Machine Oil—A large quantity on hand, and selling at bottom prices, at S. Bricker & Co's Hardware, 28.

HOBBY REWARD—Mr. Edwin Montgomery, agent for Chase Bros. & Bowman, nurseman, had the misfortune on Monday night to lose his pocket-book, which contained about \$50 in cash, besides some papers. Mr. Montgomery, like a sensible man, concluded that the best means he could get in making an attempt to recover his lost treasure would be to invest a small sum in printer's ink, consequently he lost no time in scattering handbills throughout the town. The bill had the desired effect, and in a short time afterwards his pocket-book was returned to him. It had been picked up by the owner, Mr. W. G. Bond, who, upon seeing one of the hand bills, immediately sought the owner. Mr. Montgomery rewarded him handsomely for his honesty. Another illustration of the benefit of printer's ink.

Chalk Crayons a specialty, at Dr. Michener's. Schools supplied in quantities at lower prices than ever before—33.

SPRING HUNT—Our local Nimrods to the number of about sixty, indulged in a grand squirrel hunt on Thanksgiving's day. The parties were divided into two sides, which were captained by Messrs. A. Hacking and Jno. Riggs respectively. The "hunt" included all sorts of game from a squirrel up to a grizzly. When time was called, the game was hunted. Several foxes, a couple of hares, a number of partridges and other small game were secured. The hunt was a grand success, and the victors were treated to a grand dinner at the Victoria hotel, where an excellent supper was served. The losing side paying the shot. While we have some admiration for hunting when game is worth the powder, it is a pity that we fail to see any advantage in depriving such innocuous creatures as squirrels of life. It looks like cruel sport, and should therefore be discontinued.

HON. SENATOR BARNES—The High School Board met in the Council Chamber, Wednesday evening 3rd inst. Members present, Messrs. Geo. Draper, W. McKinley, A. Austin and D. J. Campbell. After confirming minutes of former meeting, it was moved by A. Austin, seconded by W. McKinley, and resolved, that the Board may be instructed to advertise in the *Mail and Globe* for a first and second assistant teacher, at a salary of \$200 and \$100 respectively, duties to begin on 7th January, 1881, the first assistant to be a mathematical teacher, and the second assistant a modern language and English teacher. Account of W. Bradley, \$110, was ordered to be paid. A. B. McClelland, B. A. Head Master, handed in a report of the progress of the school. It was moved by A. Austin, seconded by W. McKinley, and resolved, that the report of the Head Master be received, and that the Board has pleasure in hearing on the report of the progress of the school, and approves of the mode of instruction and the principles guiding the staff. The report of the Head Master will appear in the *Standard* next week.

THANKSGIVING'S DAY—Wednesday being set apart as a day of thanksgiving throughout Canada for the blessings which Divine Providence has bestowed upon the land during the past year, it was duly observed in Listowel as such. Business was generally suspended, and a special thanksgiving service was held in several of the churches. In the Congregational Church in the morning, and in the Methodist Episcopal Church in the evening, union services were held, at which sermons suitable to the occasion were preached by Rev. J. W. Bell and W. F. Clarke. Large congregations were in attendance, and liberal collections were taken up for the benefit of the poor of the town. In conformity with a pastoral from the Bishop of the Diocese, special thanksgiving services were held in Christian Church morning and evening. Rev. Mr. Bartlett conducted the services and preached a special sermon, appropriate to thanksgiving. The offertory was in aid of the Missionary Diocese of Algona. In the afternoon the town band paraded the streets, contributing to the pleasure of the citizens and the enjoyment of what was otherwise a quiet day.

PLOWING MATCH—The first plowing match, under the auspices of the Elma & Wallace Agricultural Society and the Elma Plowmen's Association, came off on Tuesday, 2nd inst., on the farm of Peter Lillio, Esq., in the eastern part of this town. The day being fine, and the place selected for the match being convenient, a large number assembled to witness the match. There were thirteen entries in the different classes, all from Elma township, Wallace not being represented. This was to be regretted, as it lessened the importance of the competition and deprived it of much of its interest. The time allotted for the test was from nine a. m. to four p. m. The land was scarcely up to the required standard for the exhibition of the ploughmanship; however, the competitors, both in the men's and boys' classes, did some excellent work, and the judges had a difficult task to determine who was most deserving of the premiums. The prizes were awarded as follows: Men's first class, 1st Wm. Dickson, 2nd Geo. McKinnon, 3rd George Smith. Men's second class, 1st J. Bell, 2nd Wm. Stevenson, 3rd James Ryan. Men's third class, 1st Samuel Bell, 2nd Wm. Stevenson, 3rd James Ryan. Men's fourth class, 1st James Shearer, 2nd J. Bell, 3rd James Ryan. Men's fifth class, 1st Samuel Bell, 2nd Wm. Stevenson, 3rd James Ryan. Boys' first class, 1st J. Bell, 2nd Wm. Stevenson, 3rd James Ryan. Boys' second class, 1st Samuel Bell, 2nd Wm. Stevenson, 3rd James Ryan. Boys' third class, 1st J. Bell, 2nd Wm. Stevenson, 3rd James Ryan. Boys' fourth class, 1st J. Bell, 2nd Wm. Stevenson, 3rd James Ryan. Boys' fifth class, 1st J. Bell, 2nd Wm. Stevenson, 3rd James Ryan. The judges were Messrs. Jno. Shearer, Wellington Co.; Jno. Steele, Donnie; Jno. Hamilton, Mornington; and Jno. Youill, Colborne. After the match, Mr. Lillio hospitably entertained the Society at his residence.

HOBBY—Women's, Misses' and Pretty Children's Hosiery, a nice lot of new goods in this line. Come and see them, at Joux Bros, successor to Roy & Riggs—11.

ANOTHER LOVE DRUGGET—Mr. Hackling wishes us to state that he has been supplying his customers during the past two years with King's Discovery and Compound, and that he is selling them at a price that is a real saving. He asks us also to state that he has full lines of all the new remedies, at the lowest prices—33.
