate to the Committee of the House of Assembly, in answer to what had been stated by them yesterday on the conference with regard to the Vote respecting Roads and Bridges, the Fisheries and Agriculture, of the Province.

That the Council are of opinion, that on the supposition the Revenue Laws should be continued for another year, the refources: of the Country, including the unappropriated monies in the Treasury, or expected to be paid in, will not warrant the expenditure of more than Sixteen Thousand pounds in the present Session, and that therefore they could not agree to the appropriation of Seventeen thousand five hundred pounds.

That in their opinion the lum of Five thouland pounds is as much, if not more than can be advantageoully expended on roads and bridges during the enfuing year, and is certainly as large a fum as should be allotted to those fervices in any one year. That no part of the bounty for the encouragement of agriculture having been yet claimed, it is impossible to judge whether the end proposed thereby will be answered or not :. That the Council have always entertained doubts of the propriety of the modes adopted by the late Act, and are perfuaded when the refult fhall be known, it will be evident that a change of it should be made, as they think the bounty flould have been granted on the growth of wheat and other corn, as a more efficacious encouragement, and lefs liable to frauds. That the Council alfo think the bounty for encouragement of the Fisheries, should have been given on the export of Fish to the West-Indies, as well as to meet the views adopted by the Government at home, as to lay the foundation of further encouragement to our Fisheries from thence. As now given it operates as a bounty to the United States on the Fifh they purchase from us, which we On certainly fhould not grant?

The Committee allowing the full amount of the Contract (which was £.50 more than the lum granted for the Bridge, making £.300 but which was neceffary to be added if the work was carried on at all,) and allo an extra fum for clearing the ruins and providing a temporary covering to the Old Bridge, and deducting from that amount for fuch parts of the Contract as were not performed (the clearing of the Bed of the River excepted) are of opinion that the Petitioner should be allowed the fum of  $f_{1.260}$ , and be released from his whole Contract, except that part which relates to clearing the Bed of the River; the materials faved, remaining the property of Government. The Committee having taken every means in their power to gain information on the fubject, beg leave to add as their opinion, that from the oblique polition of the Bridge on the River, its fituation in the very centre of the rapids, and from the weaknels of the Old Abuttments there is every realon to believe that the duration of a Stone Arch (if ever fo well executed) would have been very precarious, and that it would be by no means prudent to recommend fuch an erection on the prefent foundation which is much injured; and that the Committee are further well fatisfied, that the Abuttments may be repaired and a complete wooden covering infured to laft feven years, may be procured for little more than one year's interest of the sum necessary for building a Stone Bridge in a fecure and fuitable fituation; propofals having been offered to put a good and lufficient covering of wood over faid River, when the Abuttments are repaired for the fum of  $\pounds$ . 30, to laft the above term of feven years.

### TO HIS EXCELLENCY

#### SIR JOHN WENTWORTH, BARONET, L.L.D.

Lieutenant-Governor and Commander in Chief, in and over His Majesty's Province of Nova-Scotia, and its Dependencies, &c. &c.

The Address of the House of Representatives in General Assembly,

### MAY IT PLEASE YOUR EXCELLENCY,

THE House of Assembly have taken into confideration, your Excellency's Message of the 9th instant, recommending, that provision be granted for disbursements incurred, and towards completing the Government House Buildings, which your Excellency informs the House, will require Two Thousand Pounds.

That part of the public Accounts, which respects the expenditure of monies, granted at the last Sessions of General Assembly, for finishing those Buildings, and for furnishing the State Rooms, not having been presented to the House until the 30th December, and no official notice having been communicated to the Assembly, that a further grant of Money would be required, the House being also engaged in other important business, their Committee confidered it too late in the Sessions to enter into the examination of those Accounts, until your Excellency's Mession induced them to proceed in that investigation.

At the moment the Committee made its Report, a Letter addreffed from the acting Commillioner to theSpeaker, wascommunicated to the House, flating that nearly Two Thousand Pounds, in addition to the balance of Two Hundred and Ninety-two Pounds Ten Shillings and Two-pence, on the Abstract last delivered, would be wanting to pay off debts, now due, on account of the Government Buildings. And the House, have every reason to believe, that without a further sum were granted, the appendages to the Buildings would still remain unfinished and incomplete.

The House cannot but observe to your Excellency, that the acting Commissioner appears to have drawn, and blended, with his general disbursements, the sum of Five Hundred Pounds, appropriated by the Legislature for the express purpose of furnishing the State Rooms of the Government House.

It would be irkfome to enter into a detail of paft proceedings, on the fubject of monies required for the Government Buildings; but the Houfe begs leave to refer your Excellency to the Refolution of the Affembly, in the year One Thoufand Eight Hundred and Four, and to the Effimate which the Commissioners, by your Excellency's order, fubmitted to the Affembly at the last Seffions; by which the public were induced to believe, that the grant of monies, made at that time, would discharge all the debts, and enable the Commissioners, very nearly, to finish the Building, and all its appendages. The Houfe of Afiembly, therefore, have received with much concern and furprize, the notice, that debts, to fuch an alarming extent, have been contracted by the acting Commiffioner, without the authority of the Legislature, and contrary to the intentions of the late Houfe, expressed in the Refolution already referred to.

In deference to your Excellency's Meffage, the Houfe would be defirous to enter into an investigation of those debts, and to form a determination on the fubject; but the lateness of the Session, and the return home of many of the Members of the House, renders doubtful the possibility, or propriety, of effecting a due examination of those Accounts, at this period.

The Houfe of Affembly, neverthelefs, requests that your Excellency would be pleafed to direct the acting Commissioner to lay all the Claims and Vouchers before the Houfe, who will then confider what further proceedings can be had thereon at the prefent Sessions.

Refolved, That the faid Address be presented to his Excellency, by a Committee of this House.

Ordered, That Mr. Hutchinfon, Mr. Haliburton, Mr. Roach, Mr. Ritchie, Mr. Mortimer, Mr. Crane, and Mr. Rutherford, be a Committee accordingly.

Ordered, That the Clerk do wait on his Excellency, to know his pleafure, when he will receive the faid Addrefs.

On Motion, the Meffage from His Majesty's Council received this day, was read, 'and thereupon,

Refolved, That a Committee be appointed to prepare an Answer to the faid Meffage.

Ordered, That Mr. Hutchinfon, Mr. Tonge, and Mr. Mortimer, be a Committee accordingly.

On Motion, his Excellency the Lieutenant Governor's Message of the 12th instant, on the subject of the Treasurer, was read ; and thereupon,

*Refolved*, That a Committee be appointed to prepare an Answer to the faid Meffage from his Excellency.

Ordered, That Mr. Haliburton, Mr. Ritchic, and Mr. Archibald, be a Committee for the above purpose.

MAY IT PLEASE YOUR EXCELLENCY,

THE House of Affembly, having received your Excellency's Meffage of the 12th inftant, respecting the Treasurer of the Province, stating the increased business of that Officer, and recommending an augmentation to his Salary, beg leave to inform your Excellency, that the House did, at an early period of the Session, when granting Supplies for the Civil List, take into their confideration, in fome measure, the accumulated business of that Officer : when it appeared, to be the unanimous opinion of the House, that the usual Salary, of Four Hundred Pounds, should be continued to him, for the ensuing year, which was accordingly granted.

At this late period of the Seffion, when the public bufines is nearly drawn to a close, and many of the Members have returned to their homes, the House feel it incumbent on them, to flate to your Excellency, the neceffity of deferring the confideration of the fubject matter of your Excellency's recommendation, for the present Seffion; and they affure your Excellency, that the high respect they have for your Excellency's recommendation of that Officer, for alliduity, integrity, and ability, will induce them to take your Excellency's Meffage into confideration, at an early period of the next Seffion.

Refolved, That the faid Address be presented to his Excellency, by a Committee of this House.

Ordered, That Mr. Collins, Mr. Crane, and Mr. Pyke, be a Committee accordingly. Ordered, That the Clerk do wait on his Excellency, to know his pleafure, when he will receive the Addrefs of this Houfe.

The Clerk reported, that he had, purfuant to the order of yesterday, waited on his Excellency the Lieutenant-Governor, to know when he would be pleafed to receive the Address of this House; and that his Excellency had appointed this day at Two of the Clock, at the Government House.

Mr. Hutchinfon reported, from the Committee appointed to prepare an Anfwer to the Meffage received from his Majefty's Council yesterday, and prefented an Answer according. ly; which he read in his place, and afterwards delivered it in at the Clerk's Table, where it was read, and is as follows: Z

THE Houfe of Affembly, although his Majefty's Council had rejected, without explanation, the Refolution on the Petition and Claim of John Henderson, immediately acceded to the proposition of the Council, for a conference on the subject of his Accounts before that Board.

On their return from the Conference, the Committee of this Houfe reported, that the Committee of the Gouncil had fuggested the expediency of appropriating a certain sum ofmoney to a specific purpose, and had accompanied it, with a particular declaration, that the requisition did not proceed from the Lieutenant-Governor, but emanated solely from his Majesty's Council; on which report, the House, unanimously determined, not to enter into a confideration of that proposition.

In this conflitutional exercife of the right, which this Houfe, as an independent branch of the Legiflature, undoubtedly poffeffes, of declining the confideration of a fubject it is unwilling to difcufs, the Houfe difclaims every idea of giving offence to his Majefty's Council. The Meffage of the 14th inftant, was defigned to communicate the determination of the Houfe, that his Majefty's Council might not remain in expectation of receiving a vote of appropriation of Monies, for the purpoles fuggefted at the conference ; and this Houfe, does not conceive, that any conflictutional authority of the Council was attacked by that communication, and utterly difavows any fuch intention.

By this full and candid explanation, and by avoiding all obfervation on the latter part of the Metfage, delivered yesterday, from his Majefty's Council, the House affords the most unequivocal proofs of its disposition for peace and harmony; and its defire to avoid all occasion of irritation and contest.

Refolved, That the faid answer, be sent to his Majesty's Council, by the Clerk of this House.

On motion, *refolved*, that the Table of Fees, of the Officers of his Majesty's Customs, published in the Journals of this House in the year 1790, and recognized by the present Collector and Comptrollor of the Port of Halifax, as still in force, be republished for the information of all concerned; together with the Section of the British Act of Parliament, referred to, in the Note subjoined to the faid Table.

Mr. Hutchinion, reported from the Committee, appointed to wait on his Excellency the Lieutenant Governor, with the Addrefs of yesterday; that the Committee, had accordingly waited on and prefented the faid Addrefs to his Excellency, and that his Excellency, was pleafed to give this Anfwer:

GENTLEMEN,

THE difficulties which you fuggest in this Address, may be relieved by recollecting, that the annual grants which are referred to, were always underflood to contemplate progreffive means for carrying on the Public Buildings; and could not be confidered as embracing a re-imburfement for the whole expenditures made, and, alfo to carry on the estimated works proposed. A recurrence to the Accounts of former years, approved, and ever fince upon your files, establish this fentiment. On the Twenty third of June, One Thoufand Eight Hundred and Three, at the request of the House, an estimate was prefented of Four Thouland Two Hundred and Sixteen Pounds, toward completing the Premises; and at the fame time was reported, a debt incurred, of nearly Twelve Hundred Pounds, by an abstract accompanying, it that the House might be posselled of every possble information. At this Seffions, Three Thousand Pounds only, was voted, for this fervice : It is therefore evident, that the fervice was intended to proceed, and that the means were progreffive, and not final, being to the latter inadequate. The fame mode has been judiciously purfued in every fucceeding Session; whereby all the other public Services were equally forwarded. The

The accounts of the Commissioner were necessarily arranged up to the Thirtieth Day of December, and then delivered to the House; fince which, he has been always ready, and defirous for, and even folicited their investigation and fettlement; which I truit, from their truth and perspicuity, might be done in a few hours. This measure I judged to be expedient previous to my Message, and from the time elapsed, hoped it had been done; as I had directed that all those accounts should be prepared, and was afcertained that the Commissioner had expressed his anxiety to this purpose; and he now continues ready to furnish every document and explanation the House may defire.

As to the lateness of the feasion, and the return home of many of your Members, I regret both; and fincerely hope and recommend, that the business remaining, will be for expedited, as to enable me to close the Session without delay.

J. WENTWORTH.

Refelved.

A Meffage from the Council by Mr. Gautier :

Mr. Speaker,

I am directed by his Majefty's Council, to inform the Houfe, that his Majefty's Council, willing at all times to avoid every occasion of irritation or difference with the Affembly, accept the disclaimer on the part of the Houfe "of every idea of giving offence to the Council," as a fatisfactory explanation of the Message, without discussing at present ary question of right, privilege or authority, involved in it.
