Tribute to
GLYN BERRY

'One of Our Own'

*Some of this might seem idealistic,
but in a world of cynicism, there's
always room for dreamers.*

– Glyn Berry

Glyn Berry, former Political Director of the Kandahar Provincial Reconstruction Team, was killed in the line of duty in Kandahar, Afghanistan on January 15, 2006, when the convoy on which he was travelling was attacked.

Born in Wales, Glyn joined the Department of External Affairs in 1977 and served in Oslo, Washington, Havana, London, Islamabad and at the United Nations in New York City.

Glyn served his country and this department with distinction, and his death will be deeply mourned. He will be forever remembered by his colleagues.

Introduction

The Departmental Headquarters Directory is produced by Foreign Affairs and International Trade Canada. The 2006 printed and PDF versions were designed to reflect the Department's organizational structure as of December 13, 2006, and to identify employees who are a point of contact for specific services. It is not an index of all individuals who work for the Department. If you are searching for the phone number of a specific person, please use the electronic Employee Directory on the intranet which is more comprehensive and is kept up-to-date by employees themselves via myInfo.

IN CASE OF FIRE

- Activate Nearest Alarm · Leave Fire Area ·
 - Close Doors Behind You · Sound Fire Alarm ·
 - Do NOT Use Elevators · Use Nearest Stairway ·
 - Clear The Building/Minimum 100 Metres (300 Feet) ·
- Remain Calm

IF YOU HEAR THE ALERT SIGNAL

Slow Intermittent Signal

Listen for instructions over loudspeakers.

Prepare to evacuate when ordered to do so, or upon hearing the alarm signal.

IF YOU HEAR THE ALARM SIGNAL

Continuous Signal

Evacuate immediately using nearest exit.

ALARM BELLS

ALERT Signal: The intermittent ringing of the bells at a rate of **20 beats per minute** means that all occupants on the floor should prepare to evacuate and follow the instructions announced over the public address system. An alert signal does not constitute an evacuation order.

ALARM Signal: The constant ringing of the bells at a rate of **120 beats per minute** means all occupants of the floor are to evacuate immediately.

CAUTION

Feel door before opening it. If warm, remain in your area. If not, evacuate via nearest exit, closing all doors behind you. If smoke is heavy in the corridor, it may be safer to stay in your area. Close door and seal all cracks. Notify Fire Department of your location (i.e. Pearson Building, 125 Sussex Drive). If you encounter smoke in a stairway, use an alternate exit.
