Moltke Cider Mill. Henry Ortman, who succeeds the late John Ruhl as owner of the Moltke Cider Mill, announces that the cider mill will be open for business every day after Aug. 17th, and make apple butter on Tuesday and Thursday of each week. The old staff has been re-employed, with Mrs. Binkley as apple butter cooker.

Standing Out Competition. Mr. D. Smith of Creemore was here this week judging the fields of oats entered in the Standing Field Crop Competition held by the Carrick Agricultural Society. The following are the winners:—Thos. H. Jasper 88½, D. Borho, 88, Andrew Schmidt 87, Mat. Weiler 86, W. A. Tolton 85, Alex. Fischer 82, John Goetz 84.

Whole Family in Trouble. The license inspectors are determined to make a clean-up over in the Kincardine section, and now have four members of the Scott family in the toils. Sam is doing a term in jail, and his father and two brothers are to stand their trials on charges against the O.T.A. The law officers are to be commended on their splendid efforts to enforce the law in this county.

Deemerton Picnic. A monster picnic will be held in St. Ignatius Church grounds, Deemerton, on Thursday, August 13th. A very fine program has been prepared including a Calthumpian parade at 2:30 p.m. by 100 real costumed circus men. Thrilling acrobatic stunts of various kinds will be exhibited. Mr. J. M. Roman of St. Mary's, vocalist, humorist and impersonator, will delight the audience. Dancing all evening to music by the Blue Bird orchestra. Supper will be served from 5 to 7. All are cordially invited.

Death of Mar. George Schwalm. The death of Mrs. Annie Schwalm widow of the late George Schwalm of Mildmay, took place on Sunday after a short illness with uraemic coma. Deceased was in her seventy first year, and was born at the village of Heidelberg, Waterloo county. Her maiden name was Annie Kratt, and her parents Mr. and Mrs. John Kratt, lived in Carrick for some years. She is survived by three sons, Edward A. and William J. of Mildmay, and George F. of Saskatoon, and three daughters, Mrs. H. Heimbecker of Howick, Mrs. A. A. Werlich of Brantford and Miss Clara Schwalm. She is also survived by two sisters. The funeral took place on Wednesday afternoon to the Mildmay Evangelical cemetery. To the surviving relatives is extended the deepest sympathy of the whole community.

Stephen Diemert Hurt. Last Saturday morning, when Mr. Stephen Diemert was driving home from Neustadt he met with an accident which might easily have had a fatal termination. He was about a mile from home when one of the lines broke, and Mr. Diemert stepped out to the tongue of the wagon between his horses to make repairs. A car coming along behind startled the horses and they started to run away. Mr. Diemert lost his footing and fell to the ground, and the wagon wheels evidently passed over him, although he is still unable to give a very coherent story of the mishap. He had his head badly cut in three places, one arm fractured at the wrist, and otherwise pretty badly used up. He was hurried to the doctor's office at Neustadt, where many stitches were inserted to close the scalp wounds, and the fracture reduced. If no complications set in, he will recover. Mr. Diemert's many friends will be sorry to learn of his accident.

**Matrimonial.**

On Thursday morning of last week a quiet but pretty wedding took place in St. Matthew's Lutheran Church, Hanover, when Miss Margaret M. Harrison, formerly of Mildmay, was united in marriage to Mr. John Henry Orff, only son of Mrs. John Orff of Hanover. The bride was prettily attired in navy blue canton crepe, with white hat, shoes and stockings, carrying a bouquet of sweet peas, knotted with white satin ribbon and wearing a gold necklace and bracelet, the gifts of the groom. The ceremony was conducted by Rev. H. Twietmeyer. The happy young couple left by motor to spend their honeymoon at Owen Sound, Wiarton and Shallow Lake. They will take up residence in Hanover where Mr. Orff holds a good position in the Ball furniture factory.

**W. F. A. Finals.**

Contrary to all expectations, the Tavistock football club succeeded in eliminating the Kitchener Victorias in the race for the W.F.A. Intermediate championship, and have now been drawn to play against the Mildmay Stars in the finals. The first game will be played at Mildmay on Friday evening of this week and the greatest football battle of the season is assured. The visitors are coming with lots of confidence in their ability to win, but they will find the Stars a strong, determined aggregation to face. Mildmay has had a very creditable record this season, and has never been scored upon this year by any team except Owen Sound. The game here on Friday evening will be a genuine thriller. It will start at six o'clock sharp with Referee Jim Neath of Owen Sound in charge.

**Sale of Cattle.**

At Teeswater Stock Yards. on Saturday, Aug. 15, at 2 p.m.—6 Cows with calves; 5 Steers; 8 Heifers (some beef ring); 4 Cows, Springers. R. G. Smith. Prop.

**Garden Party.**

Walkerton Golf and Country Club will celebrate the opening of their new Club House and Golf Course, one mile west of Walkerton, on Thursday, August 20th. Afternoon golf tournament, evening ball games, refreshments, music and dancing. Evening admission, 25c. and 15c.

**Blood Poison from Accident.**

Mr. Philip Schumacher met with a painful accident last week while working in Geo. Schwalm & Son's mill yard. He fell down between two lumber piles and gashed his leg badly. Blood poisoning resulted and for a few days Mr. Schumacher was a sick man, but is now recovering nicely.

**Touring Car Ditched.**

Miss Maud Schill, who came home last week with her fine Nash touring car to visit her parents, Mr. and Mrs. J. J. Schill, met with an unfortunate accident on Sunday morning. Miss Schill was bringing the family to church and while passing over a patch of fresh gravel opposite W. J. Lewis' gate, she lost control of the big machine, which made a straight course for the deep ditch and upset. The machine was rather badly damaged, and the top suffered almost complete destruction. It is now undergoing repairs at a local garage, and will soon be on the road again, running as well as ever. It was very fortunate that none of the occupants of the car were injured.

**CATTLE SALT**

Car to arrive Monday or Tuesday. Prices, No. 2 course Dry Cattle Salt 50 cts. per cwt. No. 1 Fine Table Salt, 60 cts. per cwt. Phone No. 14. WEILER BROS.

Ninety-minutes of real football at the Mildmay Park on Friday evening of this week, Tavistock vs. Mildmay. Come and give the Stars your support and encouragement.

**The Wheat Yield.**

Several Carrick farmers who have threshed their wheat crops are well pleased with the results. One farmer who had twenty acres of wheat, two acres of which was badly drowned out, reports that he threshed 650 bushels of wheat this year. And there are scores of farms in Carrick which will have a heavier yield than this. The oats are occupying attention this week, and by the end of this week the bulk of the crop will be in the stook. The 1925 harvest in this section is a very bountiful one.

**Miller Died Suddenly.**

Mr. Adolph A. Holcamp, who has been a partner in the firm of Mittleholz & Co., proprietors of the Saugen Valley flour mills at Otter Creek, passed away rather suddenly on Thursday of last week at the home of Mr. Jos. Girodat, where he has been boarding for some time. He contracted a heavy cold, from which pneumonia developed, and after a very brief illness he succumbed. Deceased was 61 years of age, and is survived by his wife and family, who reside at Stratford. He was a Roman Catholic in religion. He was an expert miller, and his death is deeply lamented. The remains were sent to Stratford where interment took place.

**Celebrated Diamond Wedding.**

Mr. and Mrs. Stephen Waechter, two of Mildmay's most highly respected residents, celebrated the sixtieth anniversary of their marriage on Tuesday of this week. On August 11th, 1865, Stephen Waechter led blushing young Annie Dorsch to the altar in the R. C. Church at St. Clemens, where Rev. Father Columbus conducted their marriage service, and sent them away with his blessing. After their marriage, Mr. and Mrs. Waechter came to Carrick settling on the 9th concession, on the farm now owned by Mr. John Nielsen. Here were born to them twelve children, four of these dying in infancy. Two sons and six daughters are still living, and they were all present on Tuesday. Seventeen years ago Mr. Waechter built his fine residence on Ignatz street, and retired to Mildmay. Mr. and Mrs. Waechter and their relatives attended mass service in the Sacred Heart Church on Tuesday morning, where the pastor, Rev. Father Montag, spoke words of congratulations on their having been spared to celebrate their 60th wedding anniversary, and commended them for their exemplary lives in this community. The family presented the aged couple with a well filled purse of gold. The day was most enjoyably spent in music, games and dancing to the strains rendered by the Waechter Orchestra. Mr. and Mrs. Waechter are still quite active and healthy, and it is the sincere wish of all their relatives and friends that they may be spared for many more years.

All summer the family of Mr. Henry Koehler, Carrick, has been annoyed by bees coming into the house, and this week investigation was made as to their abode. It was discovered that quite a swarm had gathered between the rafters, near the cornice of the roof of the house. On Tuesday, Mr. John Moos, the Clifford bee man, was taken to the scene of the hidden bees home, and after tearing off a portion of the roof, found a wealth of the sweetest honey that could be placed on the market, close unto 100 pounds was taken away; and as this was a very warm day for this kind of a job, a lot of the sweet stuff also run out. Mr. and Mrs. Koehler have surely been rewarded for all the inconvenience they have experienced during the bees' sojourn in their home.

## Wit and Humor

Here lies the body of John H. Black, whose car went dead on the railroad track.

And when the engine gave it a jar, John H. went "dead" with the rest of the car.

**Circumstantial Evidence**  
A country school board was visiting a school, and the principal was putting his pupils through their paces. "Who signed the Magna Charta, Robert?" he asked, turning to one boy. "Please, sir, 'twasn't me," whimpered the lad. The teacher in disgust told him to take his seat, but an old tobacco-chewing countryman of the board was not satisfied; so, after a well-directed aim at the cuspidor, he said: "Call that boy back. I don't like his manner. I believe he did do it."

**Why He Returned**  
Sam was struck on the head by a steam shovel and his unconscious form was carried to his home by fellow-workers. The doctor reported the injury was serious, and everyone expected Sam to be incapacitated for some time. Consequently the construction foreman was surprised when Sam returned for work next morning.

"What! You back to work, Sam?" he exclaimed. "I didn't count on your being back for a month."

"Neither did I boss," Sam replied. "but mah wife done let mah accident policy explain la' week."

Little Jackie took the cruder collection very seriously and every Sunday morning re saw that his penny was ready.

One day just as the usher began to take the collection Jackie noticed that a guest in the family pew was not duly provided. Sliding along the seat he whispered "Where's your penny?"

"I didn't bring one," replied the woman.

Time was short, and the matter was urgent, but Jackie came to a decision with great promptitude. Thrusting his penny into the woman's hand, he whispered: "Here, take mine! It'll pay for you and I'll get under the seat."

Webber's doctor informed him that he would have to see a specialist, and accordingly Webber went to a specialist.

In the waiting room he found several people sitting down in armchairs and an attendant told him to take a seat and wait his turn.

Webber fidgeted round for a while then he nudged the man sitting next to him and said:

"Is he a good doctor?"

"Best there is in his line," was the reply.

"Does he charge high prices?" asked Webber.

"Very," replied the stranger, "\$30 for the first visit and \$45 afterwards."

Webber sank back in his chair. After a while a smile that was good to see stole over his face. When his turn came and he was shown into the doctor's surgery, he rushed forward, grasped the doctor's hand, shook it vigorously, and exclaimed:

"Well, doctor, here I am again!"

**The Bad Bargain**  
A young Scotsman married an English girl. Some time afterwards he paid a visit to a bachelor uncle in Scotland.

"Weel," said the uncle, "I hear ye hae gotten a wife, Sandy?"

"Yes, uncle, ye're right."

"What can she dae? Can she knit?"

"Na," answered Sandy to all these questions; "She does naething like that."

"Humph!" commended the uncle. "Weel, does she cook fine?" he asked, after a few moments. "An' can she make parritch?"

"Na, uncle," the young man explained; "but ye should hear her sing. She has the most beautiful voice ye ever heard."

"Aye," replied the old man. "But, man, could ye no hae gotten a canary?"

Griggs-Garner used to be a great sportman. Is he reconciled to married life.

Biggs—I think so. I called on him recently and found him sifting ashes through an old tennis racket.

A Welshman and an Irishman were out riding when suddenly the Welshman said: "Now Paddy, where would ye be if the gallows had its due?"

"Riding alone!" said Paddy tersely.

While returning in a motor car from a business trip to Elora late Friday night, Joseph Davidson, travelling salesman for the Wellington Produce, Harrison, and Harvey Langdon were suddenly confronted in the vicinity of Bosworth by a car stopped on a narrow strip of road, and upon slackening up in order to render assistance, was surprised by two men climbing on the running board of the car and pointing revolvers at them and demanding their money. To this demand both responded as dafter the thugs cleaned these men they ran forward to their car and made their escape. The case has been handed to the provincial police for investigation as it is felt that the desperadoes are apparently novices at this work and by the securing of the number of the car occupied by the robbers little trouble is anticipated in the running to earth these fellows, who apparently knew their victims and planned the hold-up.

**DROWNED AT PORT ELGIN**  
Miss Ella Diegal, employed at the Lakeview Inn, Port Elgin, was drowned in the harbor there last night. After dusk she left the inn to go bathing and had been alone in the water for about 15 minutes when suddenly campers noticed that she had disappeared, although no cry for help came from her.

With the aid of the motor cars throwing their headlights on the water, the body was recovered in about 15 minutes in seven feet of water and 20 feet from shallow water.

**THE TOWNSHIP FAIR**  
Hail the township fair! It is the flamboyant harbinger that summer sun and soil and toil have produced another harvest for mankind. Laugh at the prize pumpkin if you must, but its round, yellow belly is a true reminder of what one little seed may do. Sneer at the fat porker, but its contented grunts are merely a forerunner of the human sighs of satisfaction which will come later with golden-brown scrapple and sausage with hot cakes. Rows of brightly-colored jams and jellies in glasses whet your appetite which greater ranks of serried peach, apple, plum and pear containers do nothing to allay. Listen to the cackle of the hen as she does her duty in showing her sister the way to a more bountiful supply of eggs, while the rooster, proud of his red ticket challenges in loud call his admirers to produce his equal. Sleek cattle; colts that have not yet felt the bit or collar; the huge sheep clothed with future garment, are all attractions at the fall fair. Gossip and good nature abound at the fair. One finds a grand swapping of tall stories, all redolent of unprecedented cornstalk potato yields, and even of physical prowess in performing some herculean agricultural job in a fiffy. A twenty-five cent piece wagered on the white trotter to beat the black and bay will yield a bigger dividend in thrills at the race track than would ten thousand bet on the Derby classic. So let us be thankful that the sharp tooth of time has hardly left a mark upon the Township Fair. Other things may change empires rise or fall, we sweep the world with a flash of radio, and man crosses the continent in a day on wings, but you can see at the fall fair exactly the same kind of crowd and joy your great grandfathers delight-d in.

**LAKELET**  
A strange phenomenon in the weather Monday evening. A cold rose in the north-east, emitted a regular deluge of rain along by Dettman's, Dixon's and R. Milligan's, the tail of it let loose a light shower here. At R. G. Nay's it stopped wheat hauling, while across the road at Henry Meier's there was not a drop. Wesley Haskins, wife and family, John Wright, wife and family and Wm. Wright, visited over Sunday at the home of a sister, Mrs. Nelson near Woodstock.

People do not always get what they work for, but on Sunday some young men, whom we know, but whose names we withhold, being considerate of the feeling of their parents, were thrown into the swamp, immediately round the curv at the Orange Hall. Most of the afternoon and when service was going on in the church here, they tore up and down the road as fast as the old Ford could go, shouting and violating all the rules that govern the sanctity of the Sabbath. No doubt

## READ THESE STATEMENTS FROM McCORMICK-DEERING OWNERS

THESE MEN ARE SEASOTED TRACTOR OWNERS. MOST OF THEM HAVE OWNED AND USED SEVERAL MAKES—THEY DO NOT HESITATE TO RECOMMEND THE McCORMICK-DEERING IN PREFERENCE TO OTHERS.

"I know from practical experience that the McCormick-Deering is the one practical tractor for general all round farming. I have owned and used quite a few styles and makes and I have yet to find one to beat the McCormick-Deering."

"I'm going on the second season with my McCormick-Deering 10-20 tractor now and I like it fine. I wouldn't think of going back to horses."

"One of the best features of McCormick-Deering is the accessibility of all working parts. It is so easy to make minor adjustments without tearing the whole thing apart."

"I think the McCormick-Deering Tractor is much more economical than horses or mules."

"After a thorough investigation I decided the McCormick-Deering 15-30 would best fill my requirements. I have never regretted my decision. You'd have to go a long way before you could sell me any other tractor but a McCormick-Deering."

many of our readers have seen the outfit on the road—a skeleton stripped of everything but engine and gas tank. The later was used for a seat. It is now lying in the burg here with wheel smashed and is a wreck generally. How the pair escaped with a few bruises is remarkable. They should have been arrested and rigorously dealt with, as such unseemly conduct on the Sabbath day is reprehensible.

Mr. and Mrs. G. Wright and Mr. and Mrs. Jas. Barton were at Kitchener today to see McKenzie King. After seeing him and listening to him they will be sure to vote for him when the time comes.

The Cook family of the burg, were at Palmerston today at the re-union there.

Nellie Inglis, who attended Stratford Normal, has been engaged to teach in Carrick—a little east of the camping grounds. The pupils here were fortunate in getting schools as there are so many who have not got schools.

We learned to-day that Mrs. John Wright, one of those who visited at Woodstock, had the misfortune to have the bone in her wrist broken on the way down. The coupe upset with the above results.

**1925 A BANNER YEAR FOR WESTERN FAIR**

As exhibition time draws near, the Western Fair grounds at London are taking on increased activity and are rapidly being put in shape for what promises to be the biggest year in the history of the exhibition.

Many improvements have been made, the most important being the remodelling of the cattle sheds and barns, which will greatly facilitate the showing of live stock.

This year the 1925 Western Fair is being looked forward to with interest by everybody. There has been an unprecedented demand by manufacturers, merchants and dealers for space in the various buildings to display their products.

The new manufacturers' building which is the finest of its kind in the country will be filled to capacity with excellent exhibits, featuring Canada's industrial achievements.

Entries have been received from all parts of Canada and the United States, certain indication that the Western Fair's generous prize list is being received with enthusiasm.

Everything points to a record year and the Fair Board is now making provision to care for exceptionally large crowds.

Great care has been taken to engage the very best amusements and the midway will be the largest ever seen here. High class vaudeville acts have been engaged for the in-front-of-the-stand performances, and special arrangements are being made to make the popular fireworks display unexcelled.

The Secretary, Mr. W. D. Jackson, is giving careful attention to all entries and inquiries and will supply Prize Lists and information on request. On the whole the Western Fair promises to be an outstanding success and will be the one big outing of the year for all the people of Western Ontario.

**SCHOOL TROUBLE IN NORMANBY TOWNSHIP**

Last Thursday our town lawyer was consulted by three ratepayers of S. S. No. 6, Normanby, about 3 miles from Ayrton, about a peculiar situation that has arisen in the section, where the ratepayers are almost entirely of German extraction. The name of the teacher is Lorraine Taylor and she comes from Toronto. She began her duties last September and did her work so thoroughly that she obtained a splendid report from the inspector. But, unfortunately, she displeased the caretaker of the school, a Mr. Becker, who considers himself a Grand Mogul of the section. It appears the caretaker's son persisted in talking German during the noon hour and at intermissions. The teacher objected to this because

it militated against her language work in the junior classes. In order to help the pupils in the lower grade classes get a better knowledge of the English language the Becker boy was told to use the language as prescribed by the school regulations. The boy told his father about being forbidden to speak German during school hours and the father told his son not to obey his teacher in this respect. When the teacher again warned the boy of what would happen if he persisted to talk in other than the English language, the boy deliberately answered her in German and was whipped for his disobedience. The next move was to call a public meeting at which the action of the teacher was commended and she was re-engaged. But the Becker party had not been idle either and another meeting was called by the inspector at the request of Mr. Becker and his friends and at that meeting where several women electors were present, a Beckerite who was opposed to the teacher was elected to take the place of a trustee who had resigned. This trustee got the ear of one of the other trustees who had wobbled and they instructed the secretary to notify the teacher that there was trouble in the section hoping this would induce her to resign. But the secretary on the advice of the third trustee who is backing up the teacher refused to notify her of what had taken place. Another public meeting will be called and as the ratepayers are, largely, in favor of the teacher, the two trustees opposed to her will be asked to resign. It is very likely Inspector Wright will be at the meeting and his opinion will carry weight with the ratepayers. There is no doubt at all about the teacher being with her in right in punishing the Becker boy for refusing to speak the English language for the School Law expressly states that English shall be the language of communication and instruction in all public schools in Ontario. Wouldn't it create a great muddle if it were not!—Chesley Enterprise.

#### MRS. CASSIDY DIES SUDDENLY ON TRAIN

She Was Prominent in Affairs of Many Organizations

(Mail & Empire)

Toronto loses one of its prominent residents in the sudden passing of Mrs. J. J. Cassidy, who succumbed to an attack of acute indigestion en route to Atlantic City. The late Mrs. Cassidy was the widow of the late Dr. J. J. Cassidy, who practised medicine in Toronto for fifty years. She was a life member of the Catholic Women's League of Canada and had completed and won the International Federation of Catholic Alumnae Crest Design. She was also a founder and promoter of the Rosary Hall Association and an ardent worker in Catholic extension.

Mrs. Cassidy was the honorary regent of the Admiral Tyrwhitt Chapter of the Daughters of the Empire and was active in many social and charitable projects. In 1922 she was decorated with the Cross of Mercy by the Serbian Government in recognition of her work done in Toronto on the Serbian relief committee.

Mrs. Cassidy, who was travelling with her daughter, Mrs. D. G. Fitzgerald, was on the way to the seashore to visit relatives. She became ill on the train and succumbed when nearing Philadelphia. Mrs. Cassidy is survived by eight children, seven daughters and one son. Mr. J. F. Cassidy, Mrs. Manning Doherty, Mrs. D. G. Fitzgerald, Mrs. Bruce Wallace of Philadelphia; Mrs. Gordon Hellmuth and Misses Rita, Appie and Frances Cassidy, all of Toronto. The funeral service will be held on Tuesday morning at St. Peter's Church, Bloor and Markham Sts., at ten o'clock.

**Raced Train in Vain**

A Philadelphia despatch last night said:

Racing with death, "Hap" Dolan, Reading Railroad engineer, last night brought his straining locomotive into the terminal here—too late.

Shortly after the train pulled out of Bethlehem, Pa., for Philadelphia, word was brought to him that Mrs. A. Cassidy, of Toronto, a passenger, had been stricken with acute indigestion. A doctor was in attendance. The Jefferson Hospital at Philadelphia had been notified and would have an ambulance waiting. The train was running behind schedule. Station after station slipped by. Minute after minute of the lost time

was retrieved. But as the swaying train roared through Quakertown Mrs. Cassidy was taken with another attack and slipped from her seat. Her daughter, Mrs. Irene Fitzgerald, supported her unconscious form in her arms as the race continued.

All was in readiness at the Philadelphia terminal. A physician and several assistants stepped aboard prepared for a quick dash to the hospital, but Mrs. Cassidy was dead. Deceased was a former Formosa lady, being a sister of the late F. G. Messner of that village. She will be remembered by many of the older residents of that locality.

#### THE ORIGIN OF MAN

The recent discovery of what is supposed by some to be the skull of a prehistoric man in South Africa, and the wide publicity given in the press to the wildest of statements regarding its age, have brought the question of the origin of man into decorated with the Cross of Mercy weekly points out, there is probably no stronger proof that this is a fall-on world than the fact that the majority of the human race is so eager to discredit the evidence of the World of God. It seems as though no strain is too great to place upon the credulity of men if it is only linked to a scientific name, and can be shown to contradict the Bible. A noted scientist of Australia has placed the age of the skull referred to above as probably 5,000,000 years, and thousands of credulous people as approximately correct, though it has not the slightest scintilla of facts to support it. The plain truth is that science knows nothing of the origin of man beyond what is revealed in the Word of God that "God created man in His own image; in the image of God created He him; male and female created He them."

It was one of the greatest scientists of his day, the late Sir William Dawson, President of McGill University, who said a short time before he died: "I know nothing about the origin of man except what I am told in the Scriptures, that God created him. I do not know anything more than that, and I do not know of anybody who does."

According to guests, some of the butter served at country boarding houses is hardly fit to print.

#### AN UNUSUAL CASE

A very unusual case came up for trial in division court at Acton recently. Mr. Cunningham, a farmer, had the misfortune to upset a load of hay on one of the concession lines. In the meantime a motor car containing five persons went along an desseyed toward the capped load at a fair rate of speed and went into the ditch. No one was seriously injured, but the car sustained considerable damage. The owner of the car brought suit for the costs of repairs to the car and the railway fares of the occupants from Acton to Toronto. The bill amounted to \$125. The case came up for hearing before Judge Elliot, A. Jeffery, K.C. appearing for Mr. Cunningham.

Evidence went to show that there was nine feet of the highway clear between the load of hay and the ditch, that the driver of the motor car was able to see the obstruction 100 feet away, that he failed to stop and investigate but "took a chance" at passing at a speed of 25 miles an hour. The judge, while remarking that the capped load should have been guarded or have had a light to warn passing traffic, held that there was contributory negligence on the part of the driver of the motor car. He, therefore, dismissed the action with the costs of the court.—Acton Free Press.

#### COMMANDMENTS OF MAIL ORDER HOUSES

- 1—You shall sell your produce for cash where you can, for we buy nothing from you.
- 2—You shall believe in us and trust us; but we do not know you and have no confidence in you.
- 3—You shall send your money to us, in advance, so we can buy the goods from the factory with your money. You may have to wait for a few weeks, but that is our business method.
- 4—You shall get help from your nearest city or village to build good roads, so you may easily haul our goods from the depot; but do not ask aid from us—we do not help to build good roads.
- 5—You may buy church bells and altar utensils from us, and send the money in advance—that is our rule.
- 6—You shall get all the help you can from the business men in your neighborhood. Although we may have more profit from you than they have, it is against our rules to give to your churches and community subscriptions.
- 7—You shall convert your neighbors also to put faith in us, for we have room for more money.
- 8—You shall look at the pretty pictures in our catalogue as often as you can, so as to strengthen your desire for things that you do not need, but which you order with their goods to save the freight. Send us all of your cash so that you may not have any left to buy necessities from your home dealers.
- 9—You shall believe in us rather than your home business men, for we want your trade. We get to be millionaires on your support. Don't be bluffed.

#### TARA WITHOUT A HOTEL

John Rudolph, owner of the block on Main street, Tara, which was destroyed by fire which broke out at an early hour on the morning of Tuesday, June 30th, has definitely decided not to rebuild the block this year, according to a statement given out. It appears very doubtful at present, whether the ruined block will ever be restored, unless the site is purchased by some other person for the above purpose. The destruction of the Queen's Hotel at the recent fire was a serious loss to the town. The Queen's was a large modern hotel and furnished excellent accommodation.

#### STALLION FOR SERVICE

Peter McKillop by Peter the Great, Dam, Katy Tod, 2.08 1/2. Fee \$25.00. Murray Gratton by Gratton Royal will also be available in two weeks. R. Trench, Teeswater

#### FOR SALE

Good well drilling machine, Sawyer & Massey Traction Engine and Grain Separator. All must be sold to wind up estate. Address Mrs. S. Strome, Fordwich, Ont.

The Cuss Club at its next regular meeting will discuss the question "How much shorter can skirts be cut without showing the appendicitis operation scar?"

When any person signs a contract to take out insurance, they have to pay the first premium, was brought out in a recent court case in Owen Sound. The young man, who is under 21 years of age, claimed that he could not be made to pay, but a recent act shows whereby any person over 15 years of age is bound to pay.

The South Huron political situation is a rather peculiar one; two brothers Thomas and Robert J. McMillan, sons of the late John McMillan, M.P., who represented the riding for many years, are party candidates for office. The former, who is a farmer, is the nominee of the Liberals and the latter, who has resided for over twenty years in the town of Seaforth, is the U. F. O. nominee. The present U.F.O. member, Mr. Wm. Black, refused to allow his name to go before the meeting. It is generally conceded that the election in this constituency will be a hot scud as both brothers are out to win.

#### MUST CARRY LICENSE AFTER JANUARY 1

Headlights of more than 21 candle power on automobiles are prohibited under the restriction of the latest revision of the Highways Traffic Act. Motorists are liable to penalties if their cars are driven at night without a device to eliminate glare of type which has been approved by the department of highways. Lights must also be adjusted so that no portion of the light is reflected so that it will raise above 42 inches from the ground at a distance of 75 feet in front of the car. Trailers also must have a red guard light showing clearly from the rear. After January 1, 1926, every driver must carry, ready to present on demand, a license to drive. This license as yet does not require an examination of the motorist's ability to drive a car safely, but is to be procured by payment of a nominal fee. Details regarding these licenses have not been given out entirely, but it is probable that they will be issued locally through the department of public safety.

#### AT MAGISTRATE'S COURT

At Magistrate's Court last week, Mr. Thos. Errington took action against Mr. Fred Wocks for assault, but when the evidence was all heard Mr. Errington was assessed with costs. It appears that the two gentlemen have not been on good terms and they accidentally met at a neighbor's home. Errington accused Wocks of being a liar and later grabbed him by the throat, and hit him, Mr. Wocks retaliated with a stiff poke which made his assailant quit the onslaught. Errington came to Teeswater to take legal action, but Division Court Clerk Mr. Logan saw fit not to proceed that evening and asked Errington to come in the next morning. The next morning Errington went to Magistrate Brink and had the papers made out and Mr. Wocks was summoned to appear on Thursday morning. On advice he pleaded guilty to aggravated assault, but when Magistrate Macartney heard the evidence he dismissed the case against Wocks and assessed the cost of court and witness to Errington, in all about seventeen dollars.—Teeswater News.

#### BLOCKING THE "BLUE SKY" ENACTMENTS

A vigorous protest comes from Winnipeg respecting the habit of the Dominion Government granting charters to various concerns that the provinces have after due investigation "turned down" as not being of a character that they could recommend. Nothing daunted, these people have been shown the door by the provincial authorities, proceed to Ottawa, there to receive their charter. Then back they go to the provinces that have refused them admission and under their Dominion charter proceed to pry open the public purse Saskatchewan, Alberta and Manitoba have done through "blue sky laws" what they could to keep these rascals out. But they are well-nigh helpless so long as the Dominion Government makes charter granting a mere formality.

A member of the Manitoba Public Utilities Commission stated recently that one of the companies that had obtained a Dominion charter for stock selling purposes was reputed to be a million dollar concern, but when this company issued a check for \$90 it was returned marked "N. S. F.", and the salesmen had to get
