Toronto, May 18, 1990

The Honourable Carla A. Hills  
United States Trade Representative  
600 17th Street, N.W.  
Washington, D.C. 20506

Dear Ambassador Hills:

I have the honour to refer to discussions at the Canada-United States Trade Commission on November 30, 1989, regarding the acceleration of the reduction of tariffs on certain goods under Article 401(5) of the Canada-United States Free Trade Agreement.

I have the honour to propose that the attached accelerated implementation Schedules shall become an integral part of the Free Trade Agreement and replace and supersede the implementation Schedules for those goods contained in the Agreement.

I have the further honour to propose, if you agree, that this letter and the attached Schedules, which are authentic upon verification in English and French, together with your reply and its attached Schedules, shall constitute an Agreement between our two Governments, amending the Tariff Schedules contained in Annex 401.2-A and Annex 401.2-B of the Free Trade Agreement, which shall be implemented by both Parties with effect from April 1, 1990.

Accept, Madam Ambassador, the renewed assurances of my highest consideration,

Madame Carla A. Hills  
Représentante spéciale du Président  
pour les questions commerciales  
600, 17e rue nord-ouest  
Washington, D.C. 20506

Madame la Représentante,

J'ai l'honneur de me reporter aux discussions tenues par la Commission mixte du commerce canado-américain le 30 novembre 1989 concernant l'accélération de la réduction des droits applicables à certains produits aux termes de l'article 401(5) de l'Accord de libre-échange entre le Canada et les États-Unis.

J'ai l'honneur de proposer que les listes de mise en oeuvre accélérée ci-jointes soient considérées comme partie intégrante de l'Accord de libre-échange, qu'elles remplacent les listes de mise en oeuvre prévues dans l'Accord relativement aux dits produits et qu'elles prévalent sur celles-ci.

J'ai en outre l'honneur de proposer que cette lettre et les listes y jointes qui, sujet à vérification, font également foi en français et en anglais, de même que votre réponse et les listes y jointes, constituent entre nos deux Gouvernements un accord modifiant les Listes tarifaires contenues aux Annexes 401.2-A et 401.2-B de l'Accord de libre-échange et prenant effet pour les deux Parties le 1er avril 1990.

Je vous prie d'agréer, Madame la Représentante, les assurances de ma haute considération.

EXPLANATORY NOTE

The provisions of the attached Schedules I and II are expressed in terms of the Canadian Customs Tariff. The tariff item numbers and product descriptions in these schedules, using the Harmonized System of tariff nomenclature, are consistent with the corresponding tariff item numbers and product descriptions in the Canadian Customs Tariff.

Schedule I lists those tariff item numbers where accelerated tariff elimination will apply to all products in the tariff line.

Schedule II lists those tariff item numbers where only some of the products are to be subject to accelerated duty elimination, and lists the specific products so affected. The 6-digit subheading numbers in Schedule II which are marked by asterisks indicate that all fabrics used as decorative outer coverings in the manufacture of upholstered furniture included in the tariff items under that subheading will be subject to accelerated tariff elimination.

Dates shown in parenthesis represent the year by which the tariff on the goods of U.S. origin will be eliminated. Unless specified, the applicable tariff will be eliminated on the date on which the agreement is implemented.

The products identified in brackets in Schedule I are not subject to accelerated tariff elimination and have been included for information purposes only to clarify the scope of the numbered tariff items which are the subject of the accelerated tariff elimination.

## NOTE EXPLICATIVE

Les dispositions des Listes I et II ci-jointes sont libellées en fonction du Tarif des douanes du Canada. Dans ces listes, les numéros des lignes tarifaires et les descriptions de produits, qui se fondent sur la nomenclature tarifaire du Système harmonisé, correspondent aux numéros des lignes tarifaires et aux descriptions de produits utilisés dans le Tarif des douanes du Canada.

L'élimination accélérée des droits de douane visant les numéros des lignes tarifaires listés à la Liste I s'appliquera à tous les produits composant chaque ligne tarifaire.

Liste II énumère les numéros des lignes tarifaires dont certains produits seulement doivent faire l'objet d'une accélération de l'élimination des droits de douane, et liste les produits qui doivent être ainsi affectés. Les numéros des sous-positions à 6 chiffres de la Liste II qui sont marqués d'un astérisque indiquent que tous les tissus utilisés comme revêtements décoratifs extérieurs dans la fabrication des articles de mobilier rembourré englobés dans les lignes tarifaires relevant de ces sous-positions feront l'objet d'une élimination accélérée des droits de douane applicables.

Les dates entre parenthèses représentent l'année dans laquelle les droits de douane frappant les marchandises d'origine américaine seront éliminés. Sauf mention contraire, les droits de douane applicables seront éliminés à la date à laquelle l'accord sera mis en application.

Les produits de Liste I mis entre crochets ne sont pas visés par l'élimination accélérée des droits de douane et n'ont été inclus, à des fins d'information, que pour clarifier le champ d'application des numéros des lignes tarifaires qui font l'objet d'une élimination accélérée des droits de douane applicables.
